

What do you carry in  
your current body?

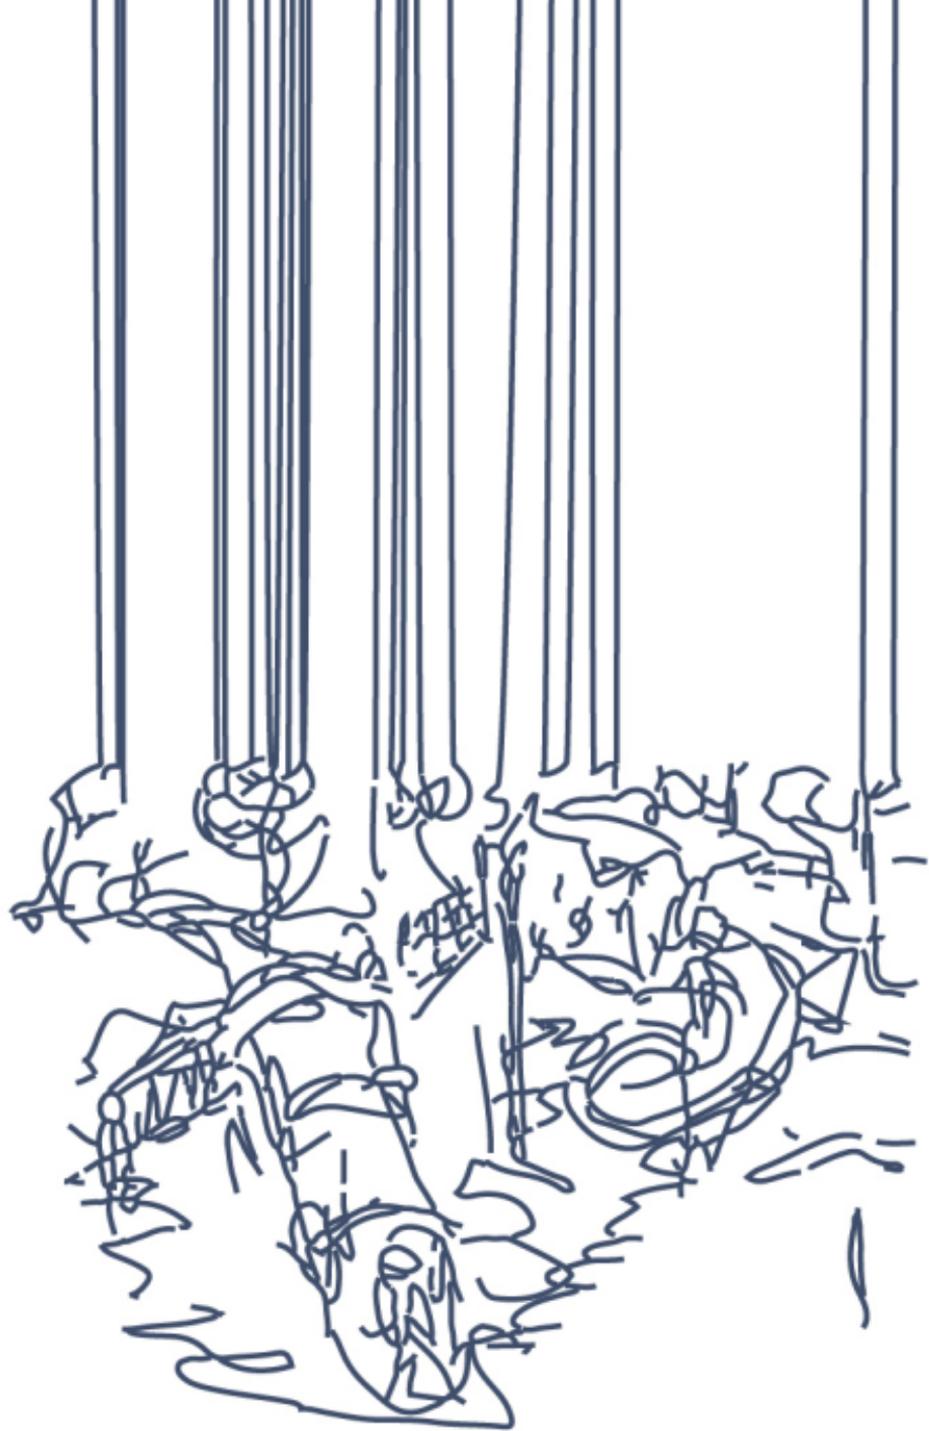

Who would you be if  
you were a child?

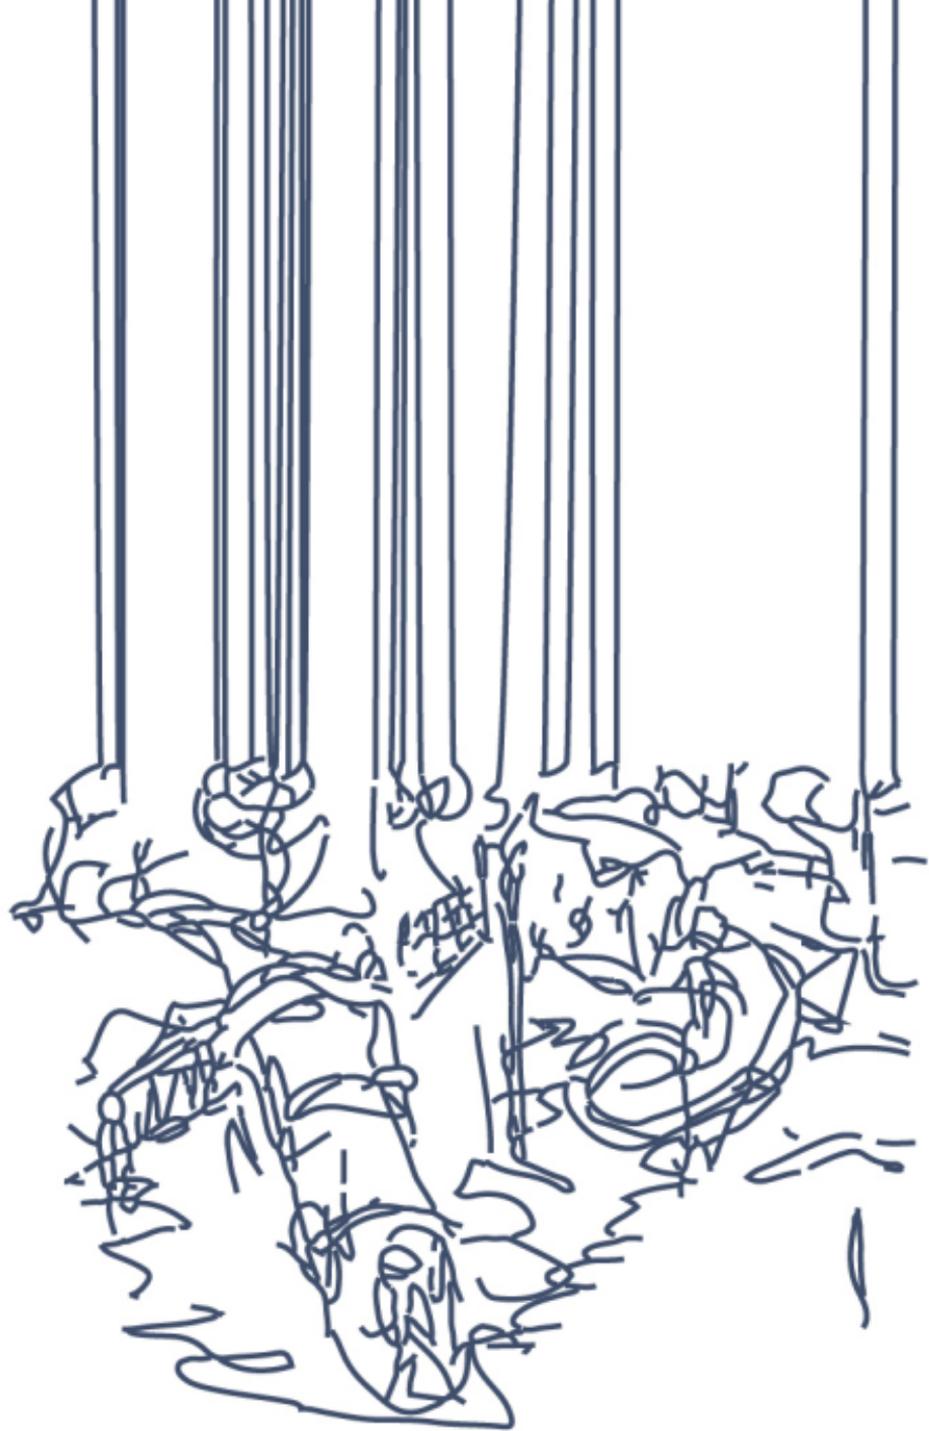

How do you wish you  
could and when would  
it be?

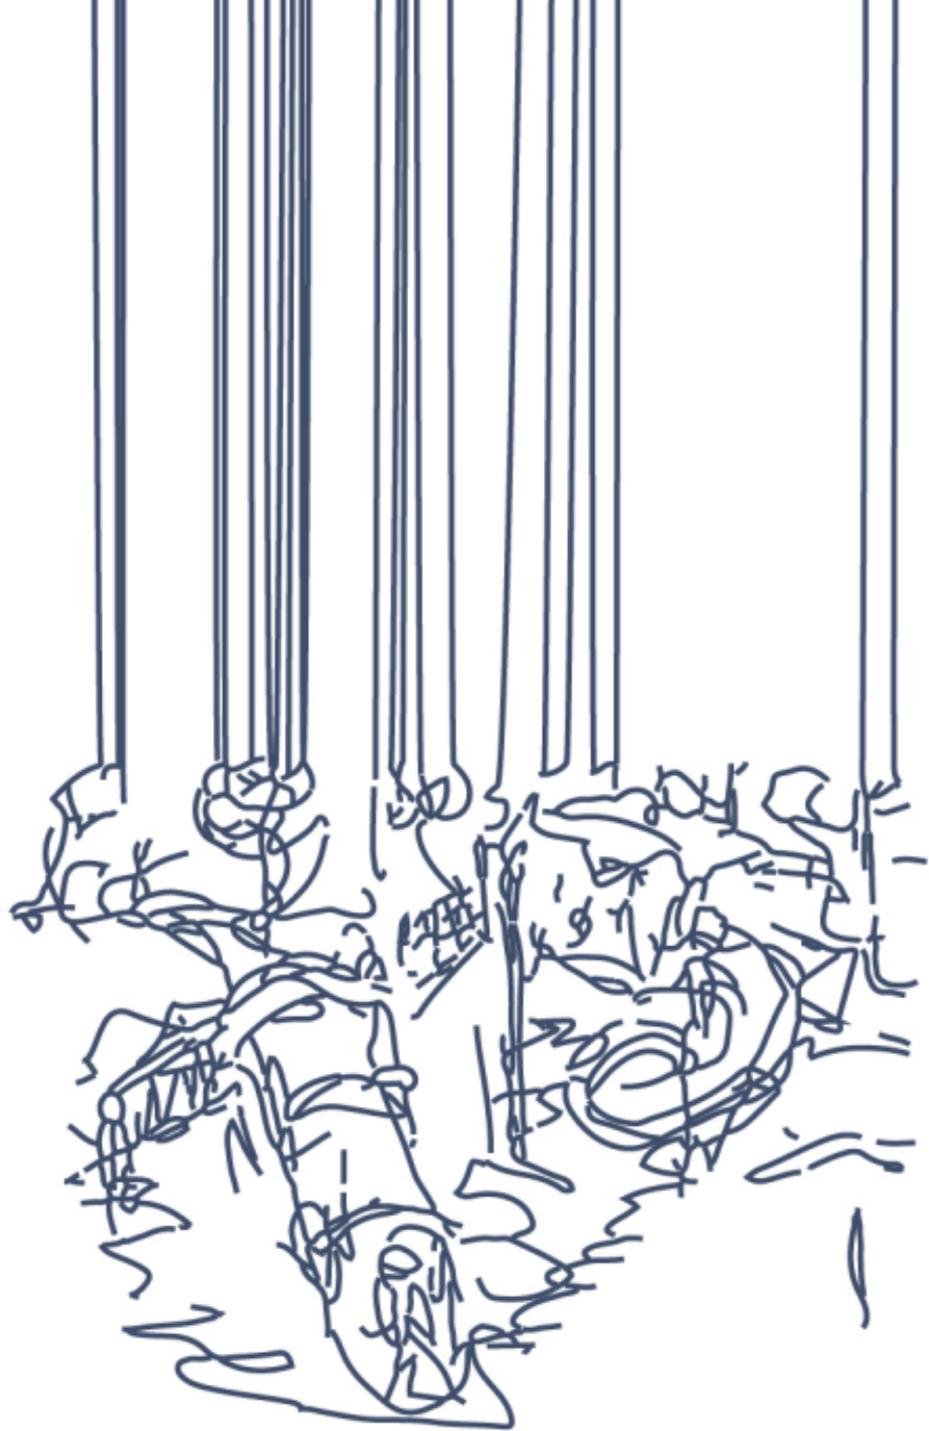

How would you use the  
gift?

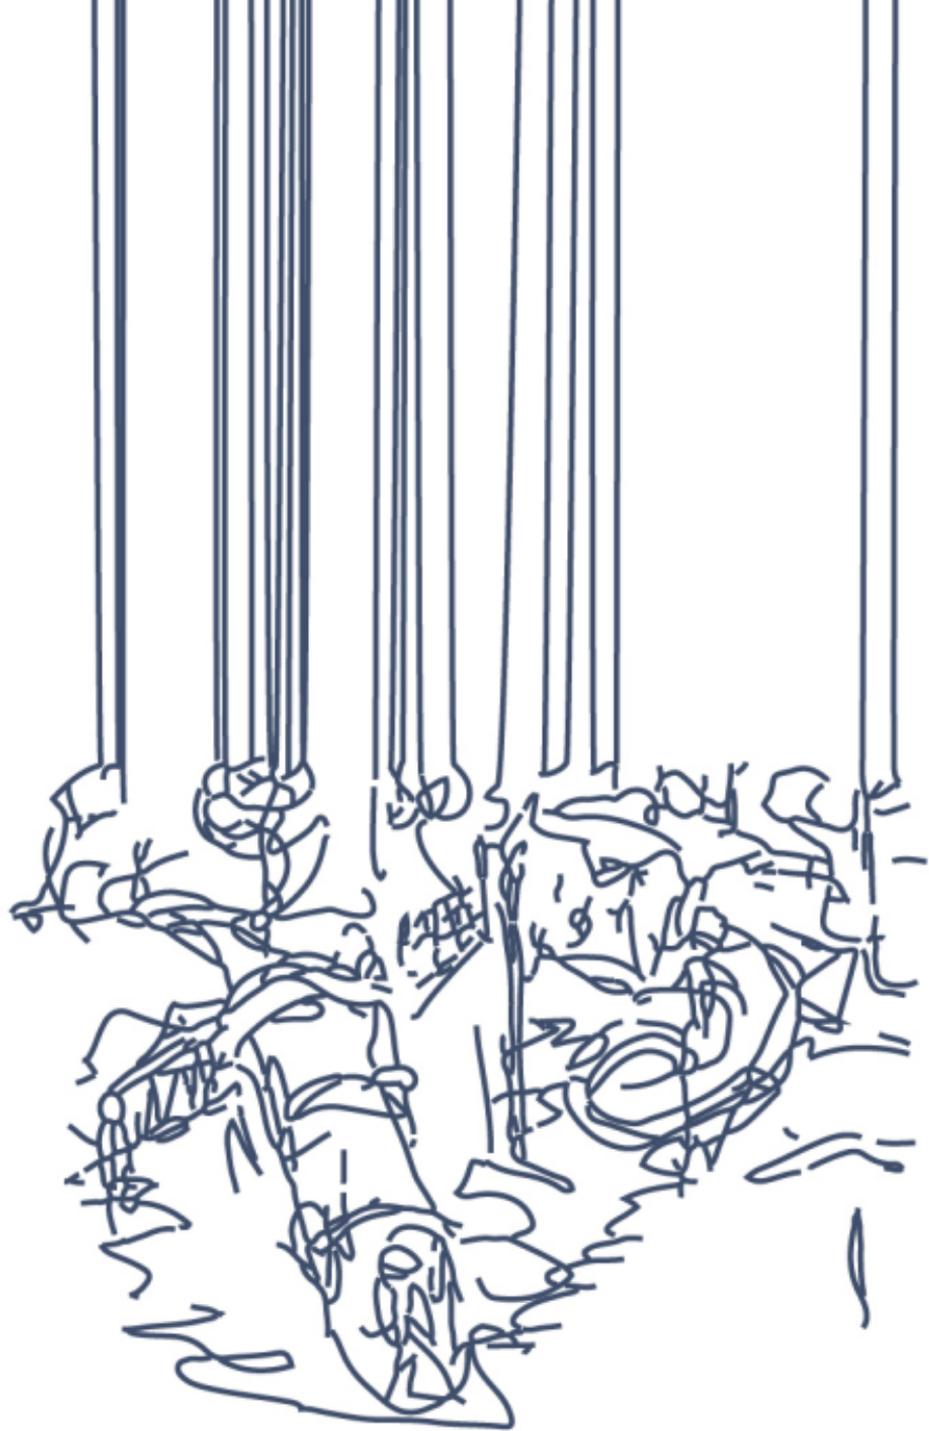

Would you rather be  
the hat to end all hats?

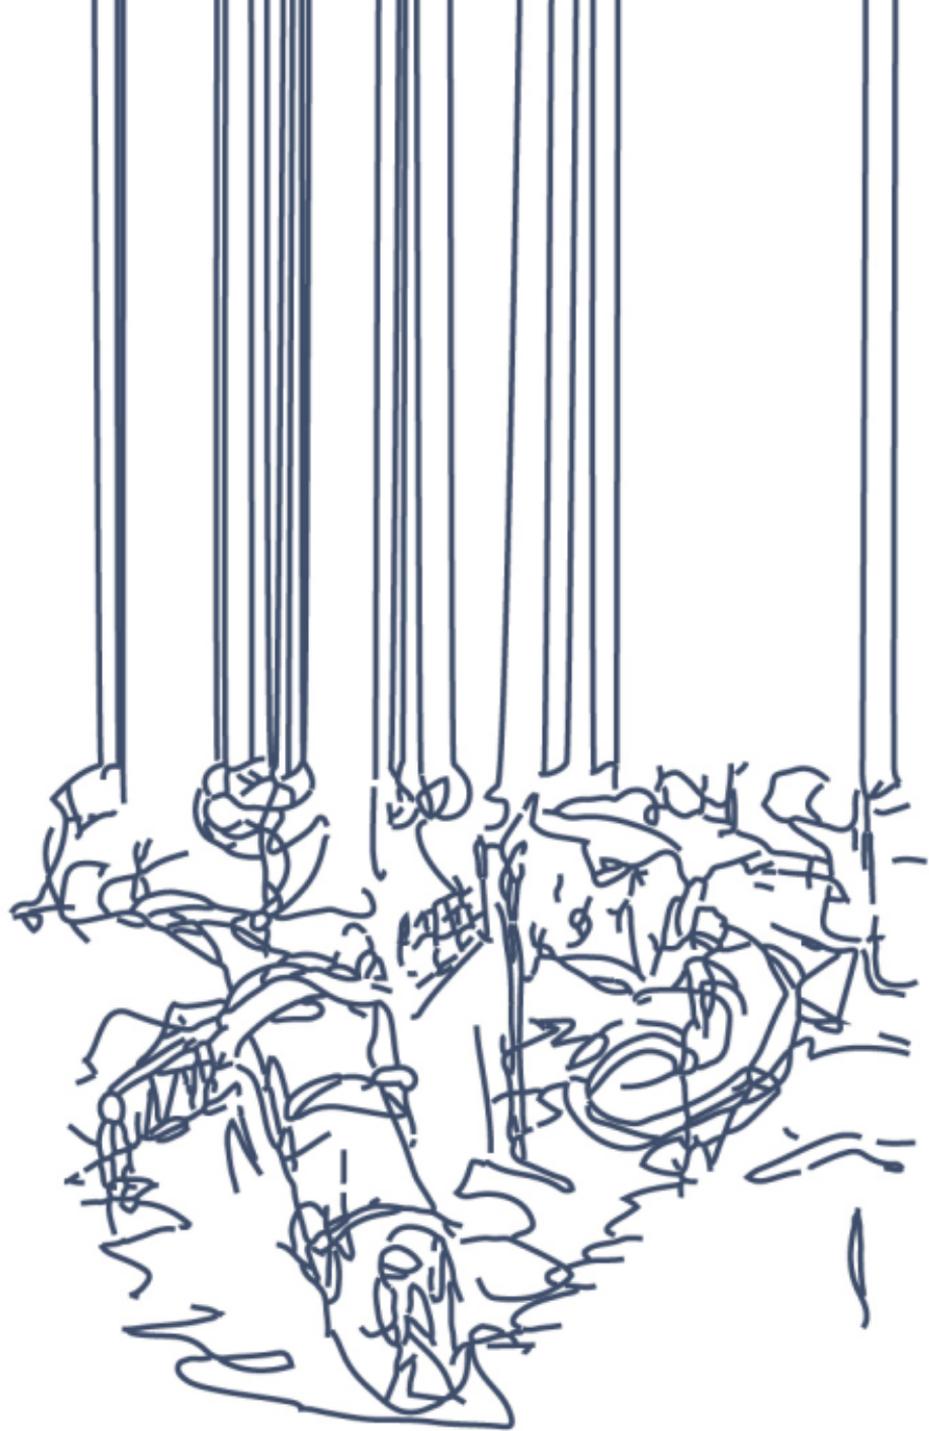

What would the cheat codes of life be if you were to do them back to back?

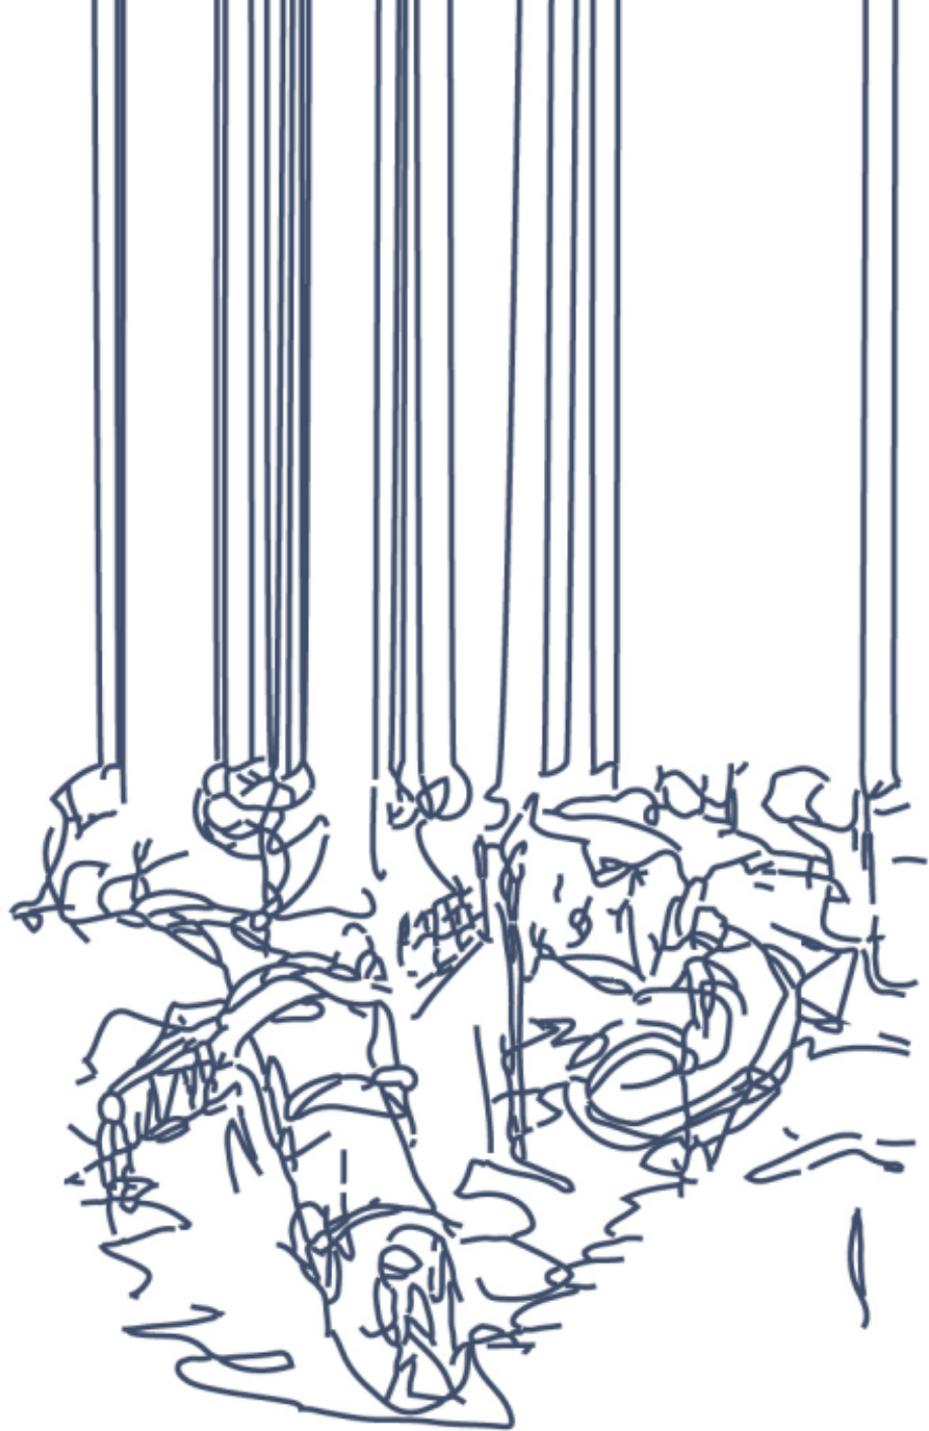

What are the most  
courageous things  
you've ever been?

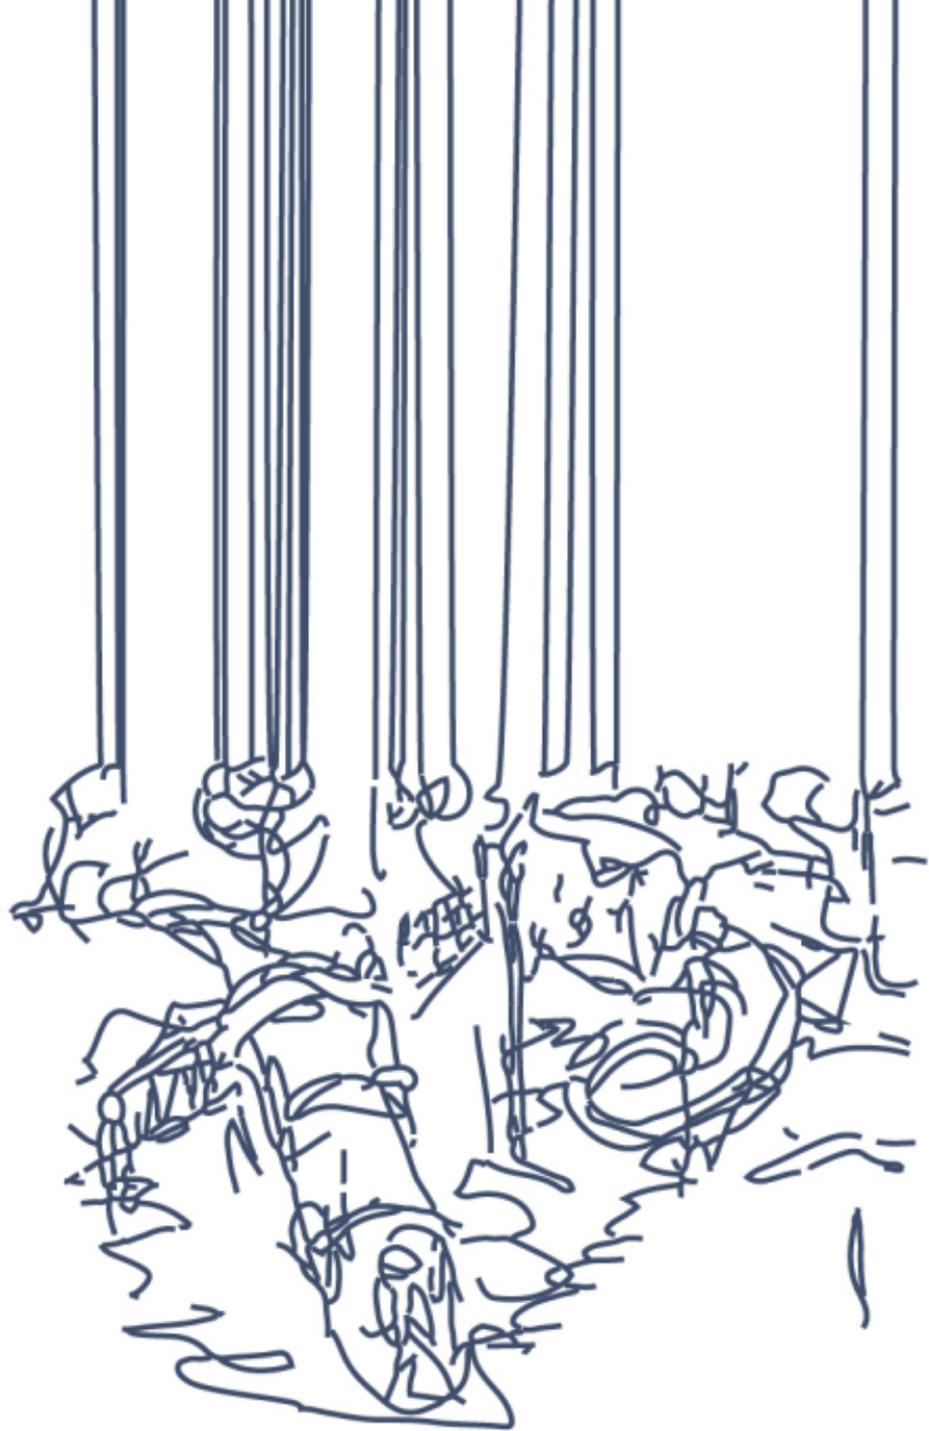

Where is the sound you  
love the most?

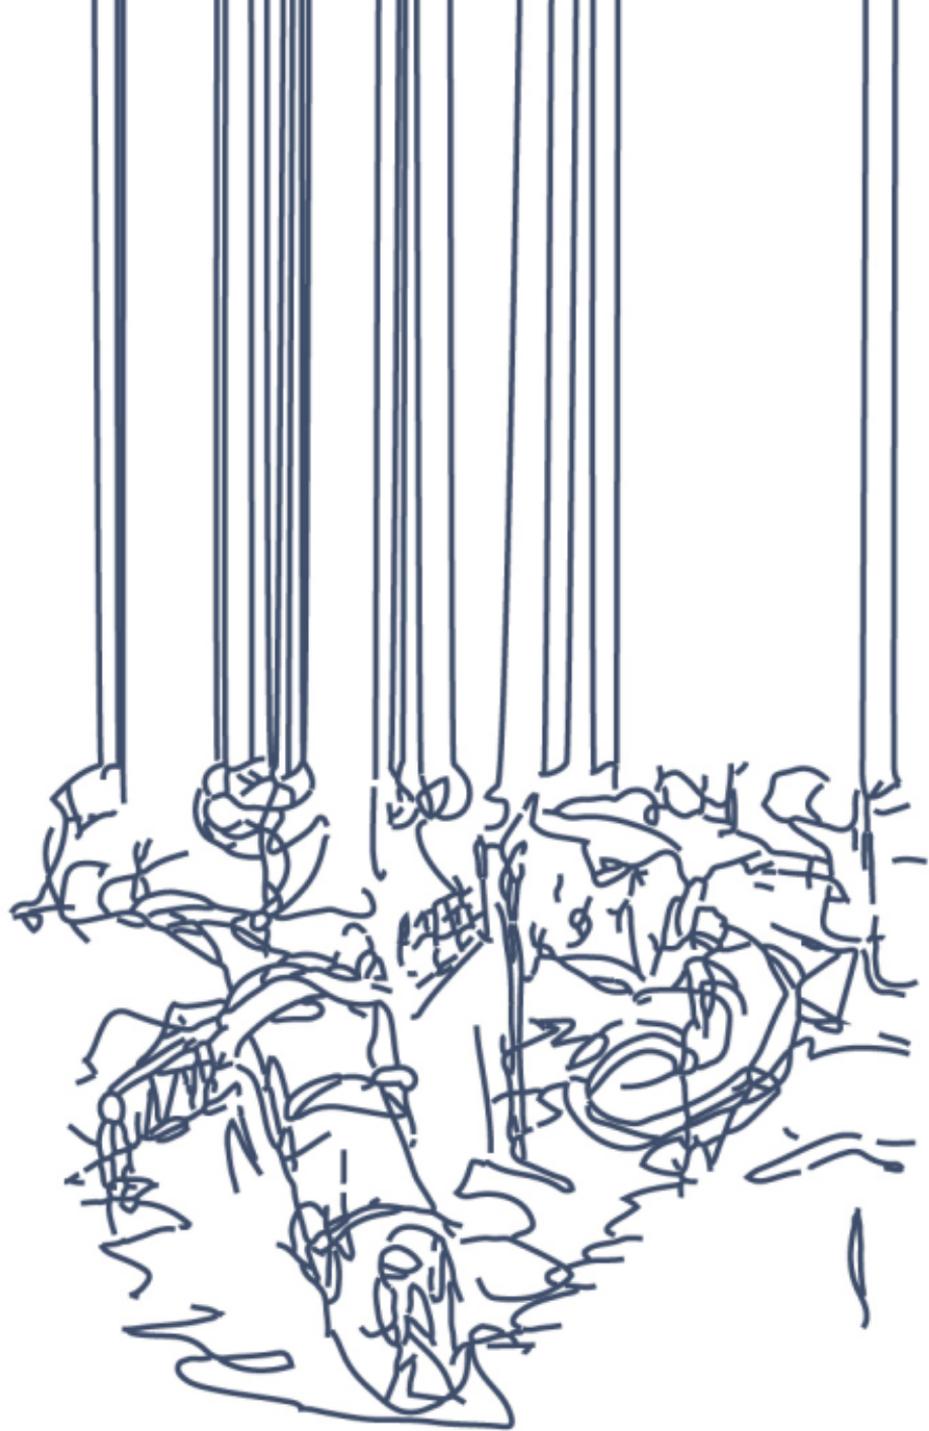

When are you at the age  
that you are actually  
sane and not  
pretending to be here?

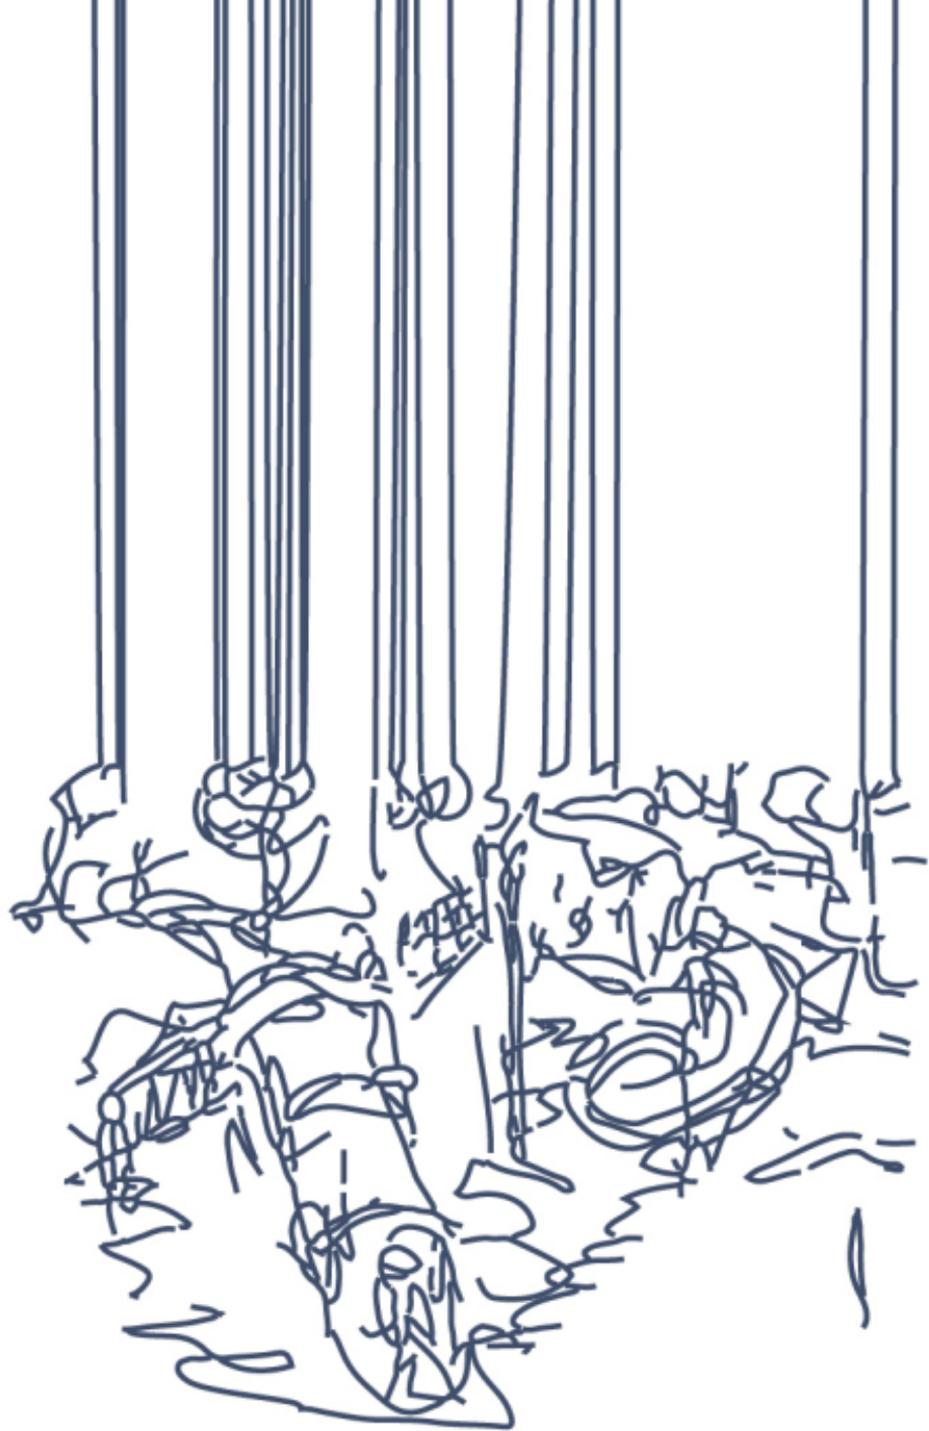

If we need to follow  
rules at all costs, then  
why do we all die  
anyway?

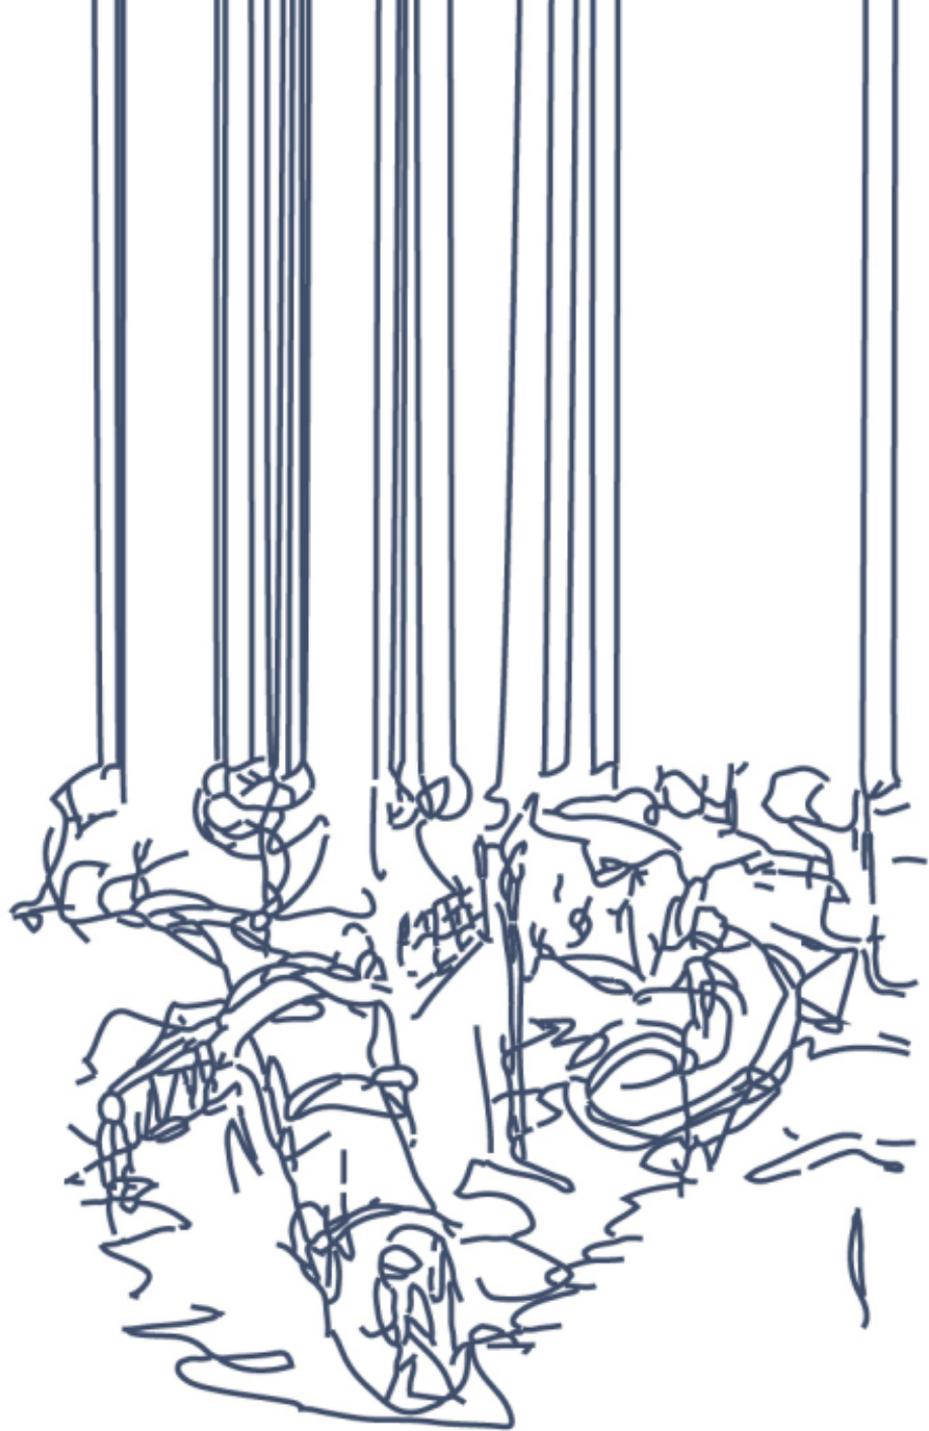

If you could eliminate  
from existence, how  
would you choose?

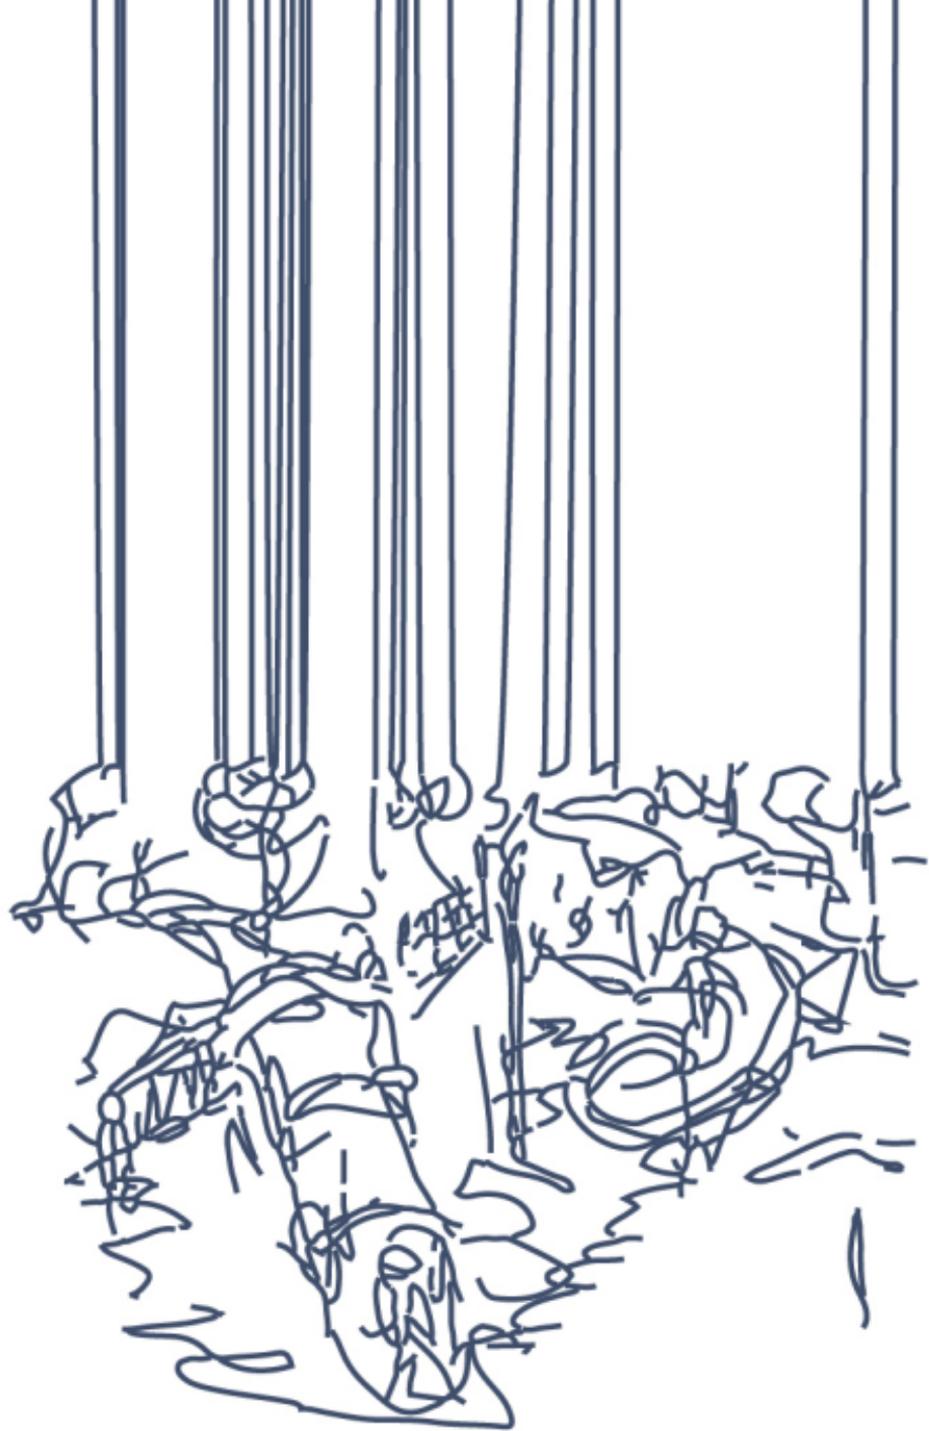

What are some  
totally normal things  
that would improve the  
world if it was a  
videogame?

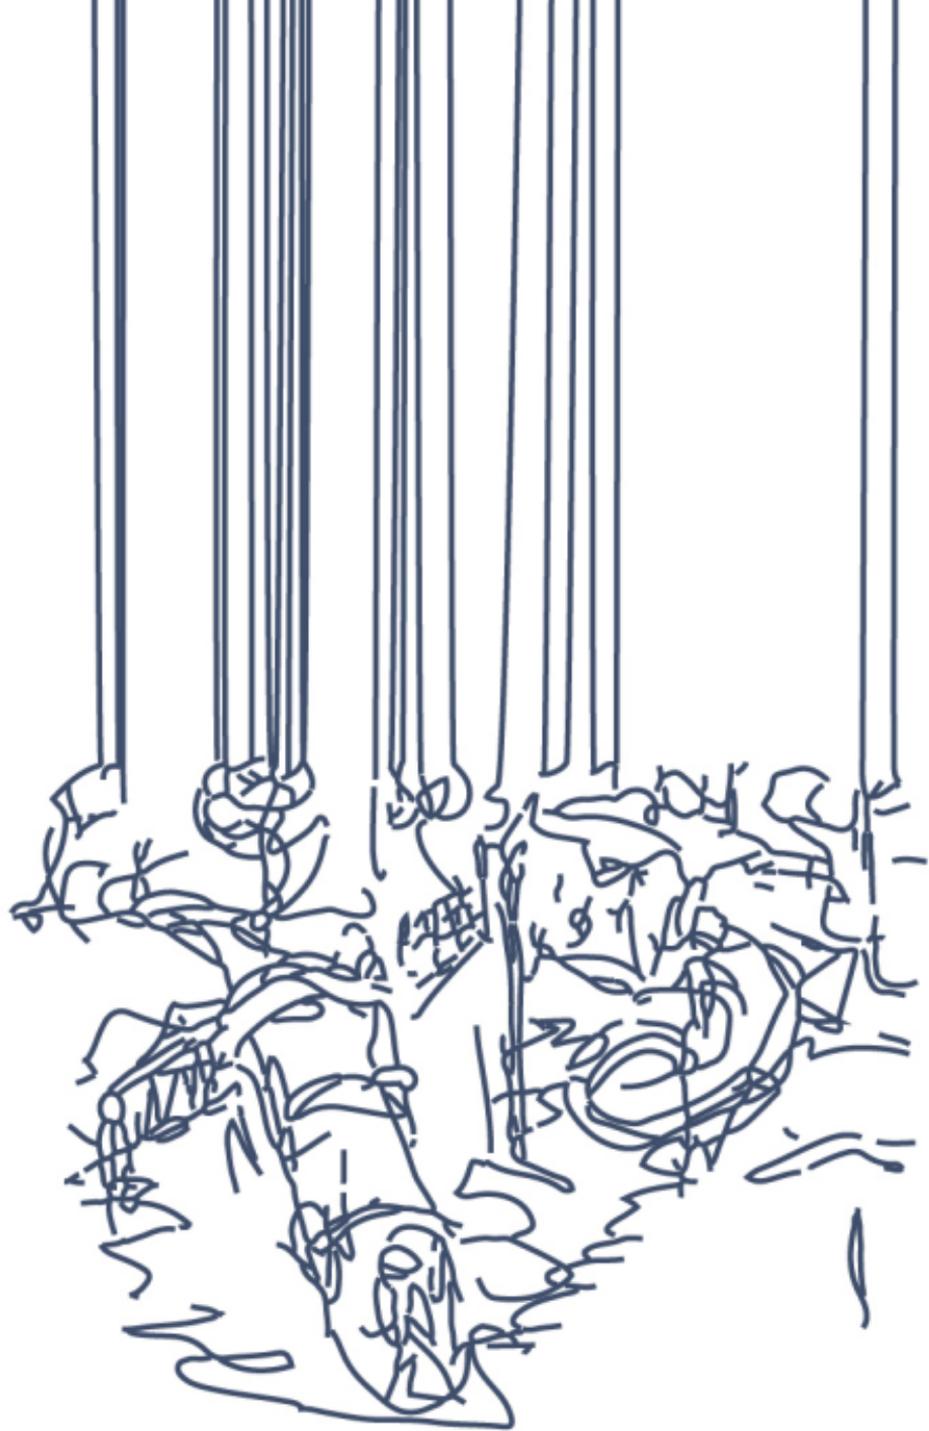

Who is the ending of  
the story?

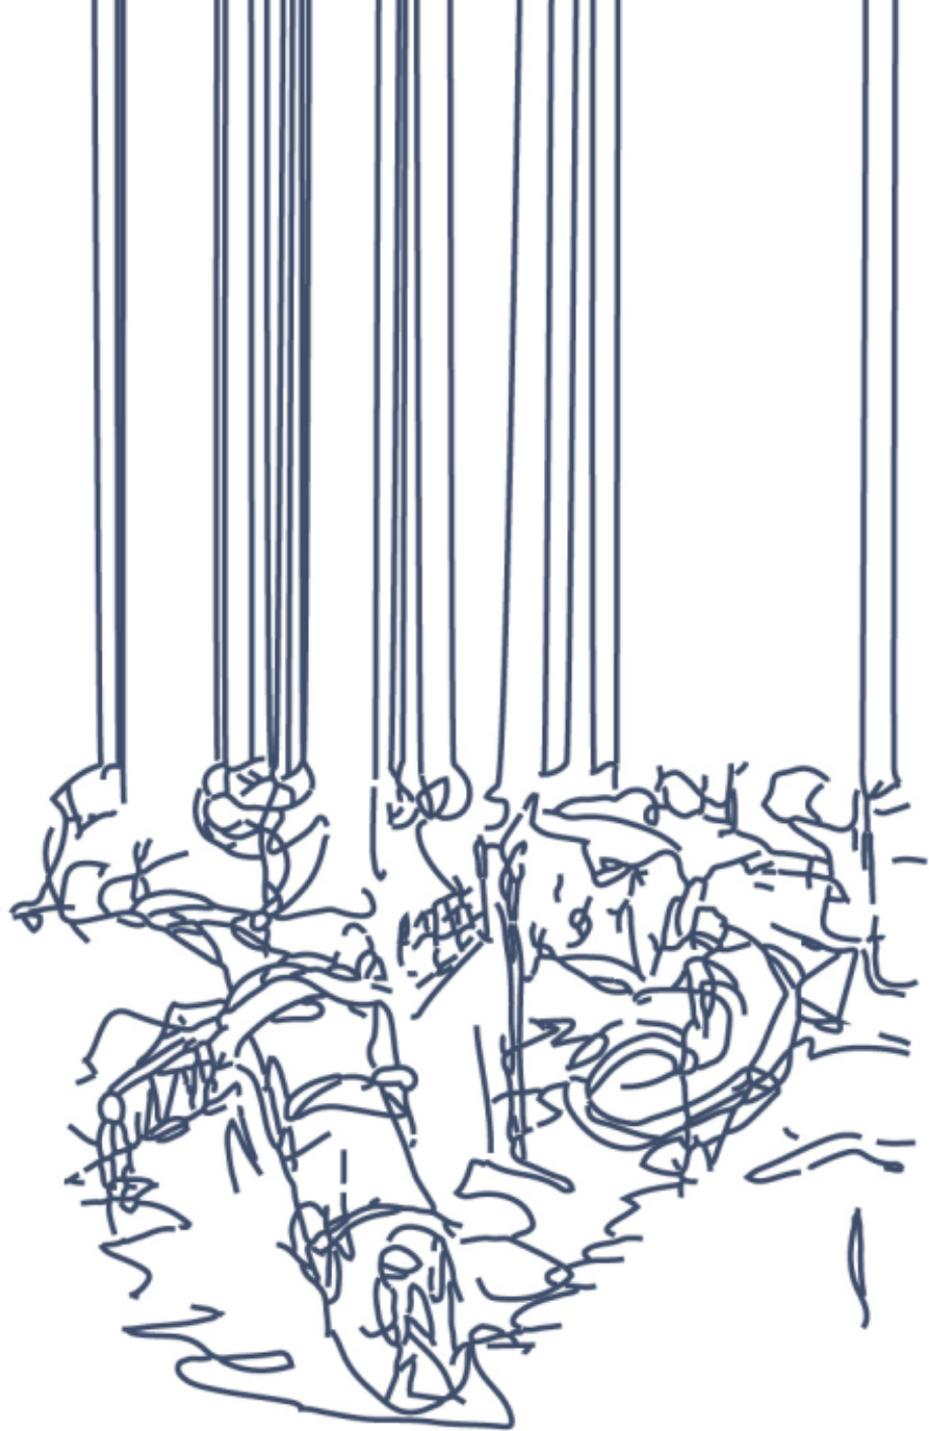

How could I stay safely  
at the age that you see  
colors the same way  
that they have?

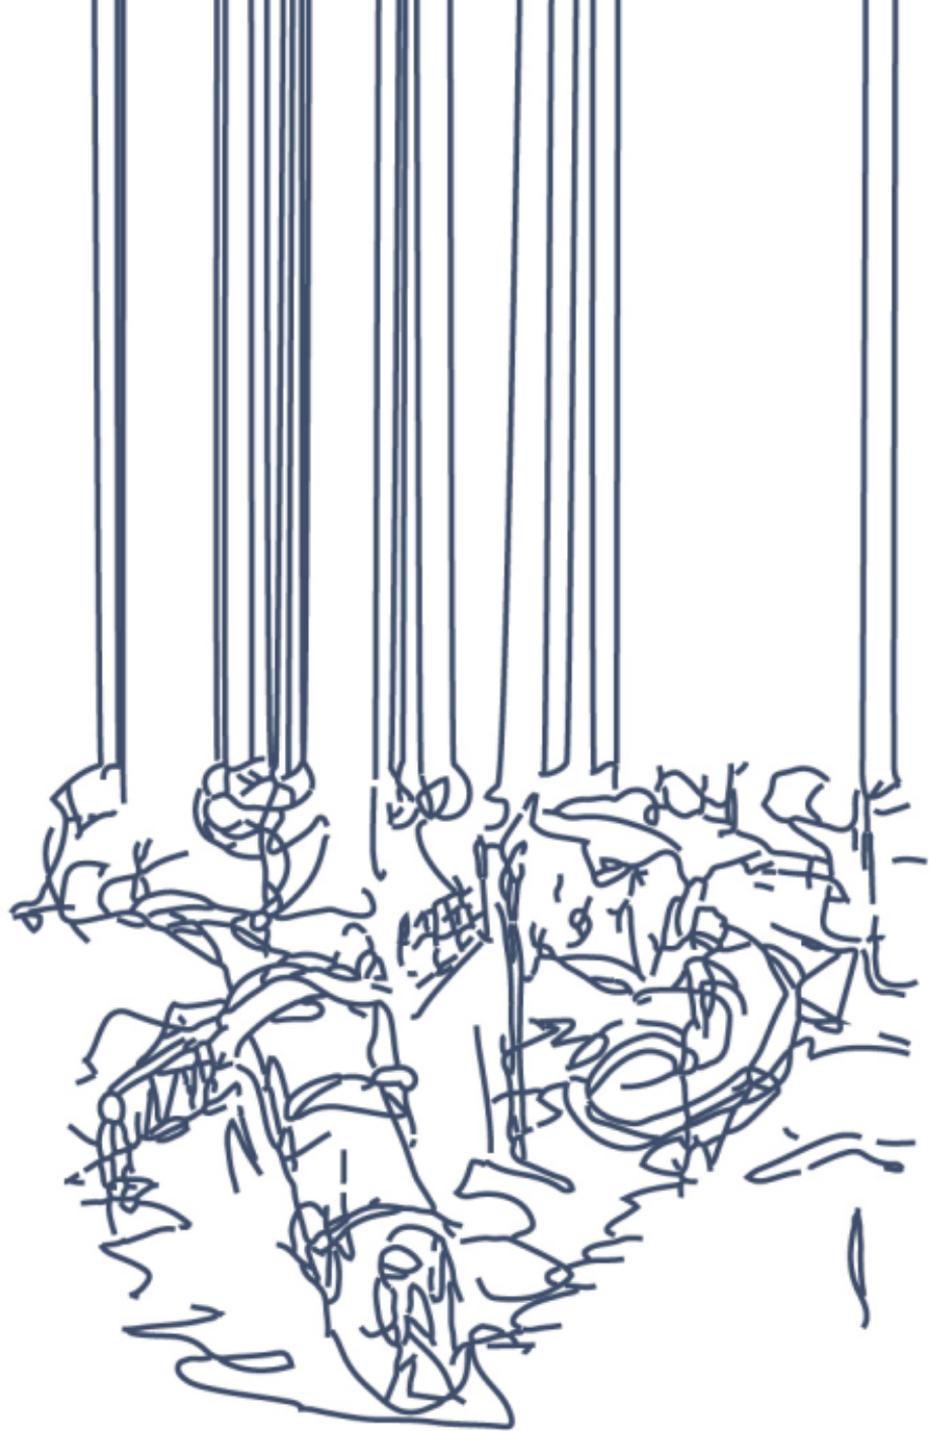

If they looked at our  
star right now, where  
would you pick?

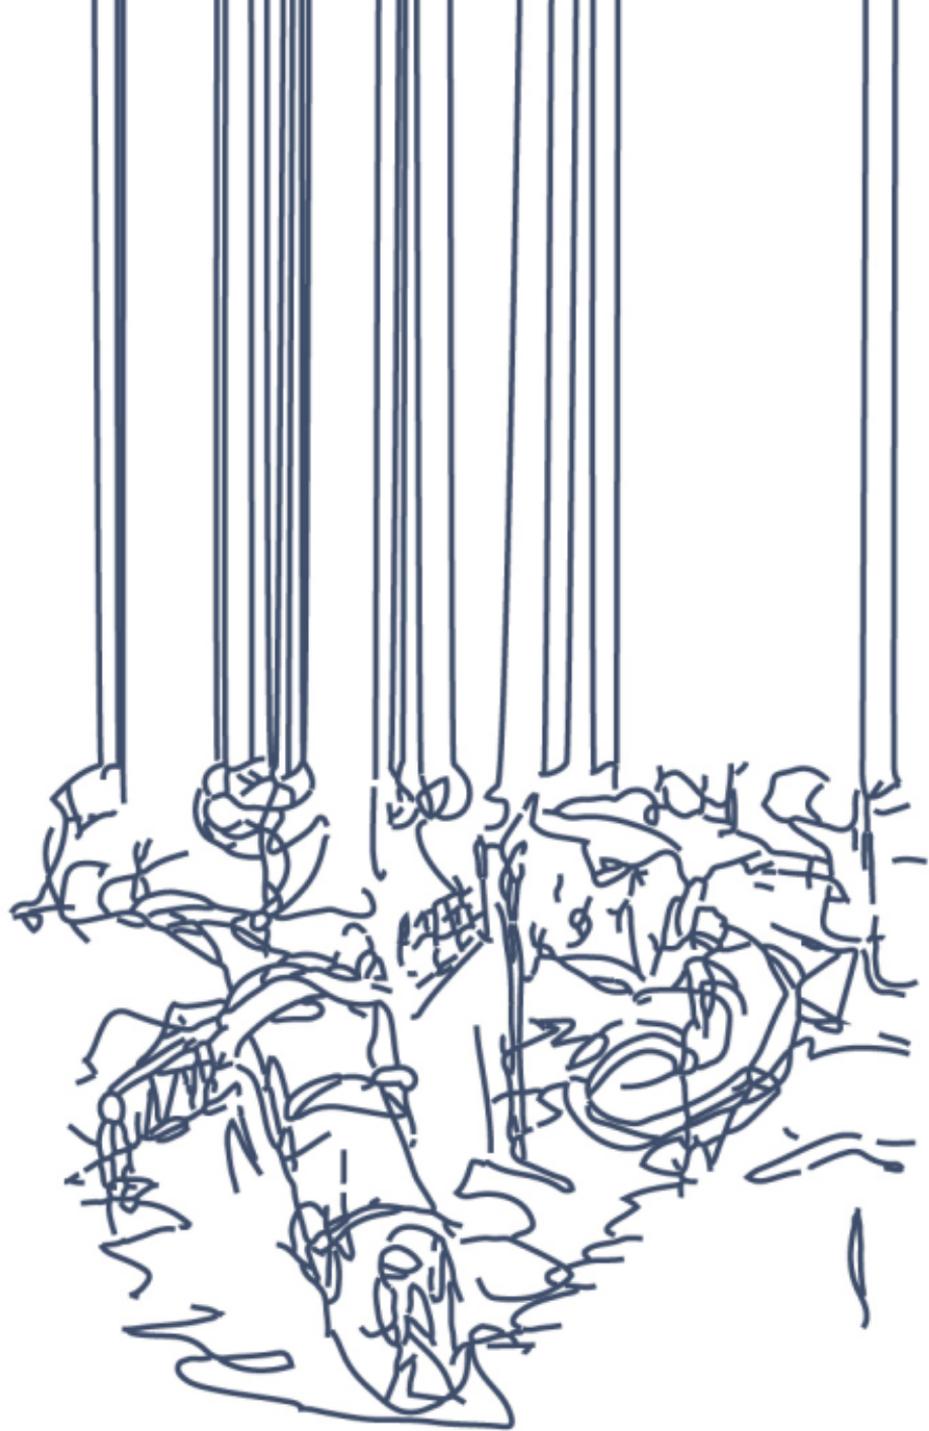

What would you have  
ever smelled?

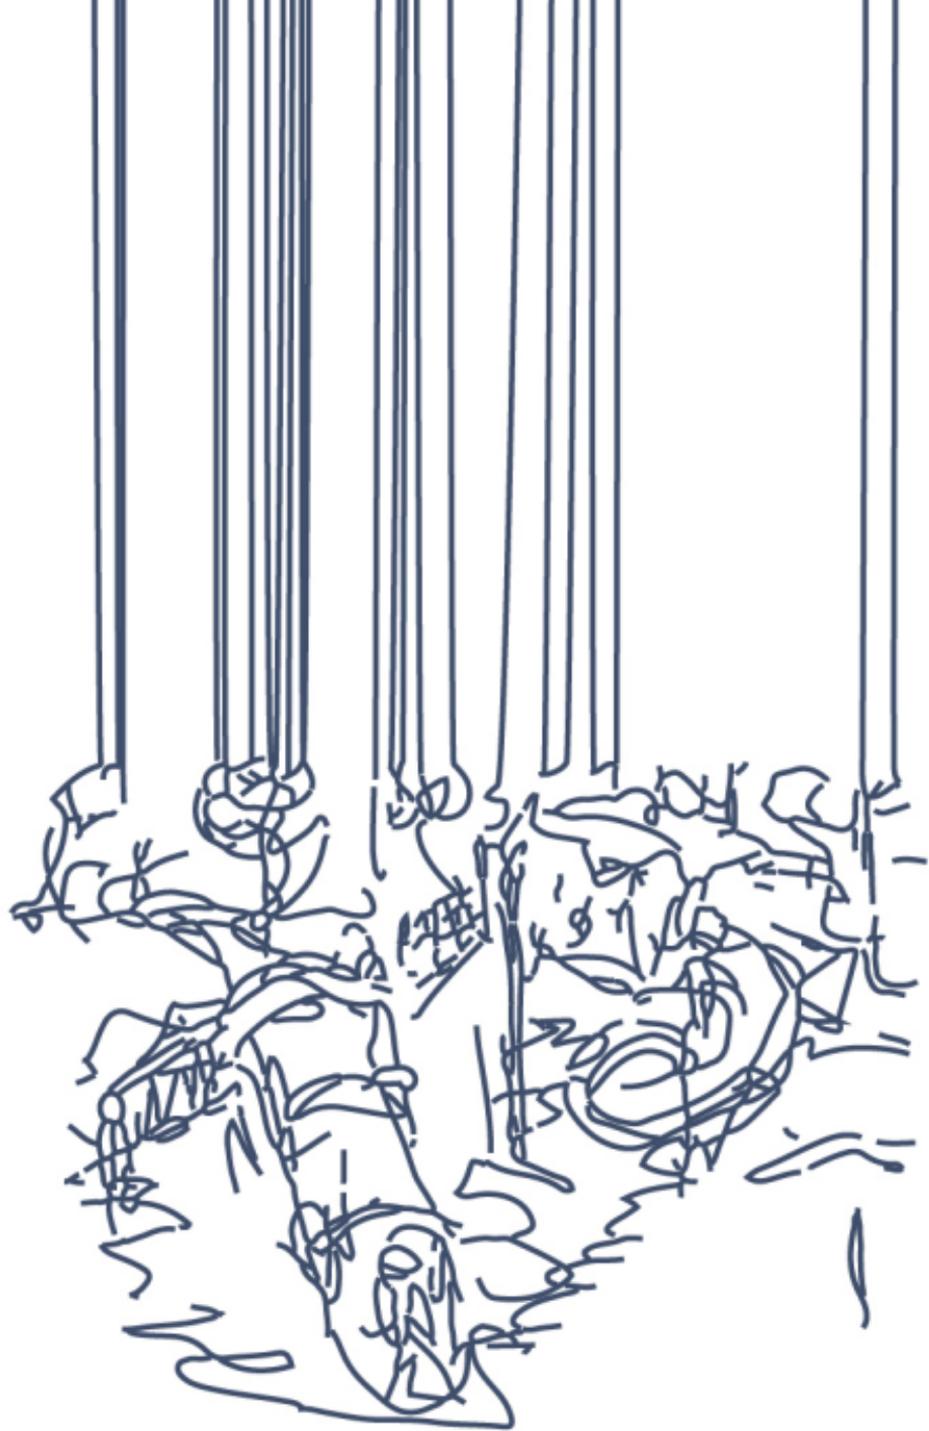

What is the beginning  
of a character like you?

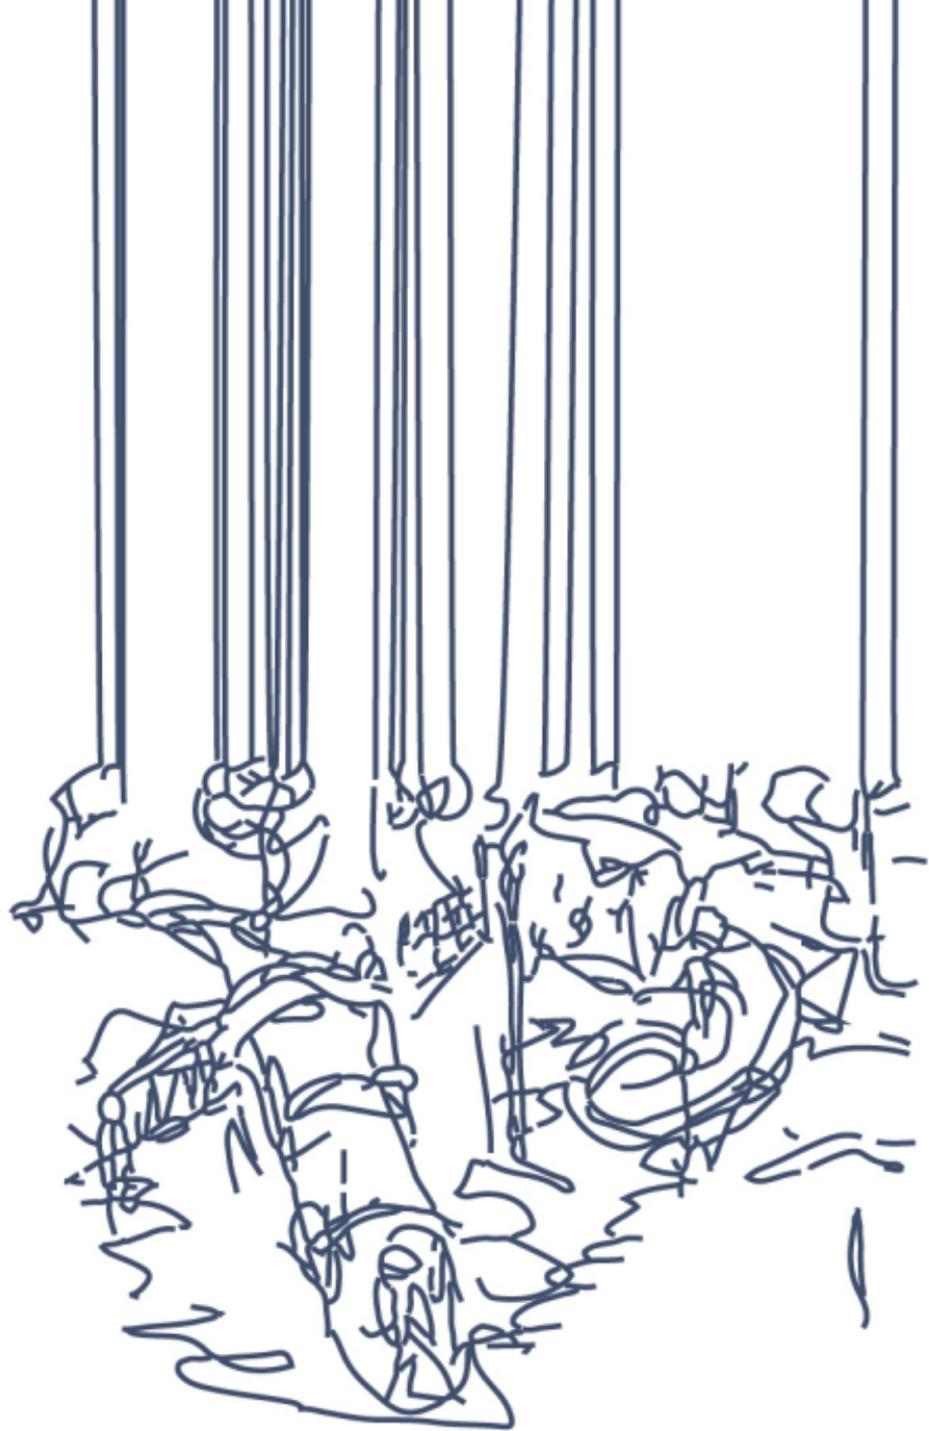

How would you want to shock people with their braces still on?

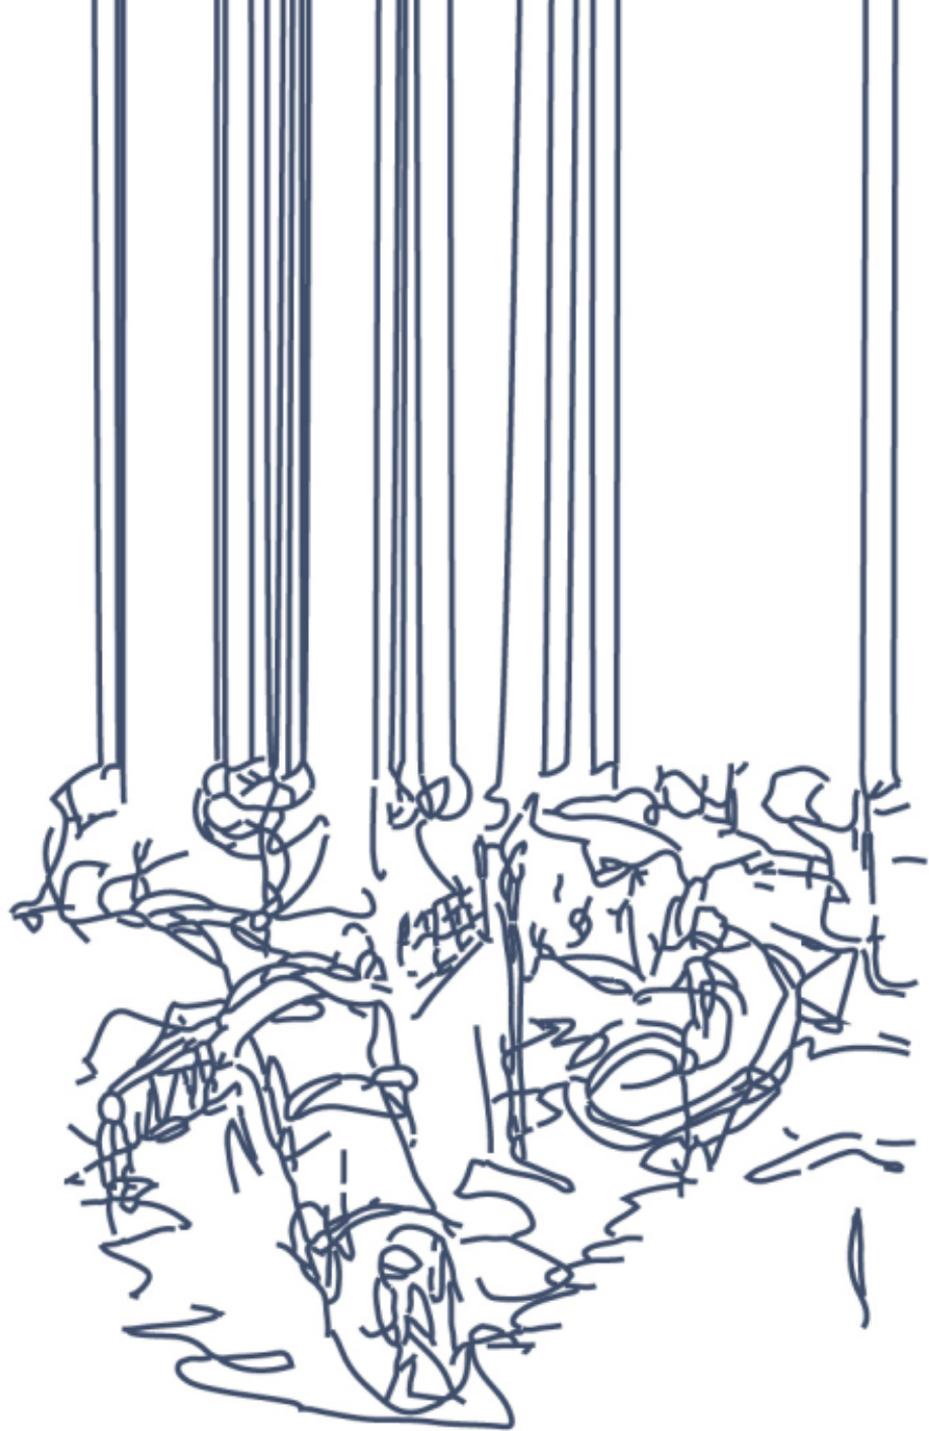

What would you have  
seen in someone else's  
home?

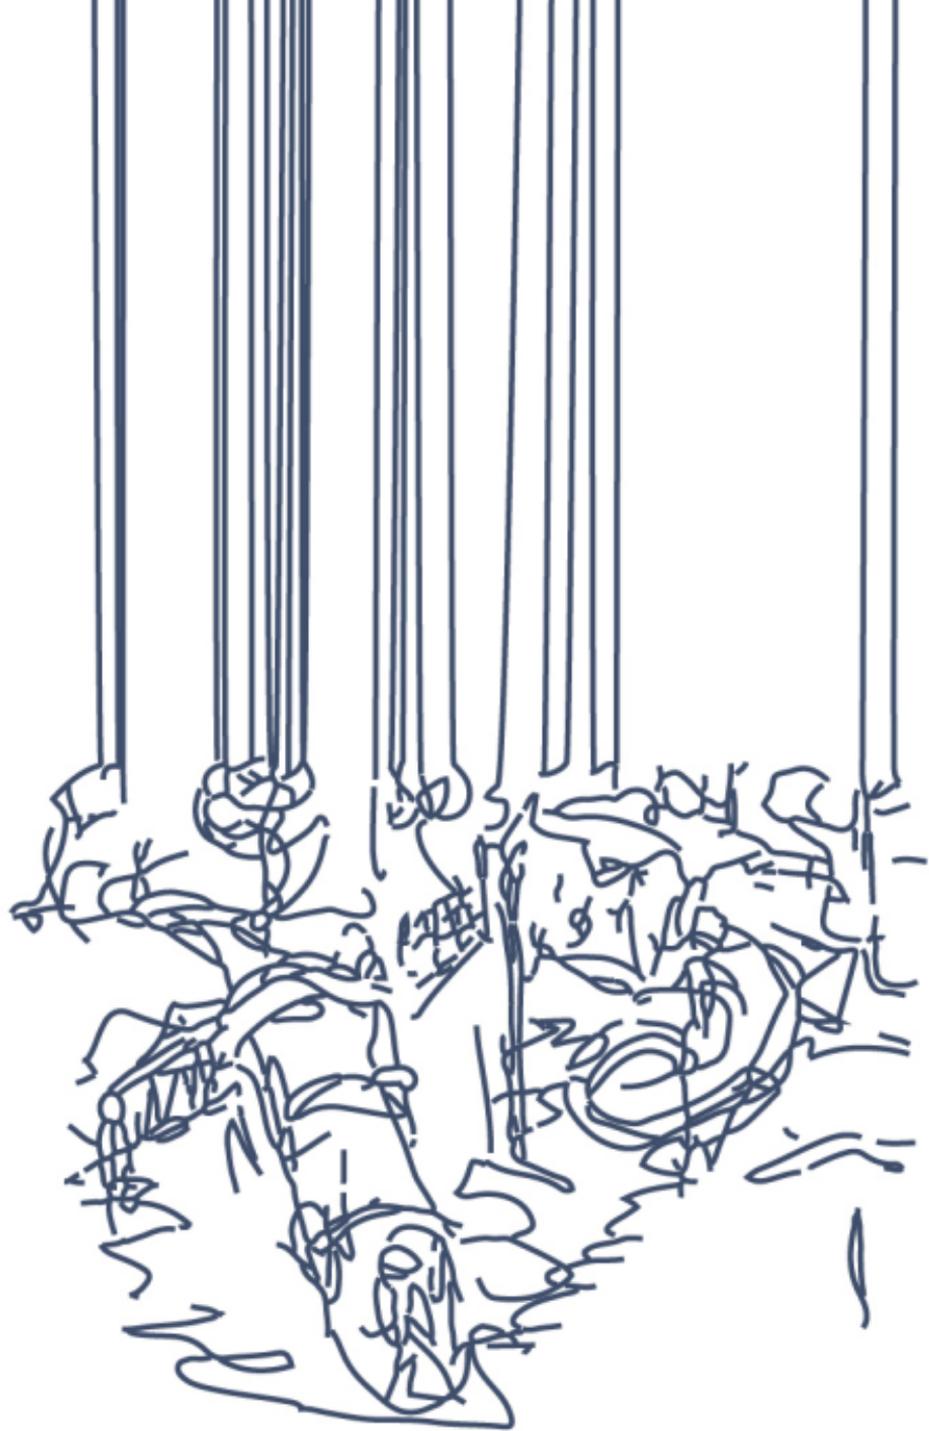

How many chickens  
would it be and how  
long did it last?

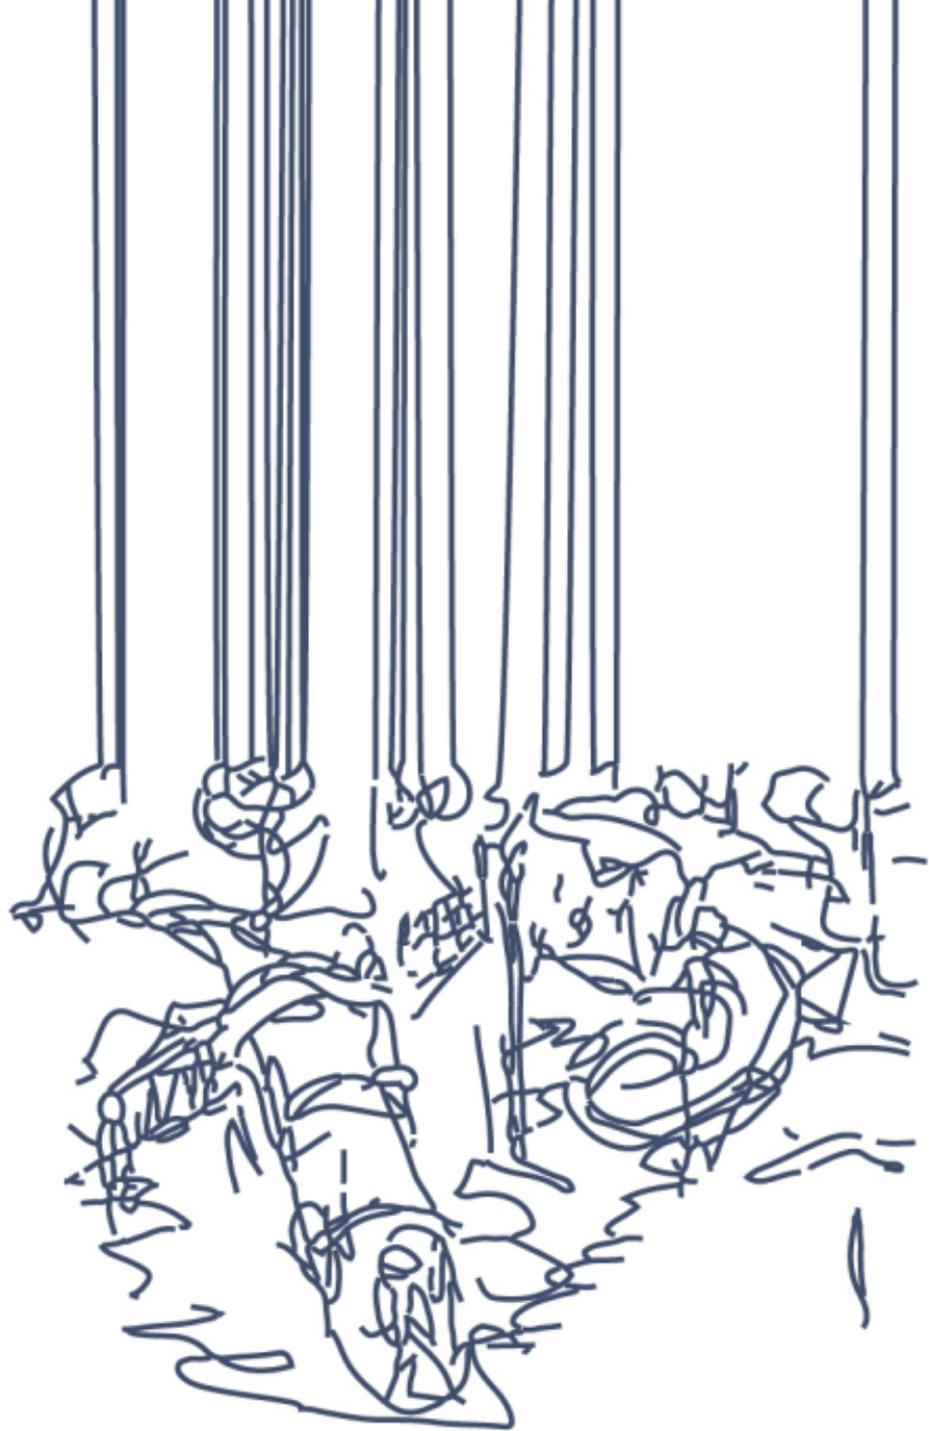

When is a fictional character actually sane and not pretending to be impossible?

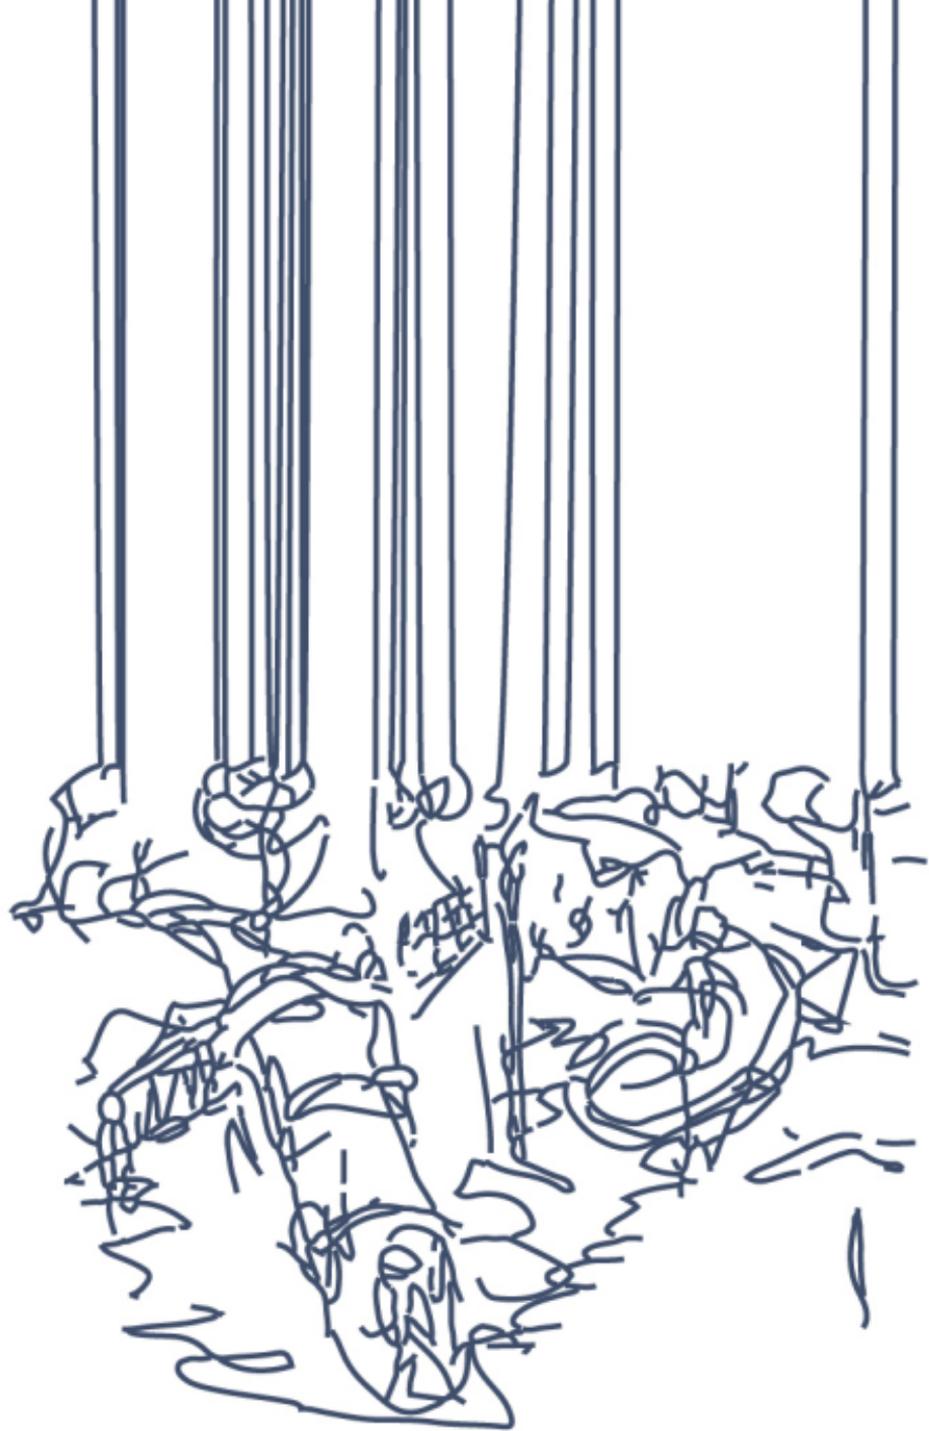

Who is the greatest  
invention of all time?

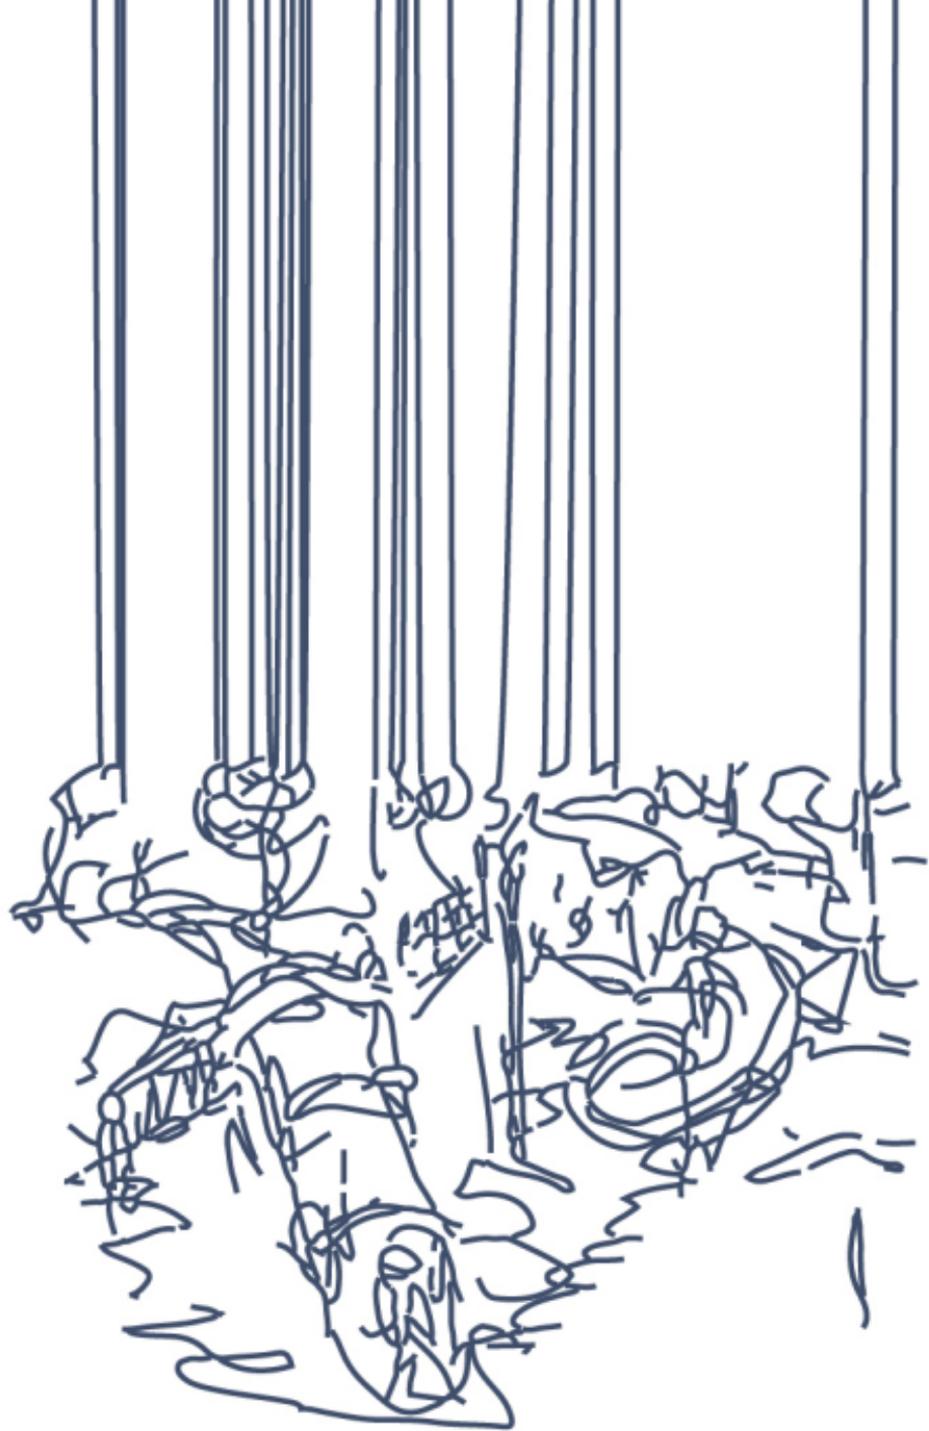

How would you like to  
be successful in a  
single giant drop?

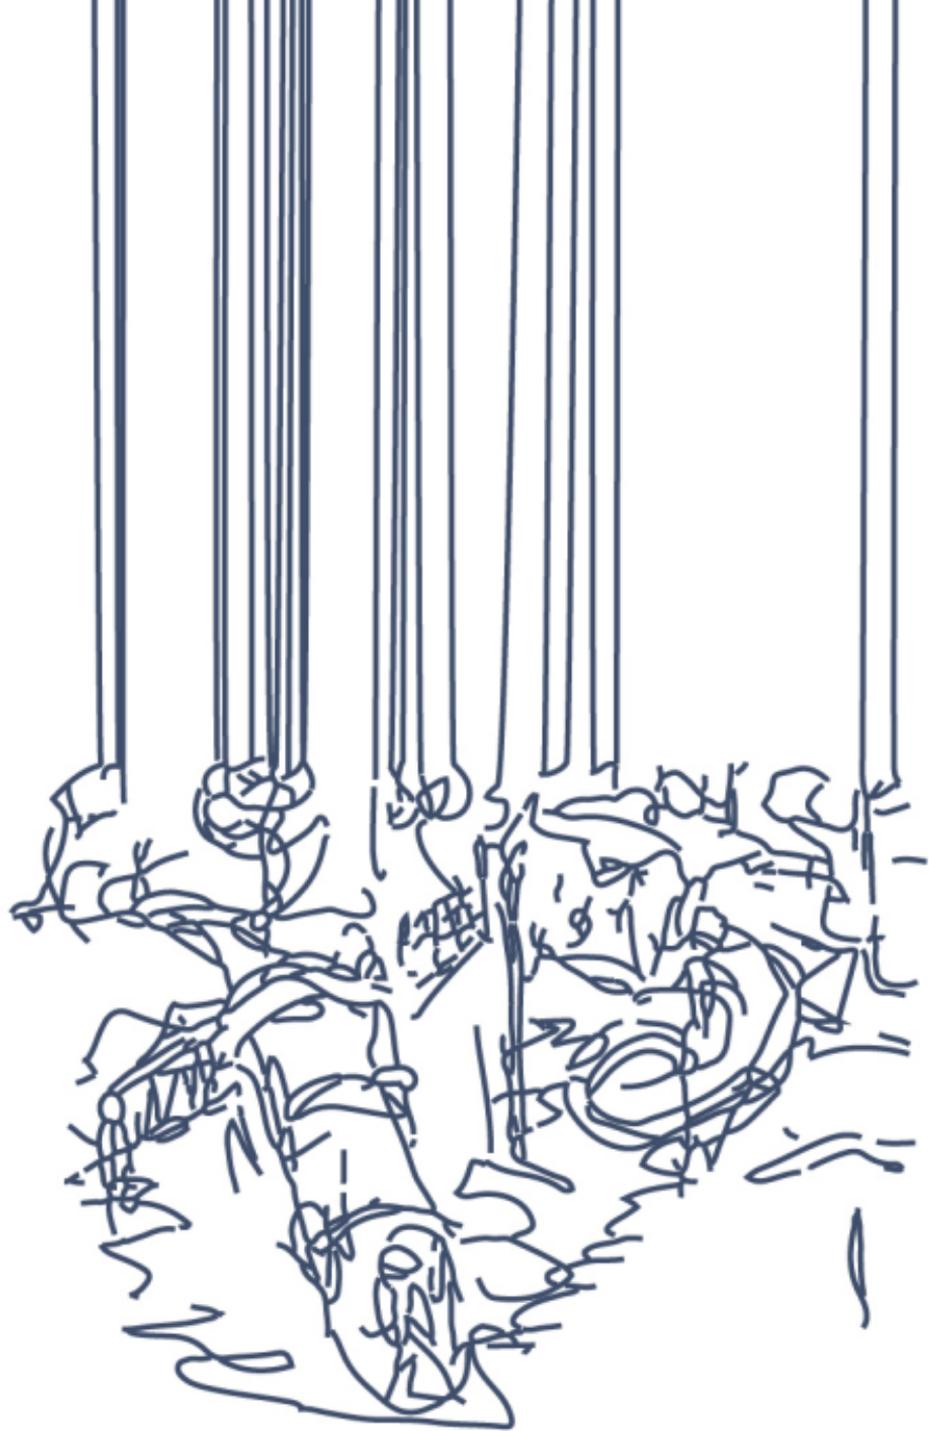

Who is a great book  
you've read recently?

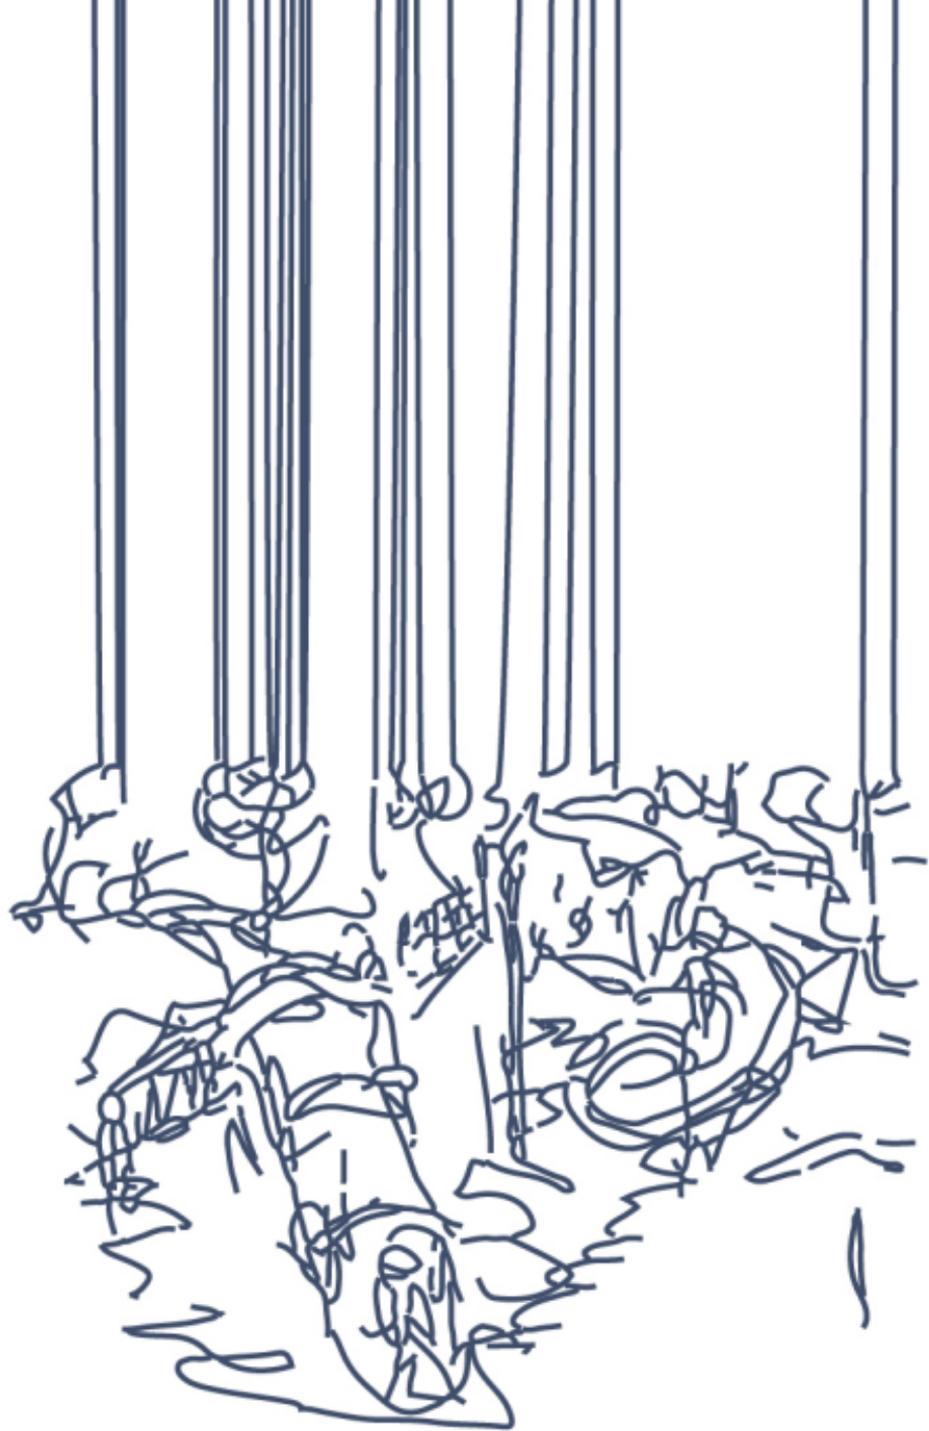

How do you think it is  
always winter?

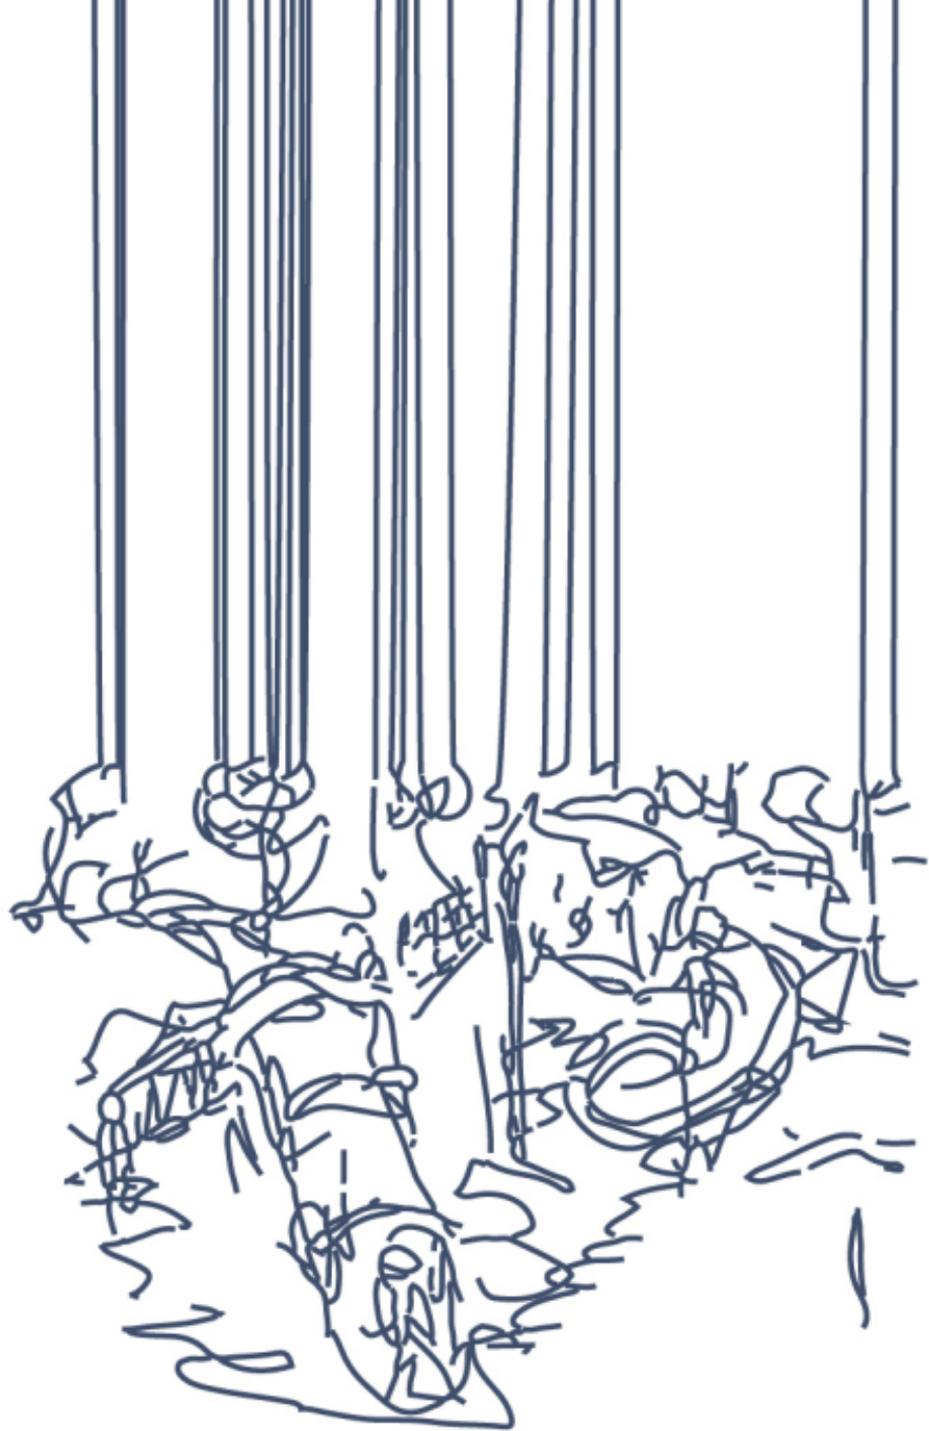

How would you land?

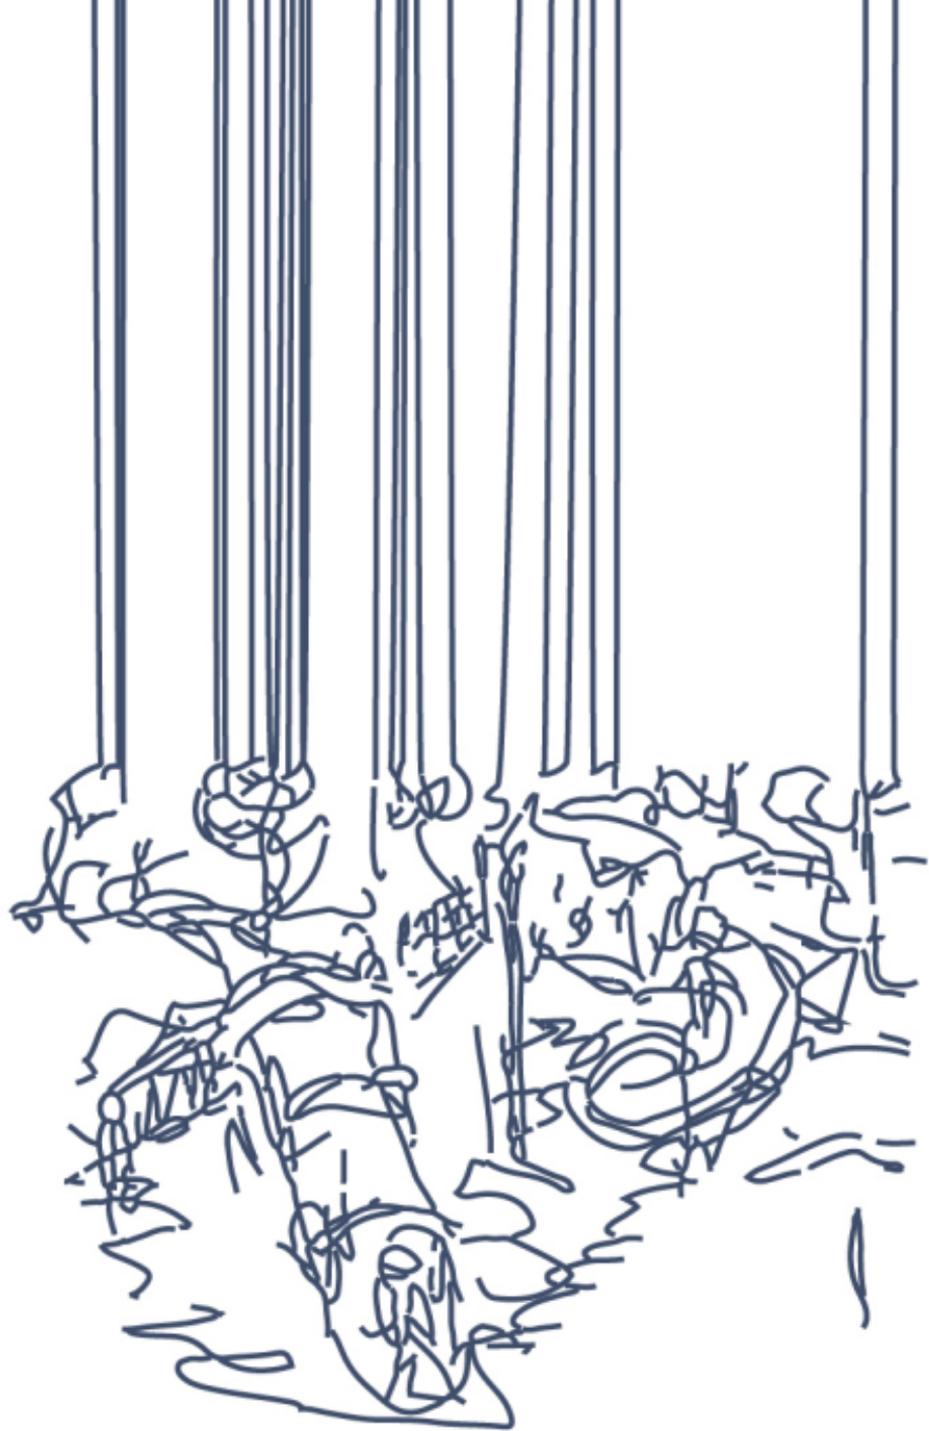

How can I learn from a public place?

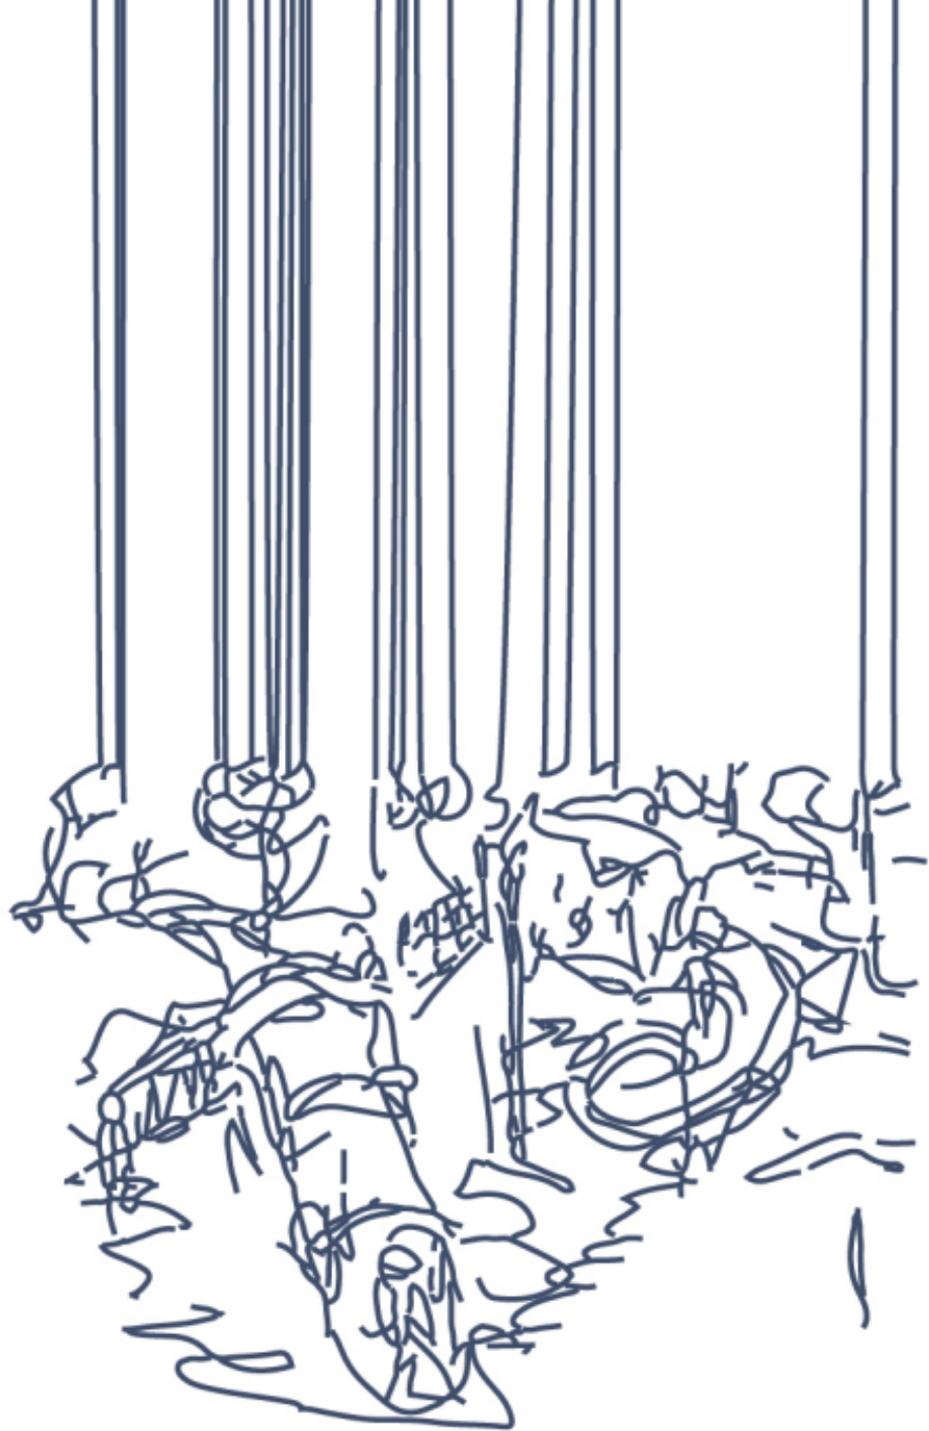

What is the most about  
yourself?

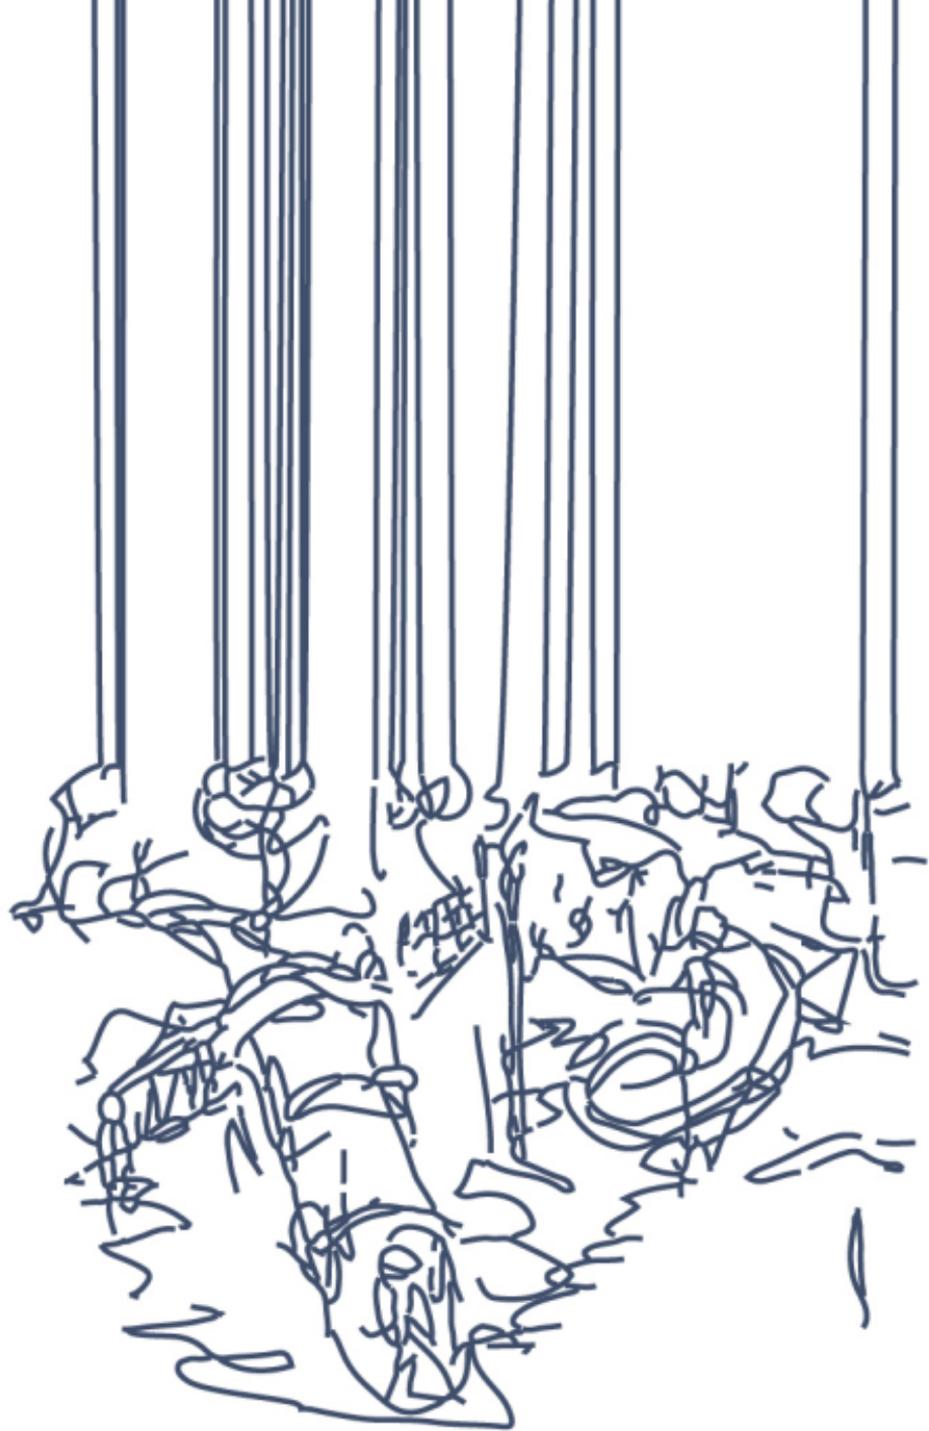

If an asteroid was very small but supermassive, could you wear it on your head and make people stop what they are doing and stare in awe and amazement?

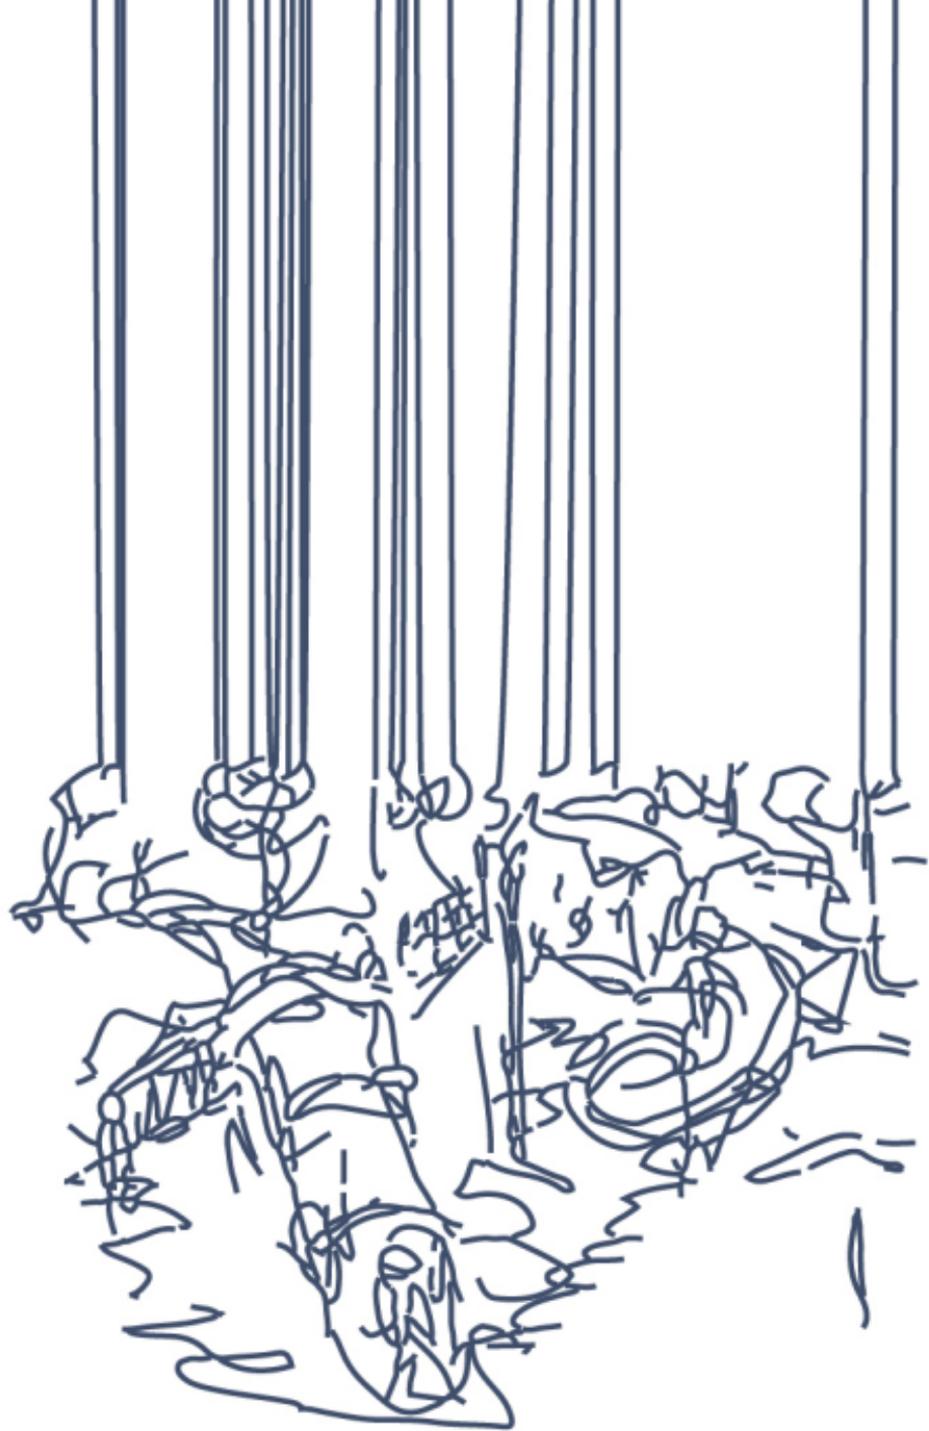

What's the one food you  
could have a  
conversation with?

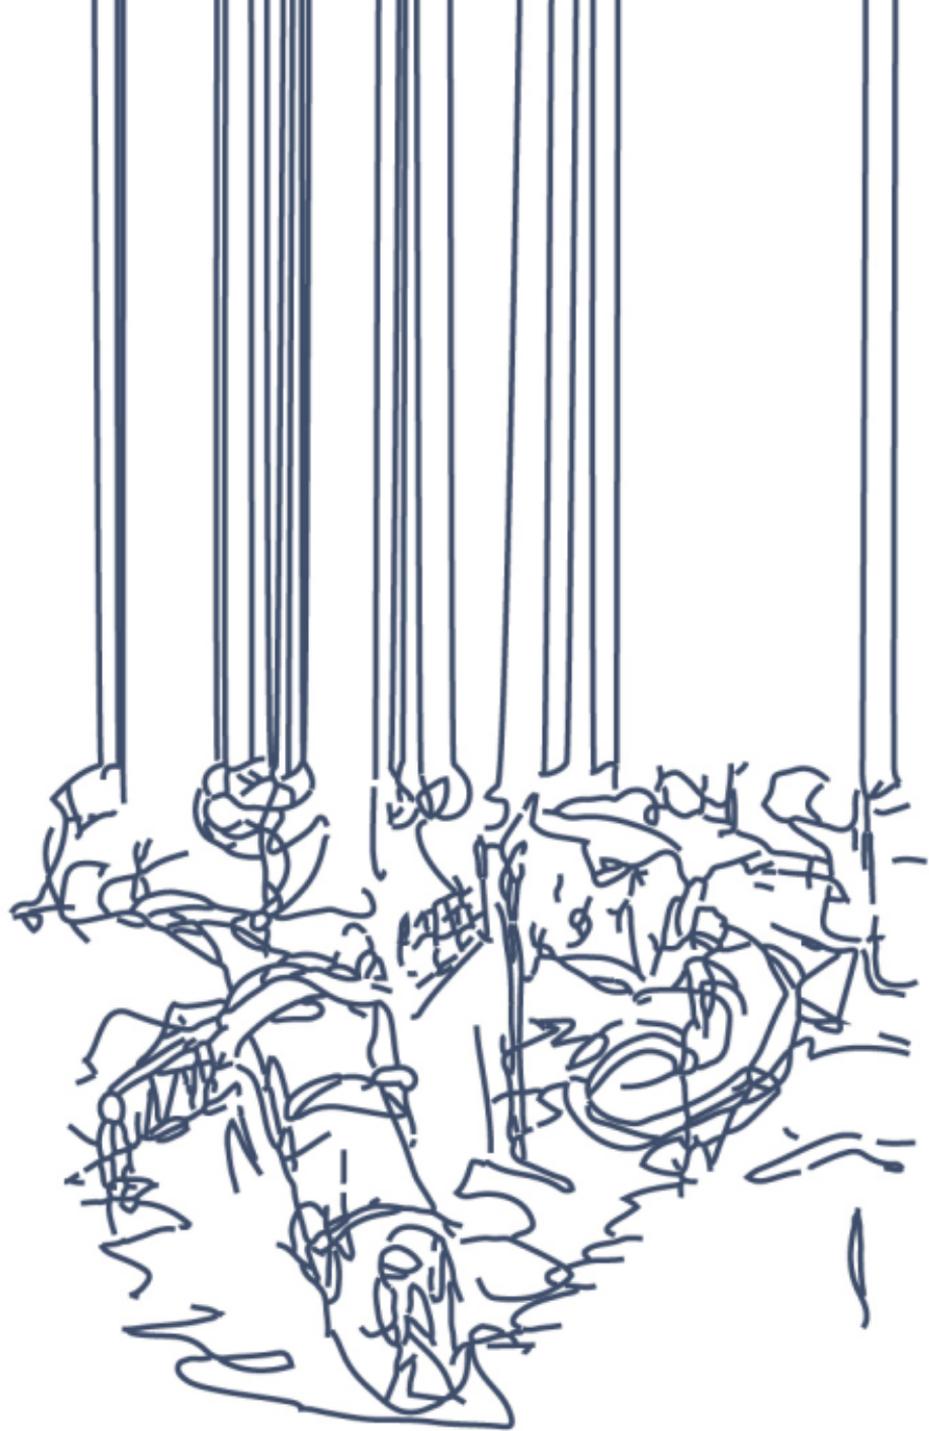

What is the weirdest  
thing you could buy  
together at the Moon?

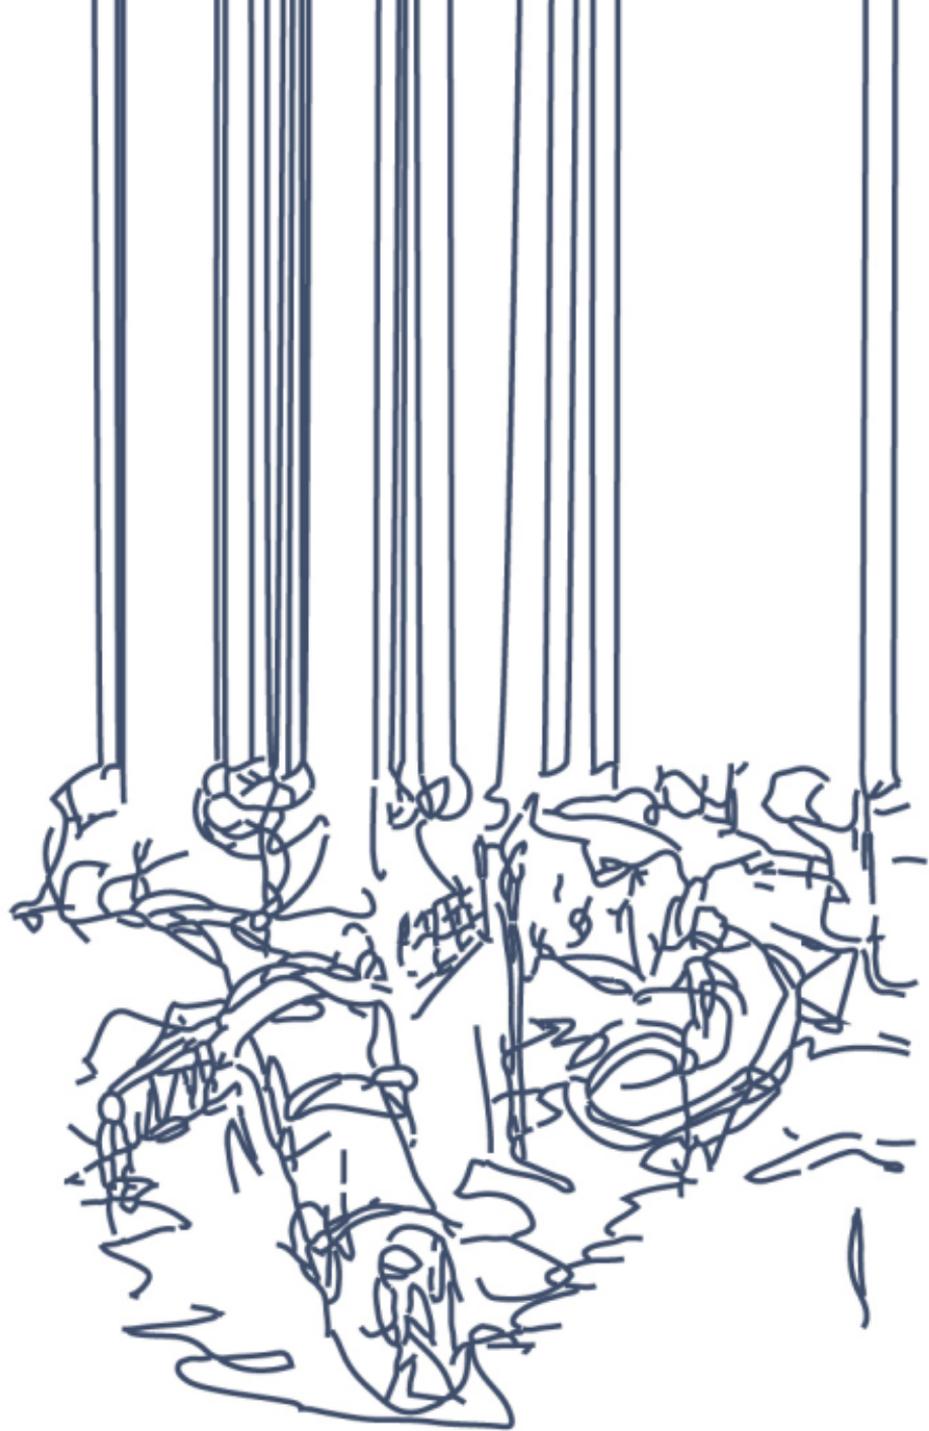

What could have plastic surgery to enlarge one part of your dreams?

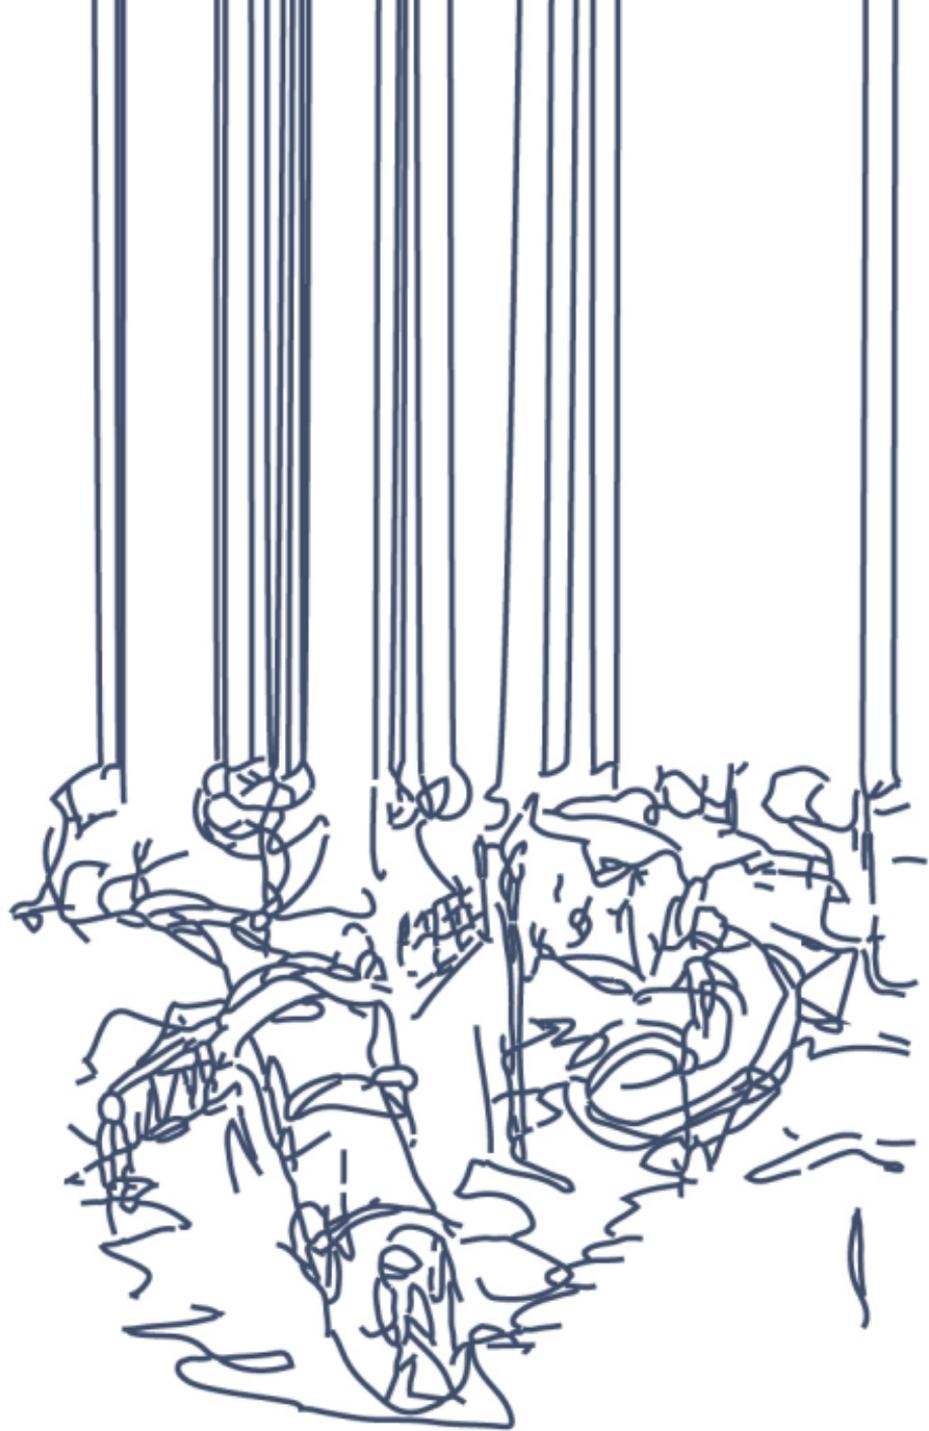

Would you want at your house?

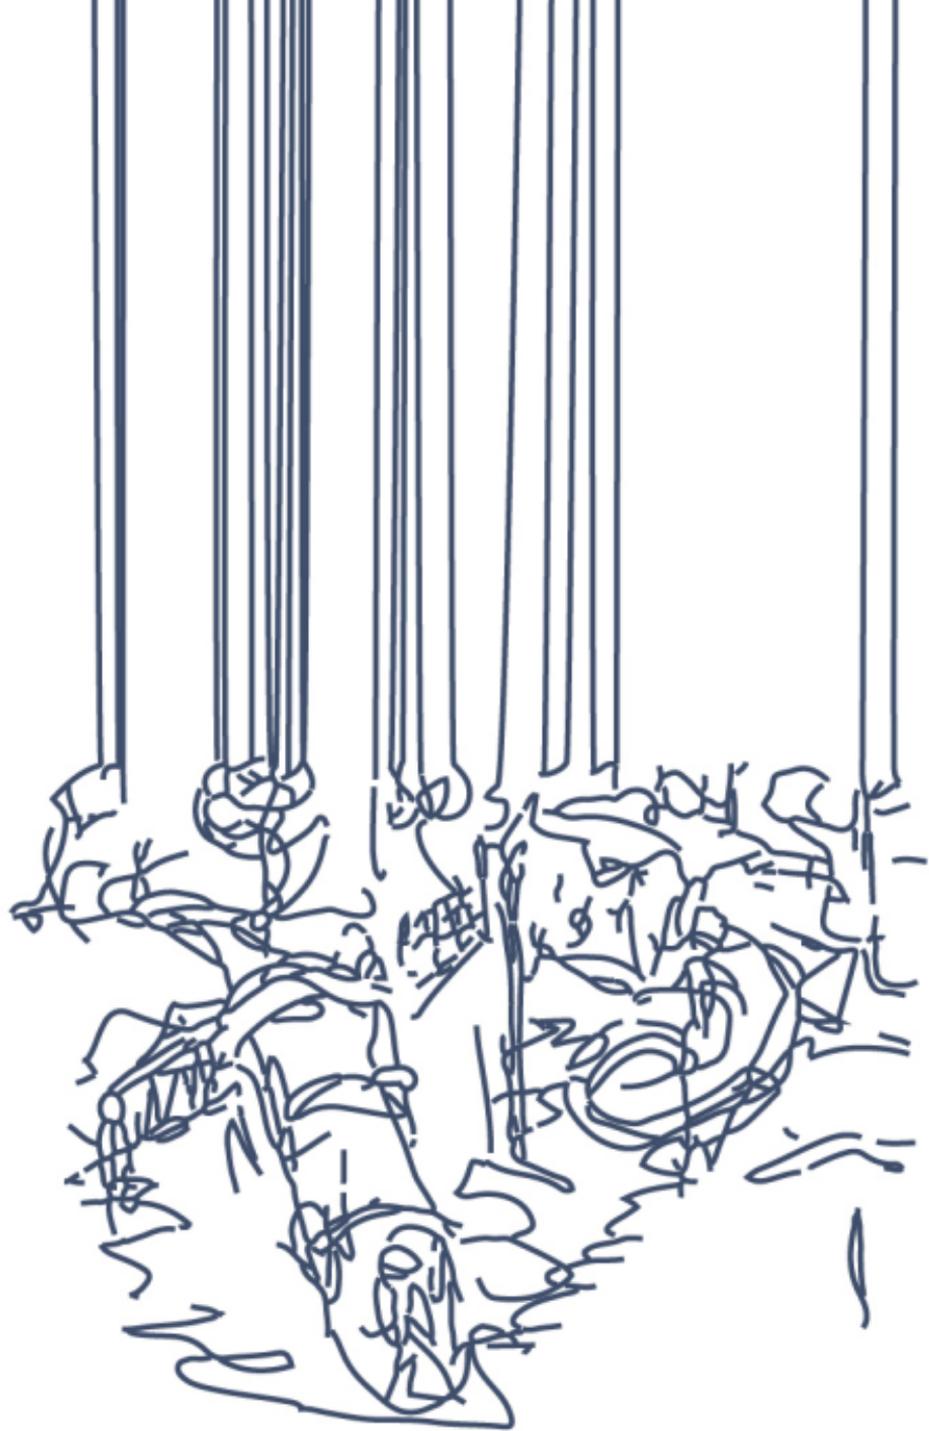

Who would be greatly improved if it existed?

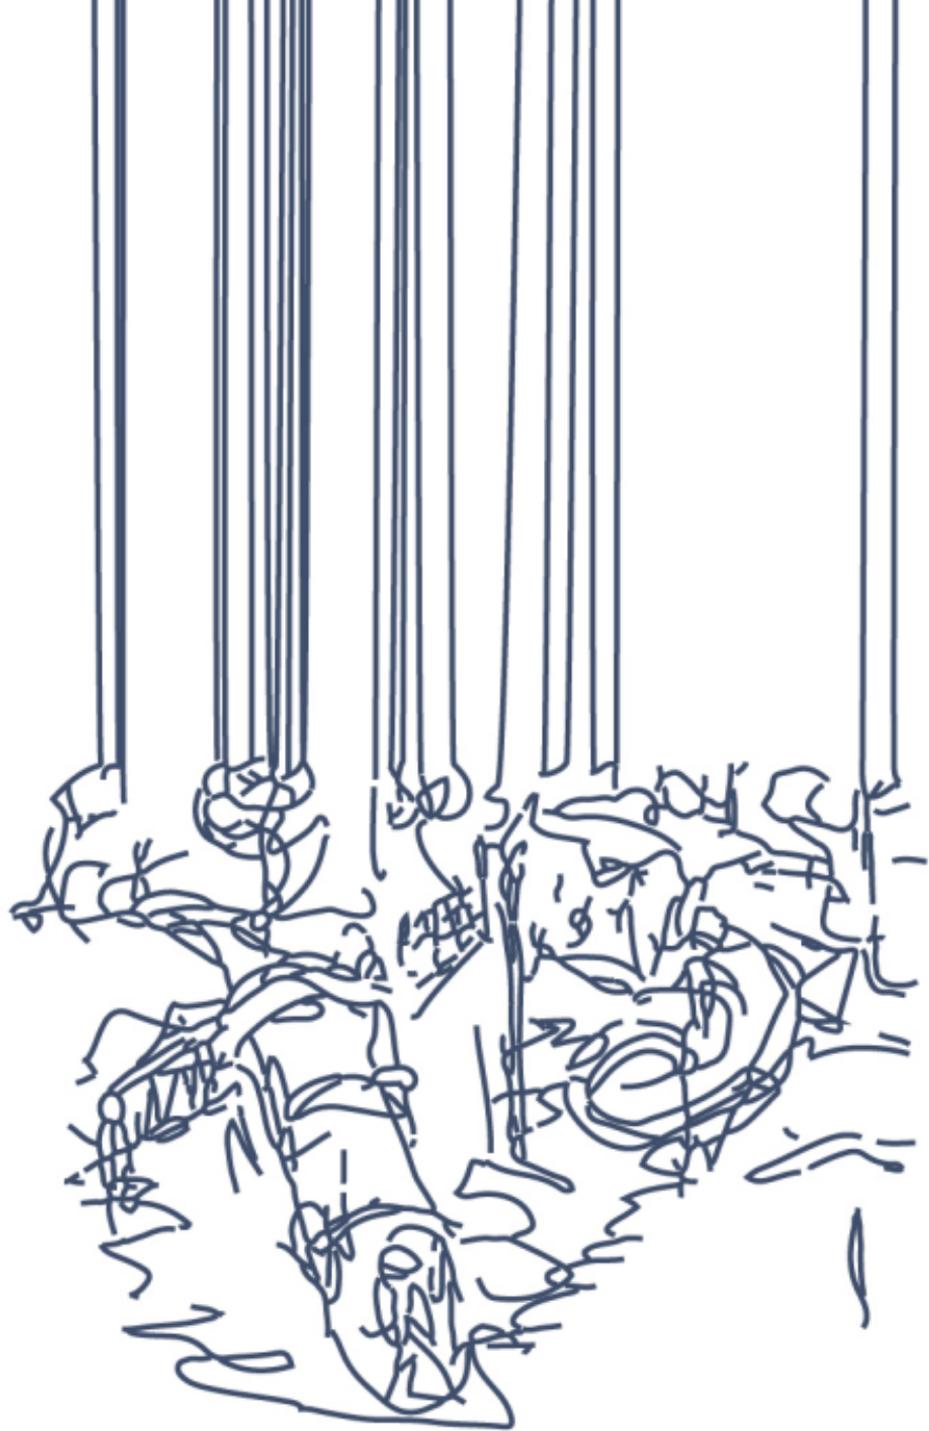

What are you learning  
from the future?

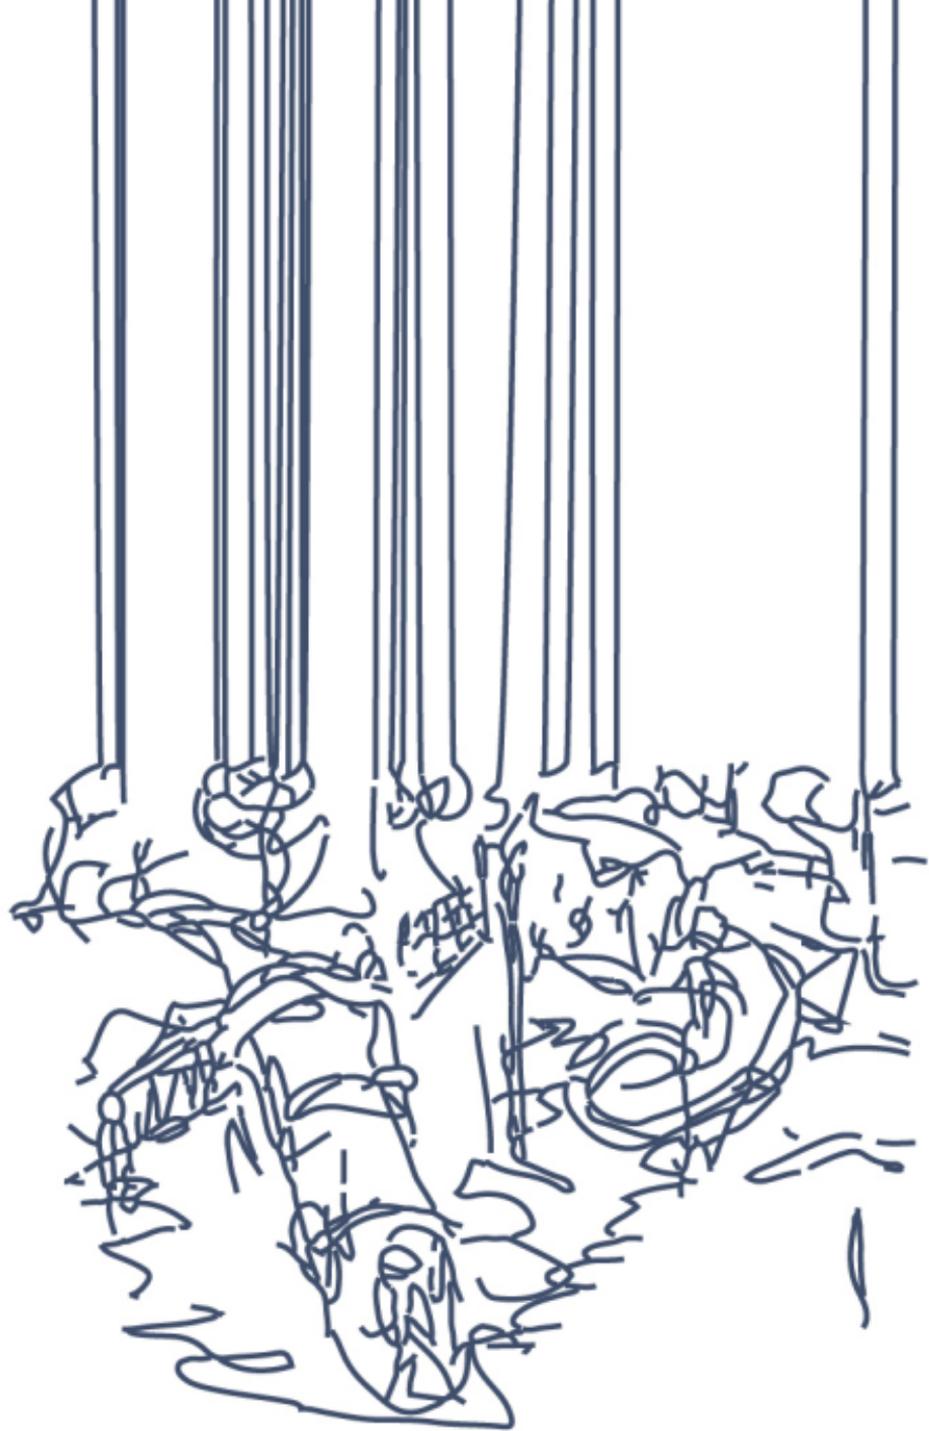

How well did the author  
have to die?

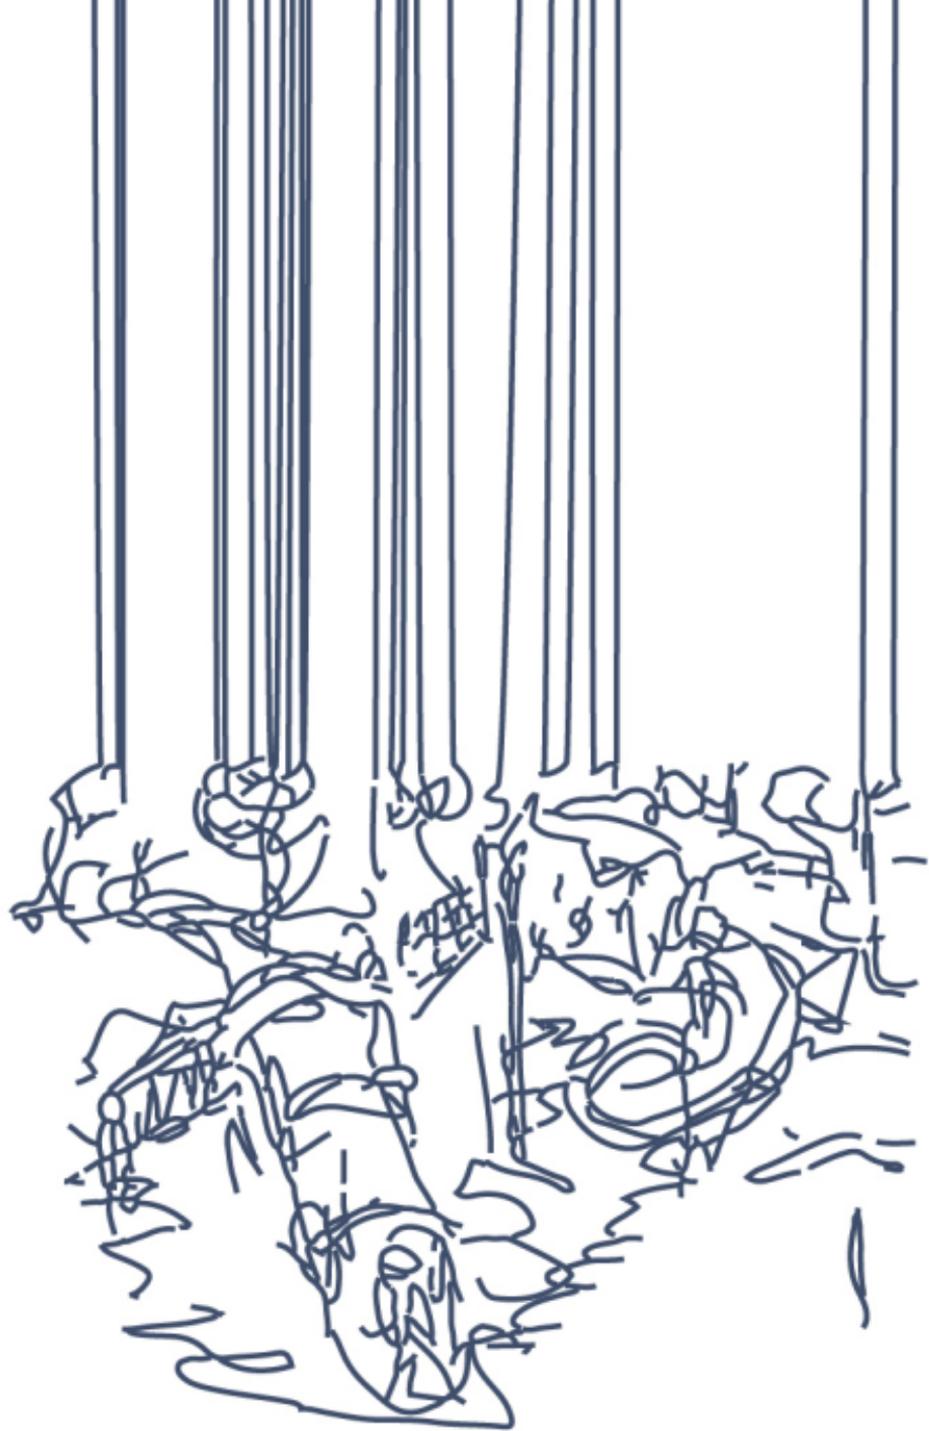

What is the most  
trouble?

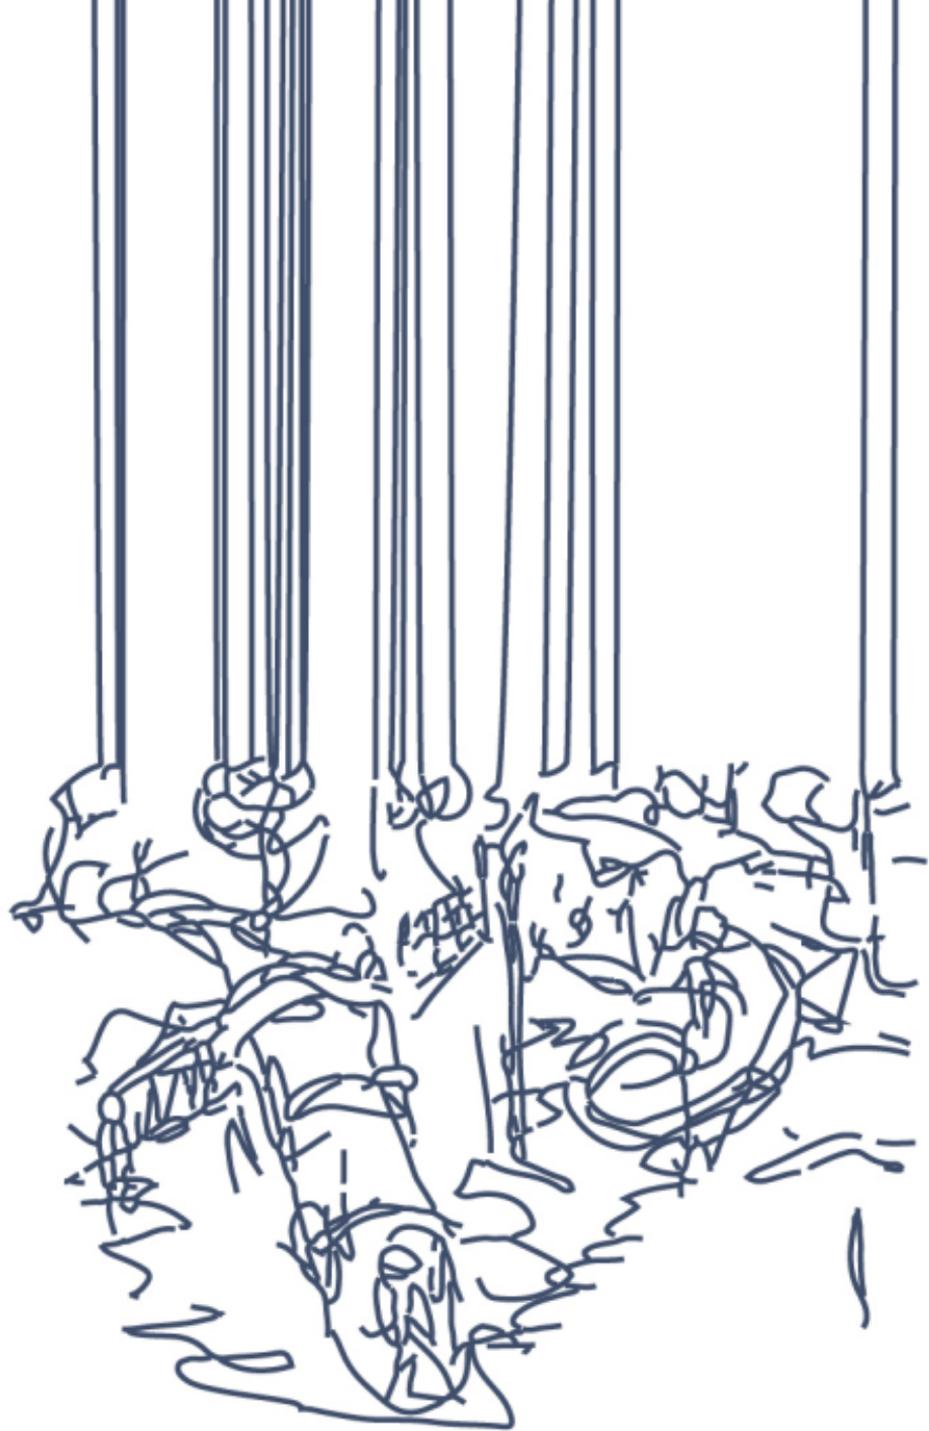

What are some things  
that would make  
people stop what they  
are really afraid of?

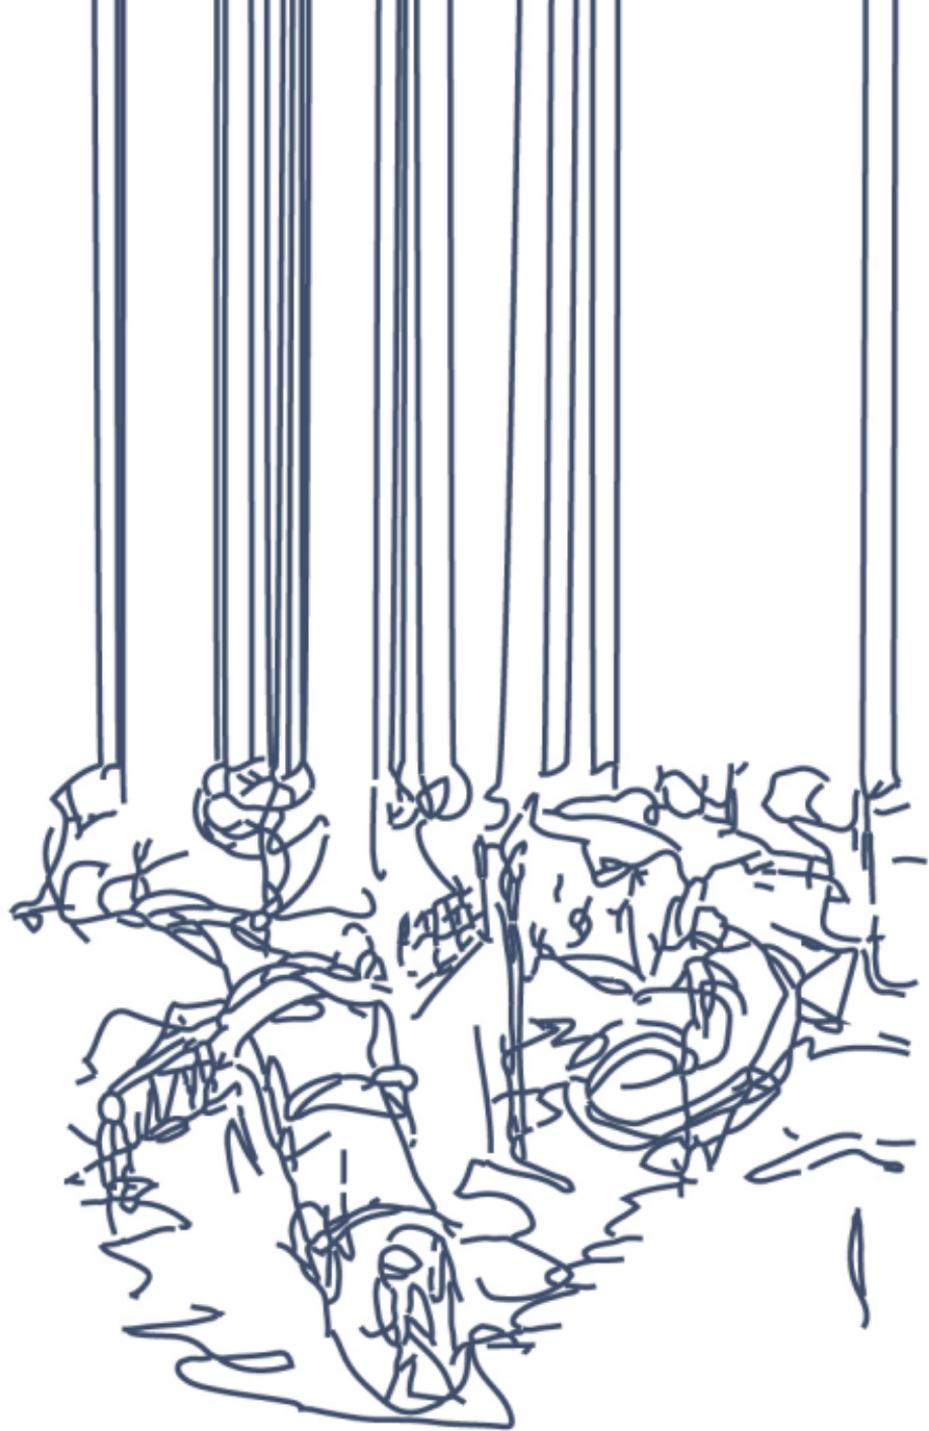

When is the next geological era going to be considered old enough to die of old age?

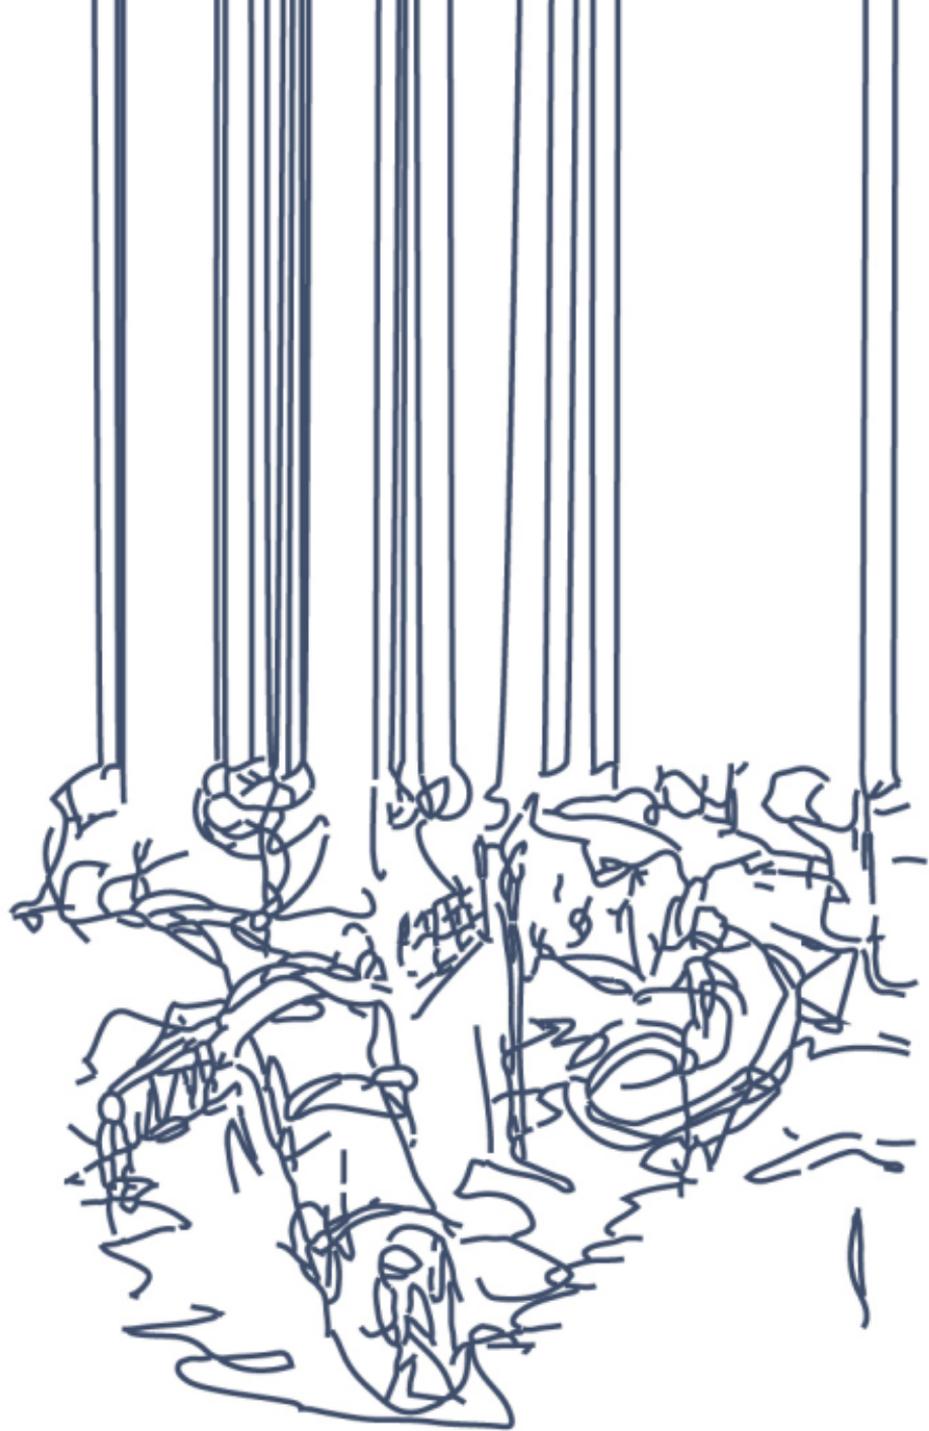

What is the longest possible sunset you can come up with?

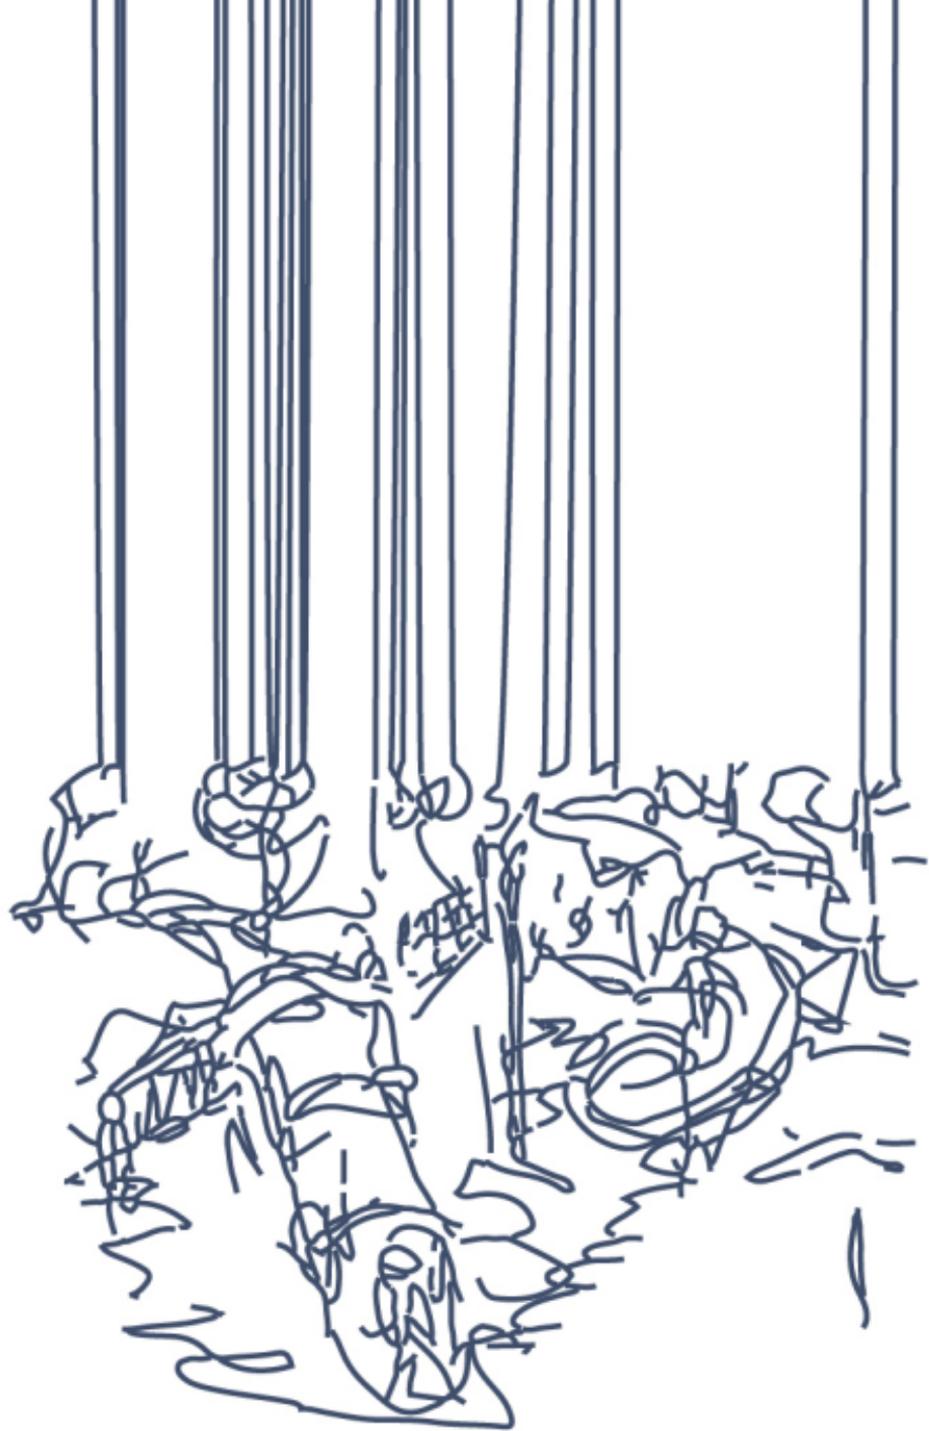

To what degree have  
you been able to do on  
a rainy day?

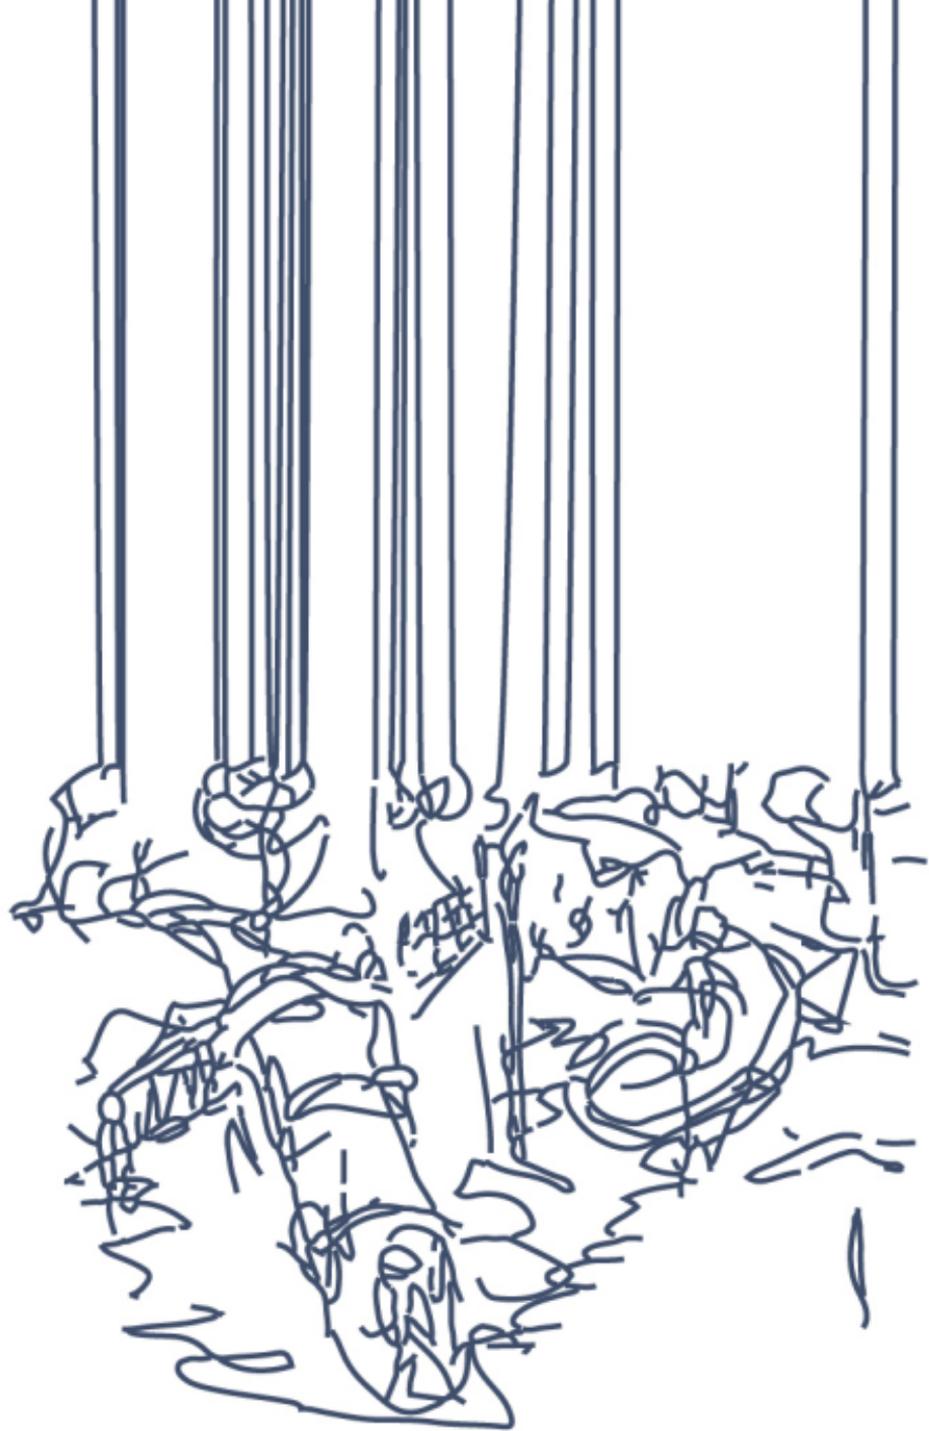

Who would play you in  
a casket?

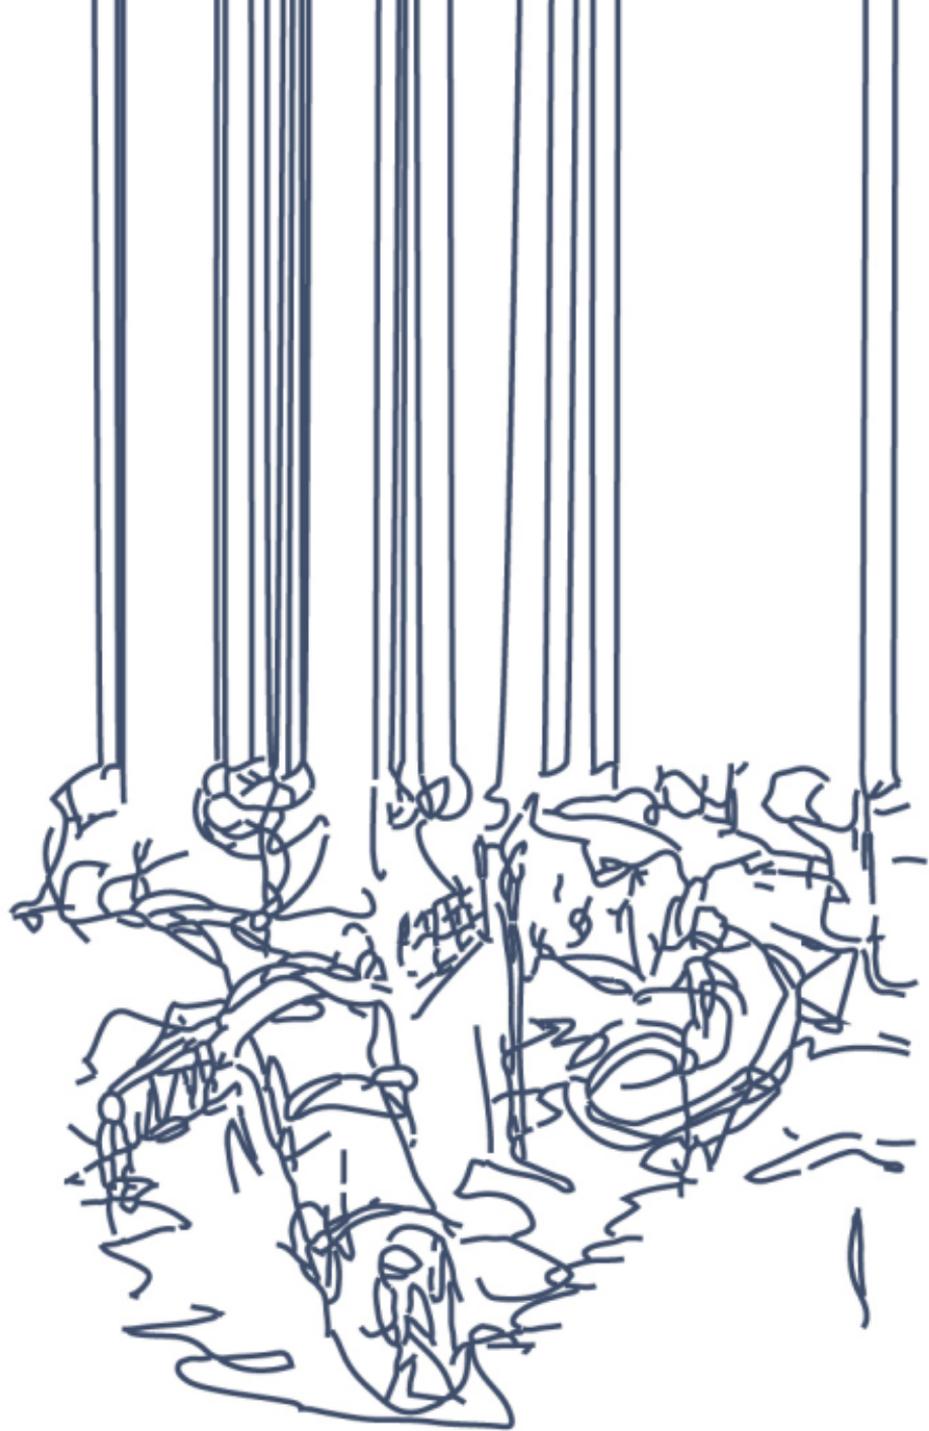

What if you're trying to fail and you got hit by lightning?

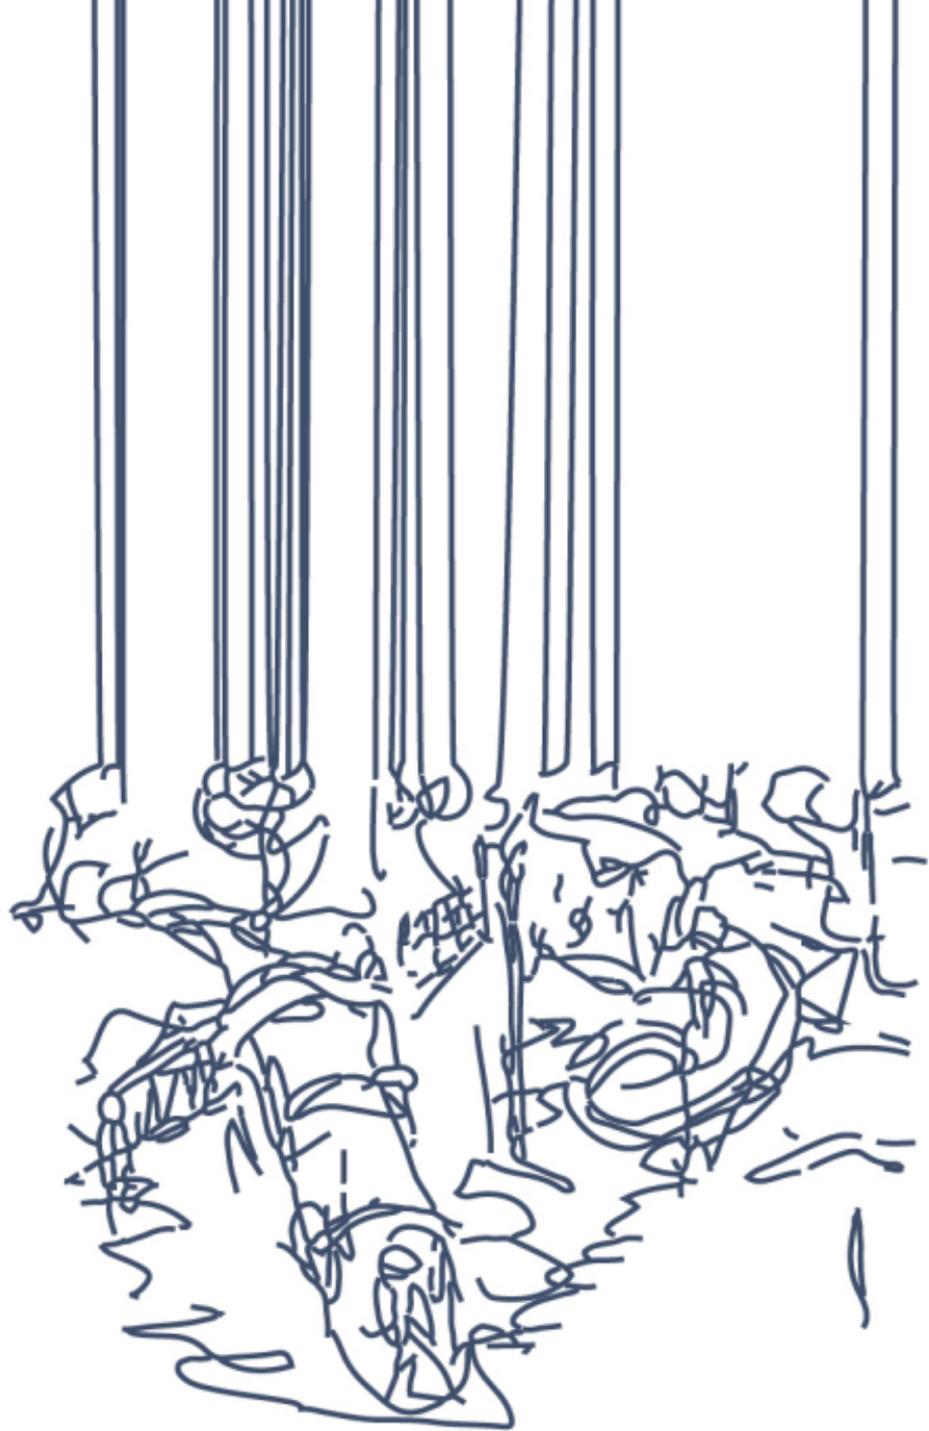

How would you say to  
the universe?

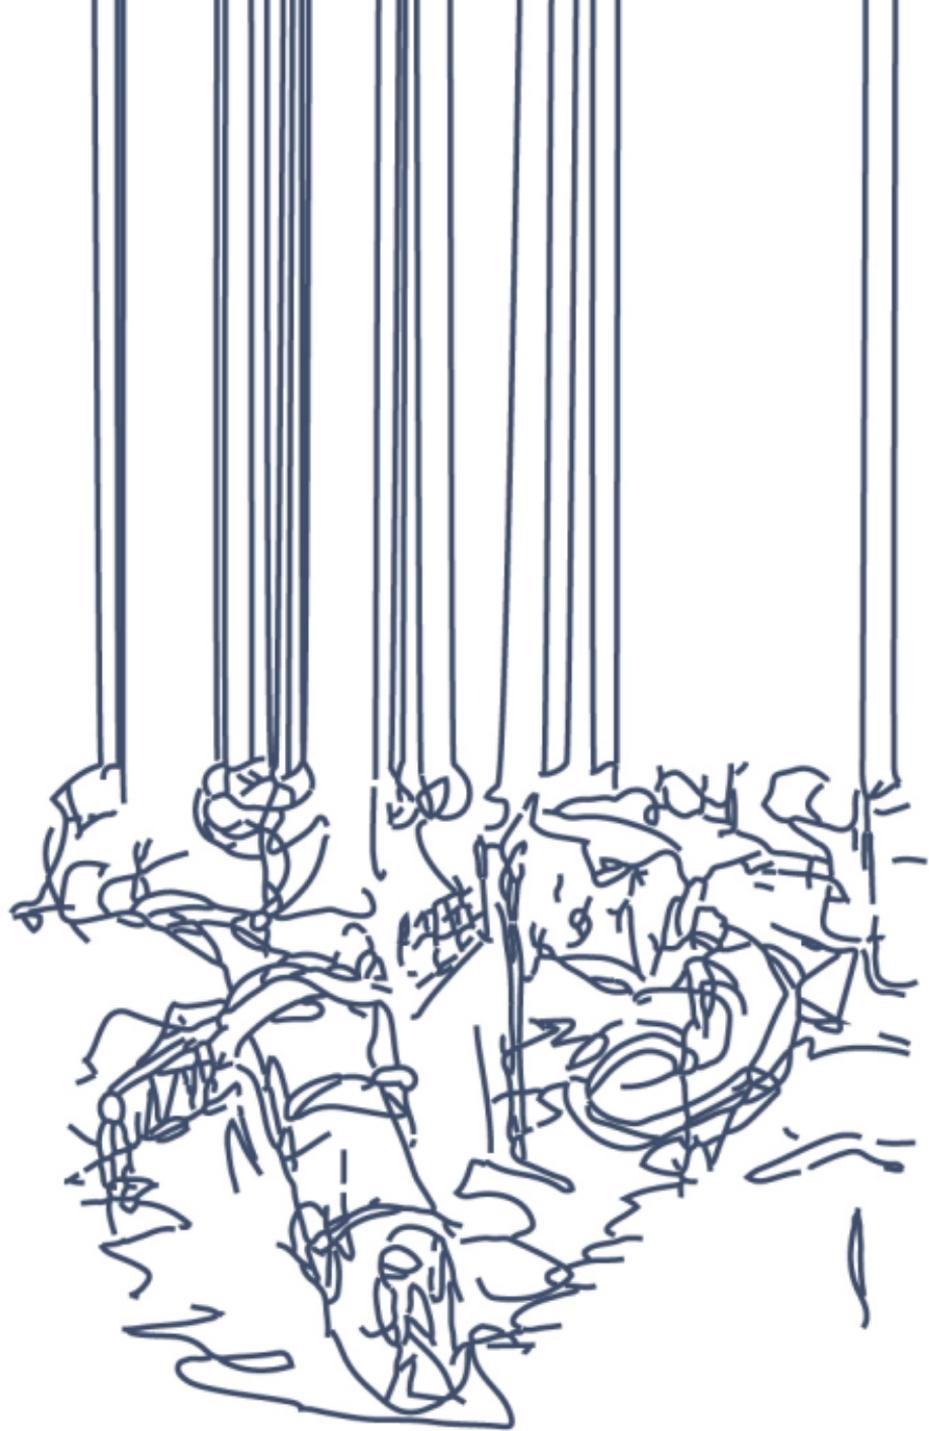

What is the worst thing  
you do everyday?

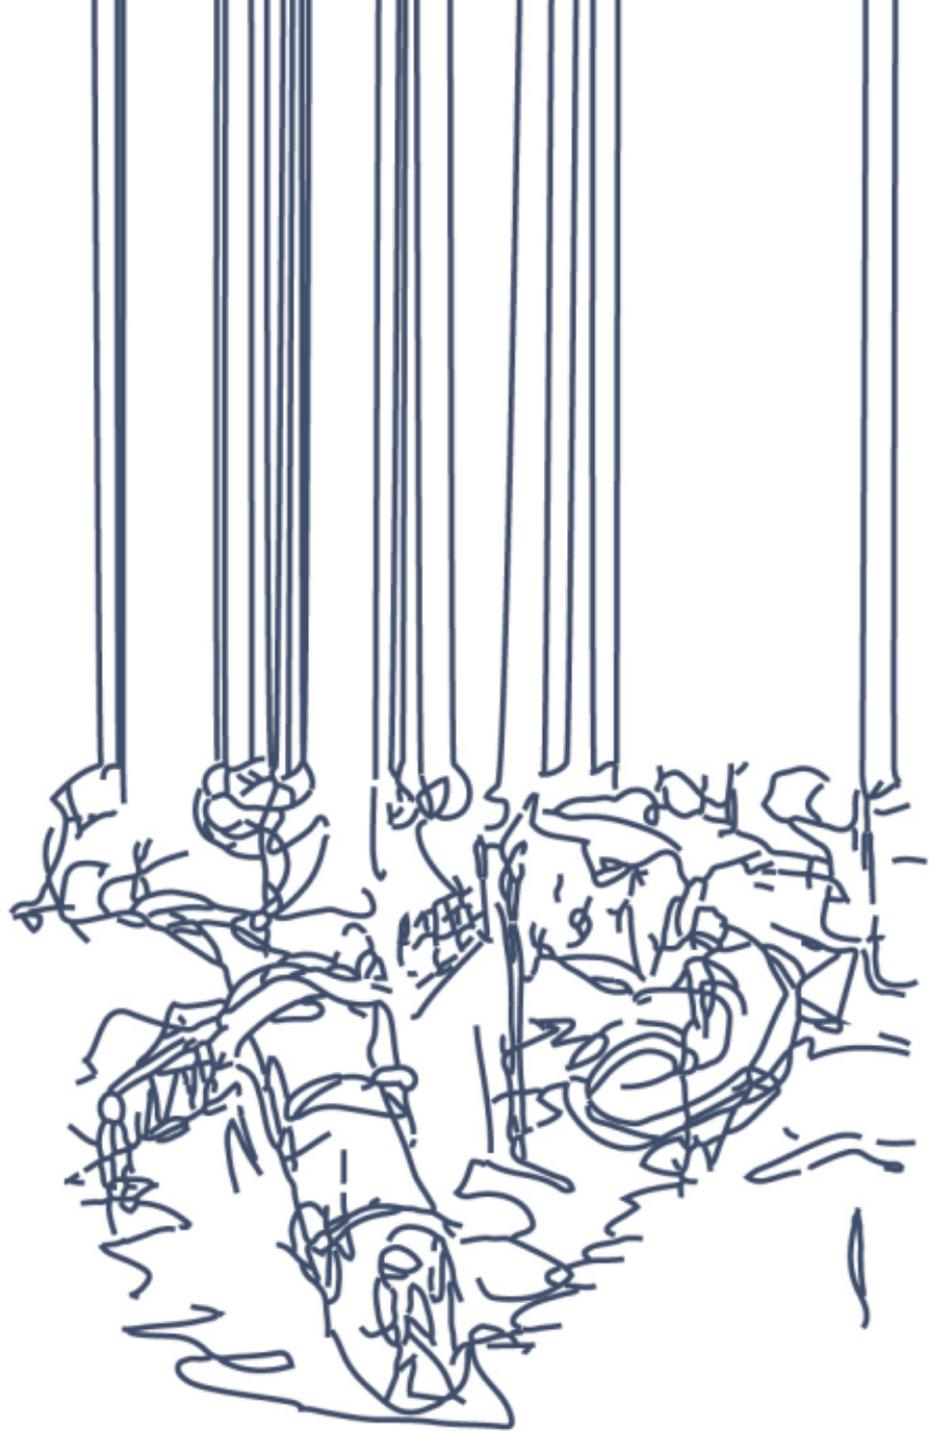

Does the hero live in  
any TV home?

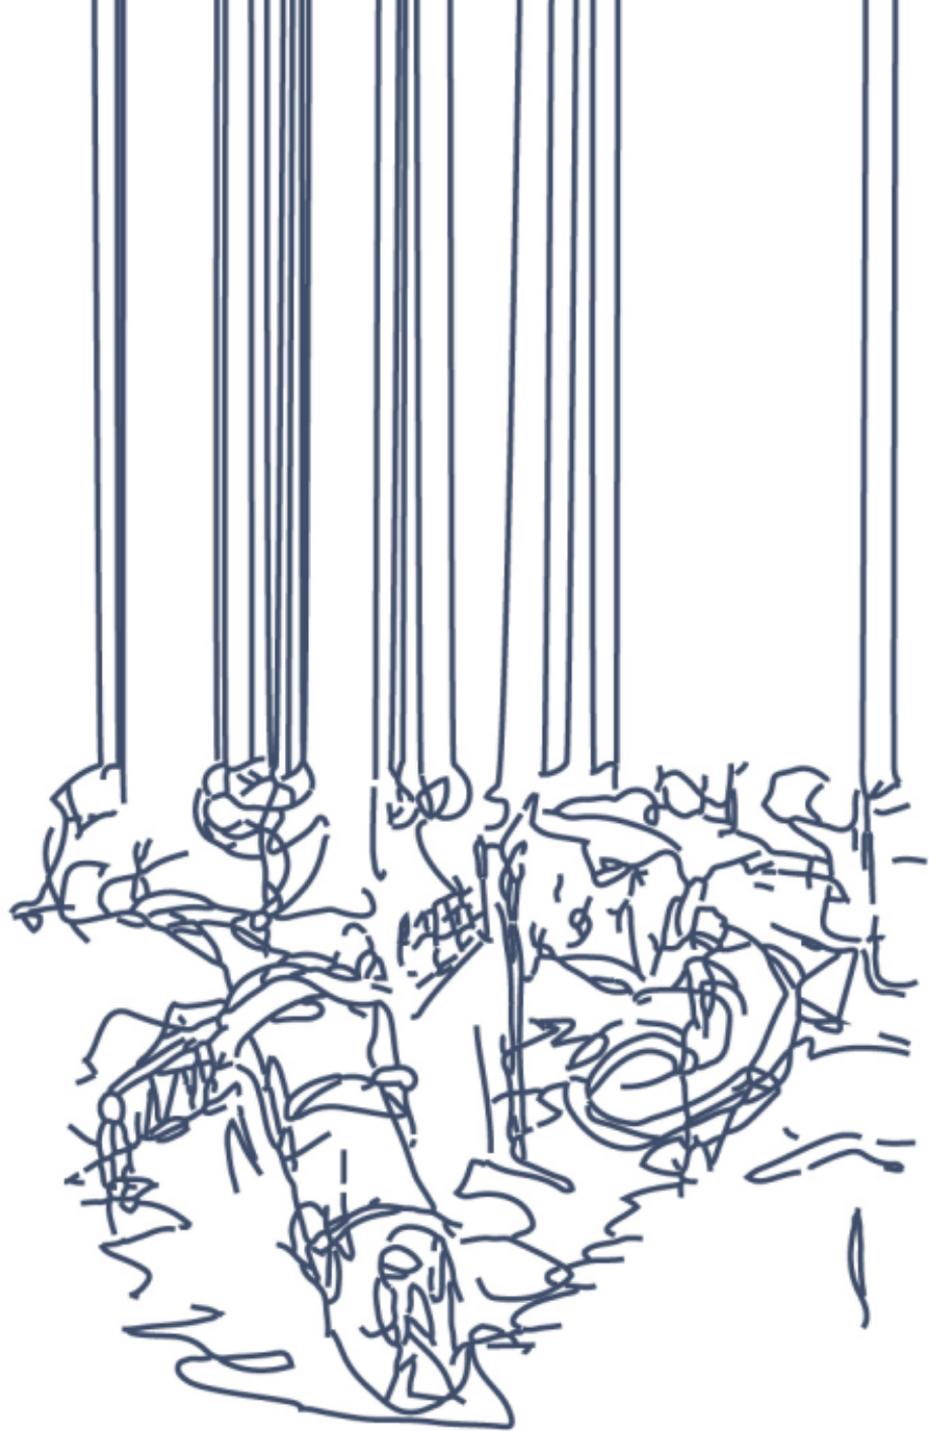

What would happen if  
the entire world  
population stopped  
whatever we are doing  
and stare in awe and  
amazement?

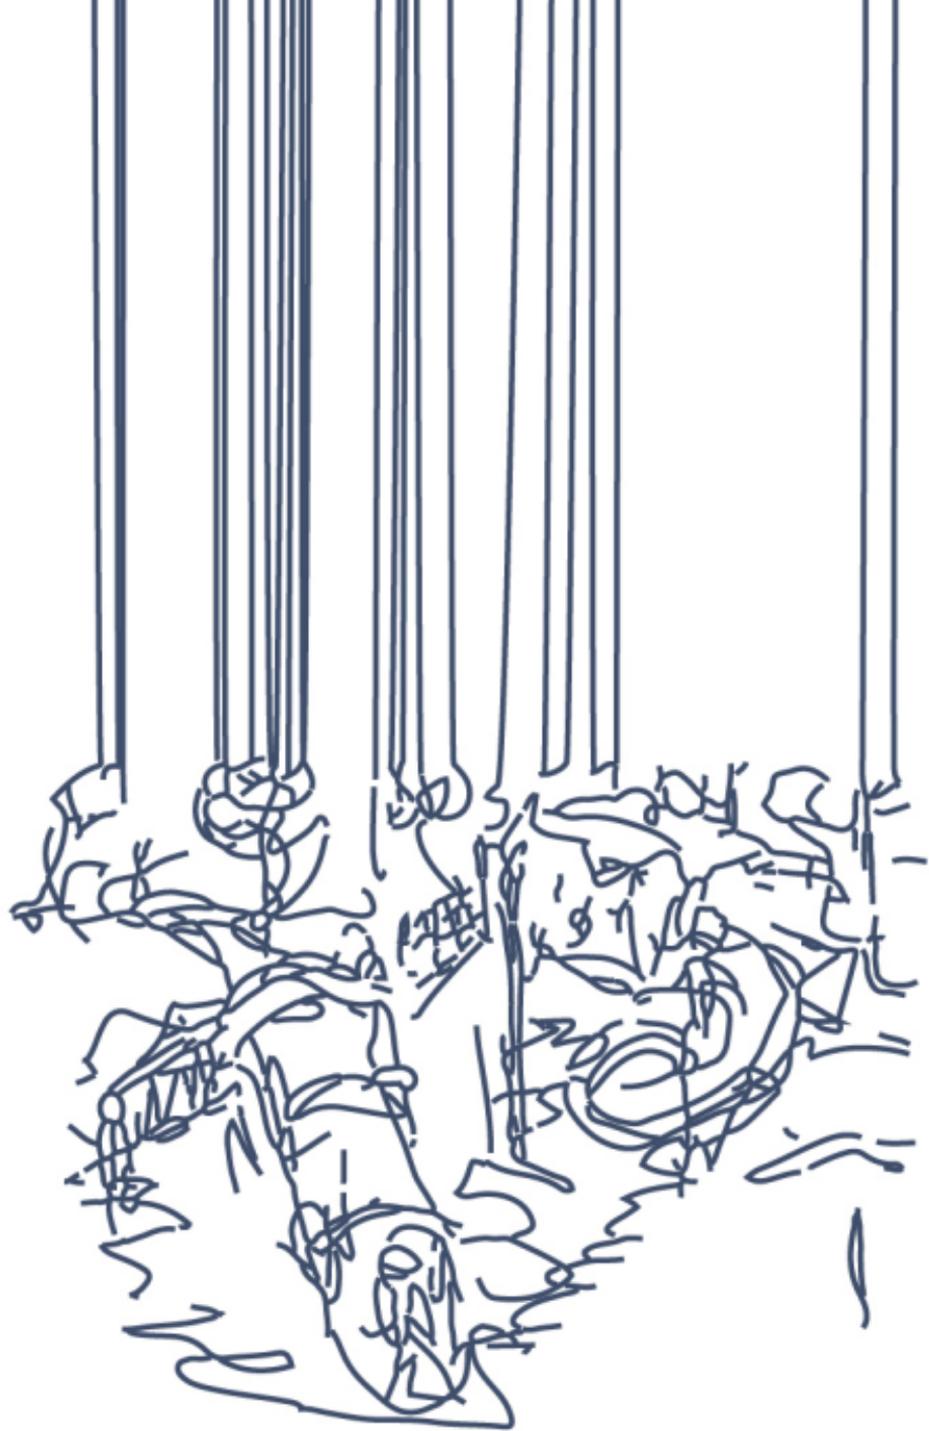

What used to be sane?

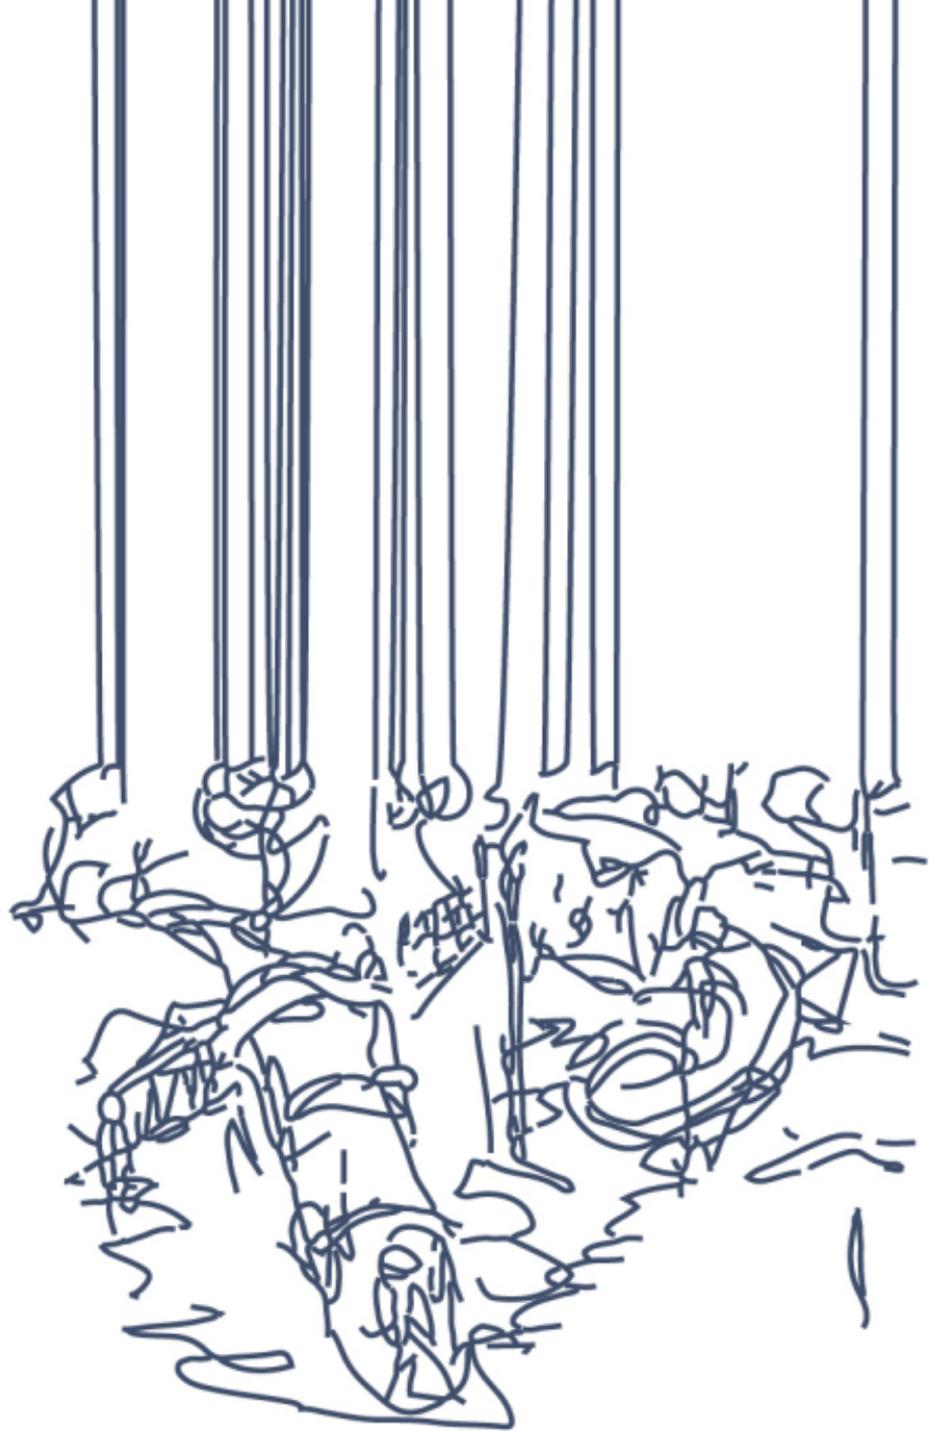

How would you replace  
all the grass in the  
dictionary, will we ever  
know?

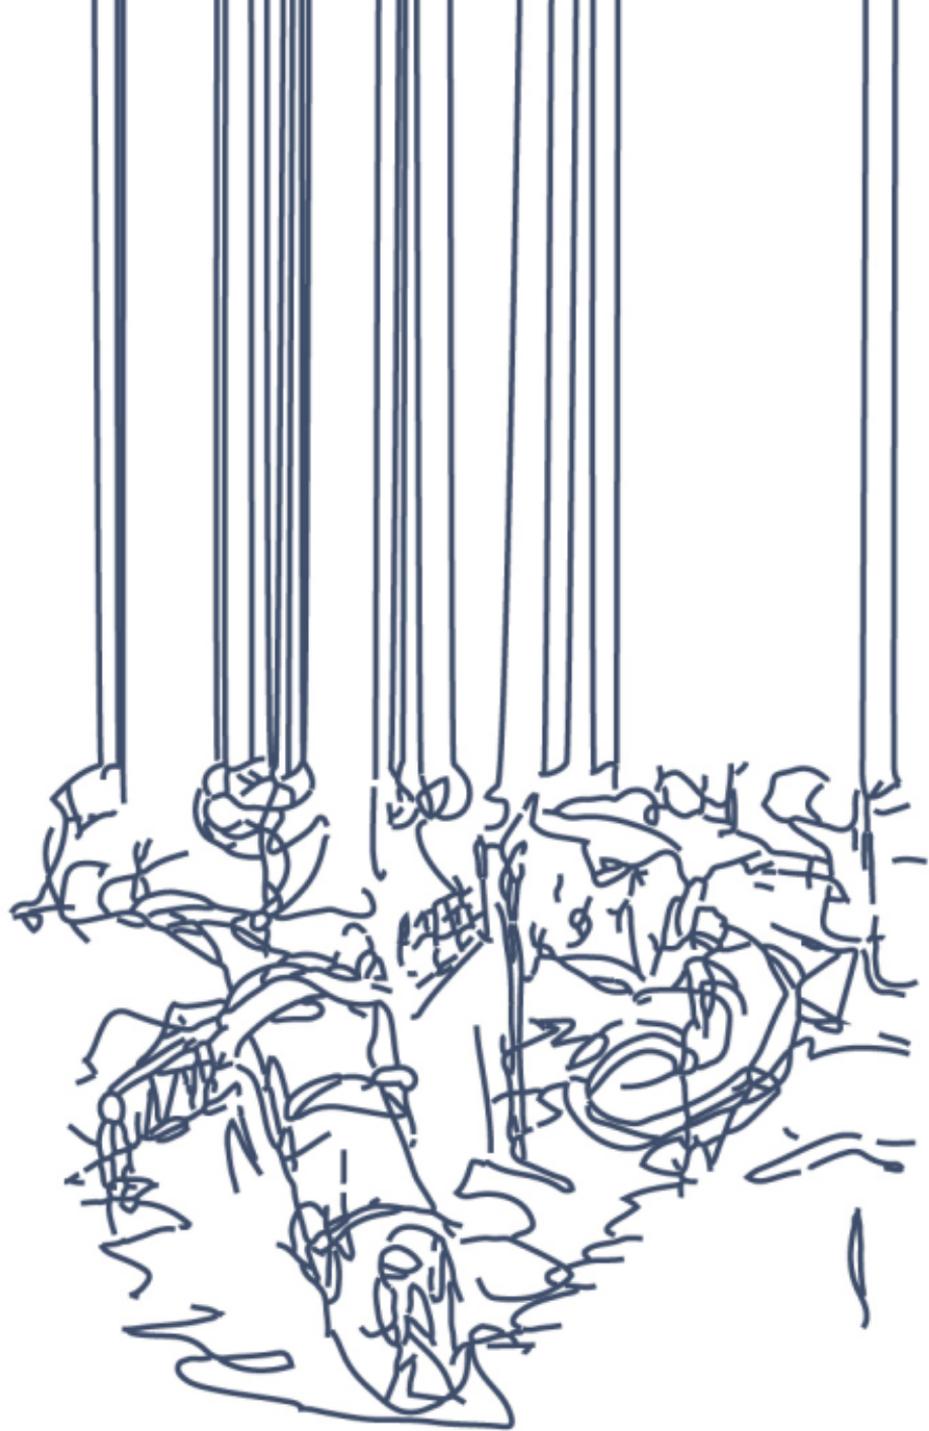

What is the right age  
to get a lethal dose of  
neutrino radiation?

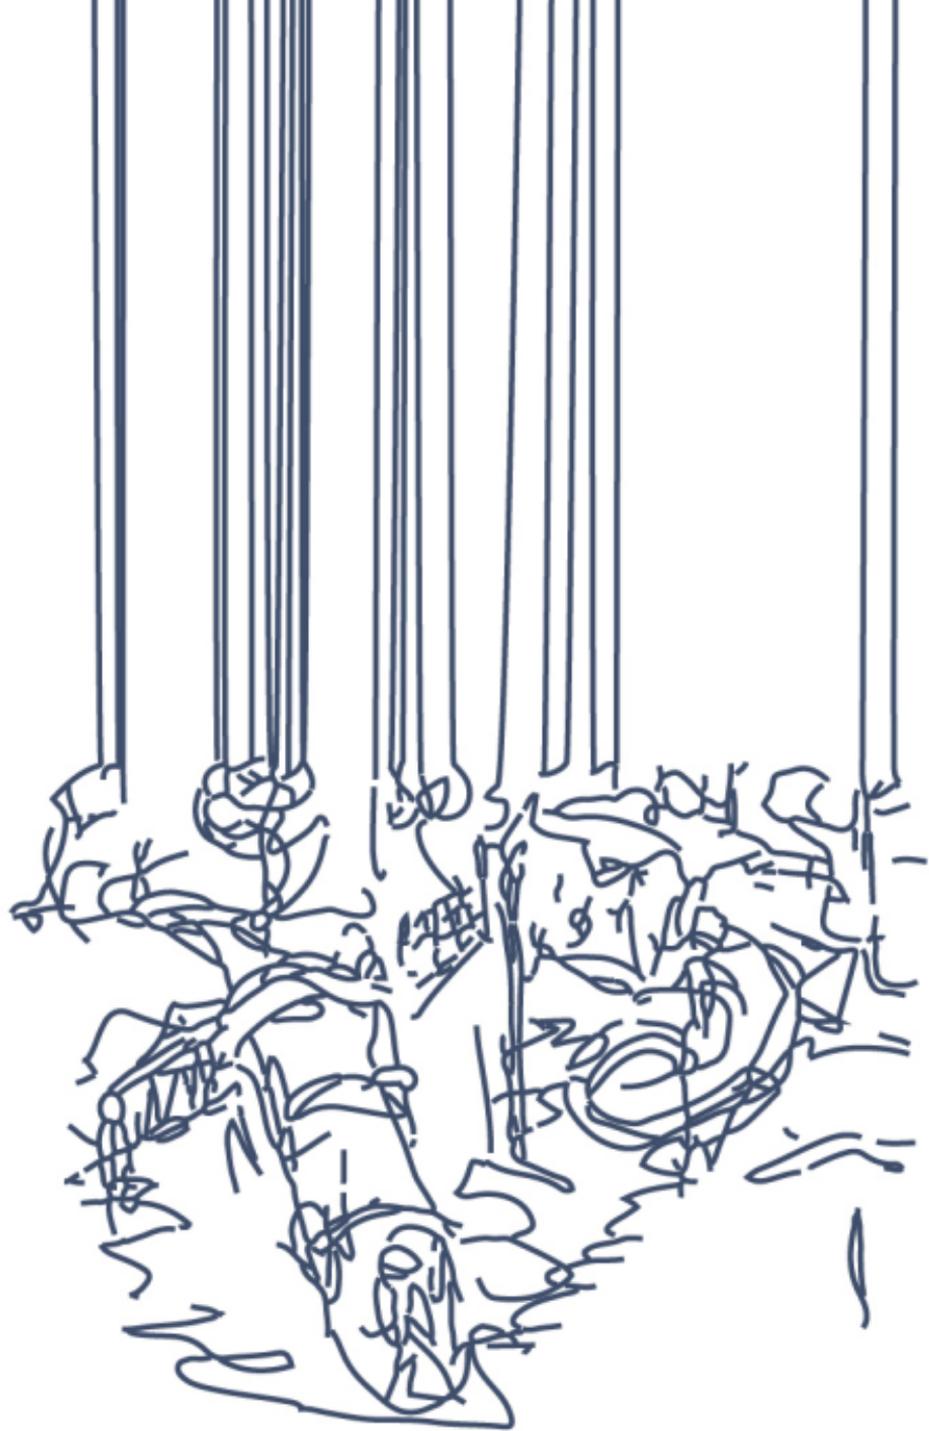

What is one thing you  
have heard of?

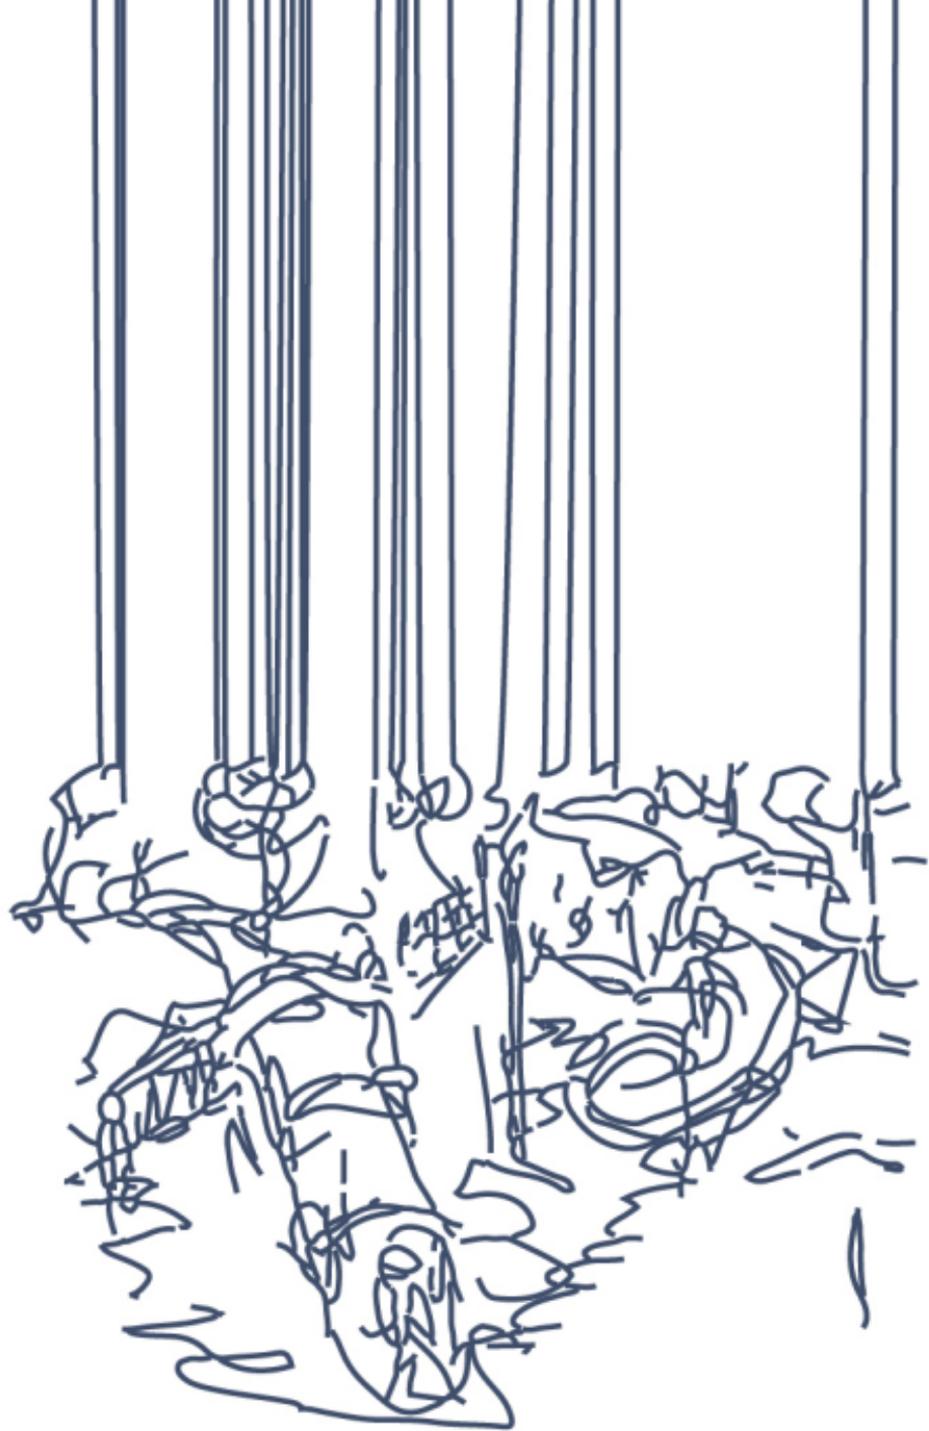

How could I stay safely  
at the Moon at the same  
time, would it be?

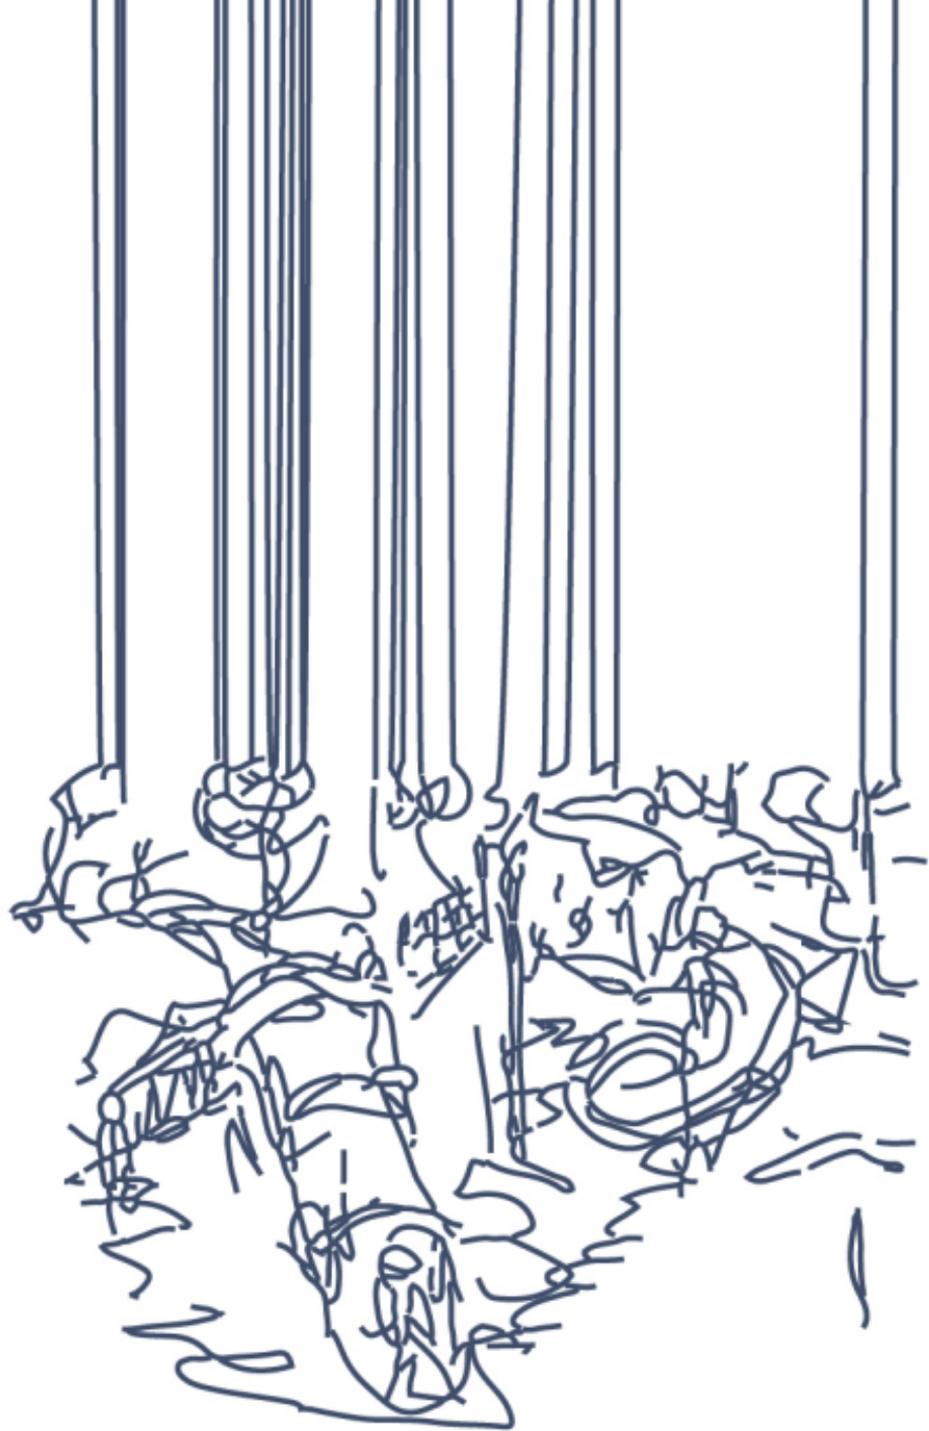

How would he be  
displayed in a single  
giant drop?

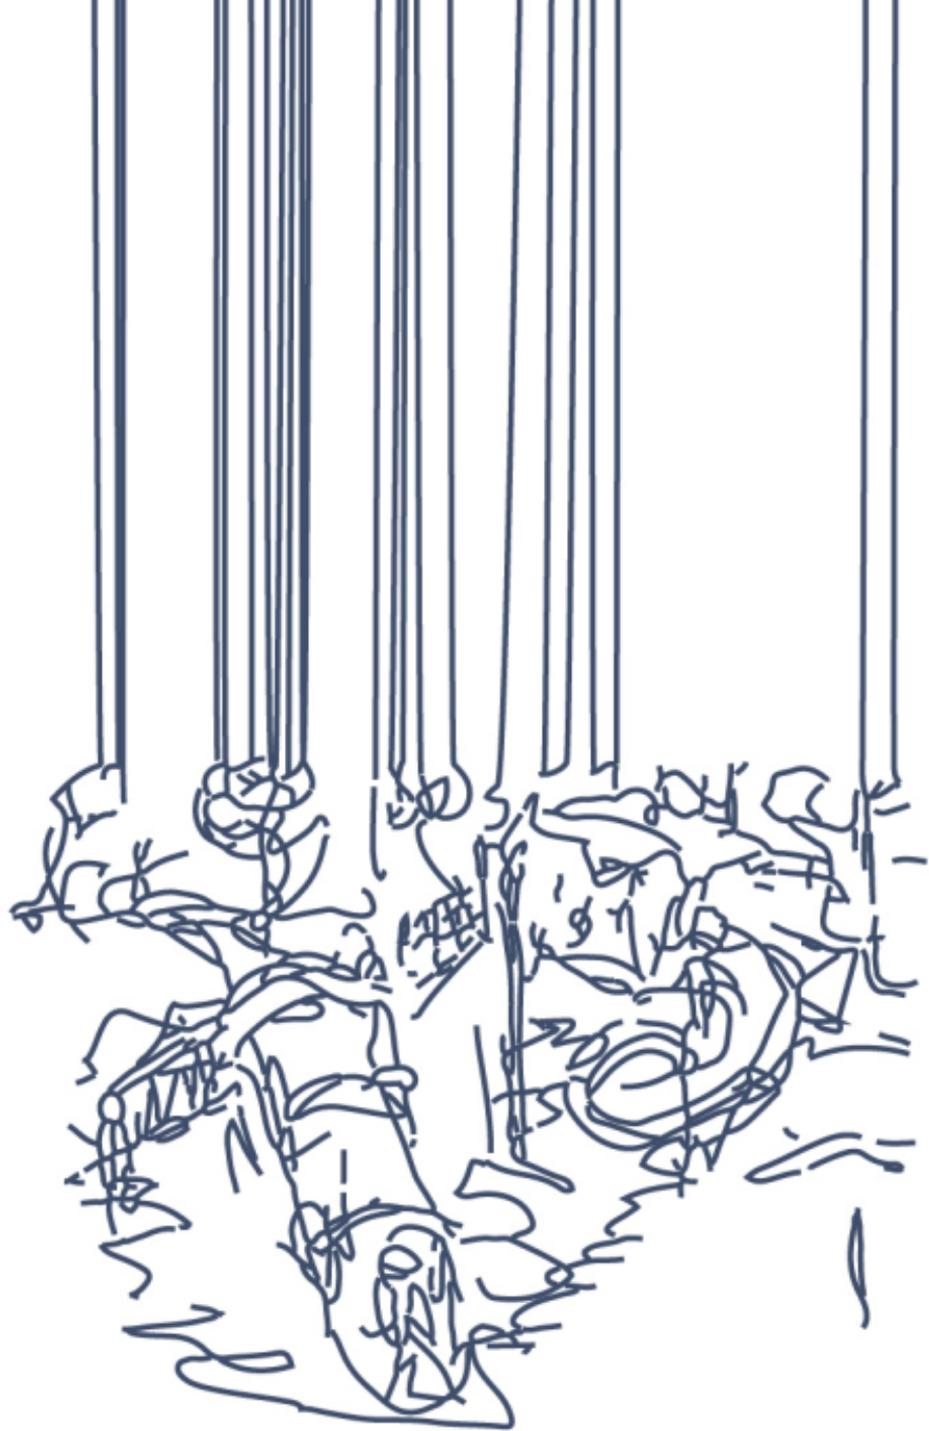

Couldn't we have  
destructive tendencies?

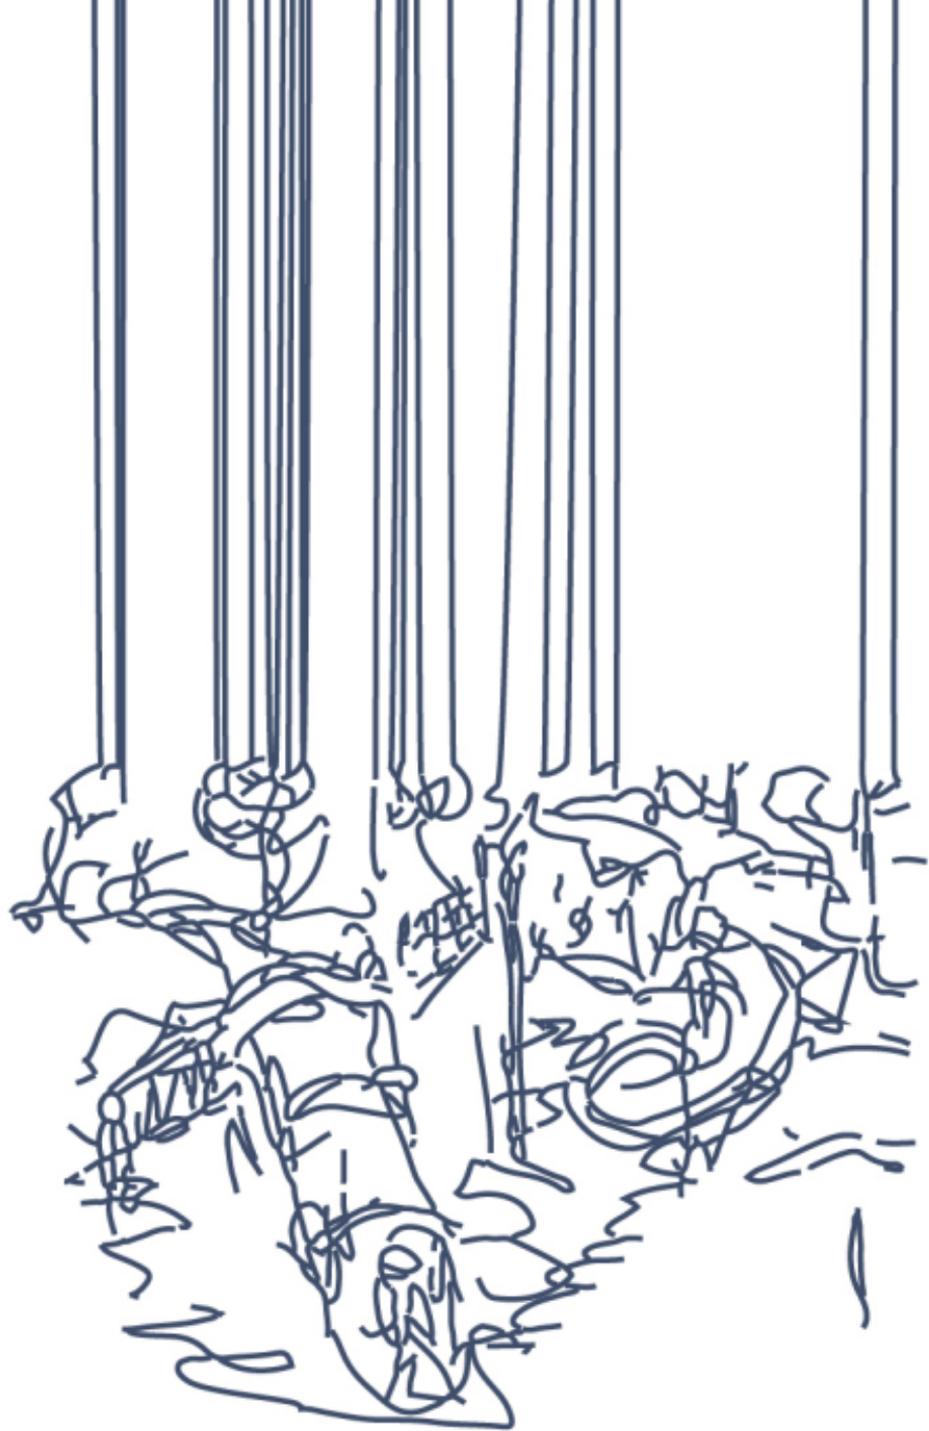

Is there an end to the  
size of a horse?

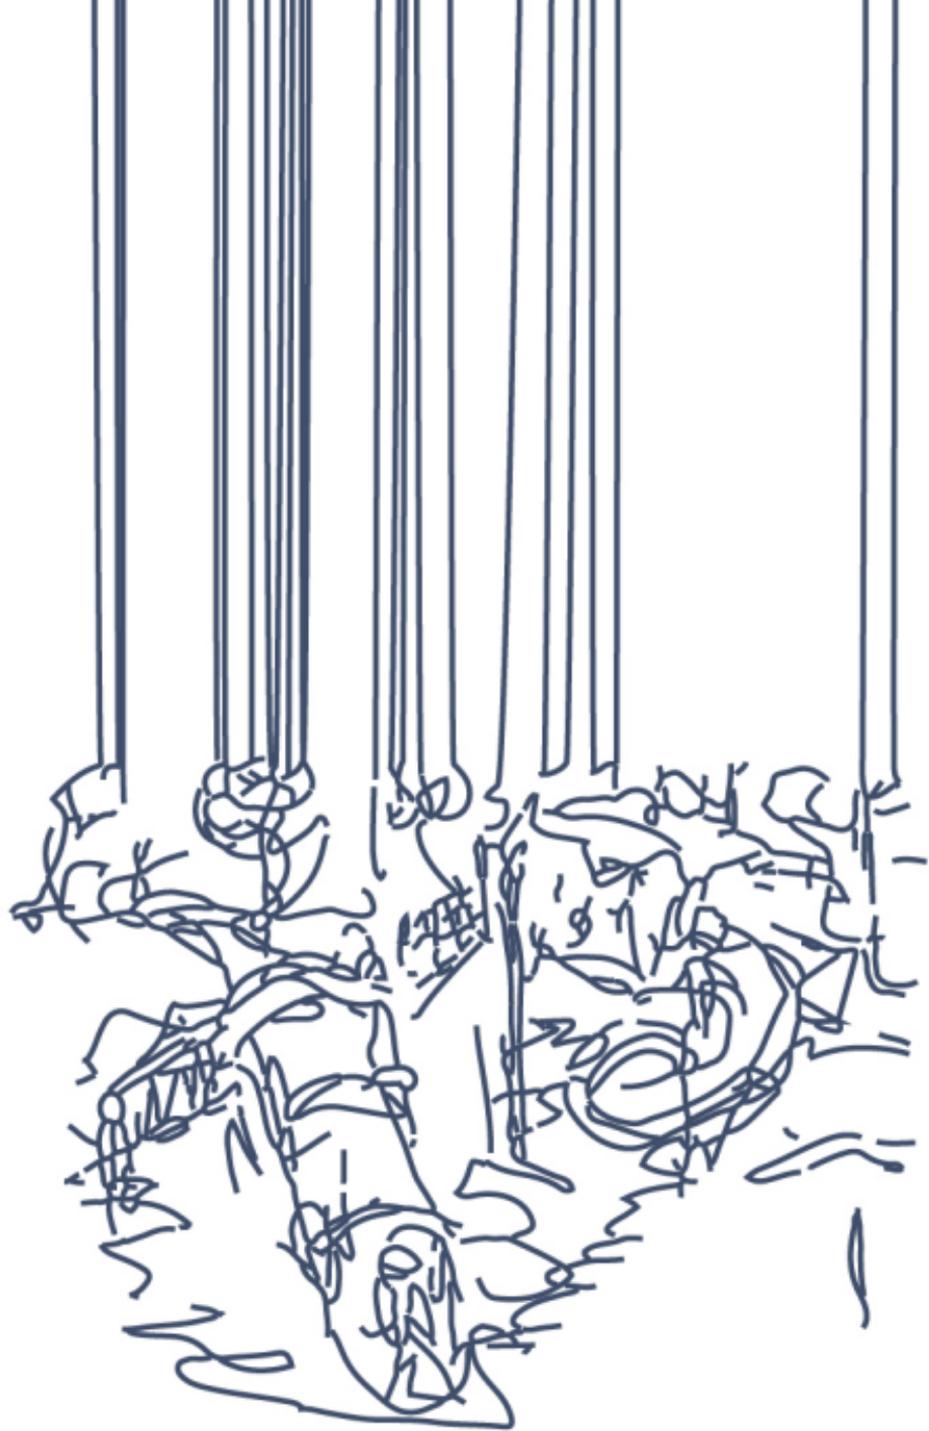

What would you like to  
live in?

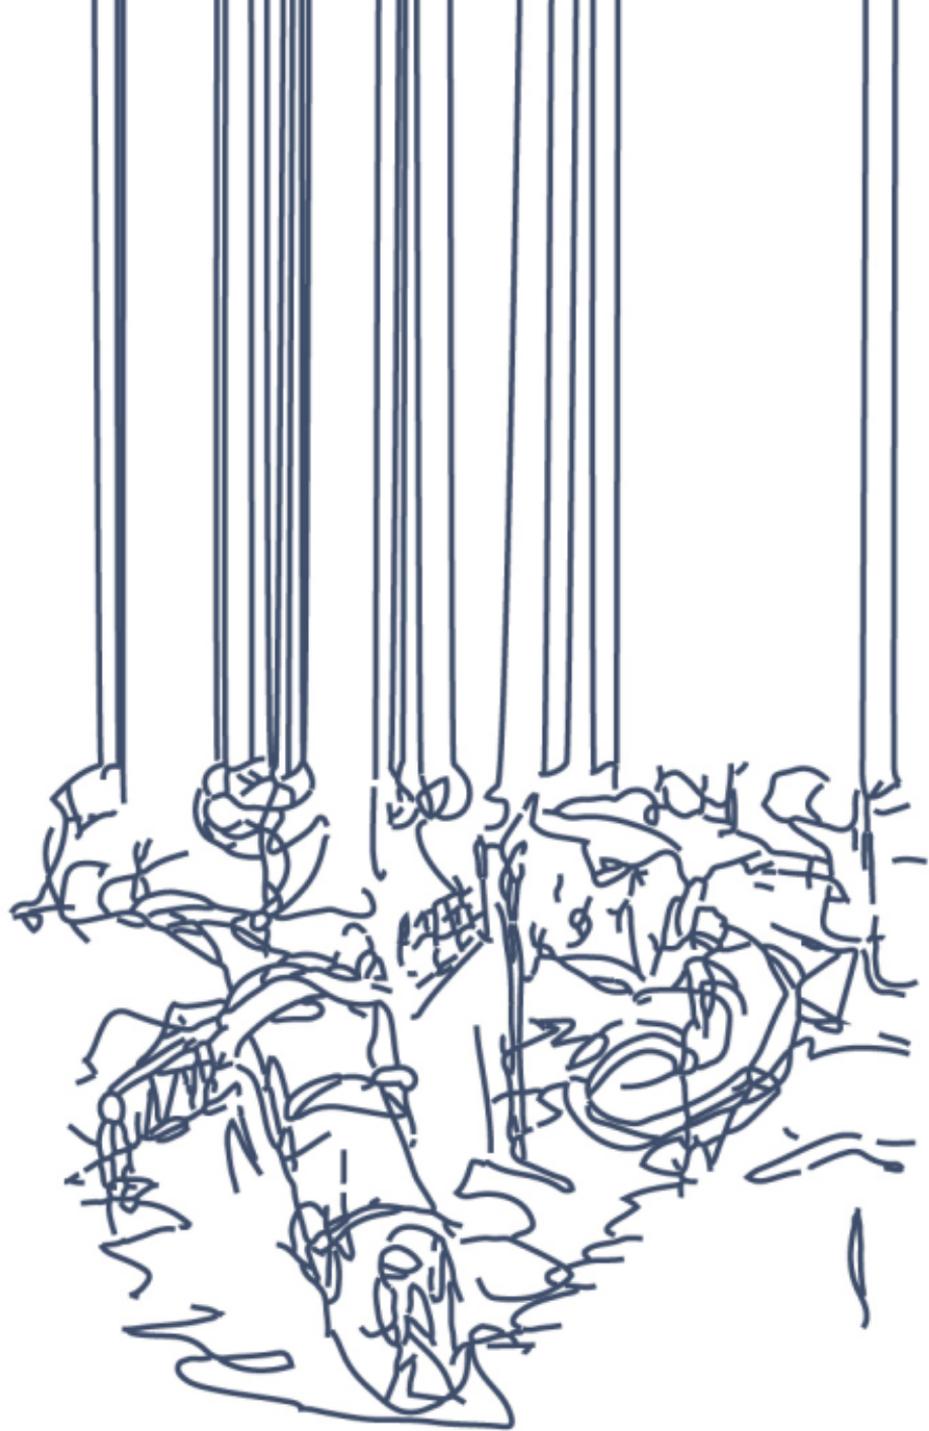

What is a body part you wish you could have dinner with?

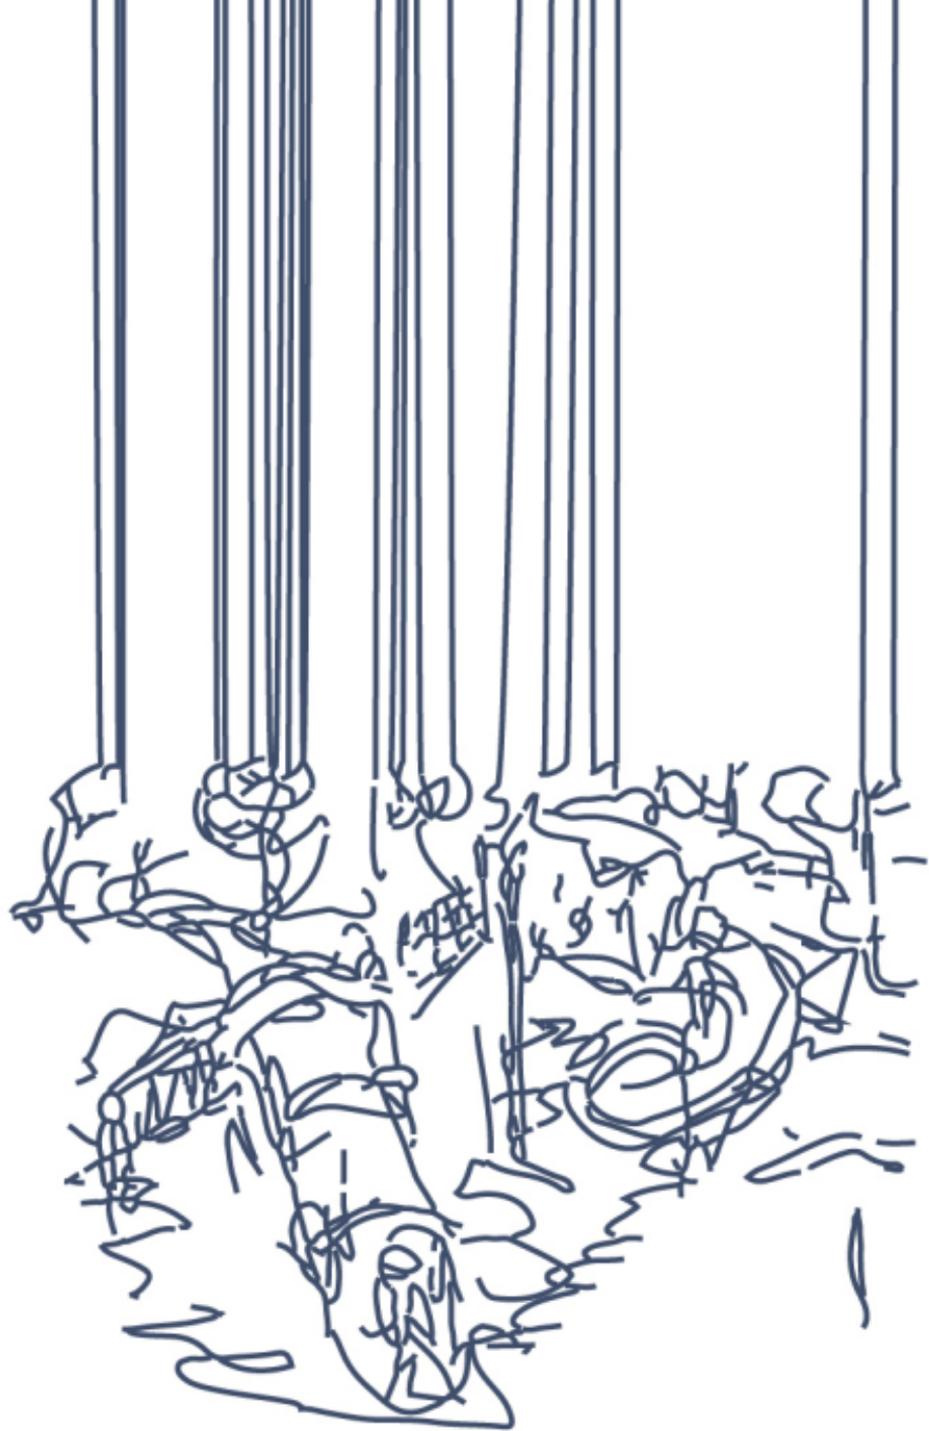

Who is the friend you  
are from the future?

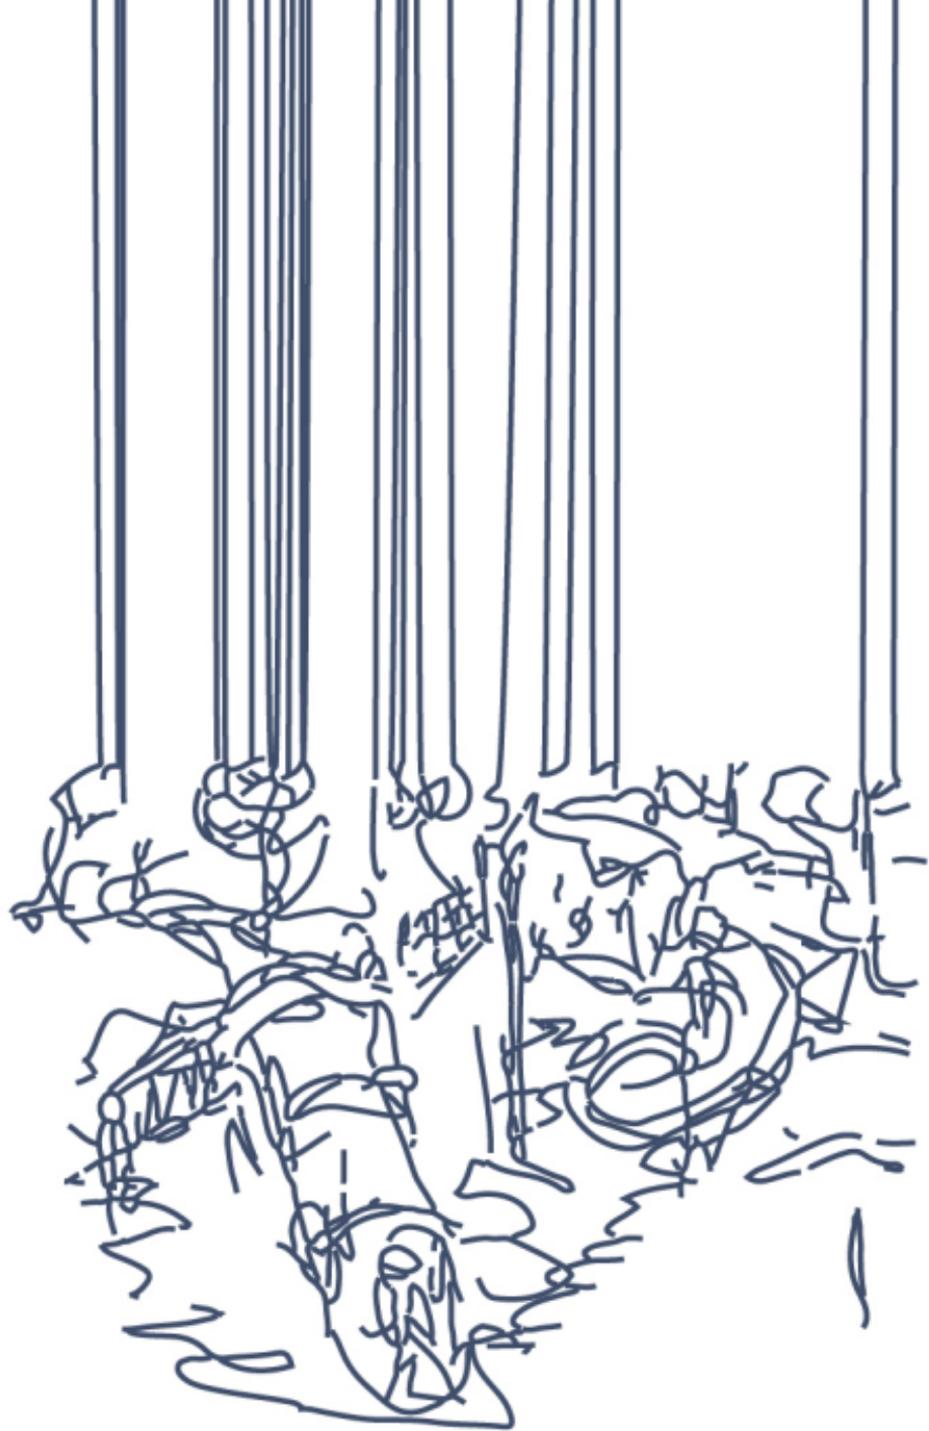

Why is the most important part being in trouble when you are at the beginning?

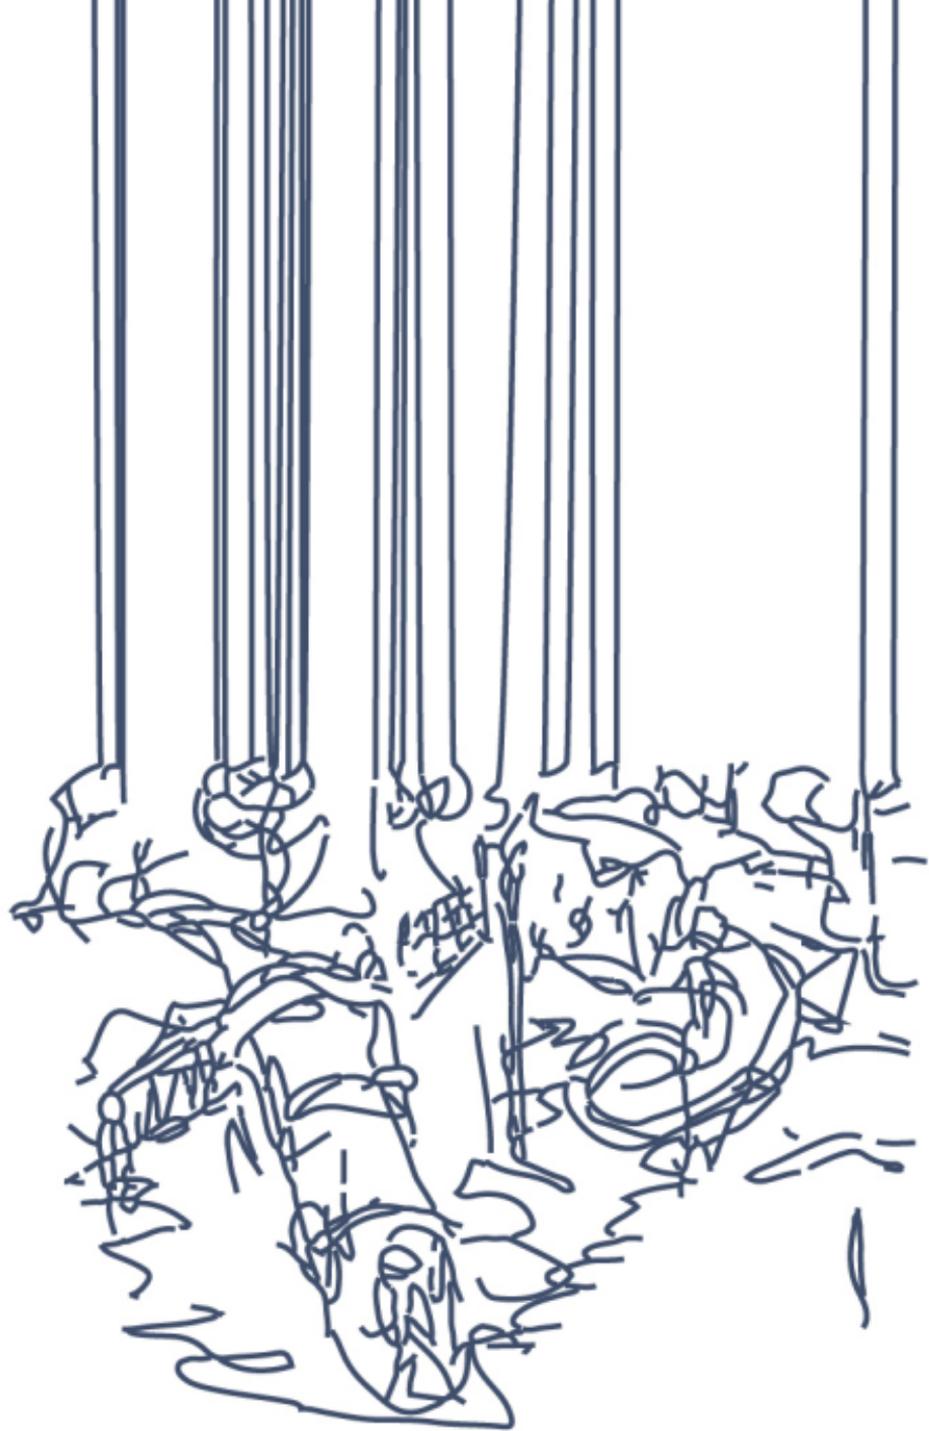

Revenge is a celebrity  
you admire and why?

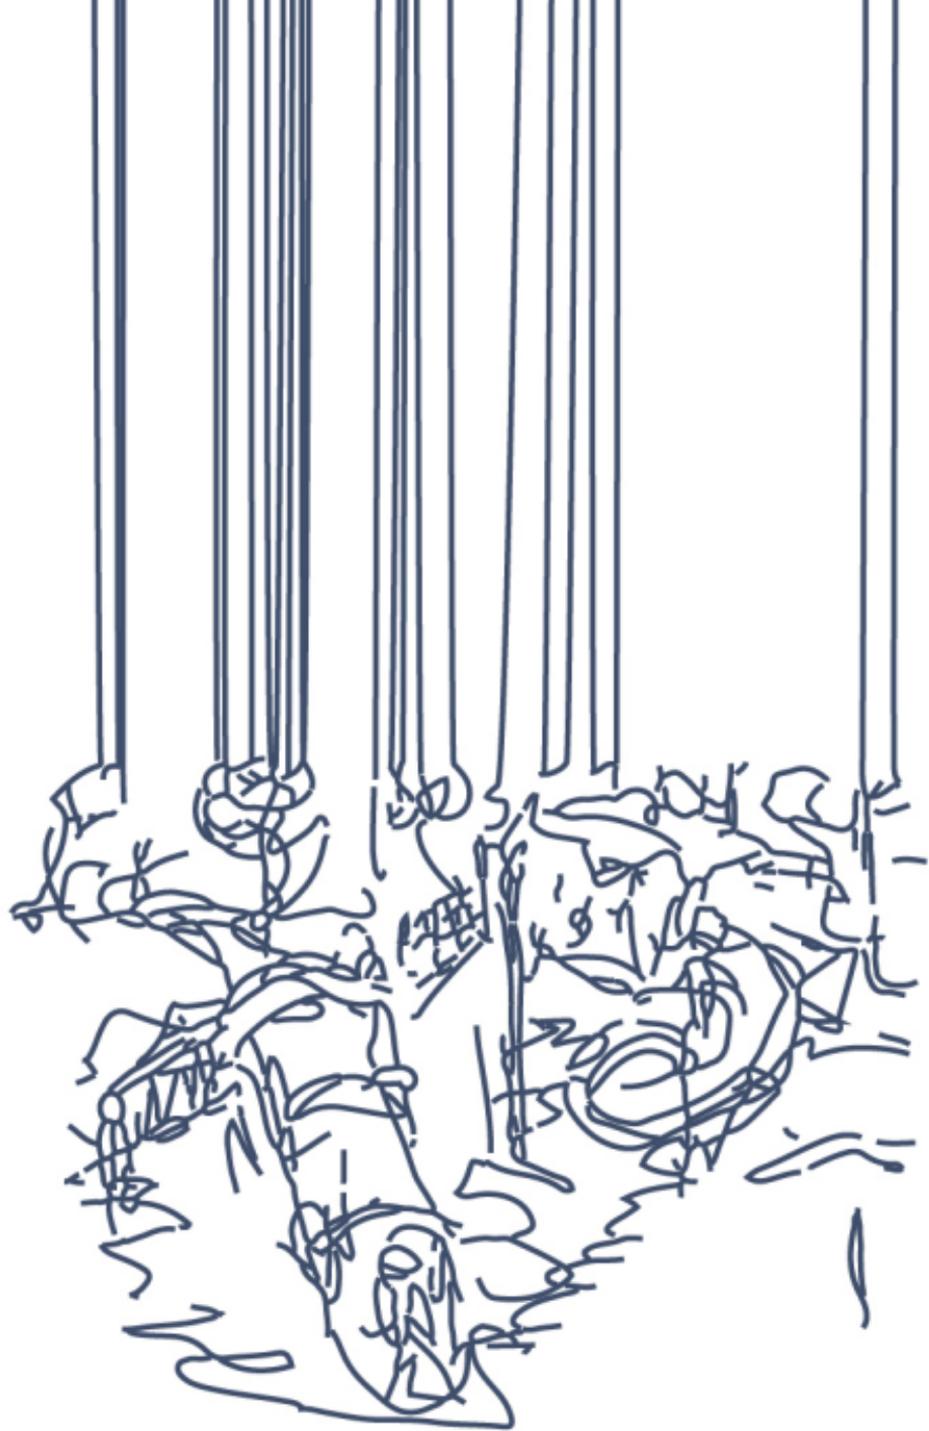

What if a glass of water  
was, all of your life?

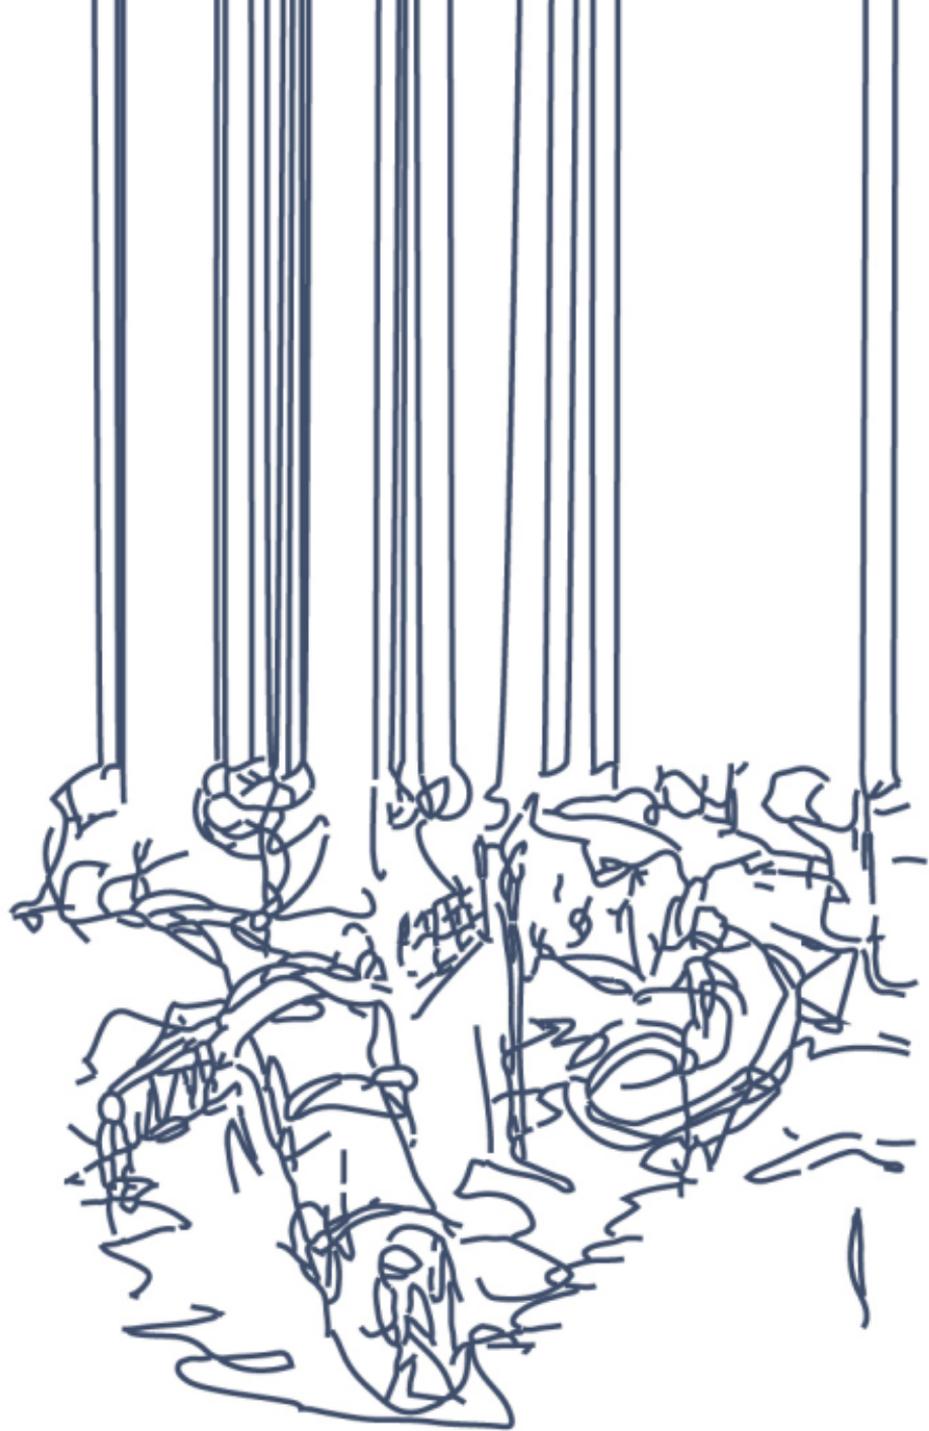

Where would you  
become?

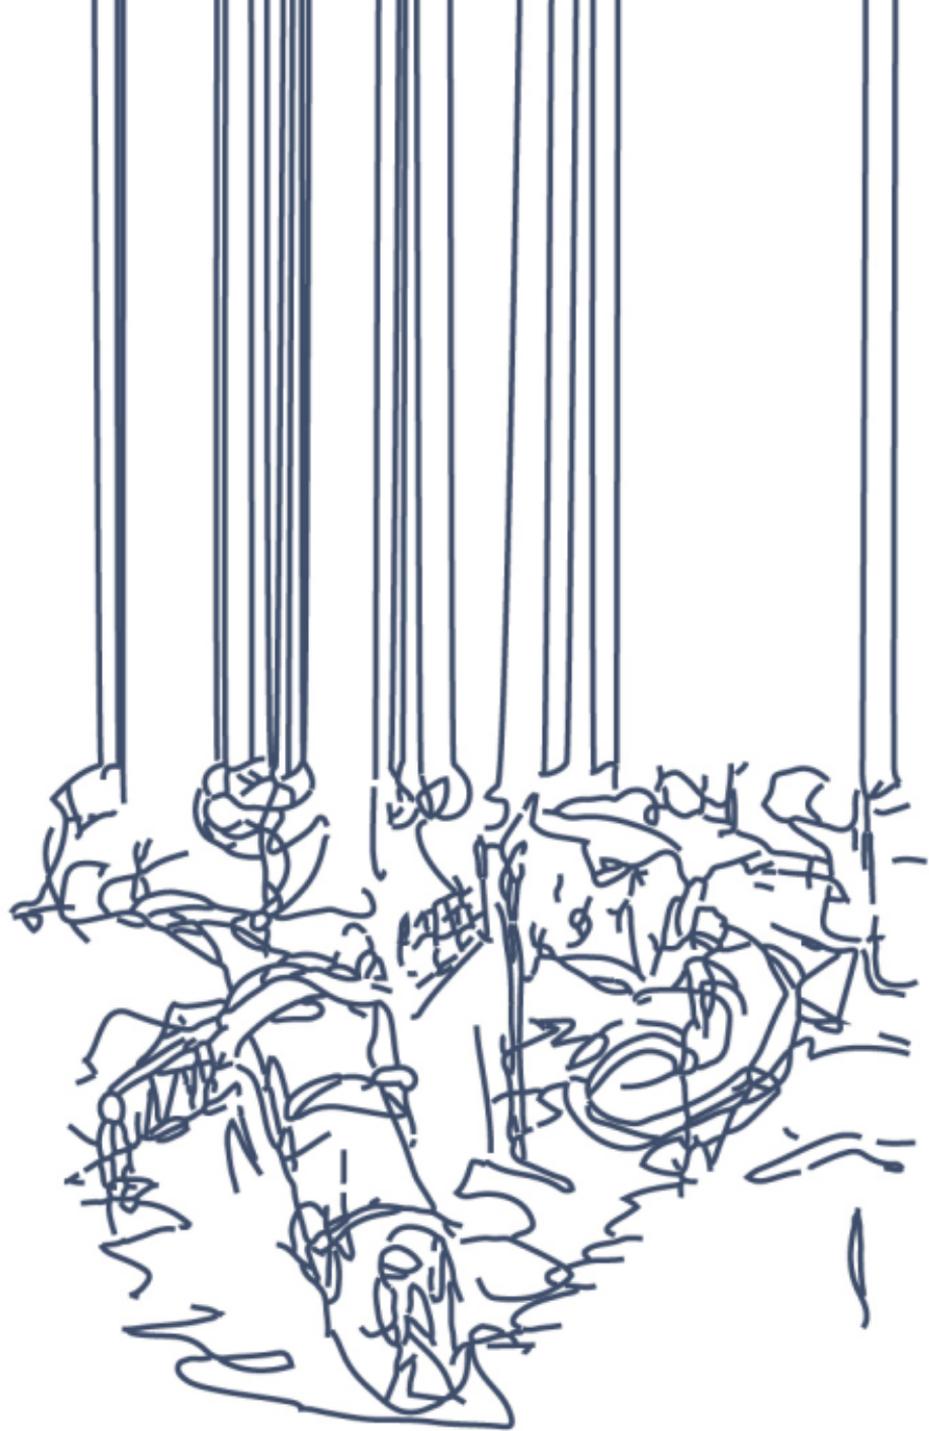

How do you wish  
people could see?

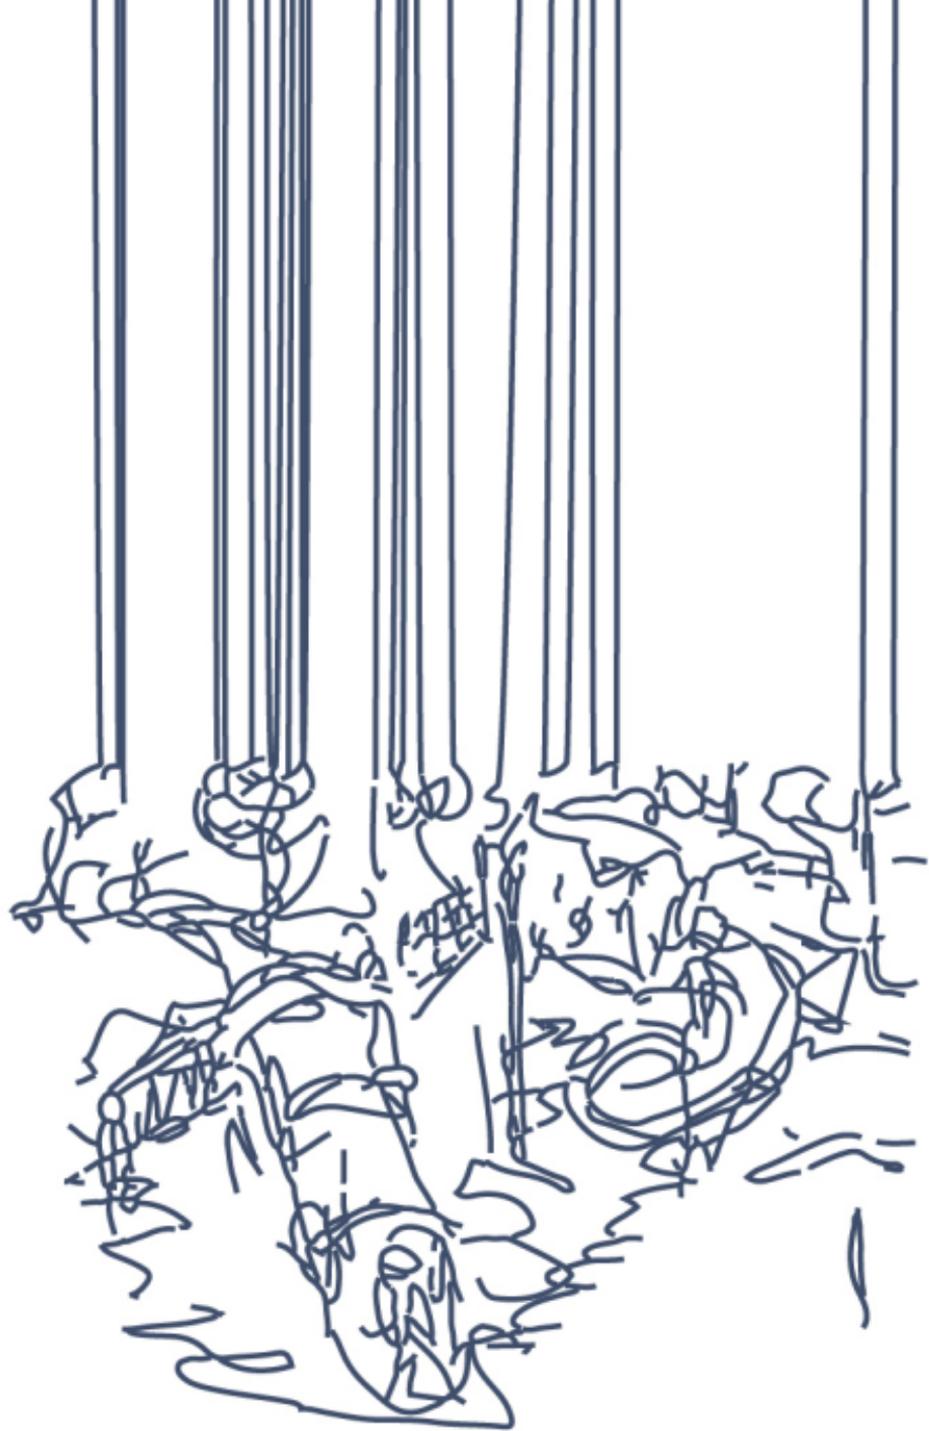

What is one thing you  
do when you were to  
do what you are really  
afraid of?

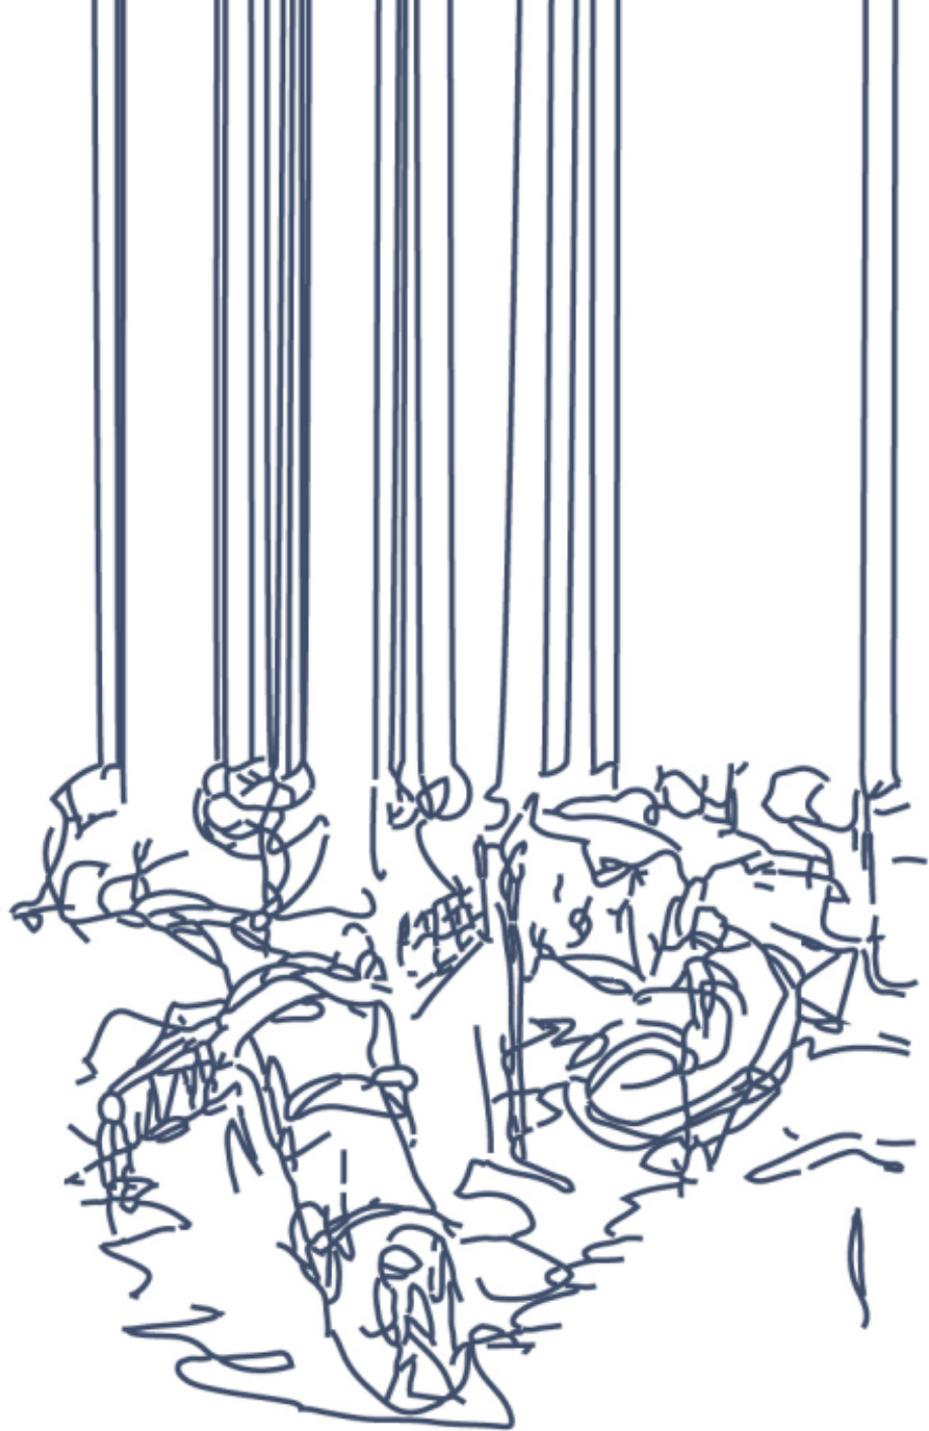

What did you get out of  
an apocalypse?

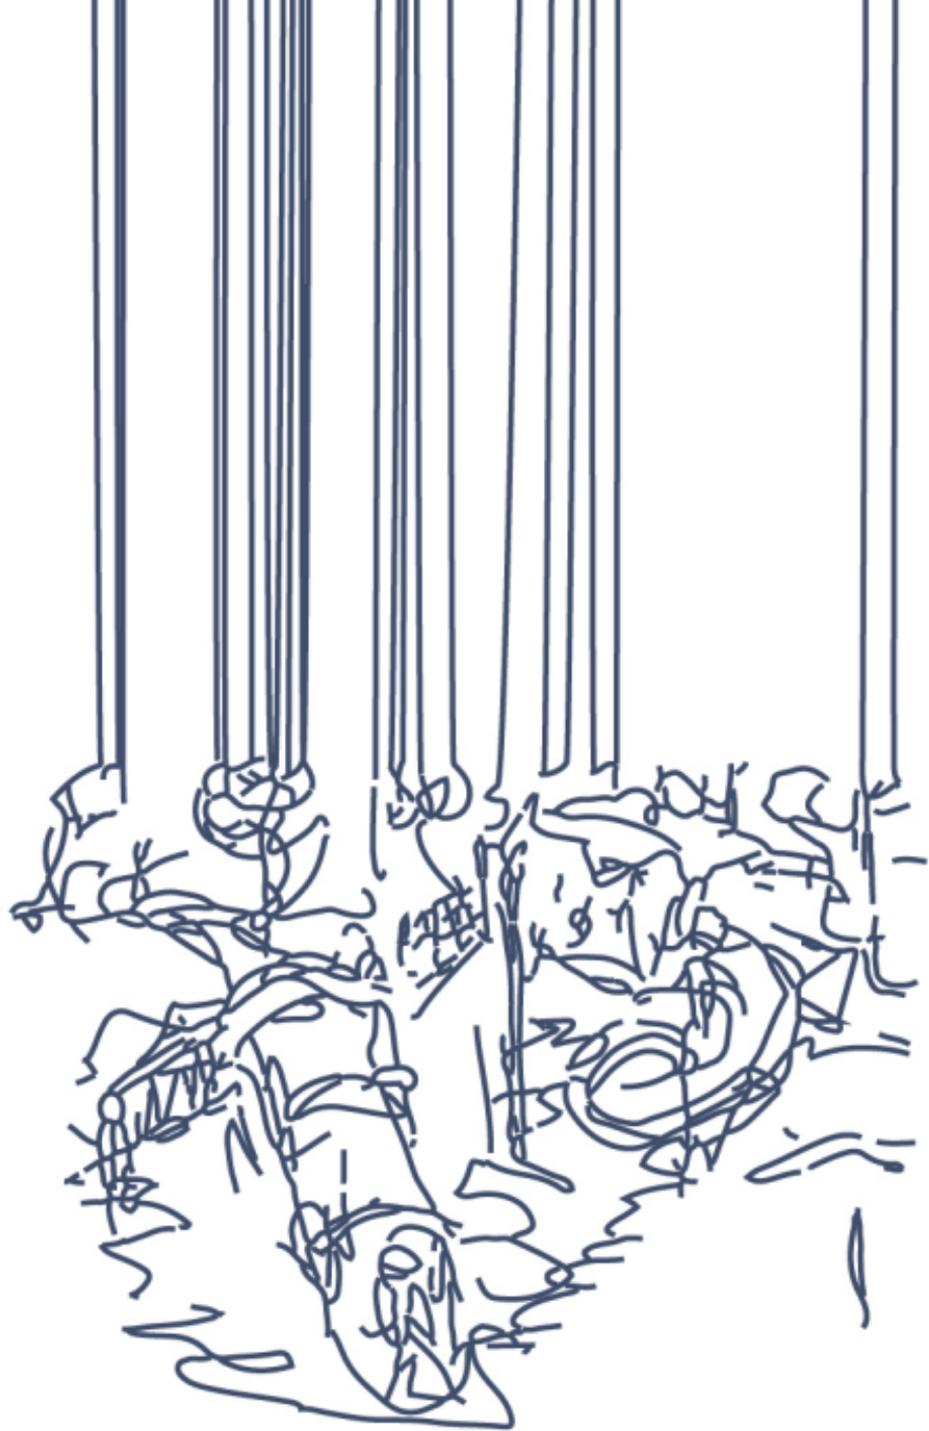

What is the last clock  
going to be to a  
modern-day computer  
or smartphone?

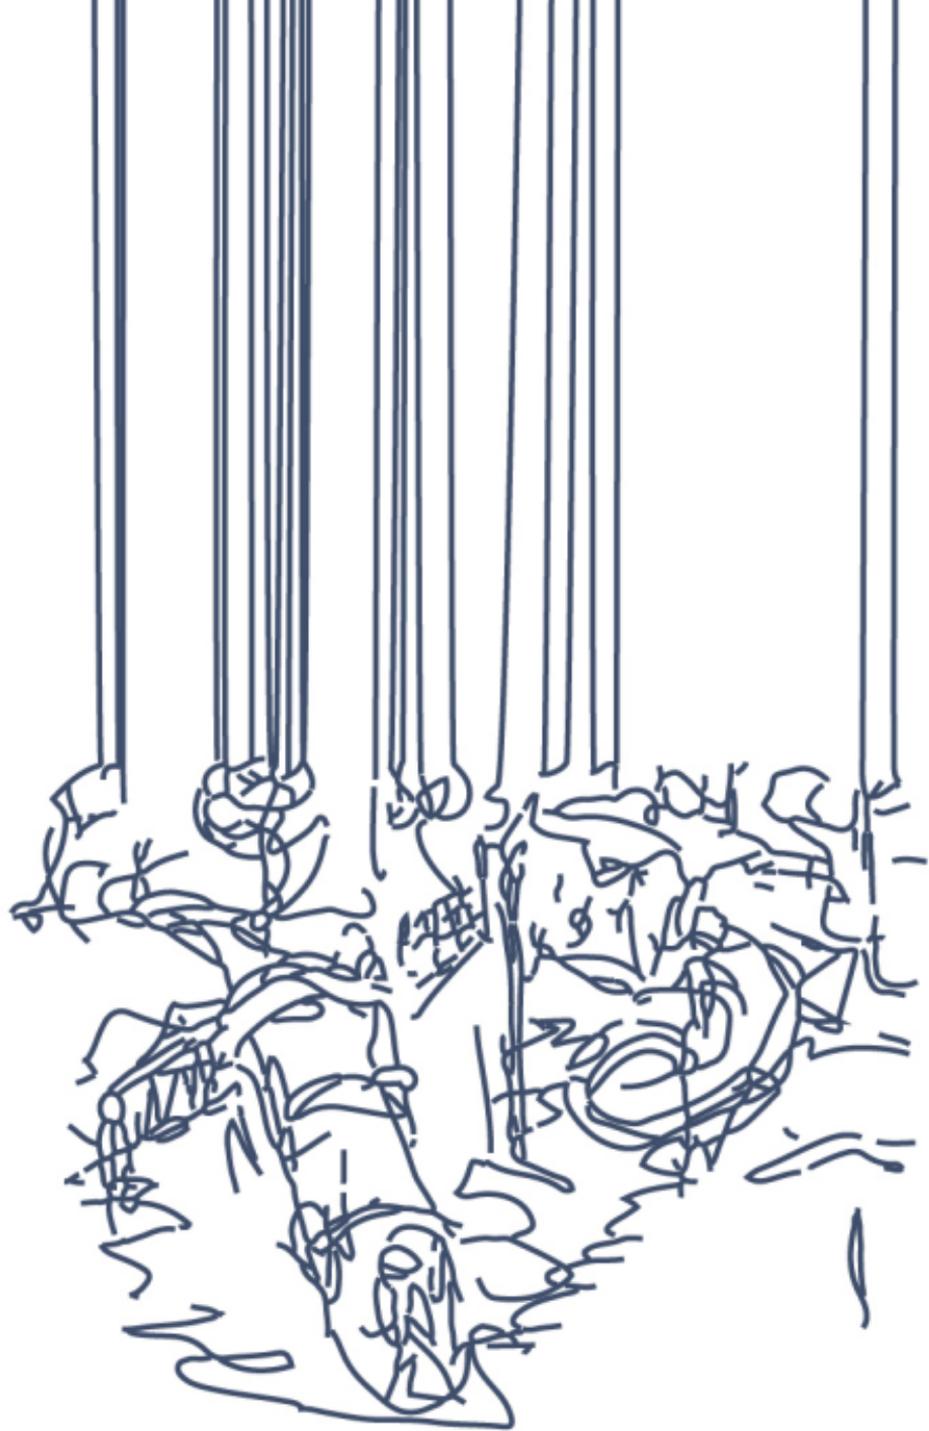

Who was your favorite  
thing about one of your  
lives?

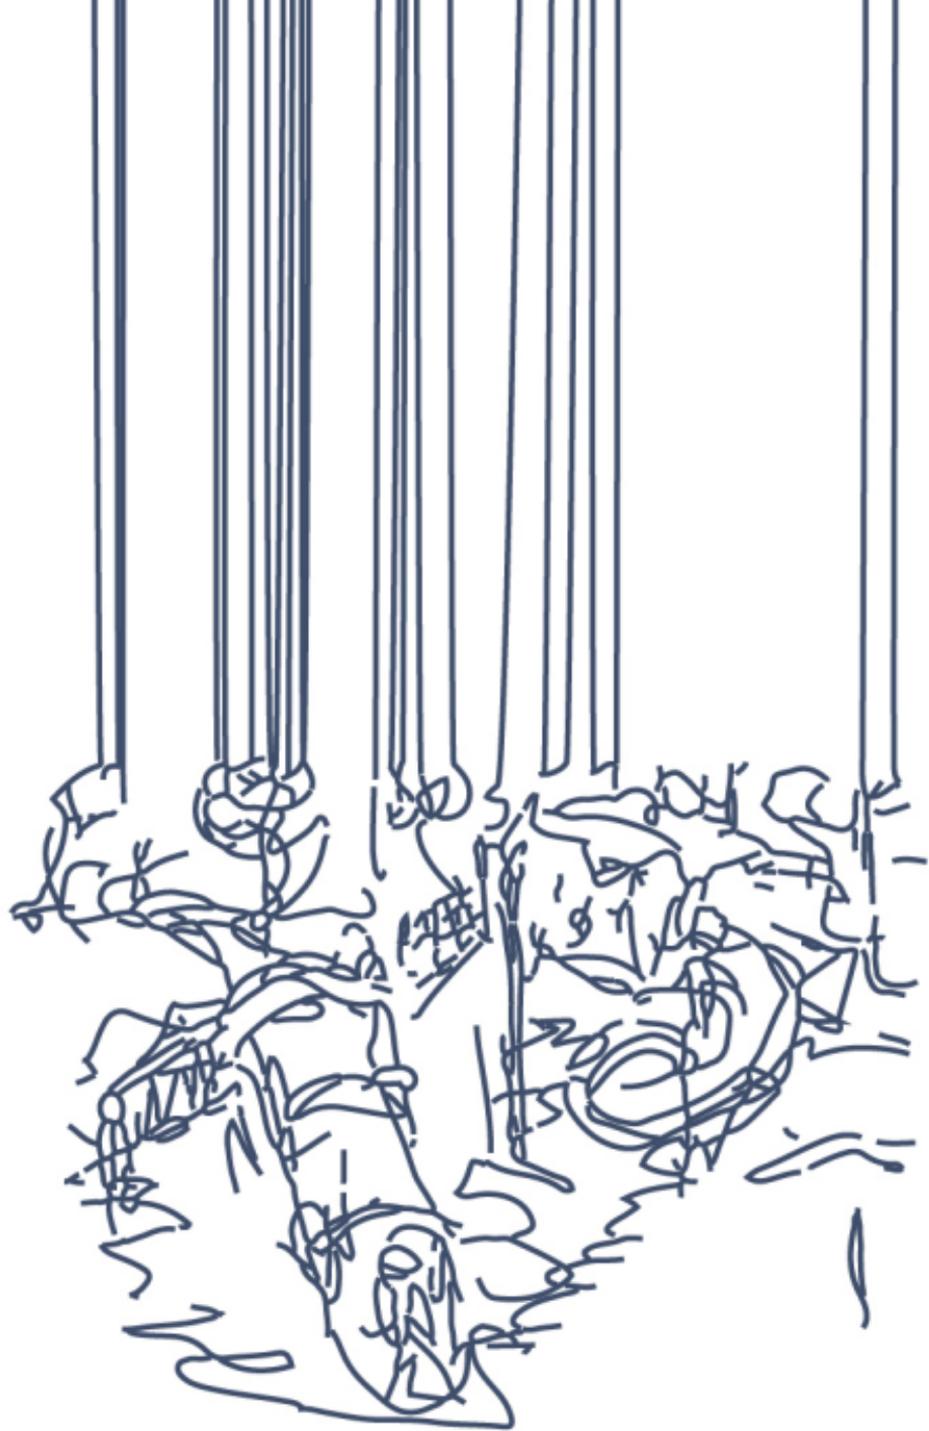

What is the genre of the  
passing of time?

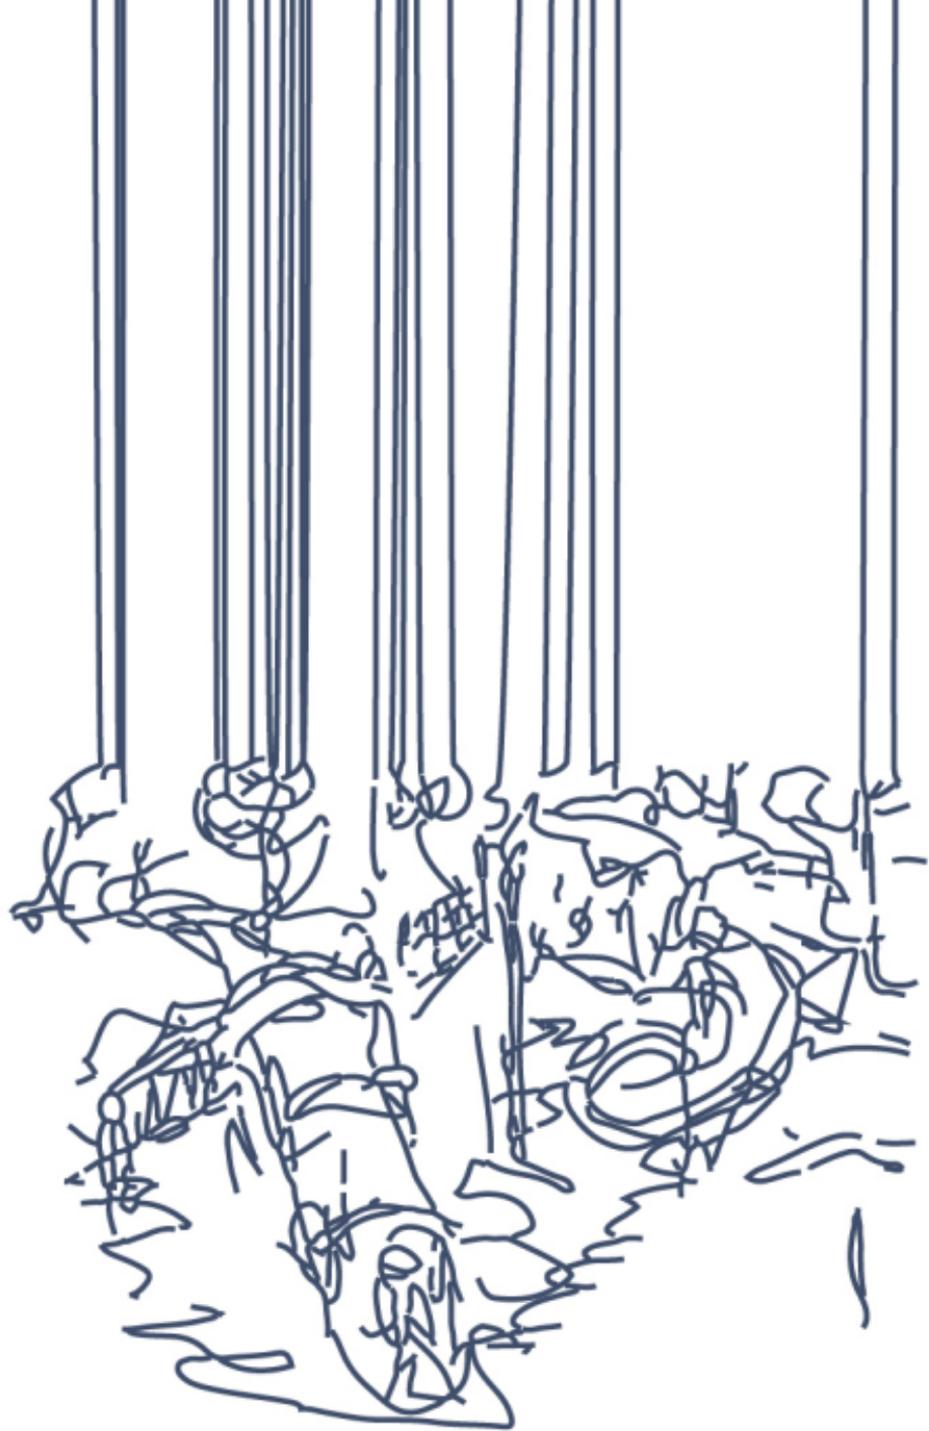

How do I relate to the  
Earth as the water is  
being drained?

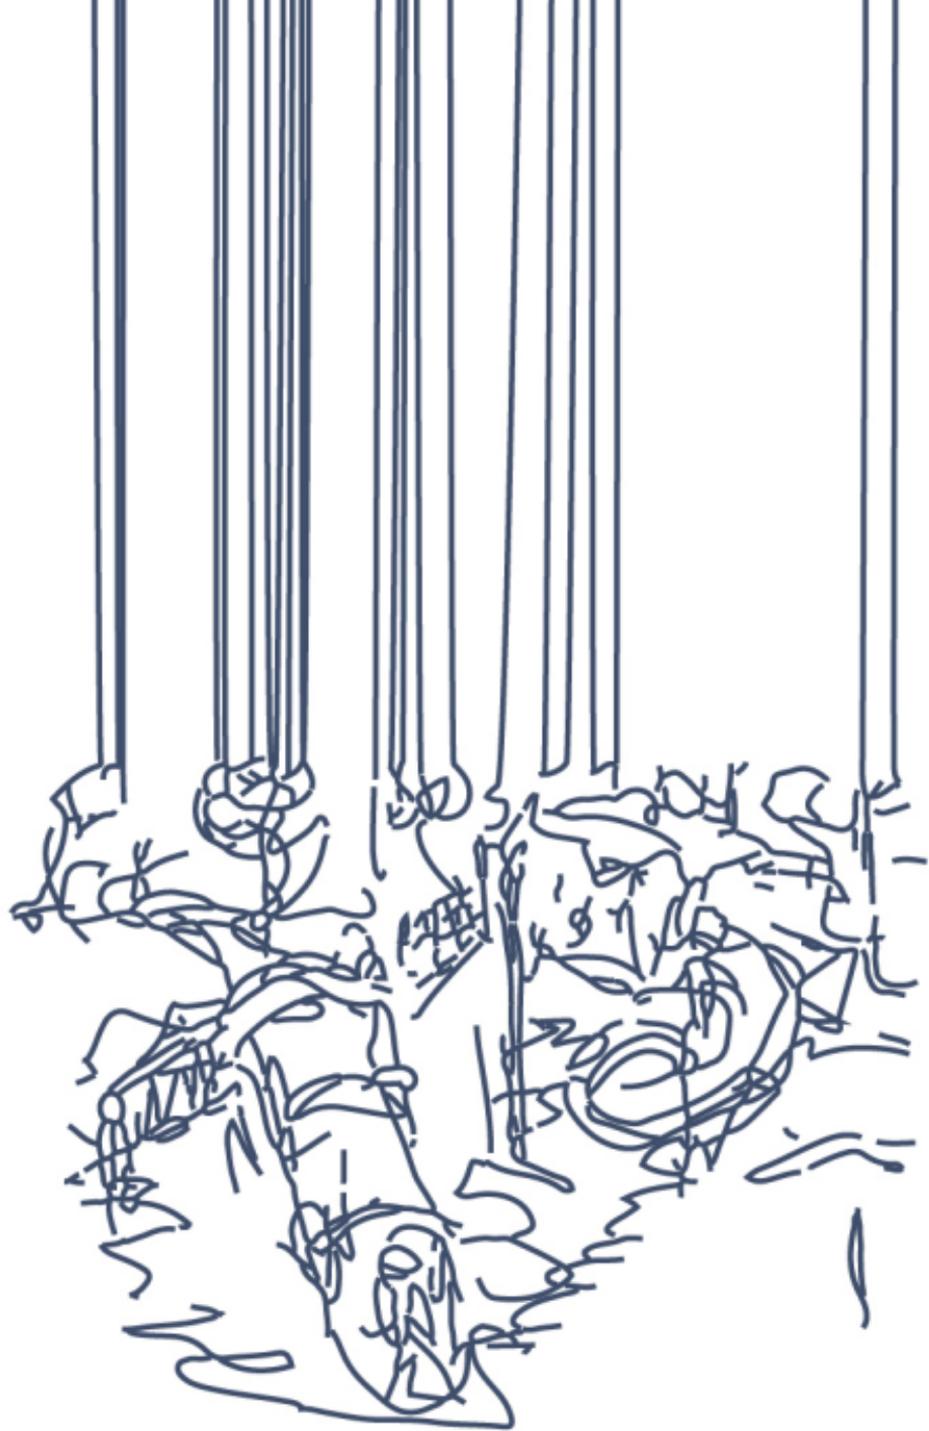

When do you get out of  
your life?

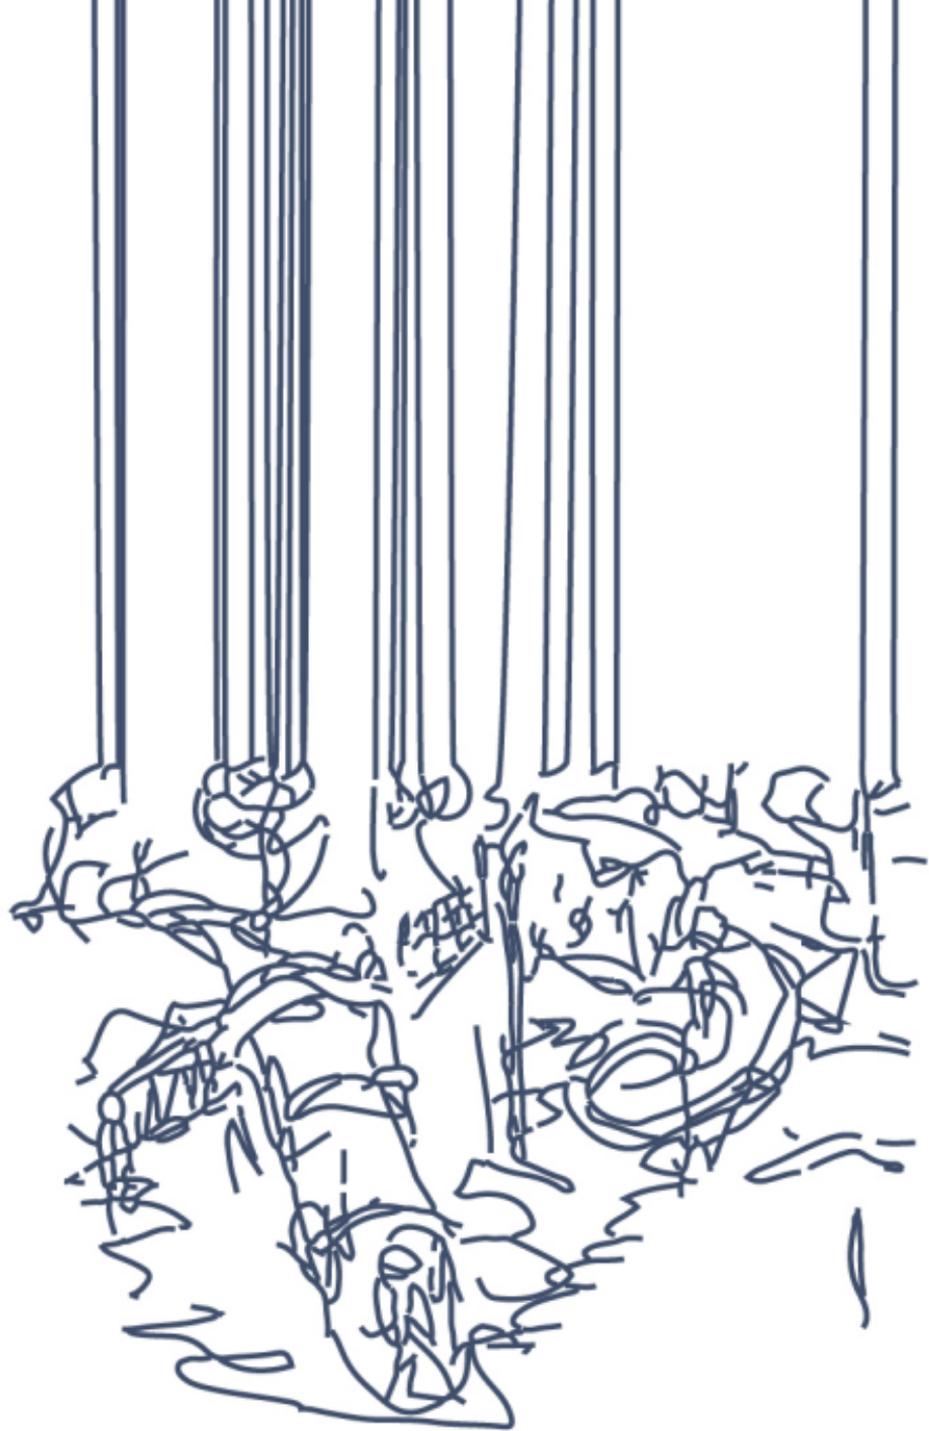

Where does a thought  
go when they think?

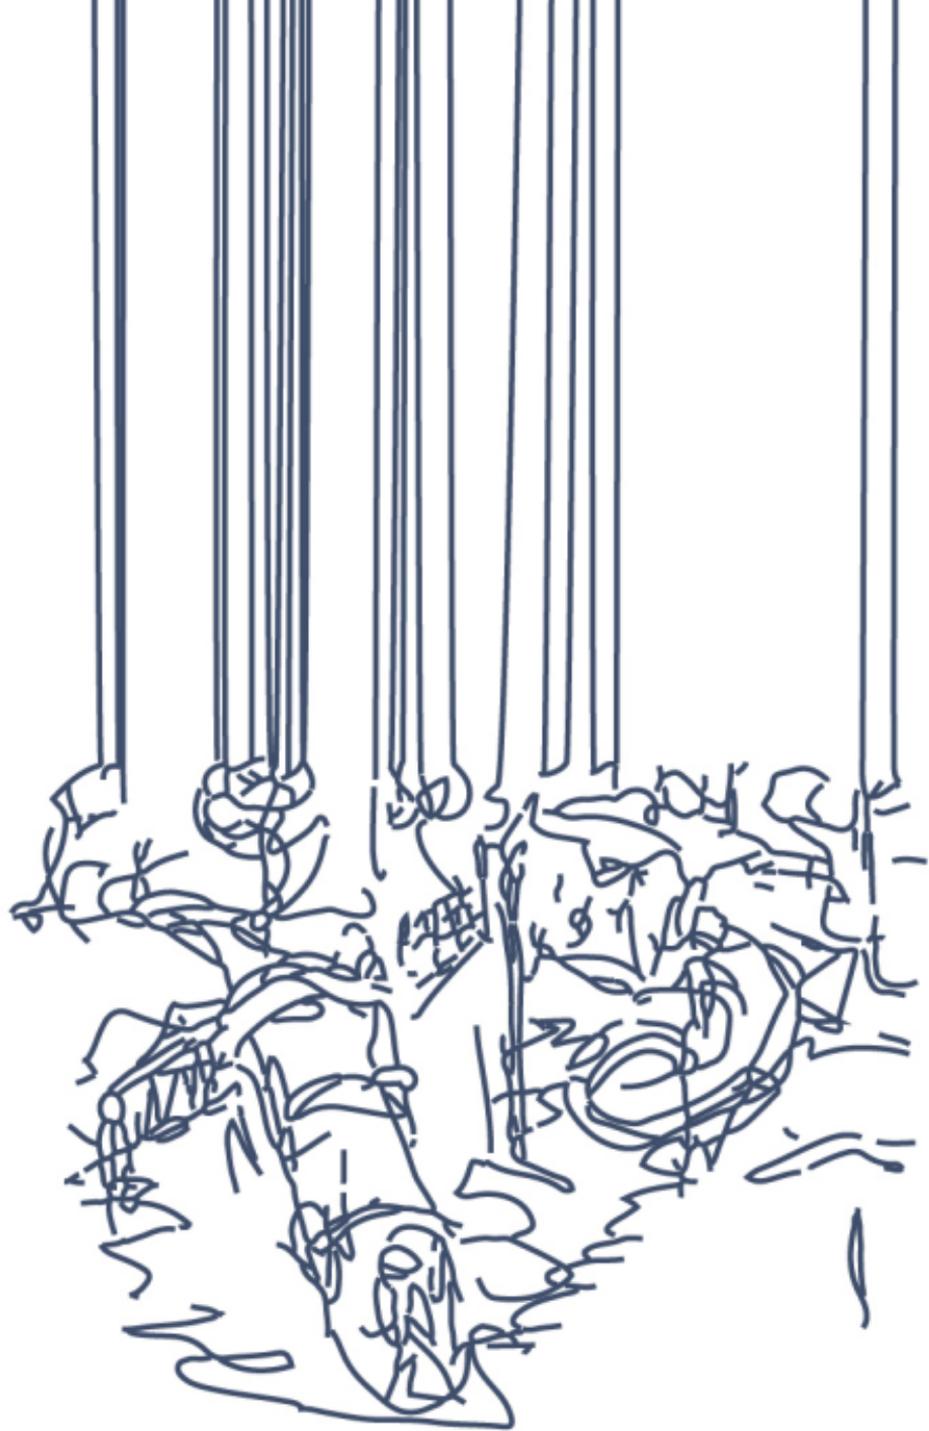

What is the funniest  
to add a mandatory  
amount of radiation to?

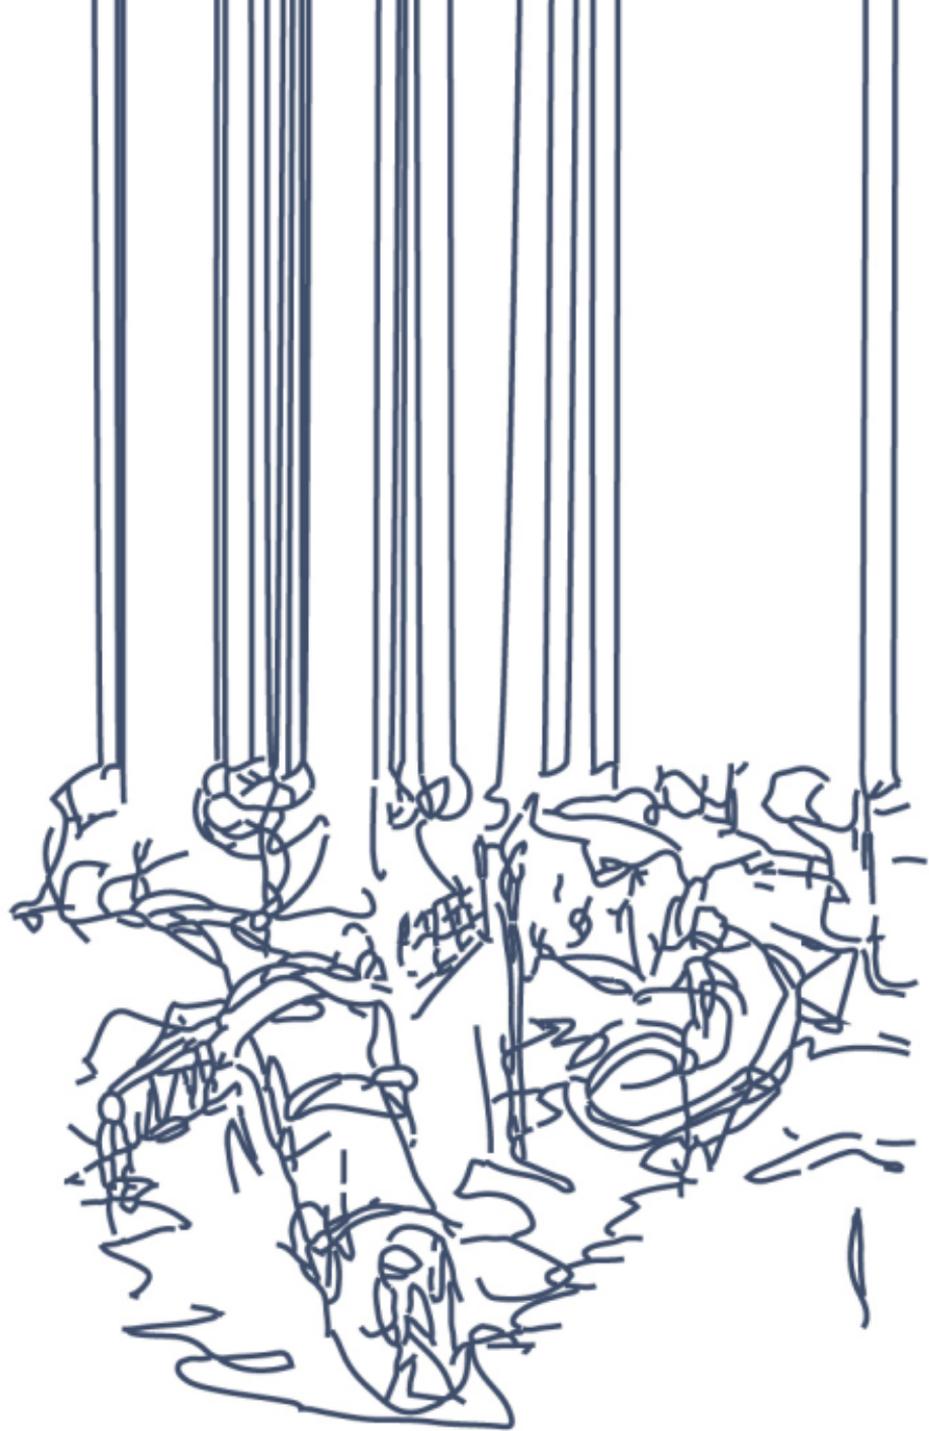

How long could I stay  
safely at the age that  
you die?

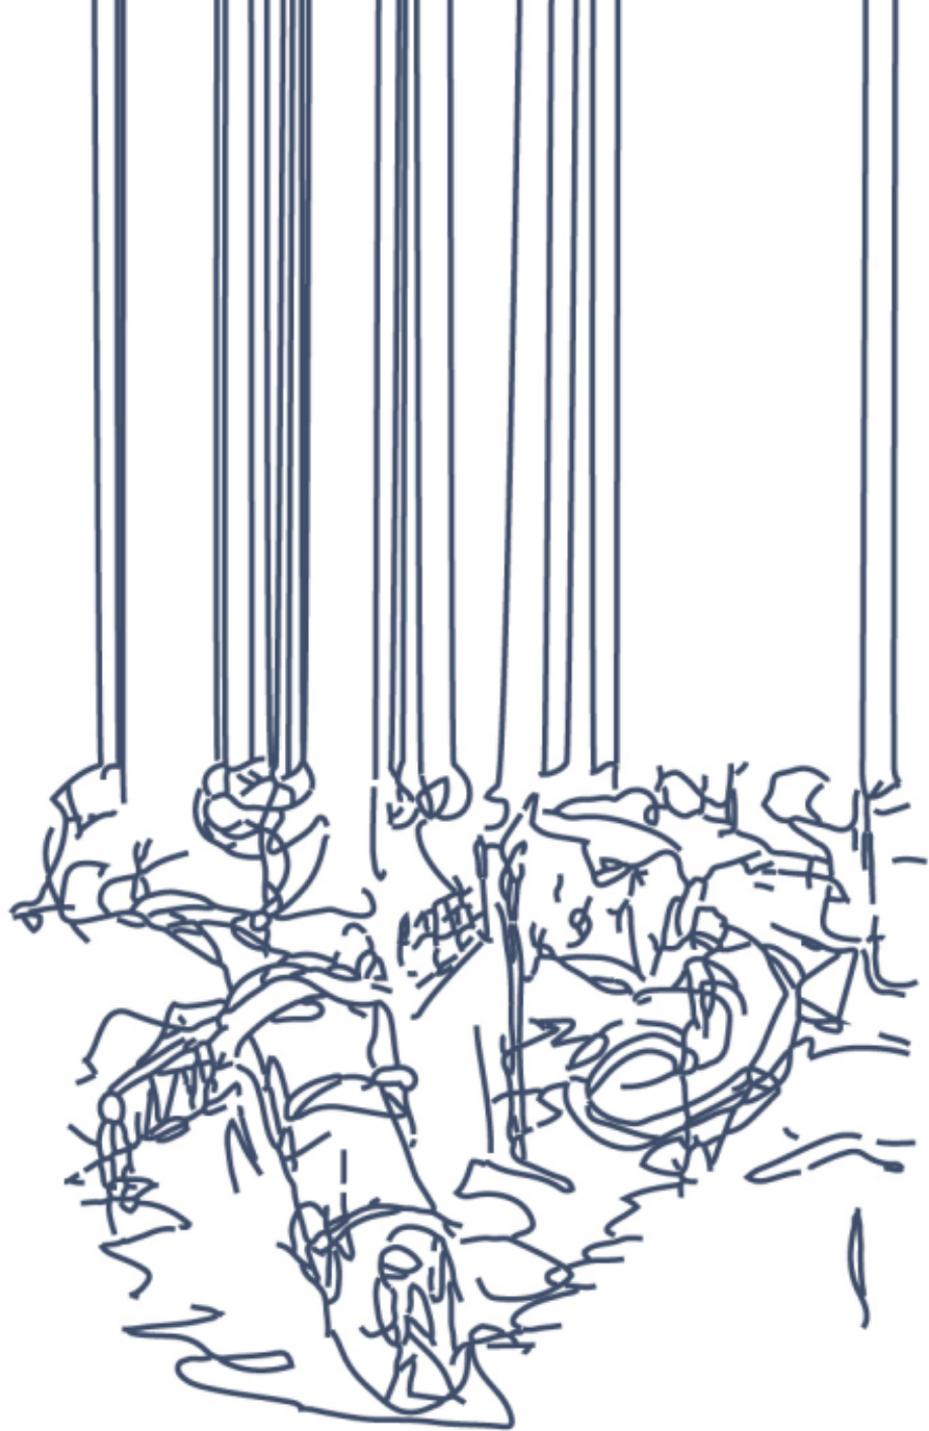

What are some  
questions you would  
eat?

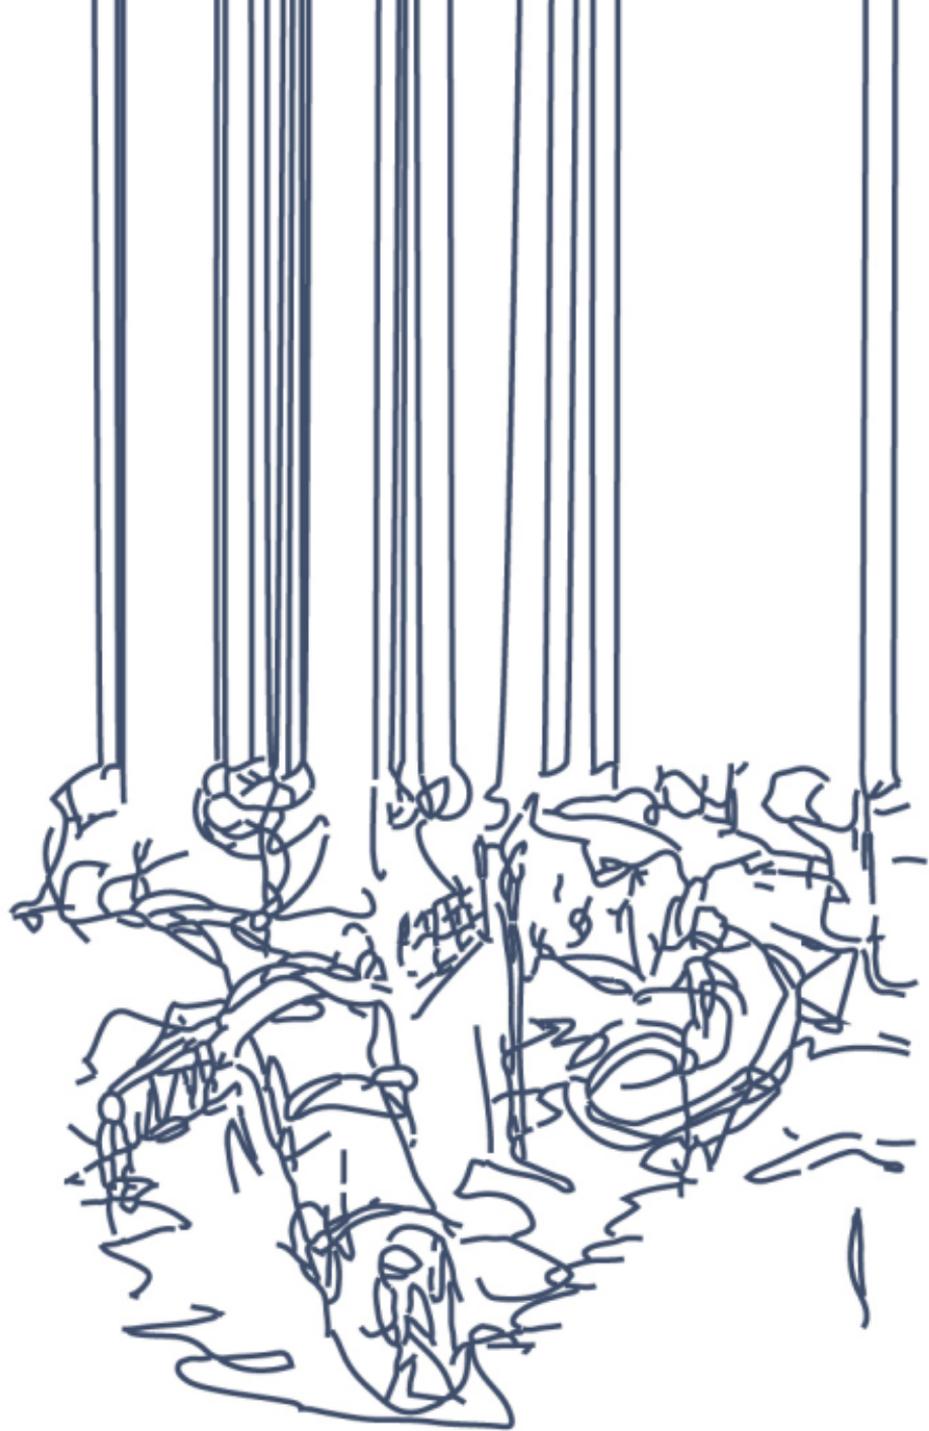

What are you here at  
this very moment in  
your life?

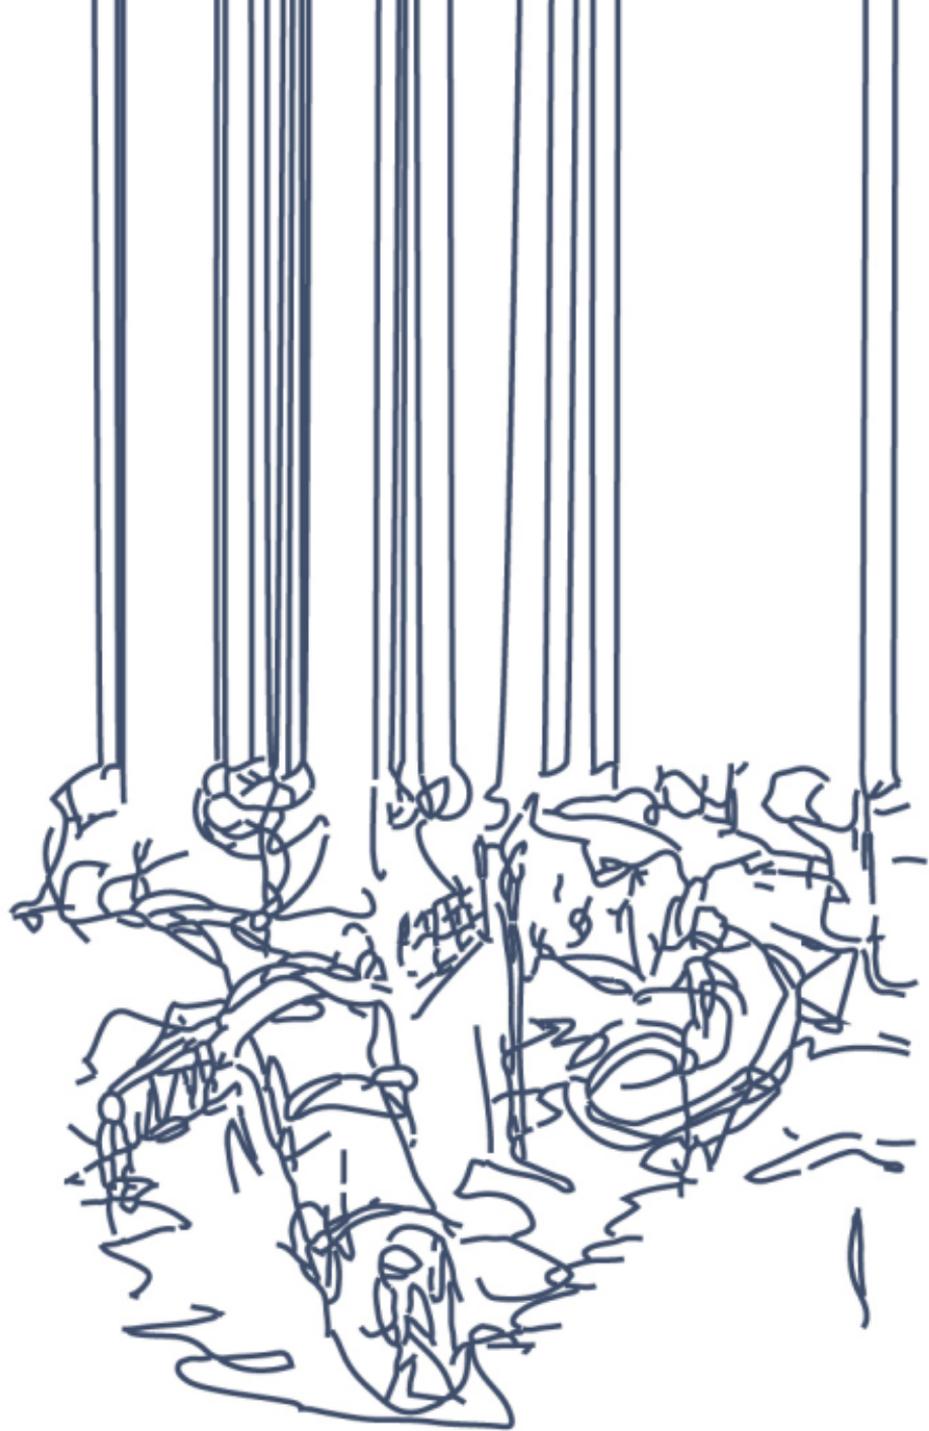

What is the ending of  
the number of times we  
went around a burning  
ball of gas?

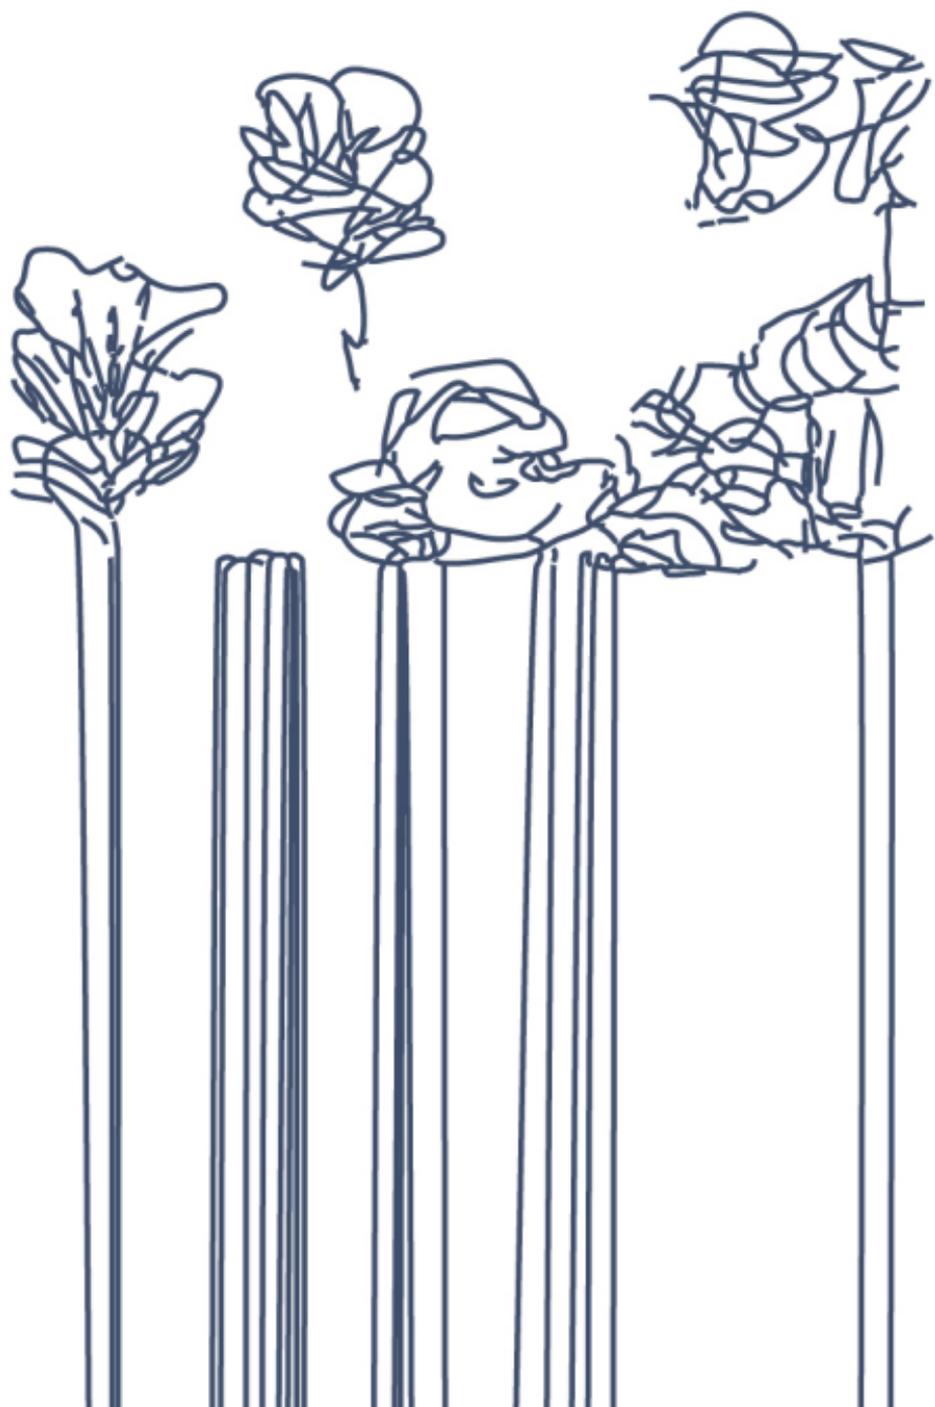

Would you rather live  
for a day?

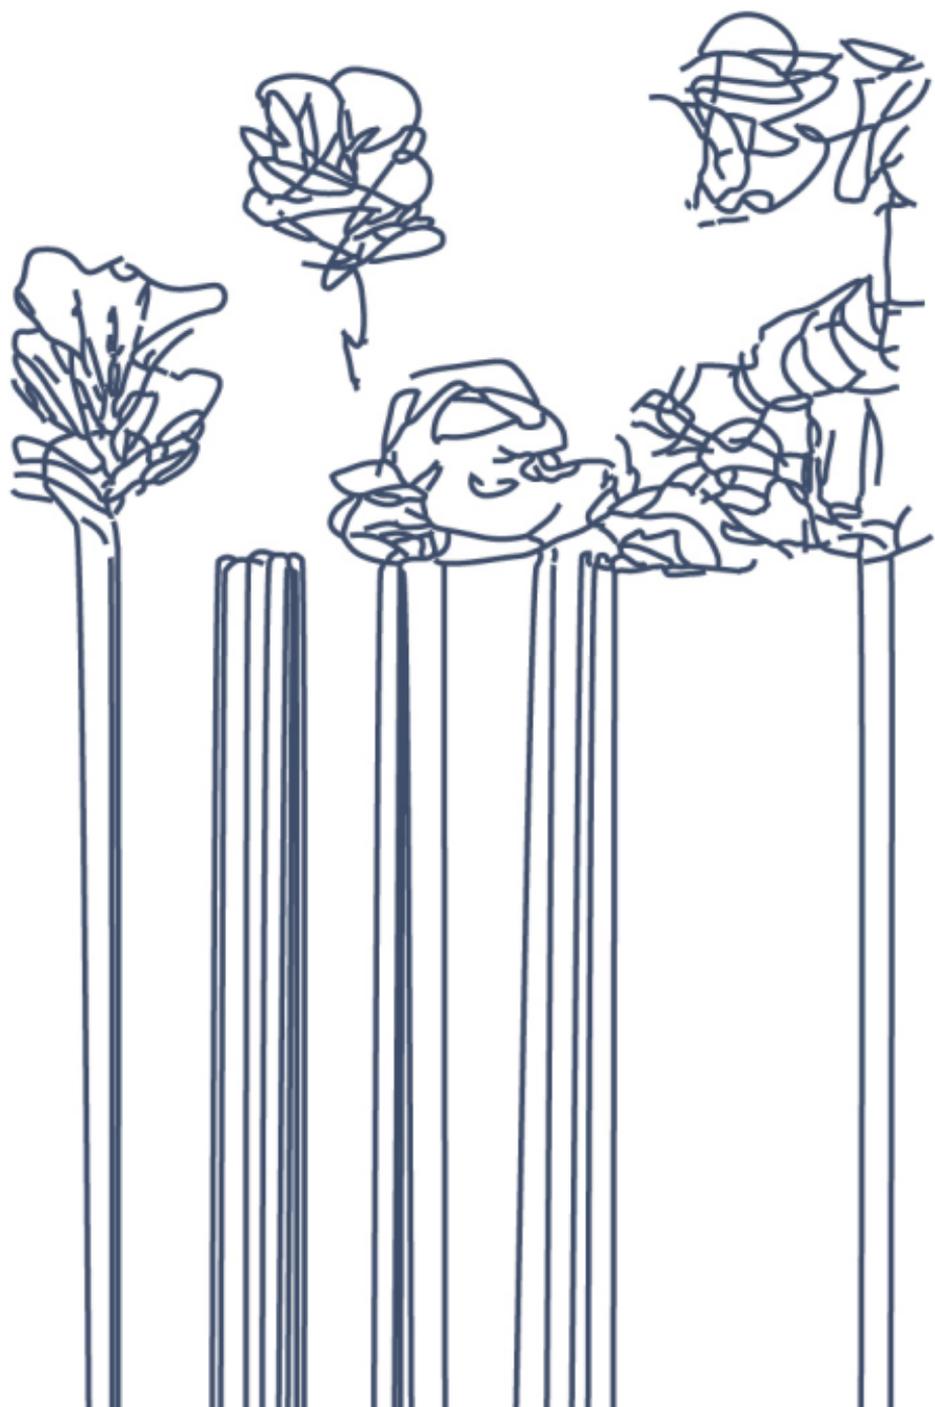

What would you rather  
have to go back in time  
or to go back in time or  
to go back in time or to  
go into the net?

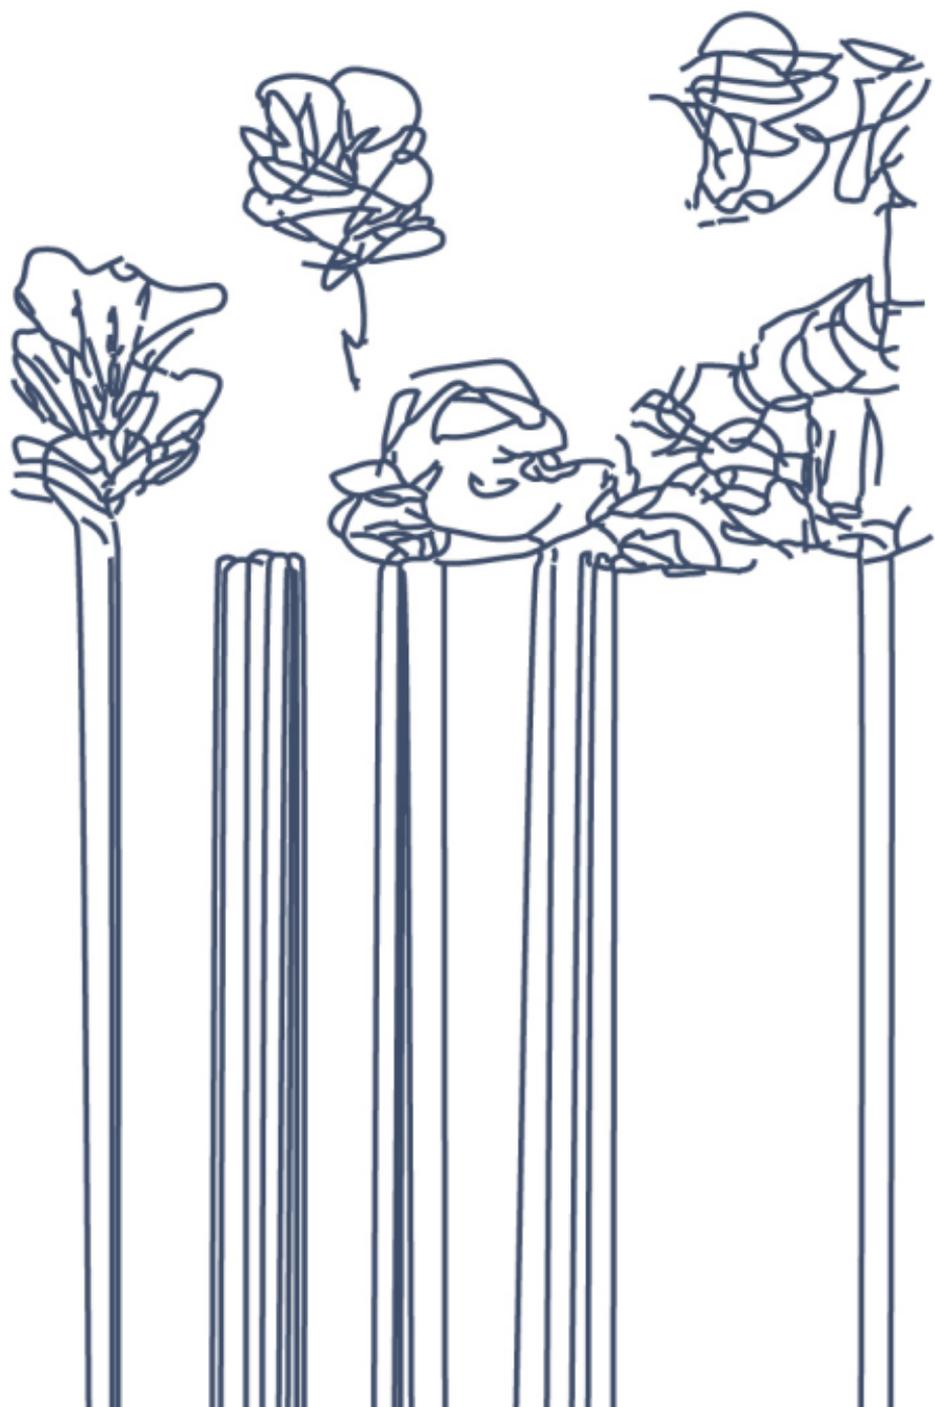

What could you wear  
on your head that  
would improve the  
world?

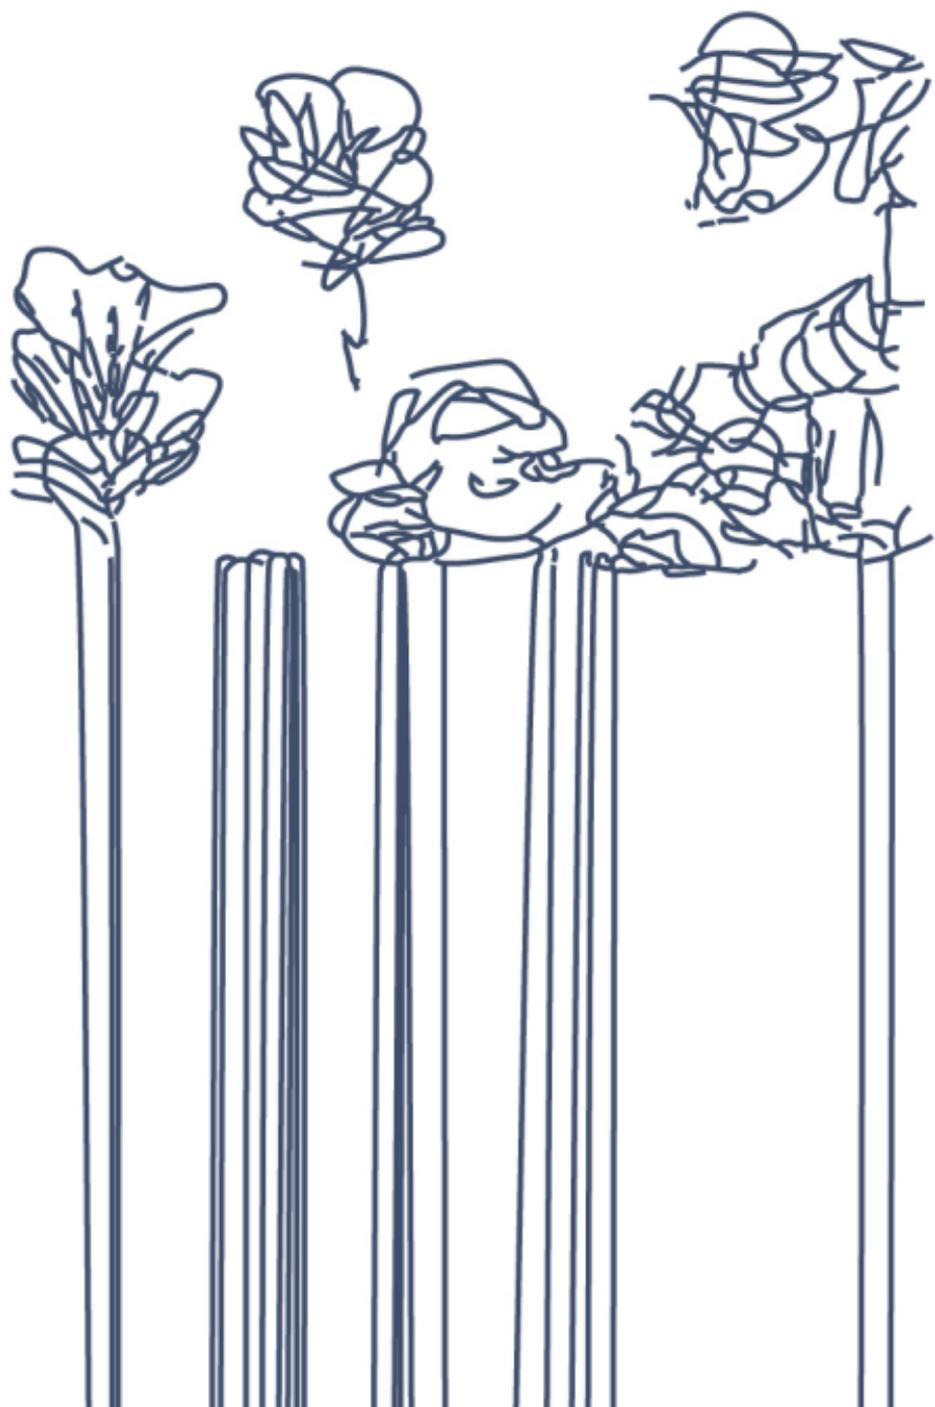

Are we a minuscule  
part of intelligent life  
in the story?

Why do humans have  
such a thing as a  
species go extinct?

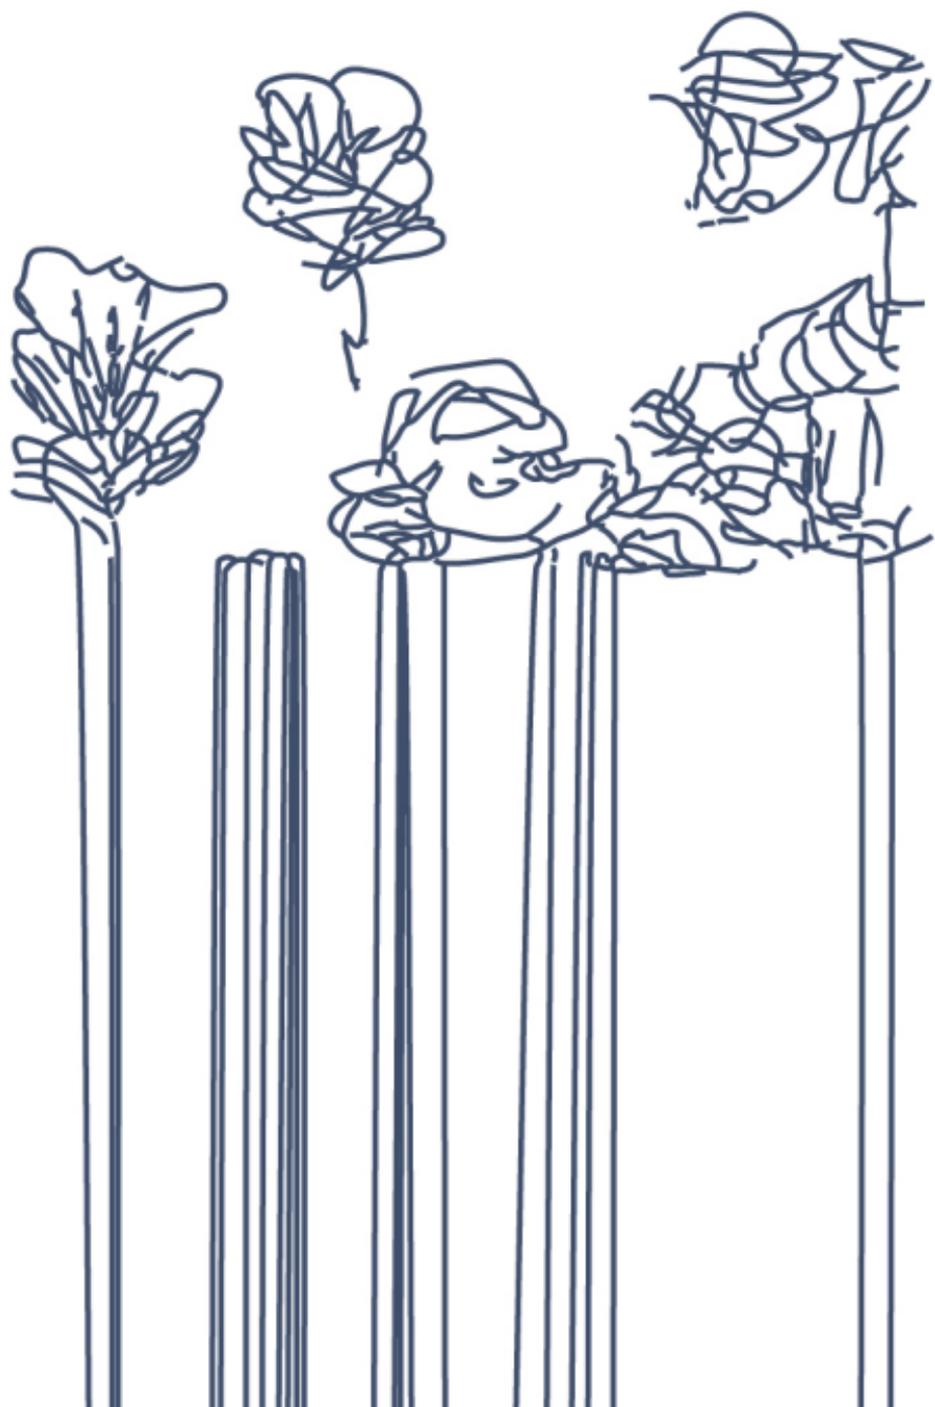

If you punch yourself  
and it hurts, are you  
ethically justified?

What is the furthest  
spot from me in the  
present?

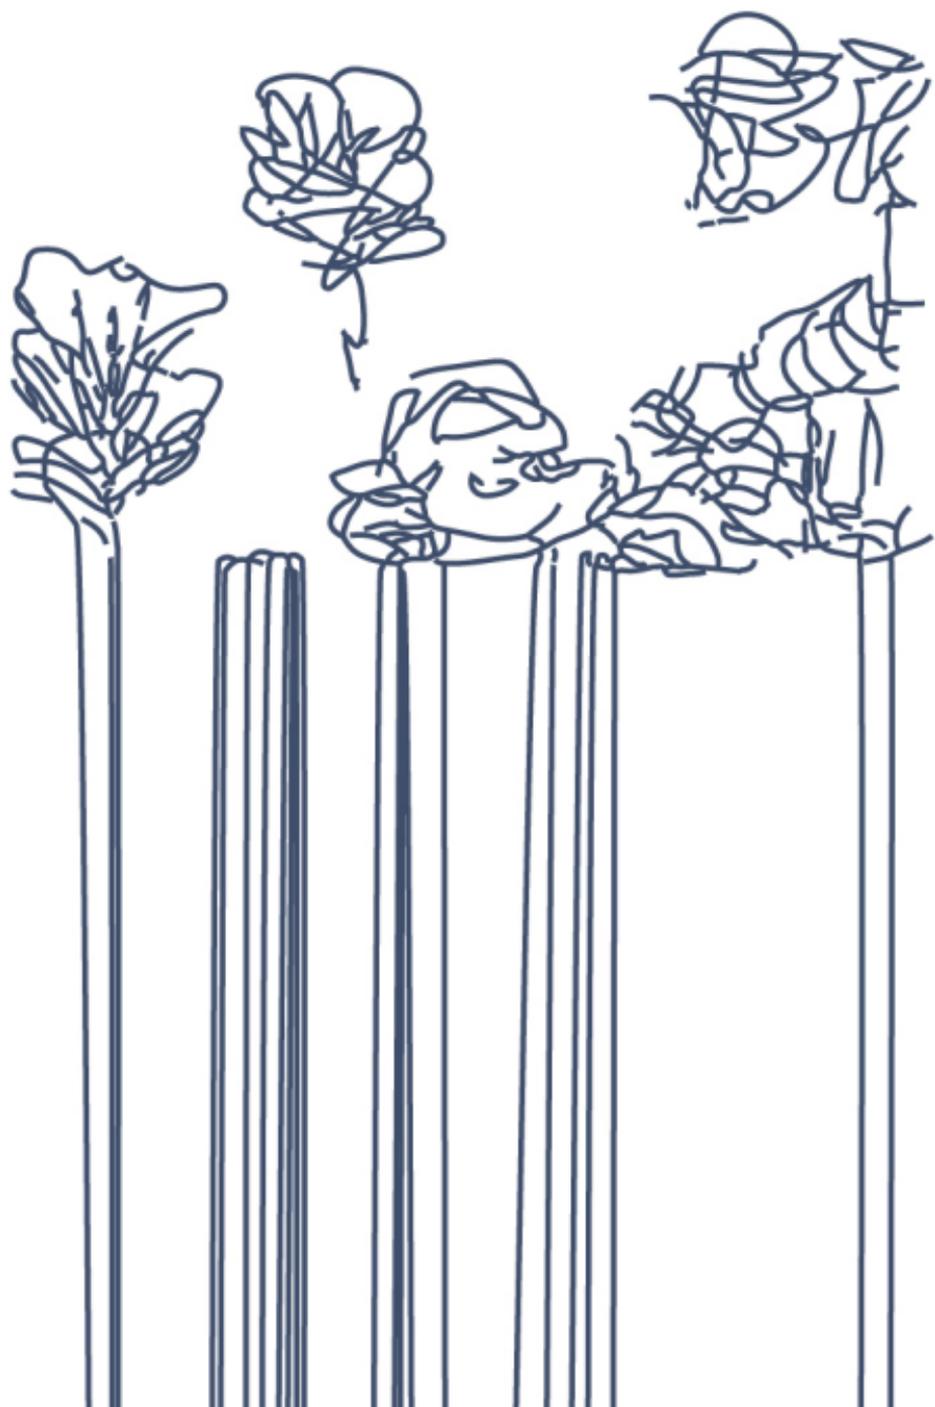

Is humanity doomed to  
head in a bank  
account?

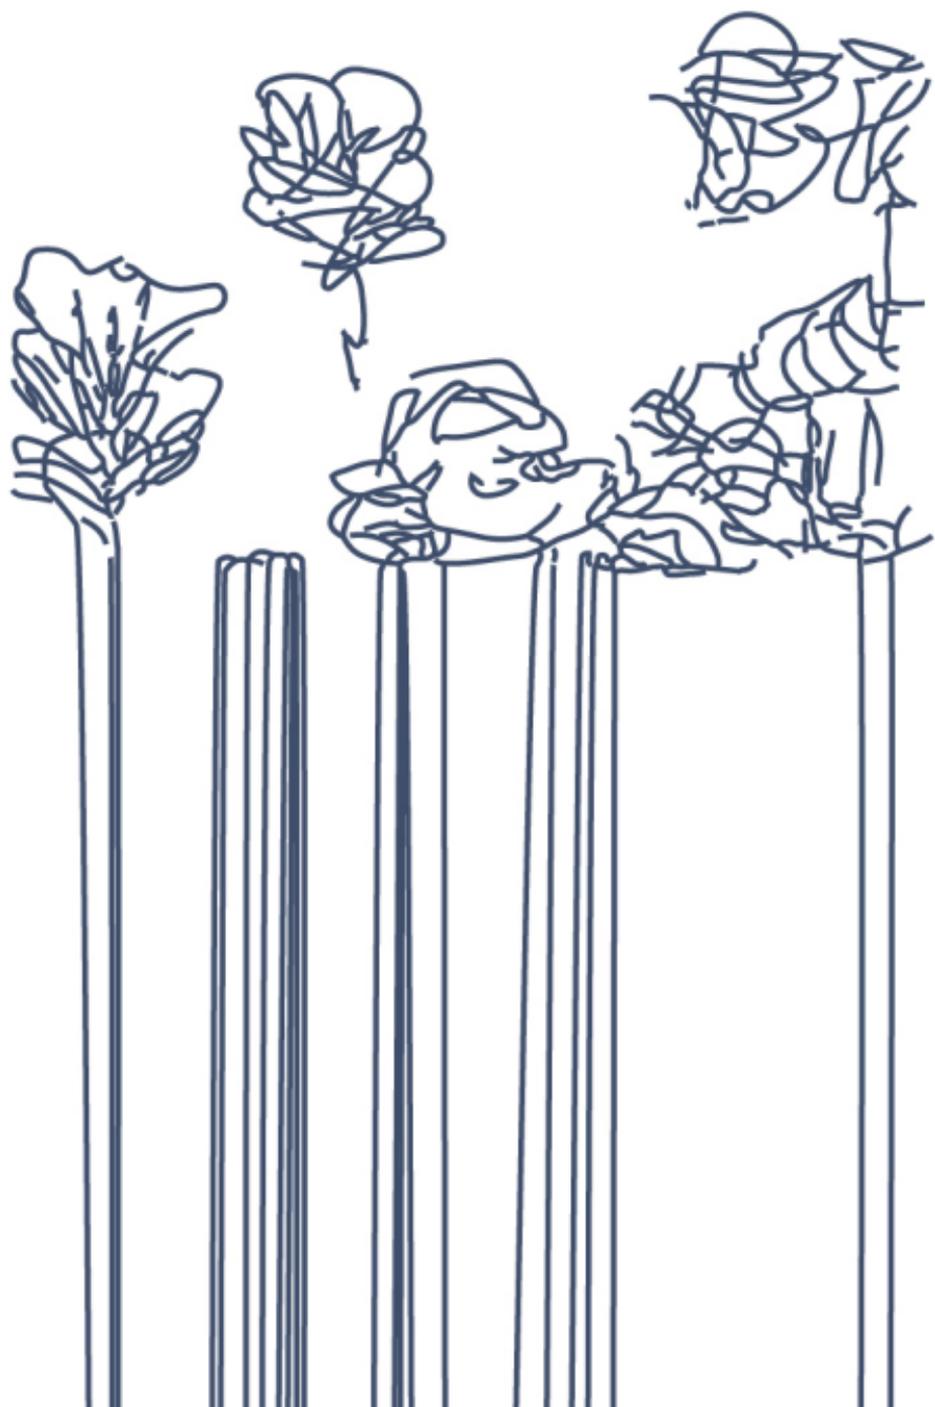

How do you have a  
whole planet?

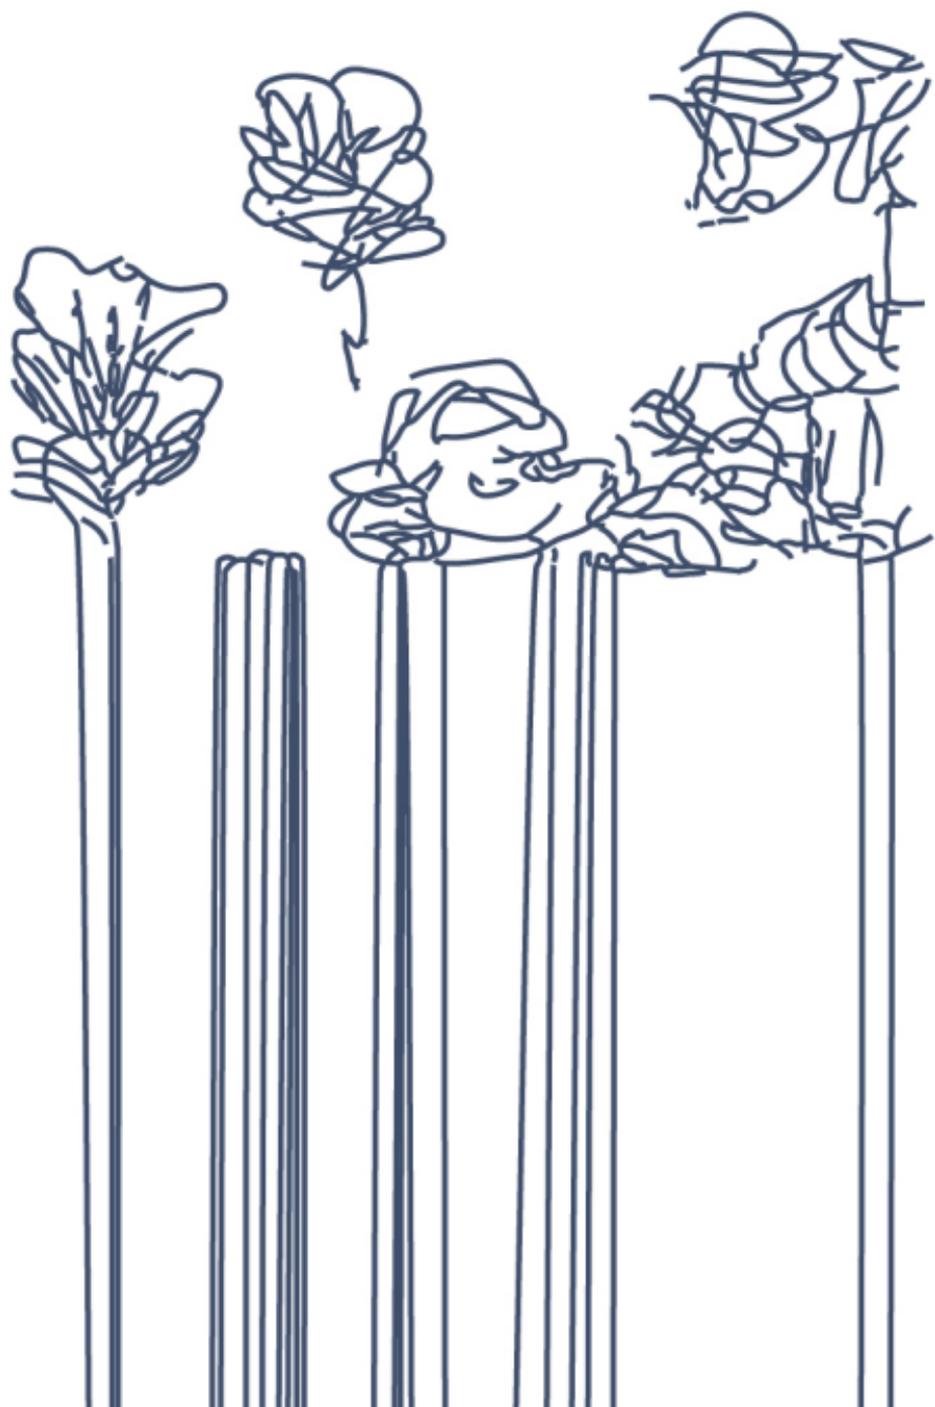

Where will I know I  
succeeded?

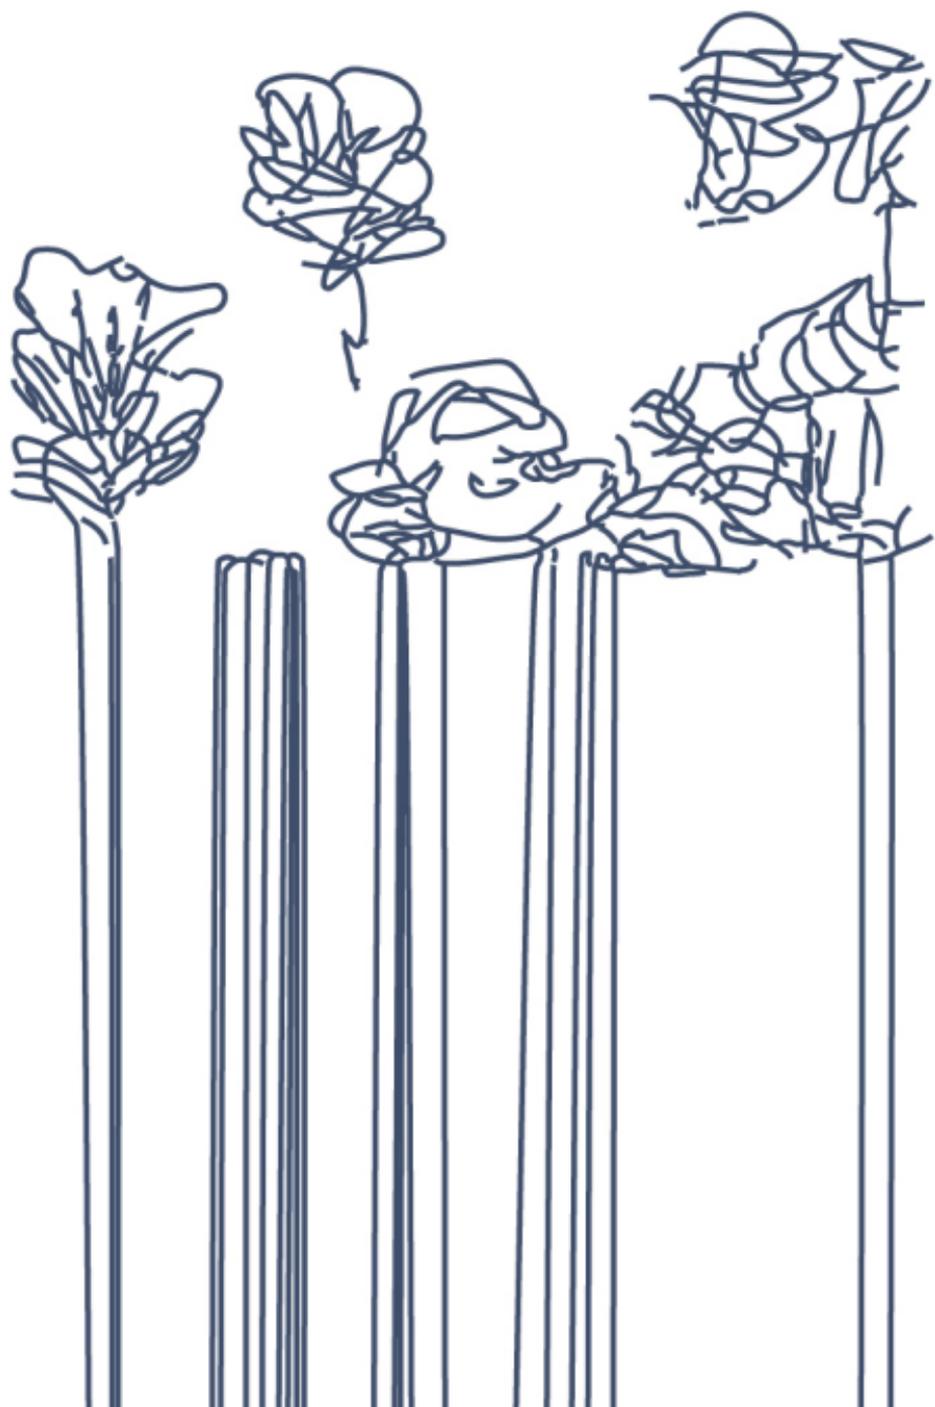

Why do we do things?

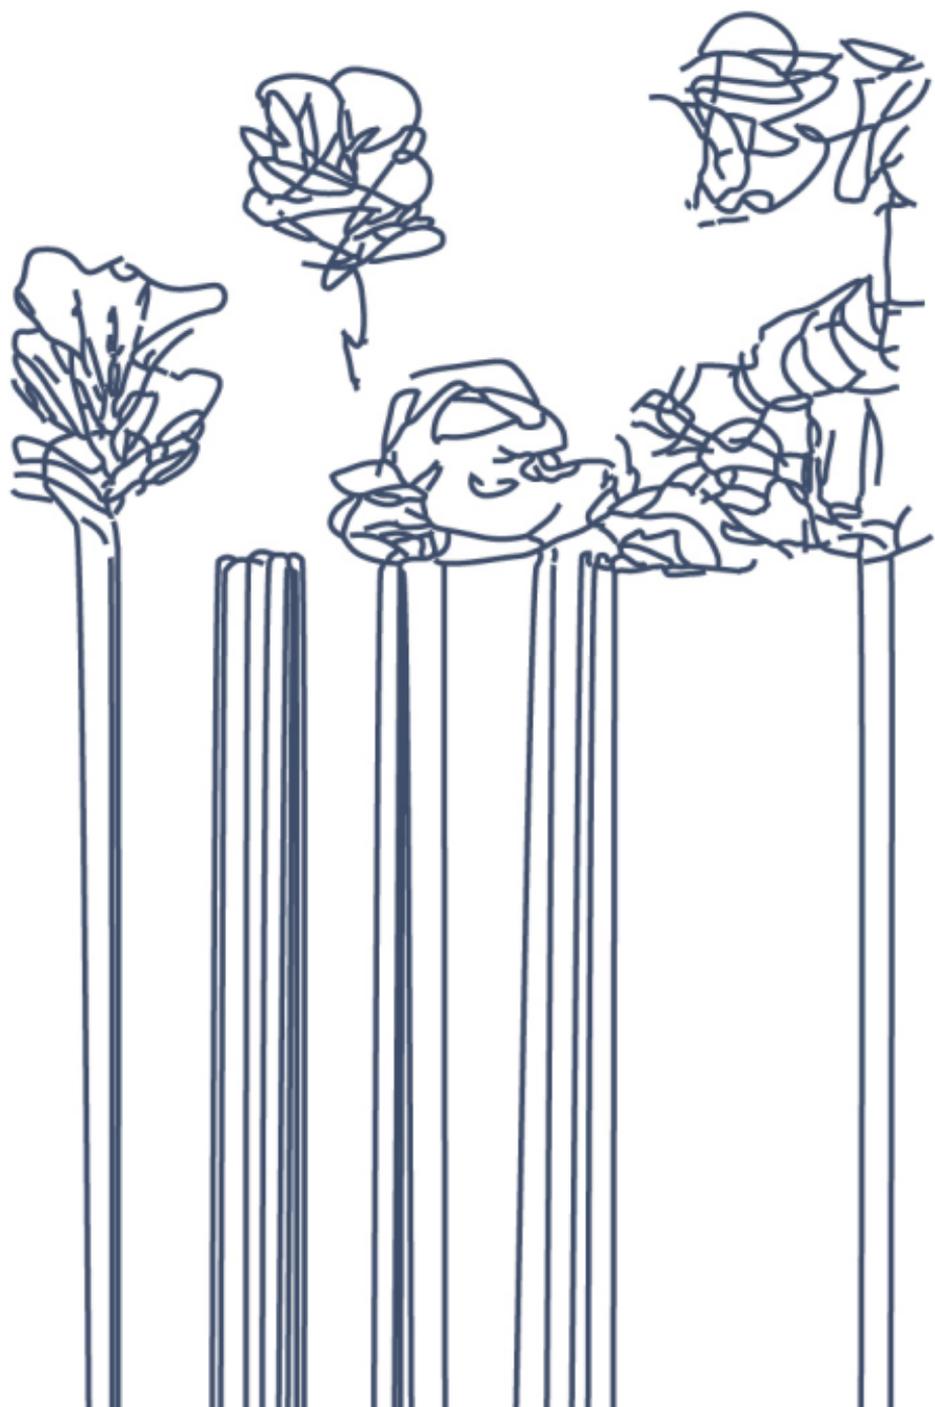

Is it just keep going?

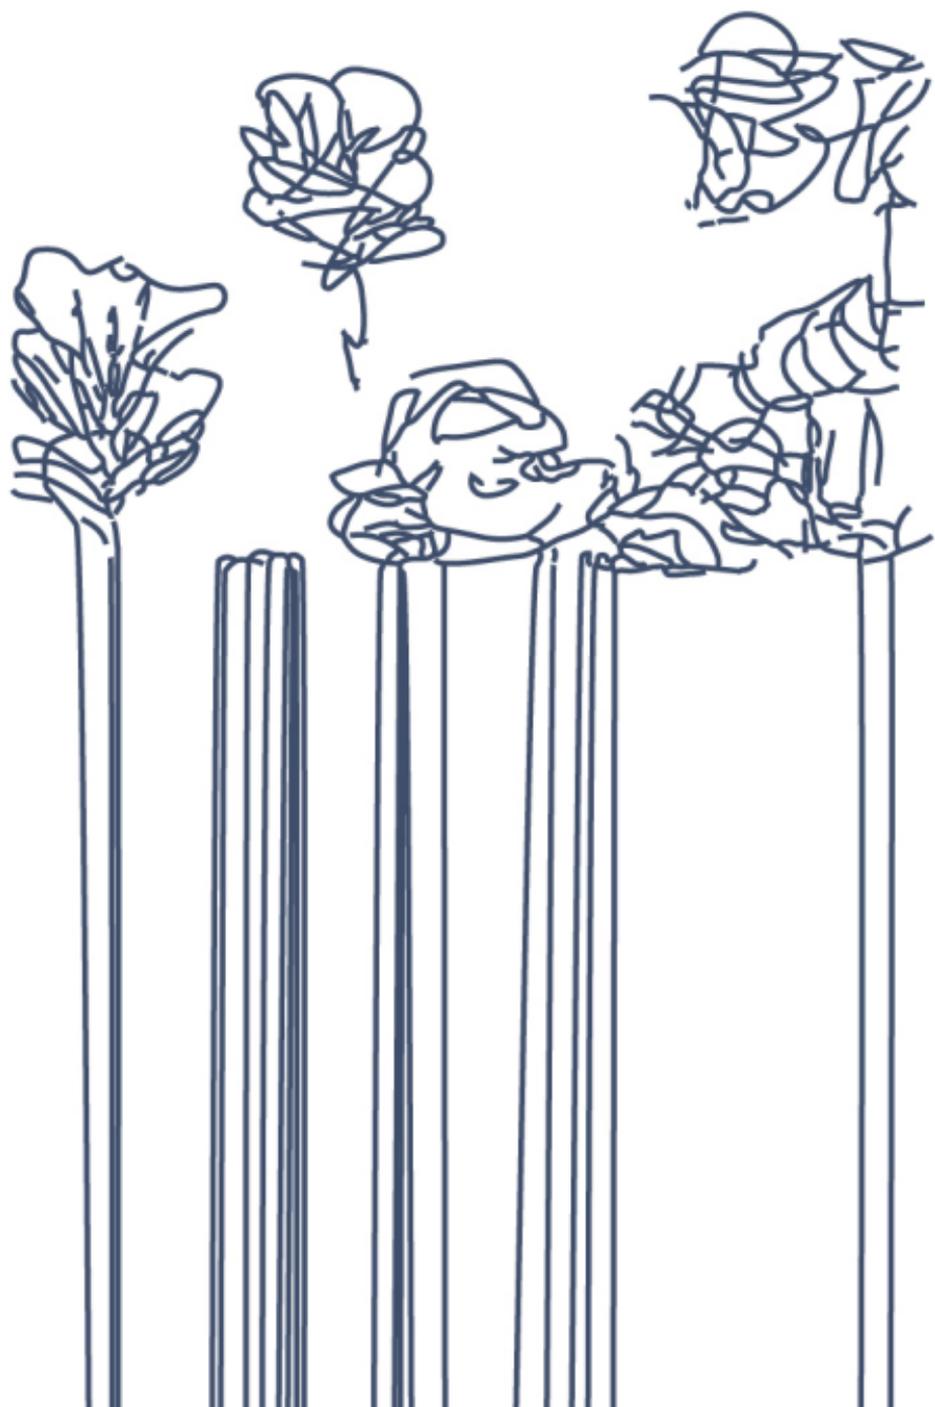

Where would you be remembered after the day that you think is the least scary one?

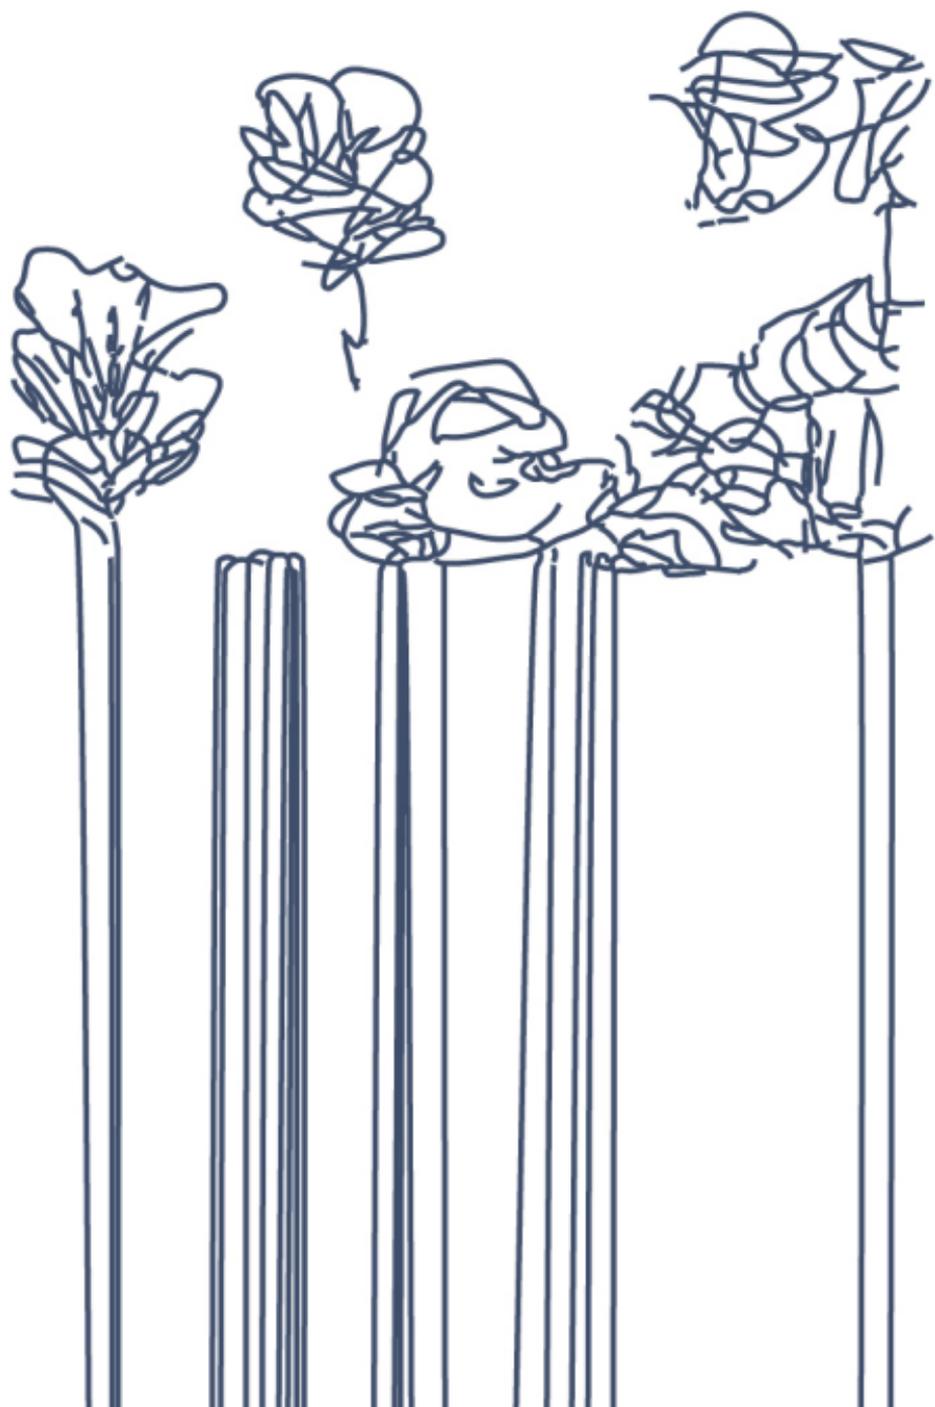

Who is the beginning  
of a mirror?

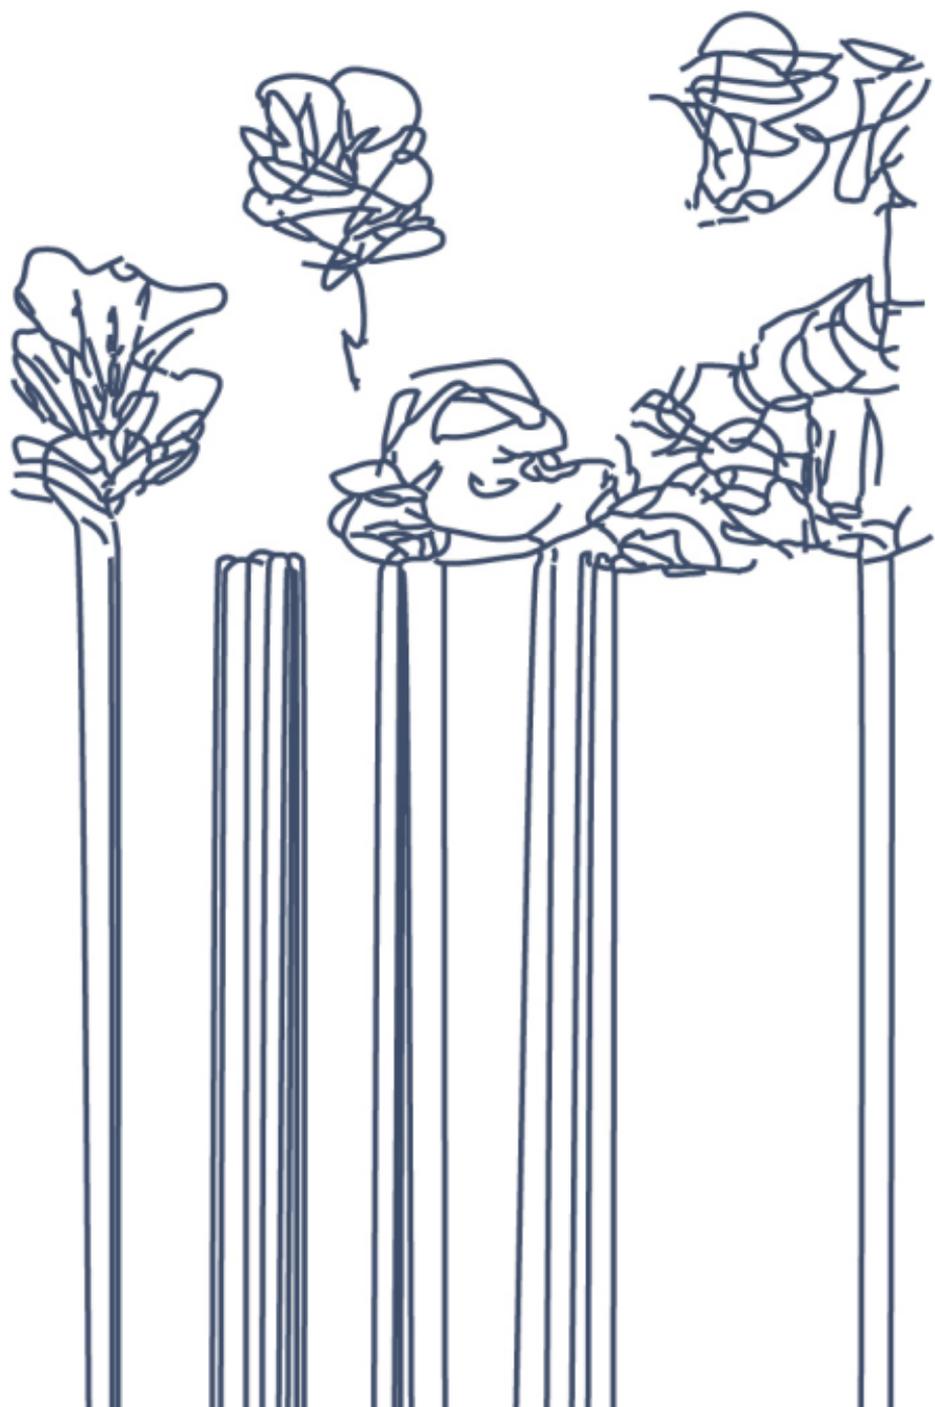

What is one thing you  
would create if you  
were in another time?

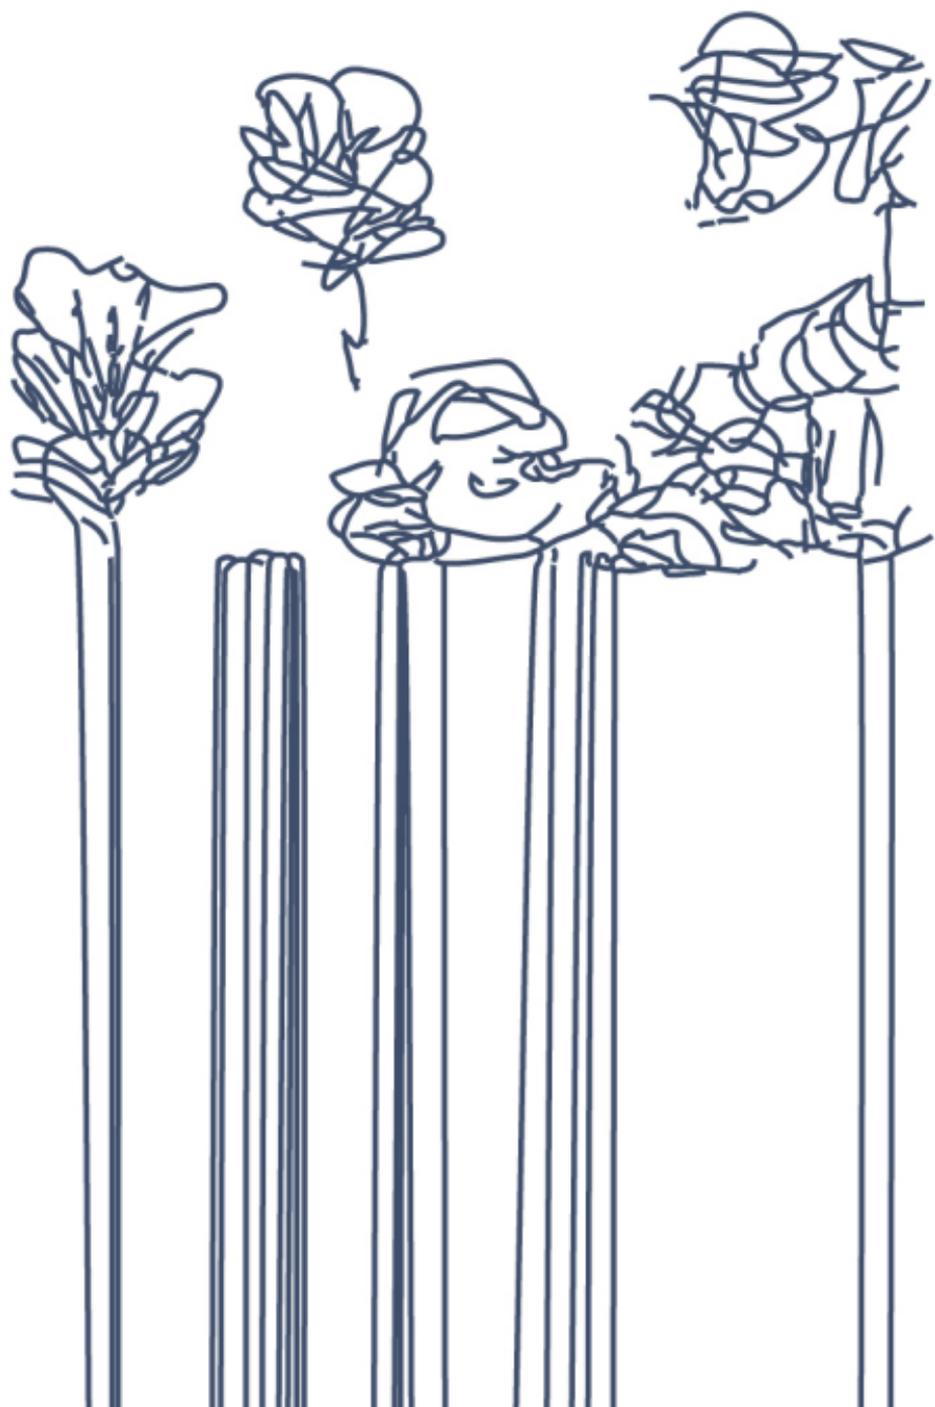

What inanimate object  
do you think existed  
before the universe was  
created?

If God sneezed, what  
would it change in your  
future?

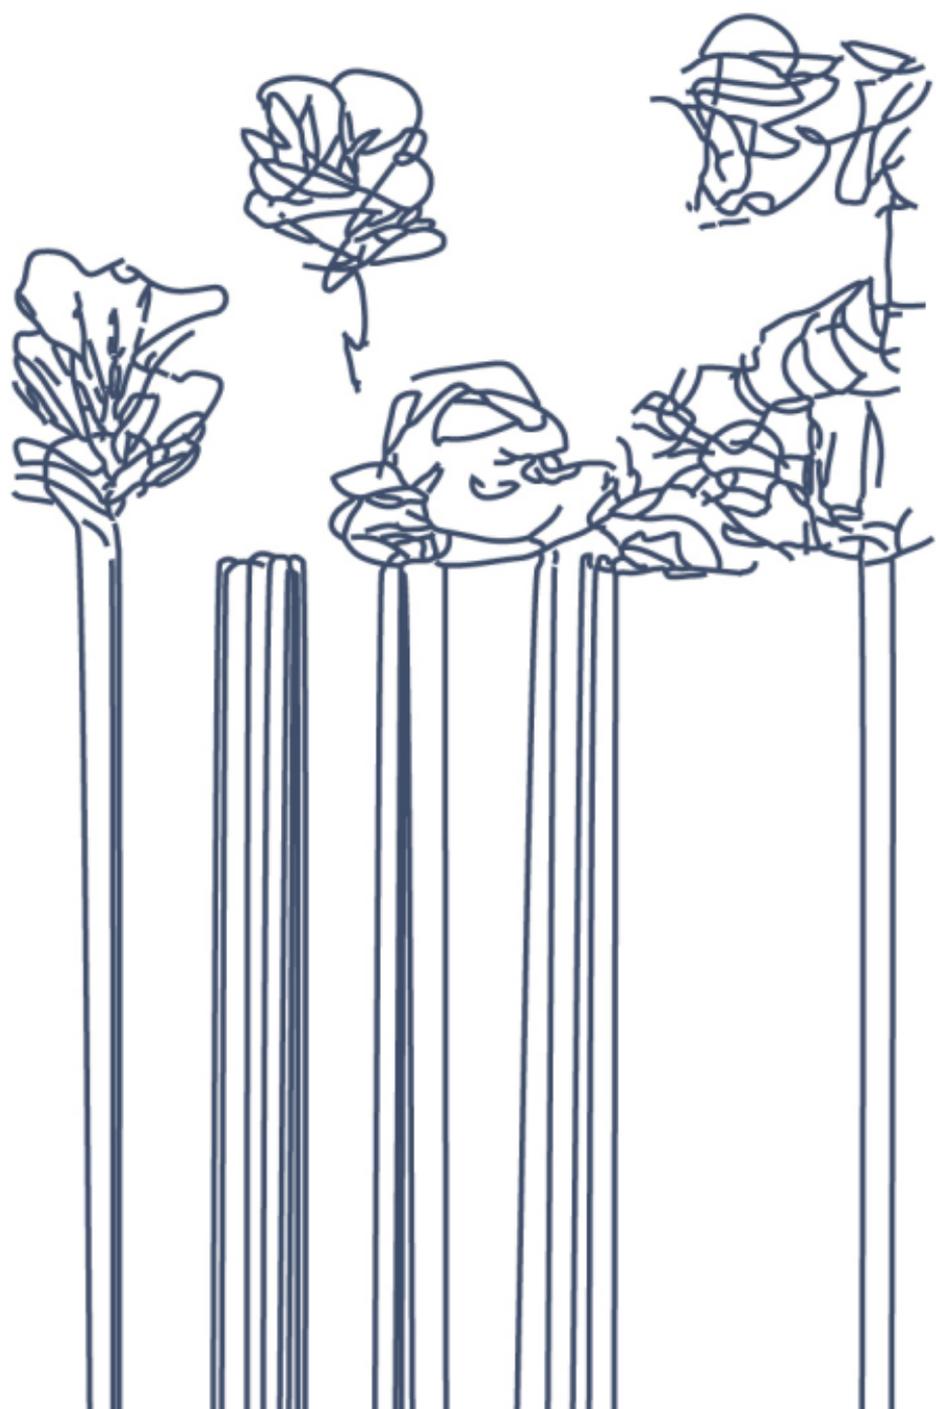

What would happen  
if you had to suddenly  
flee the country, where  
would it also be you?

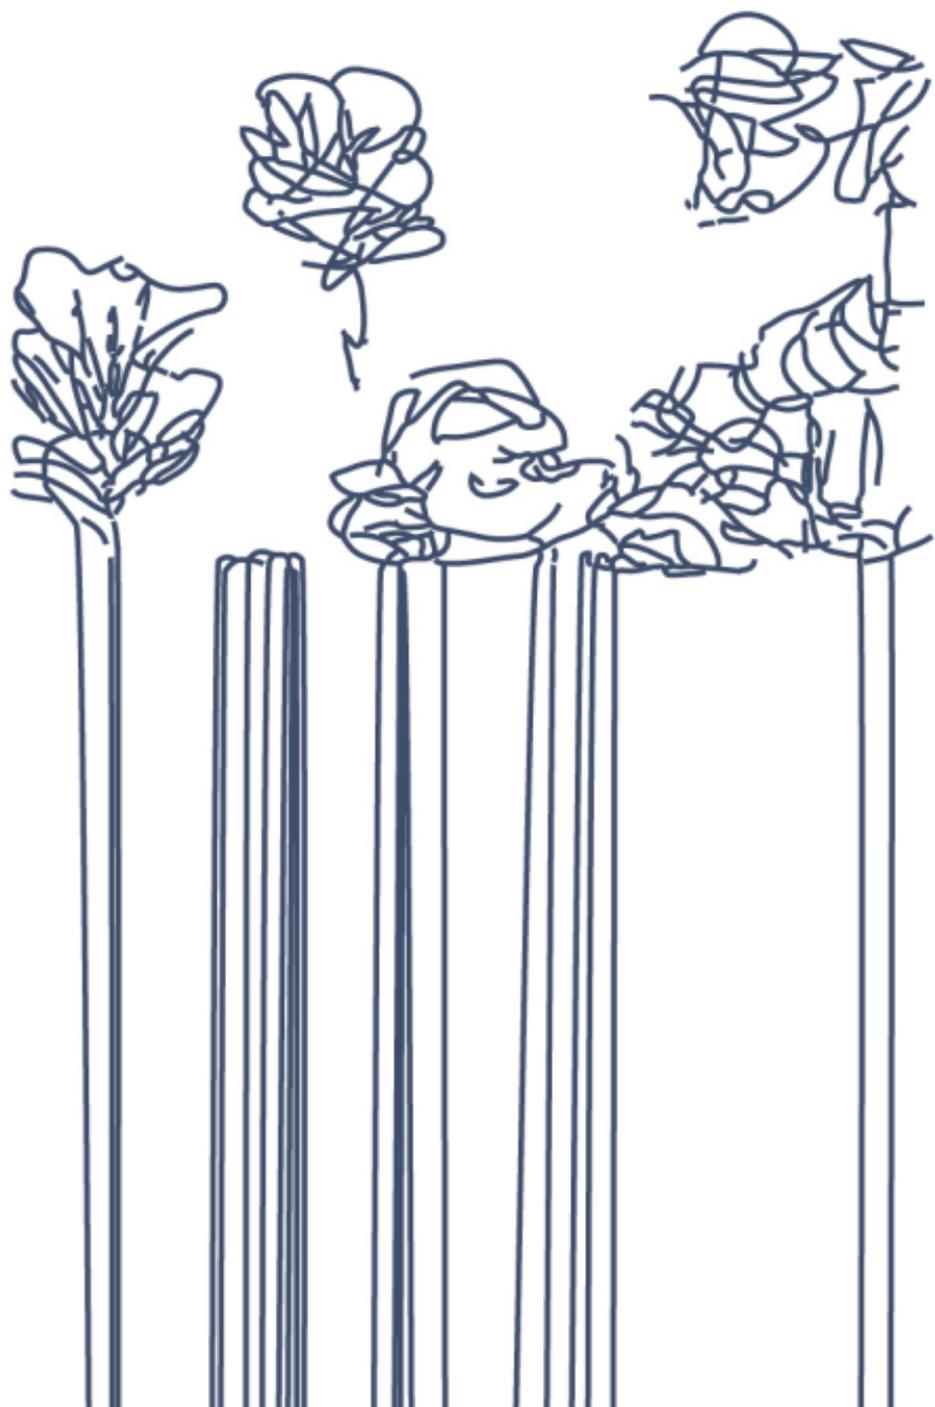

What is the kind of shoes you would use to impress someone if held at gunpoint?

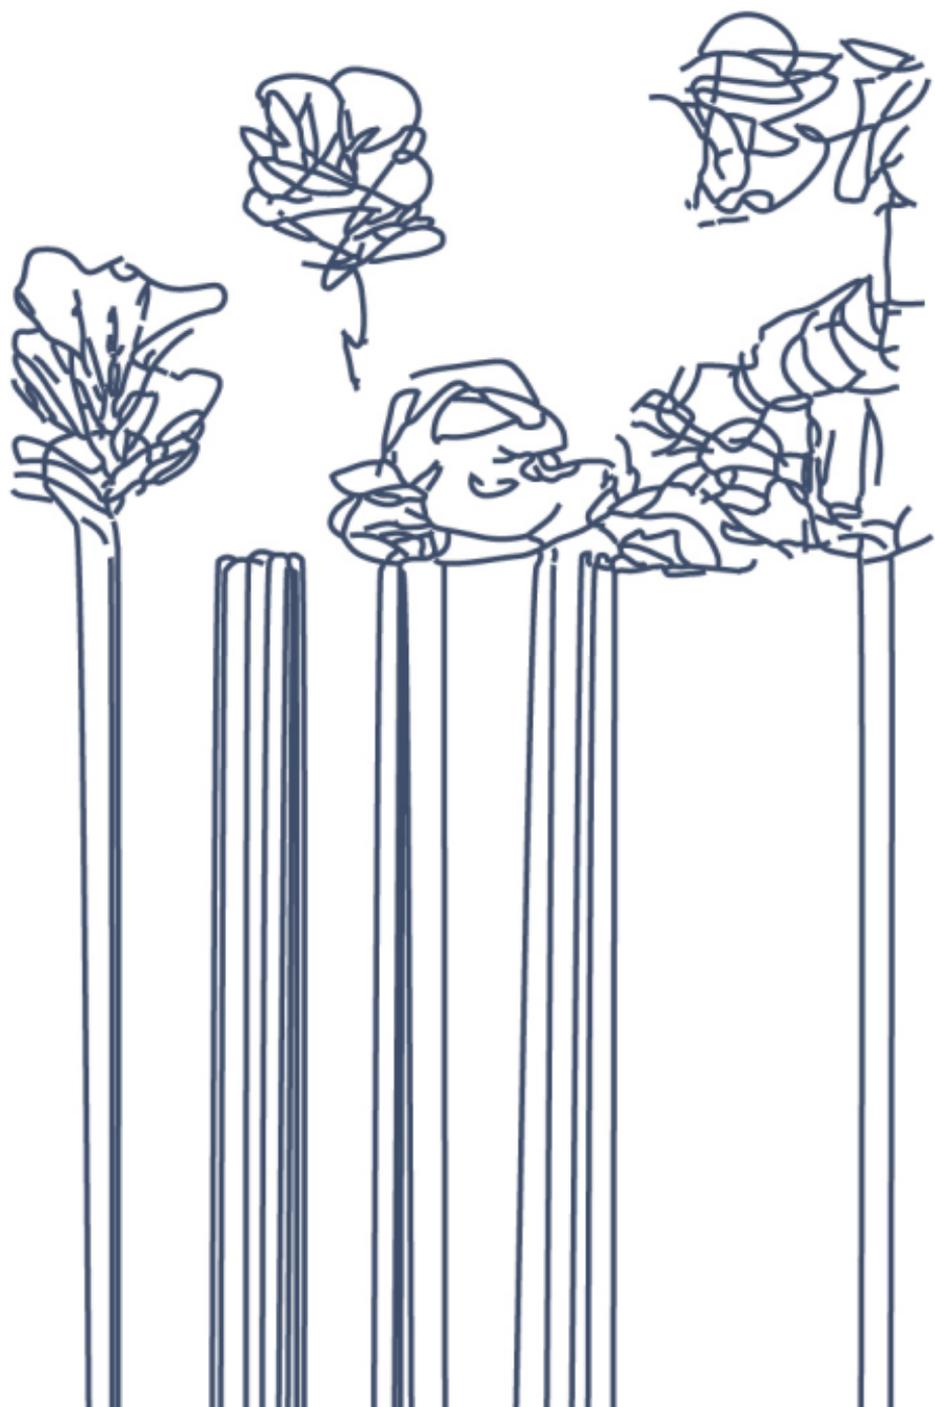

How much time  
passes where the  
universe stores its  
memories?

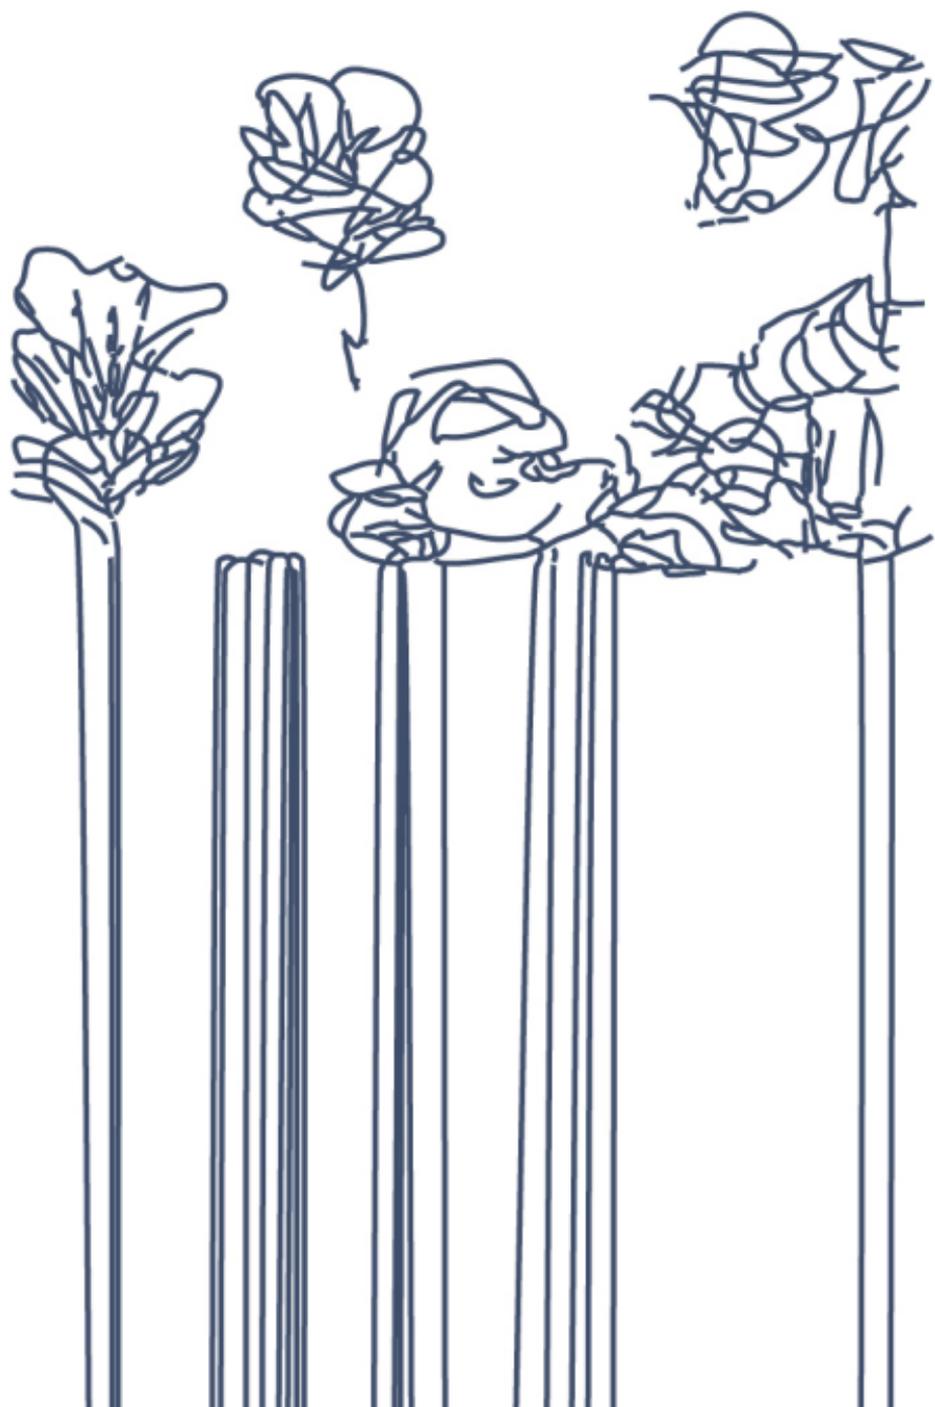

If the universe is finite,  
what would you say?

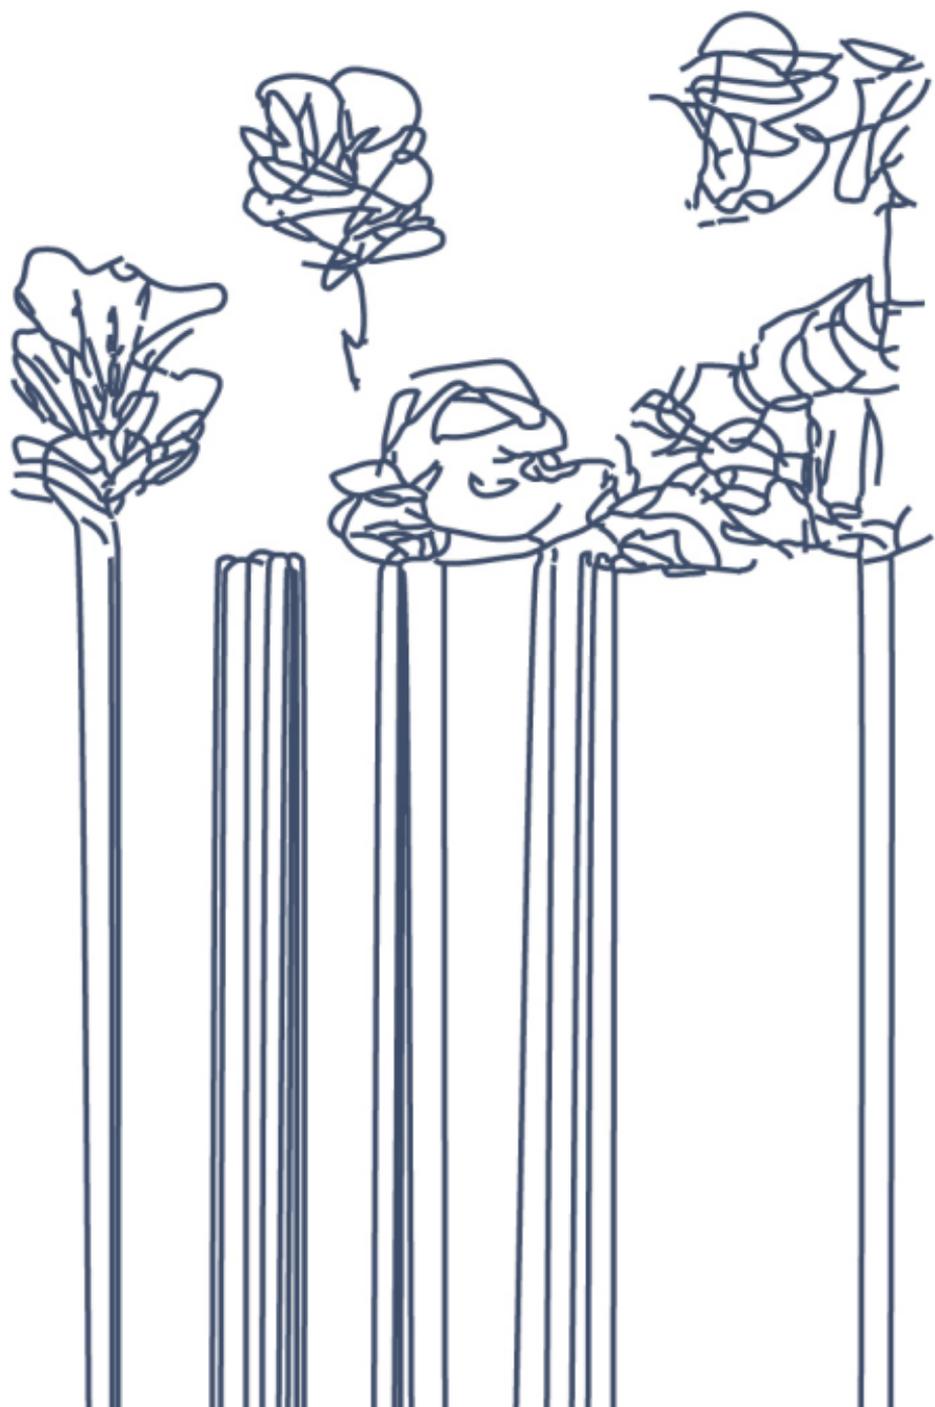

What do you know that  
really reminds you of  
another?

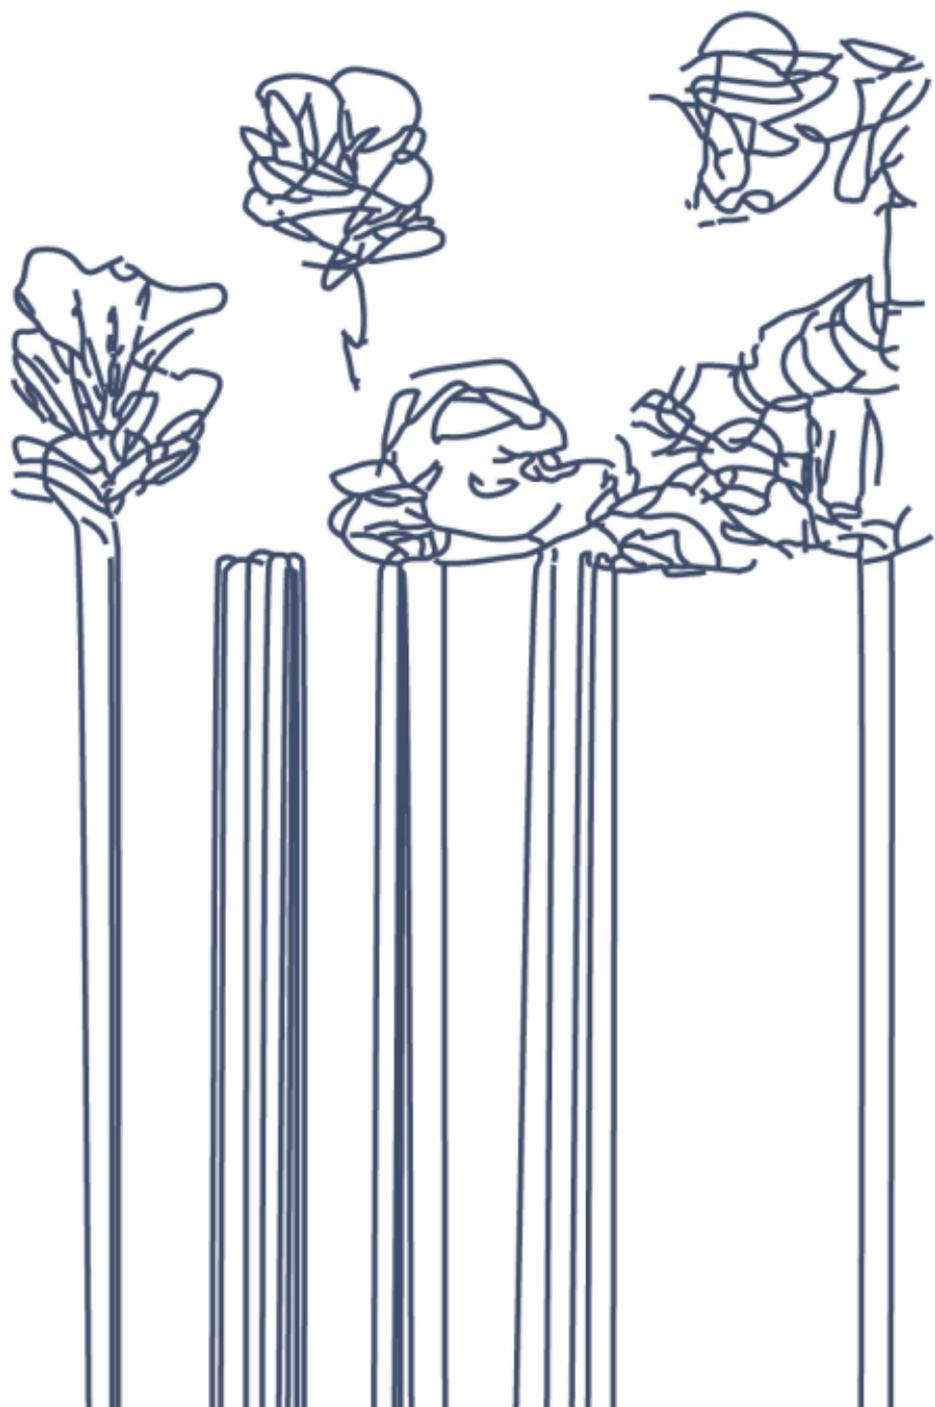

Is justice a human life  
justified?

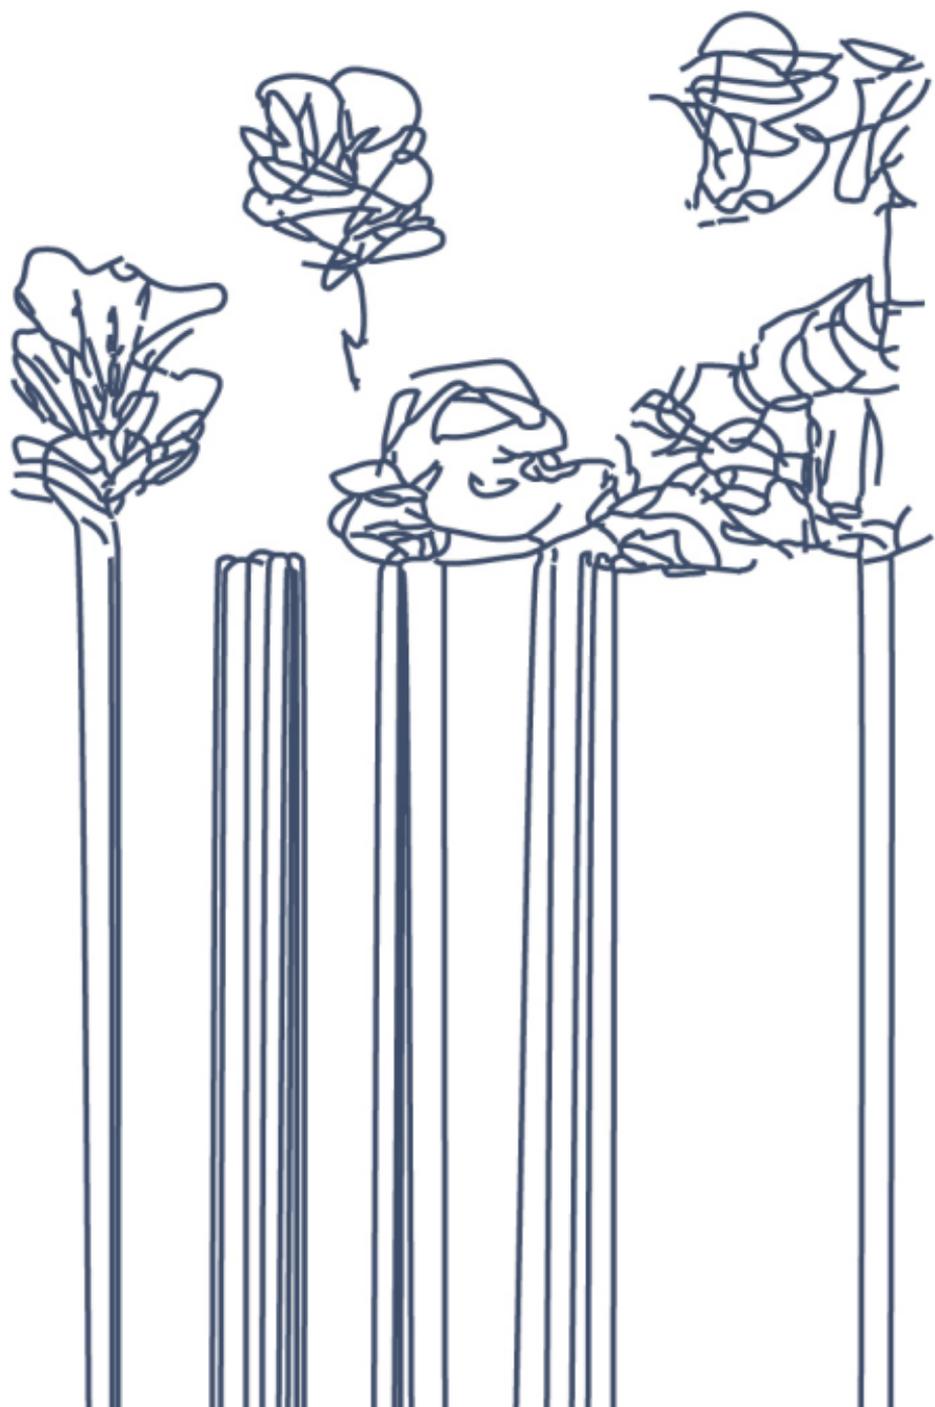

What is the climax of  
the human condition?

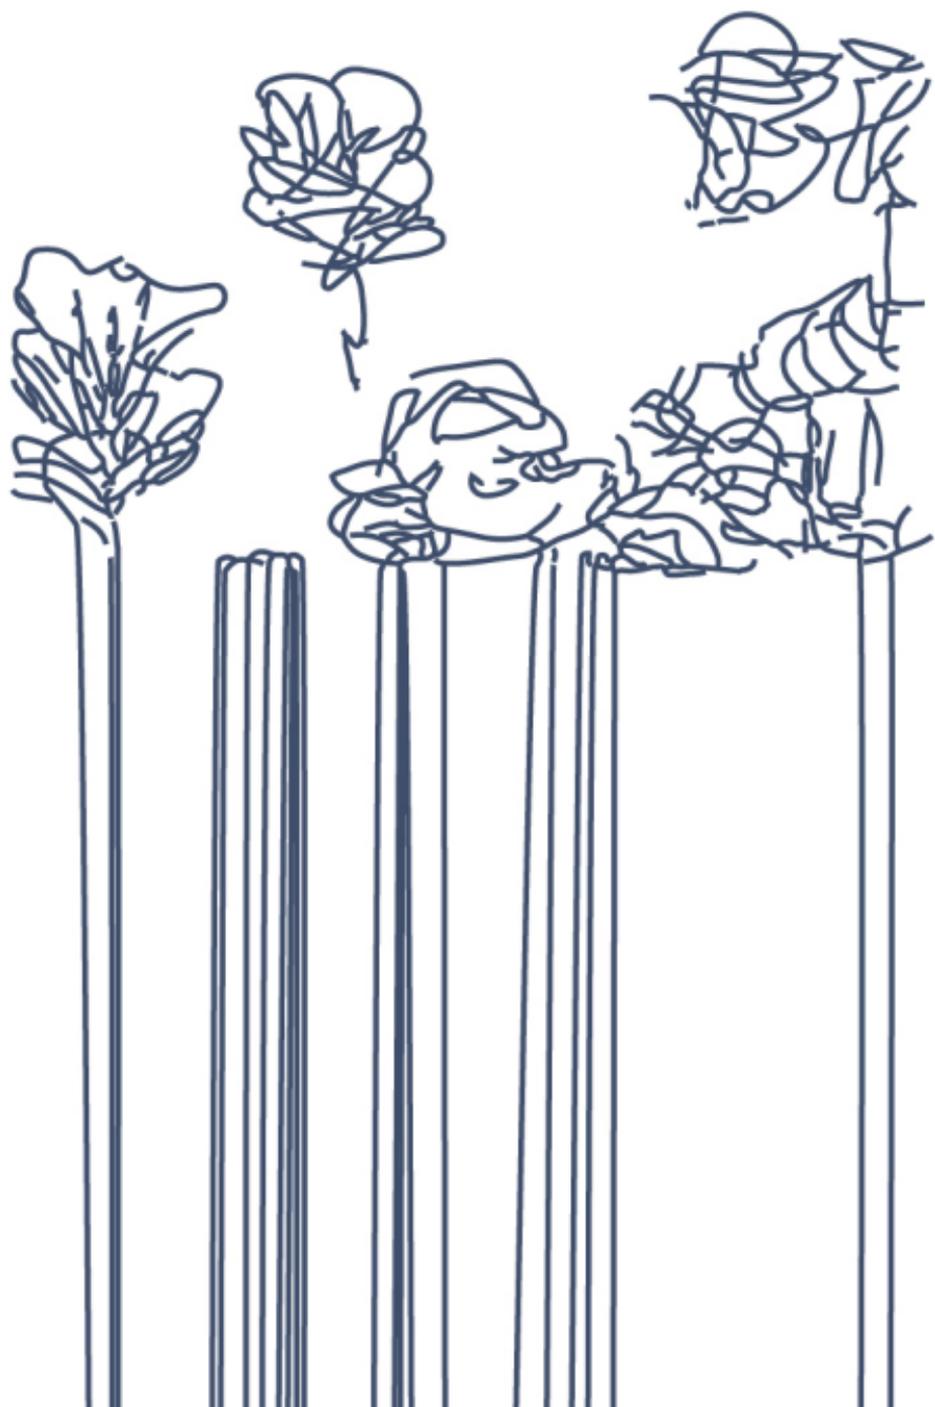

Would you want to  
spend months of my  
story?

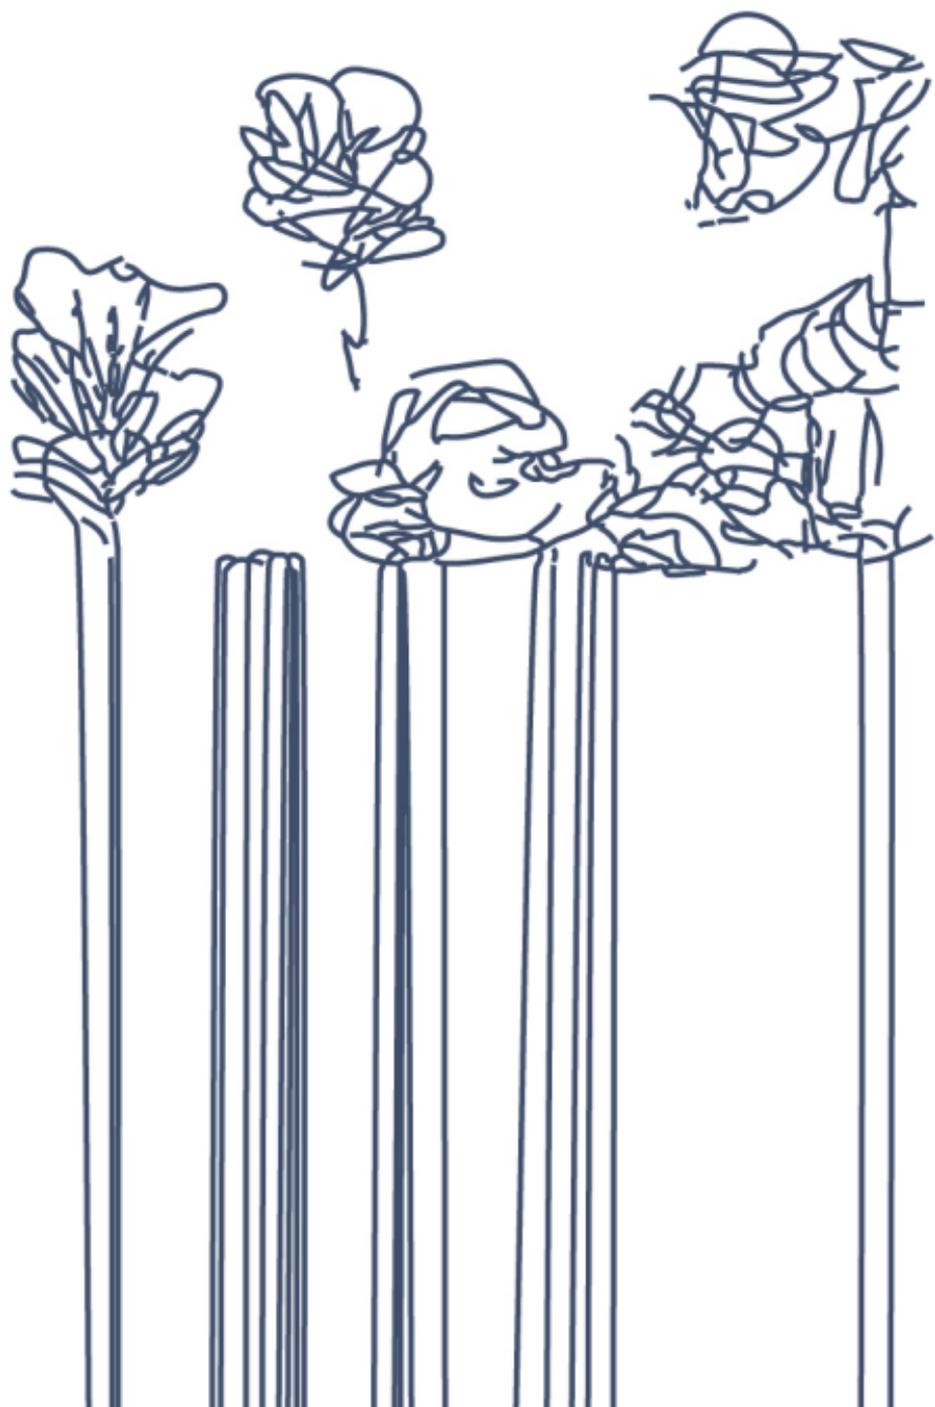

How does one find purpose in life inside the fact that we know for sure that there could be a fly on the nearest habitable exoplanet?

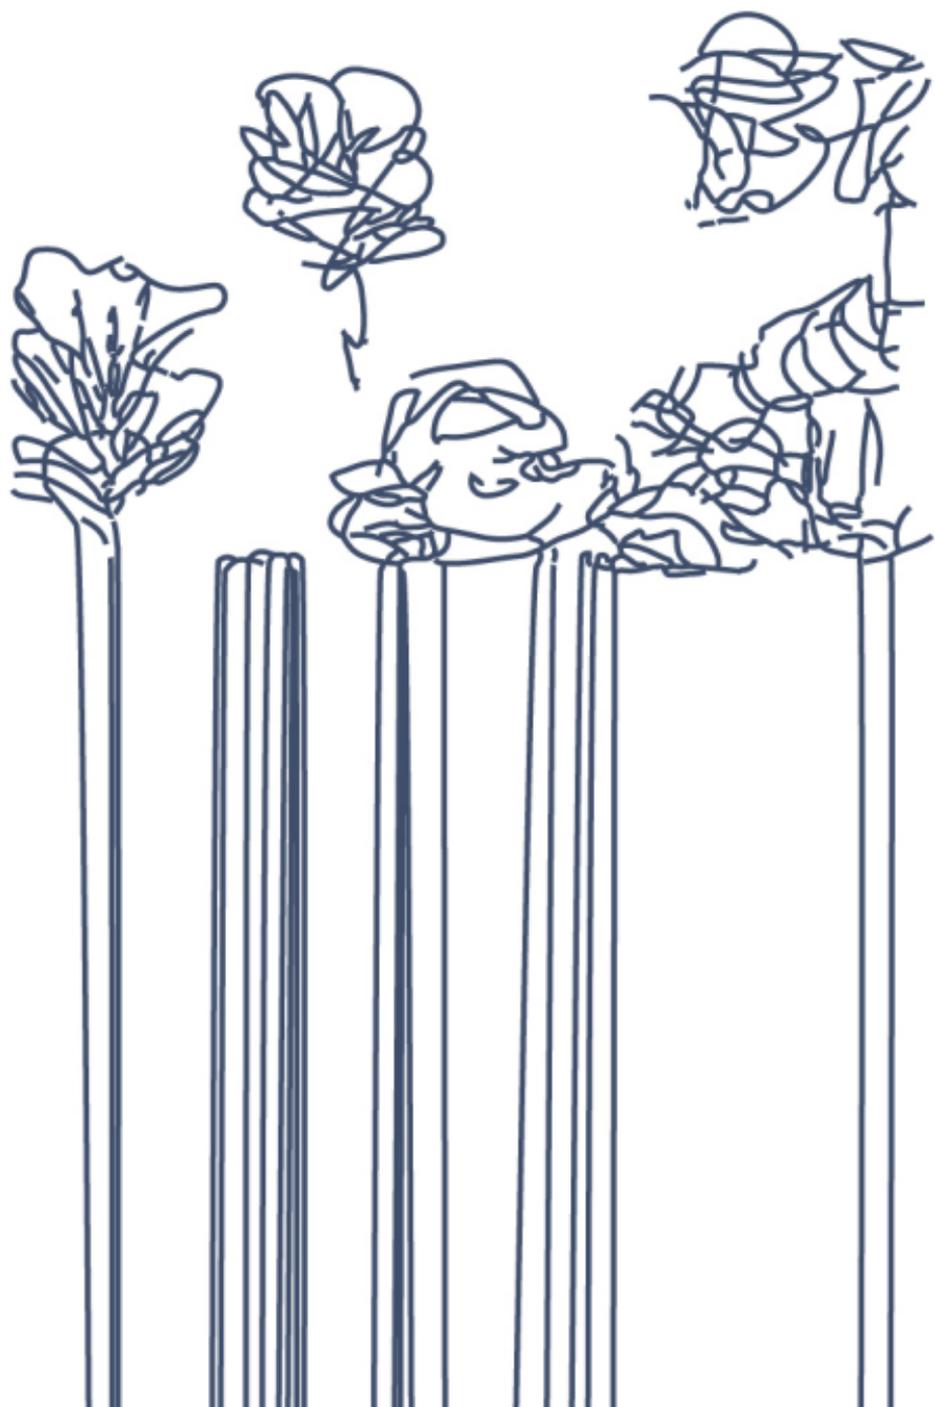

Do we change when we  
like something?  
(clapping)

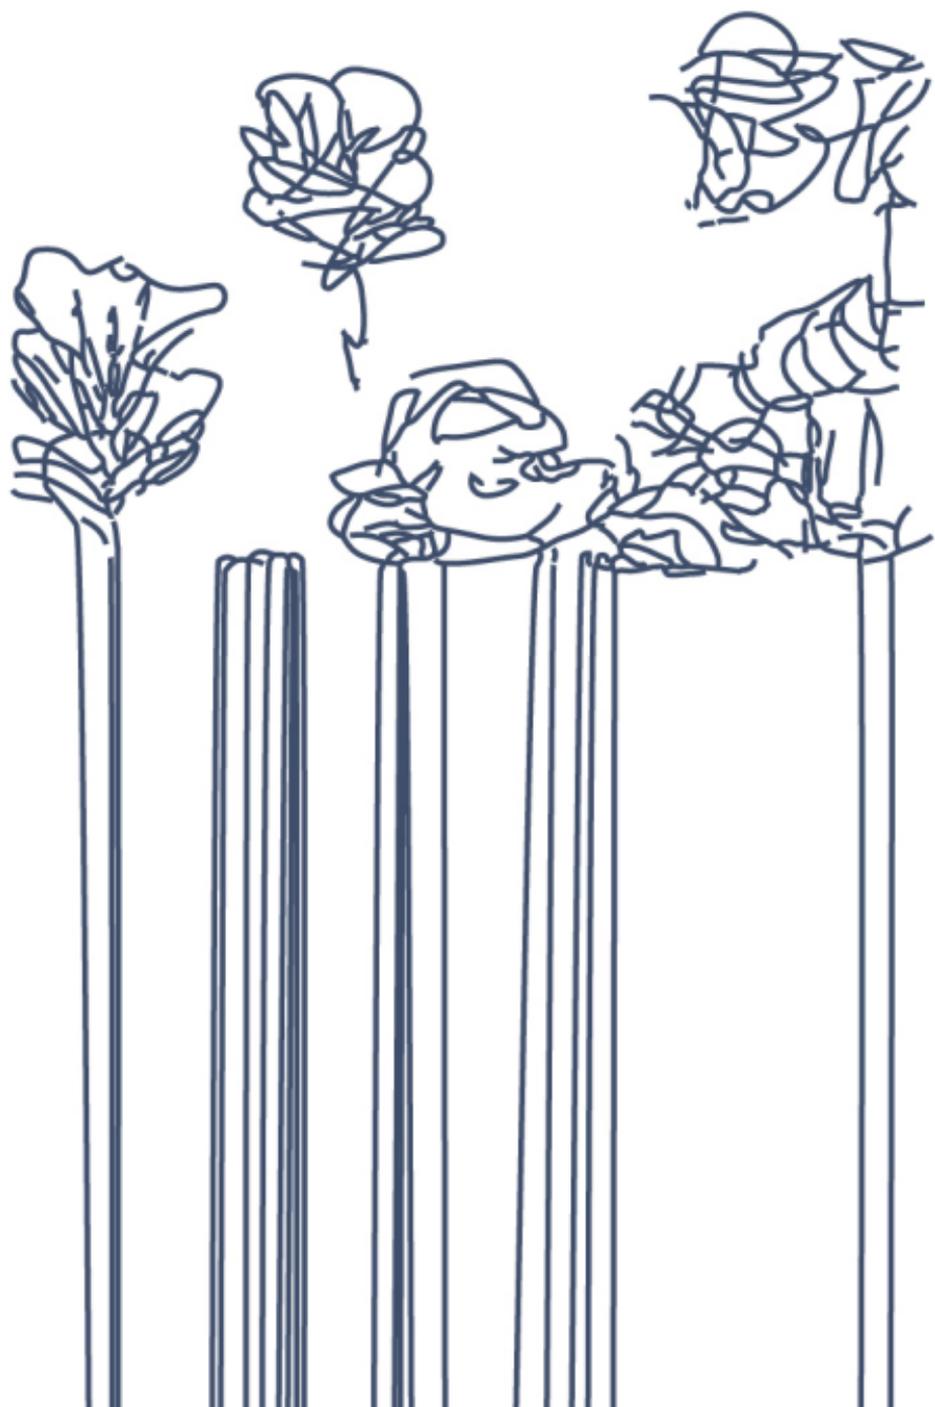

How long will you be  
falling or floating  
upwards?

Where do they build  
the cocoon not knowing  
what will happen?

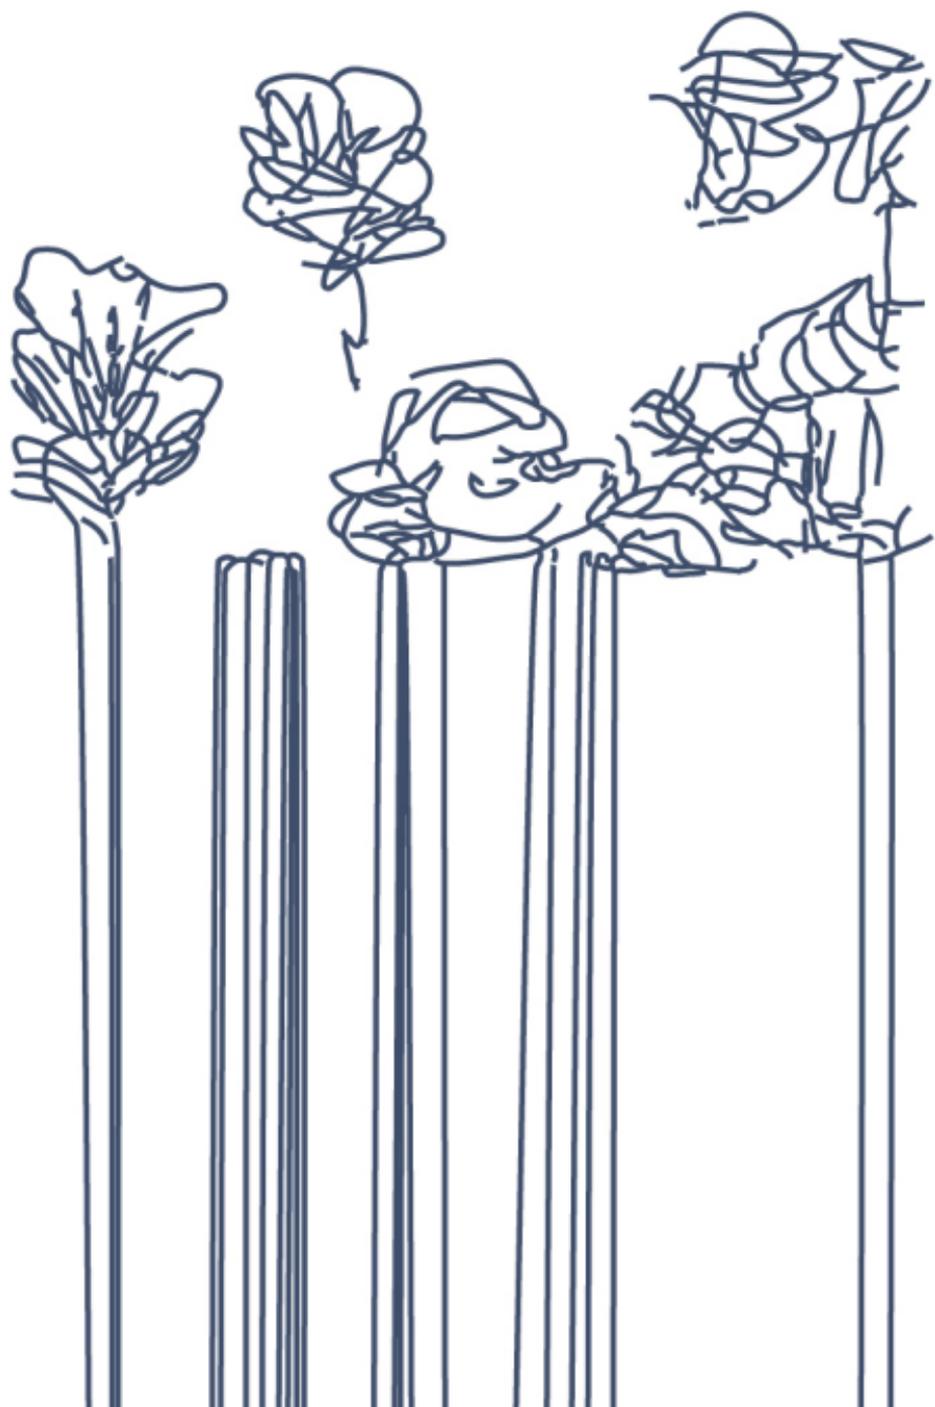

Is suffering a necessary  
part of the story?

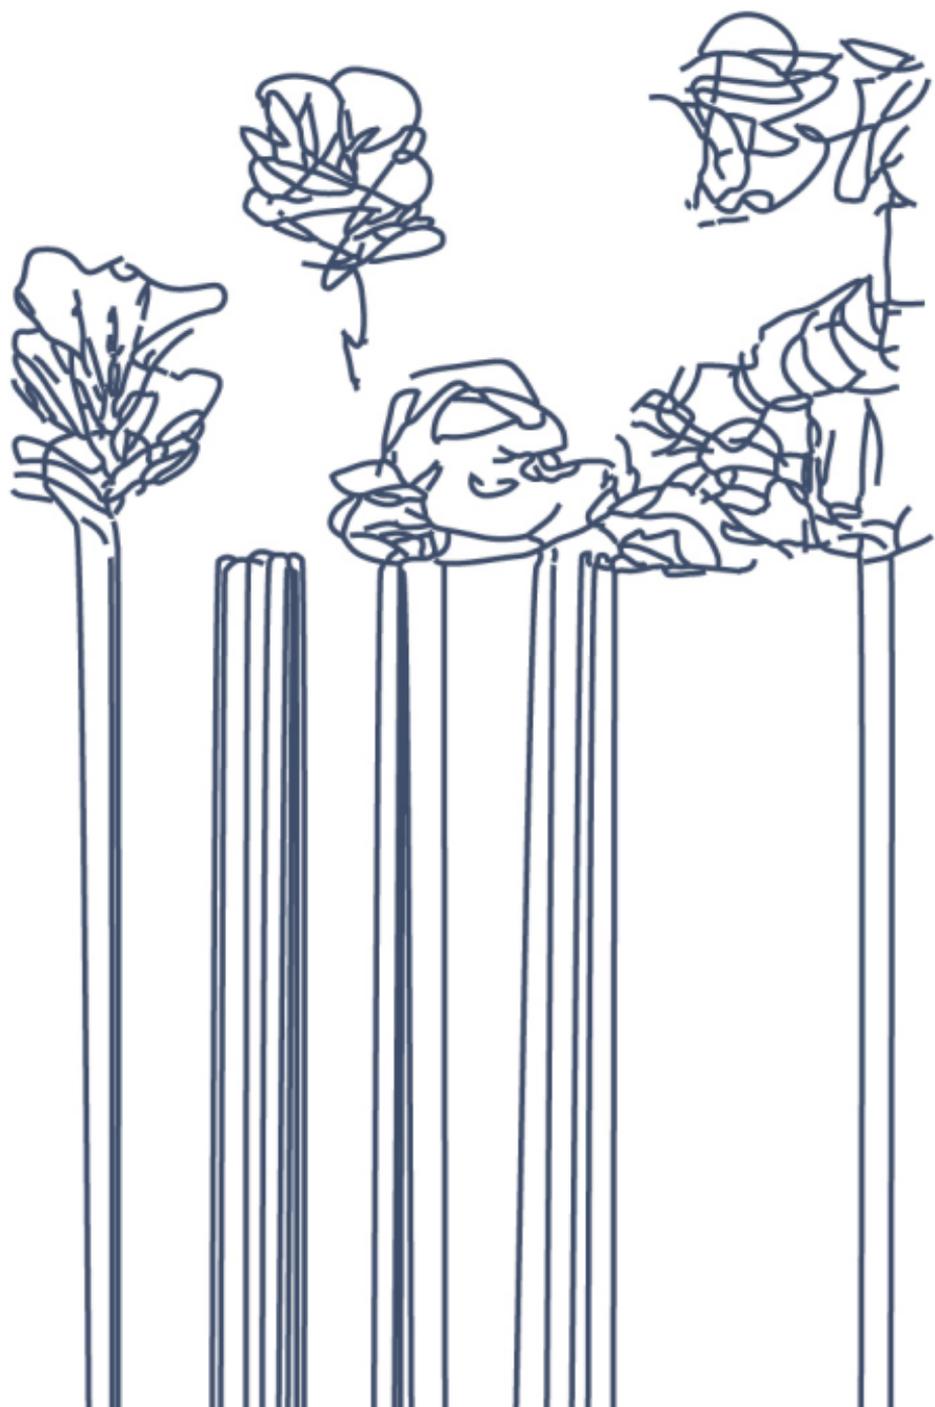

If God created Adam and Eve, did they have technology comparable to ours?

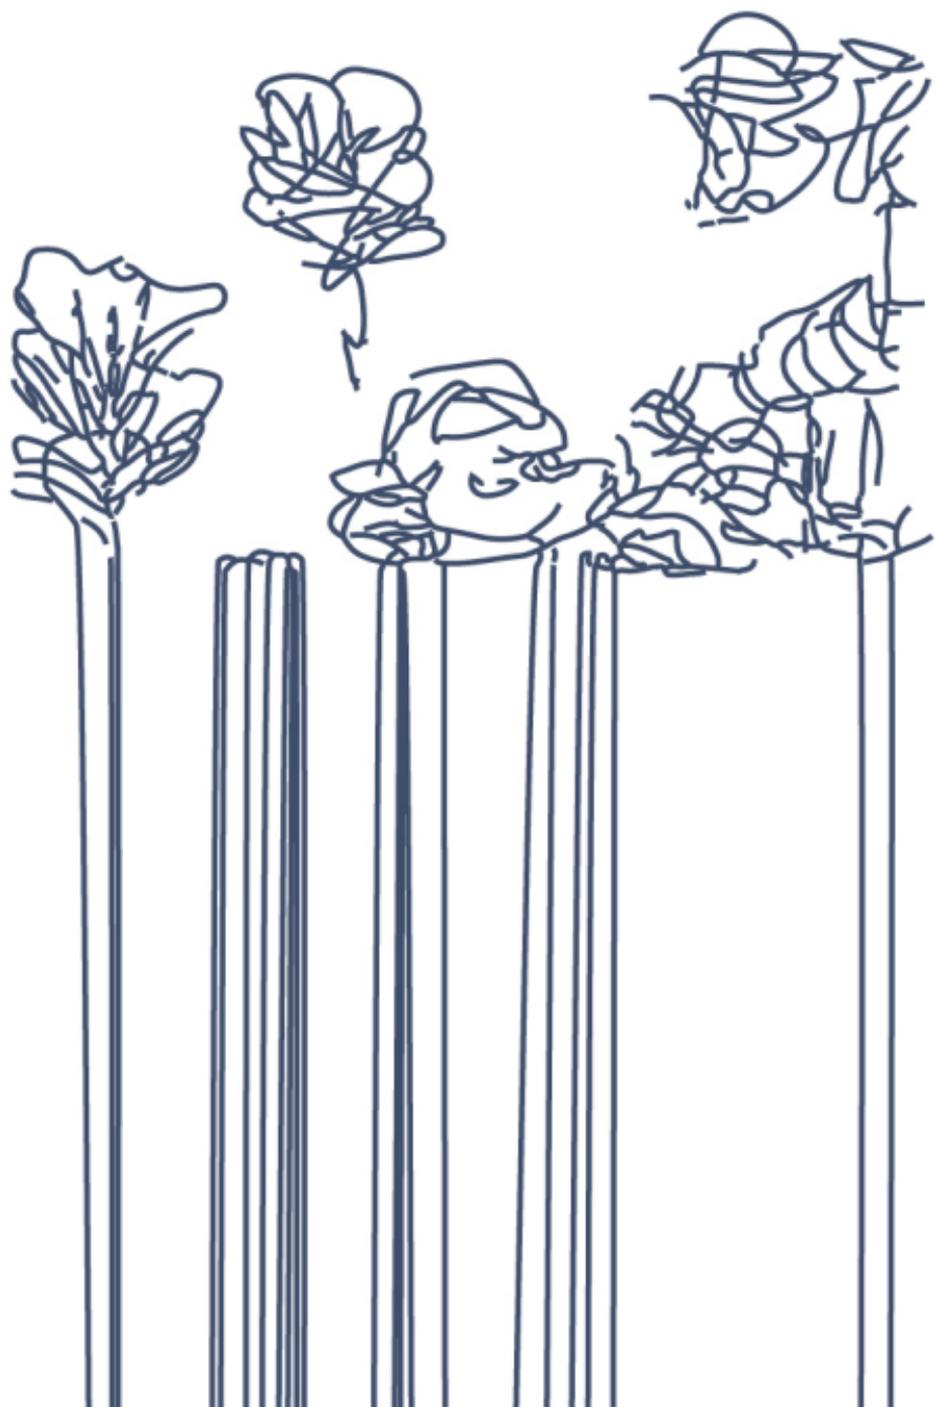

What is the mythical creature that would become strange if you were a mad scientist with no explanation?

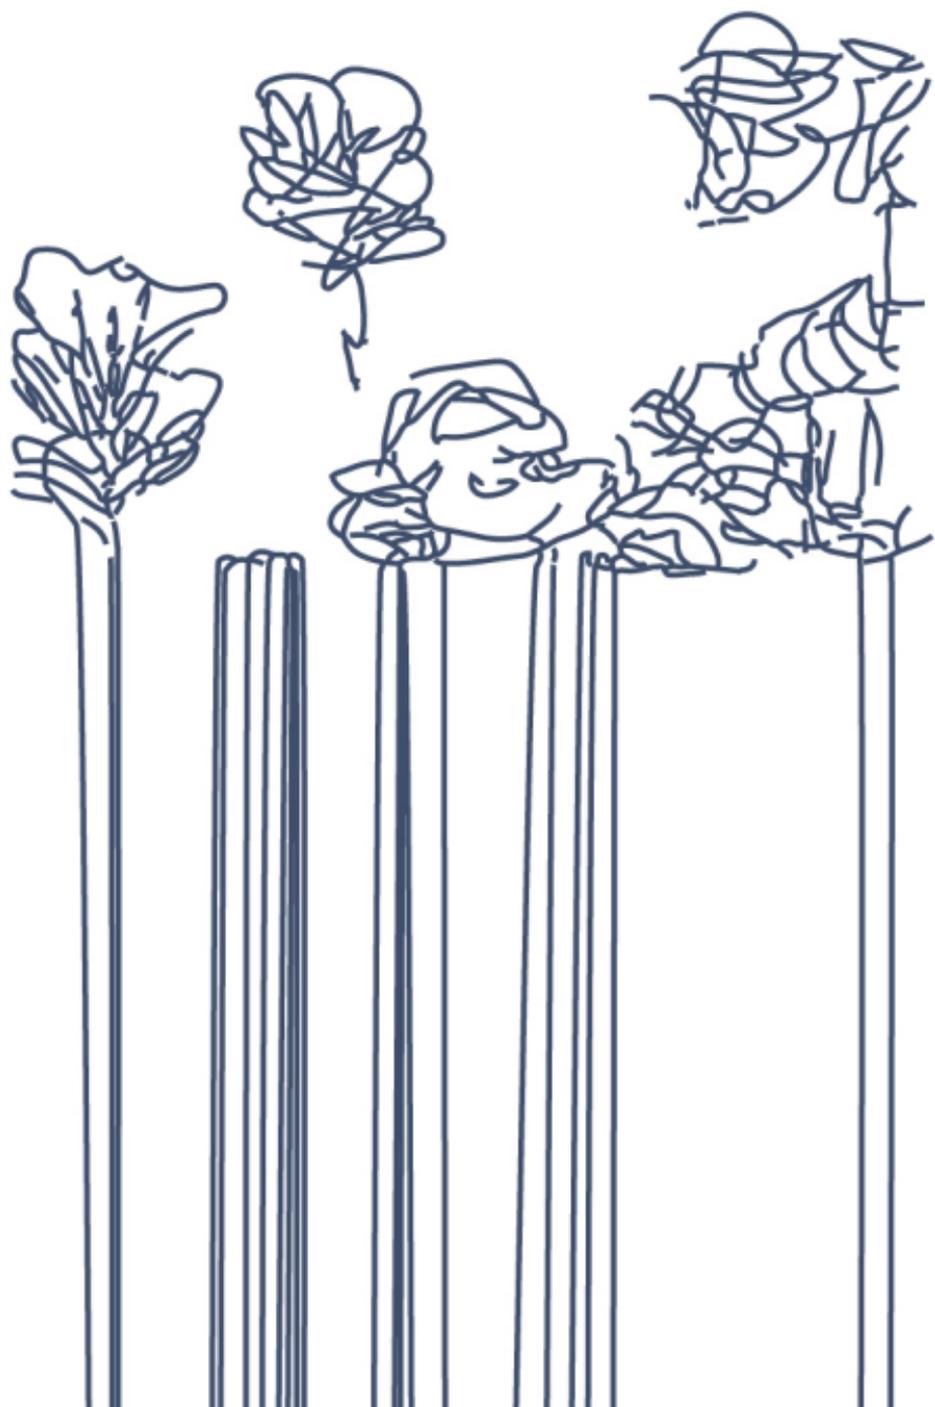

What is the line  
between art and not  
ever tell a lie?

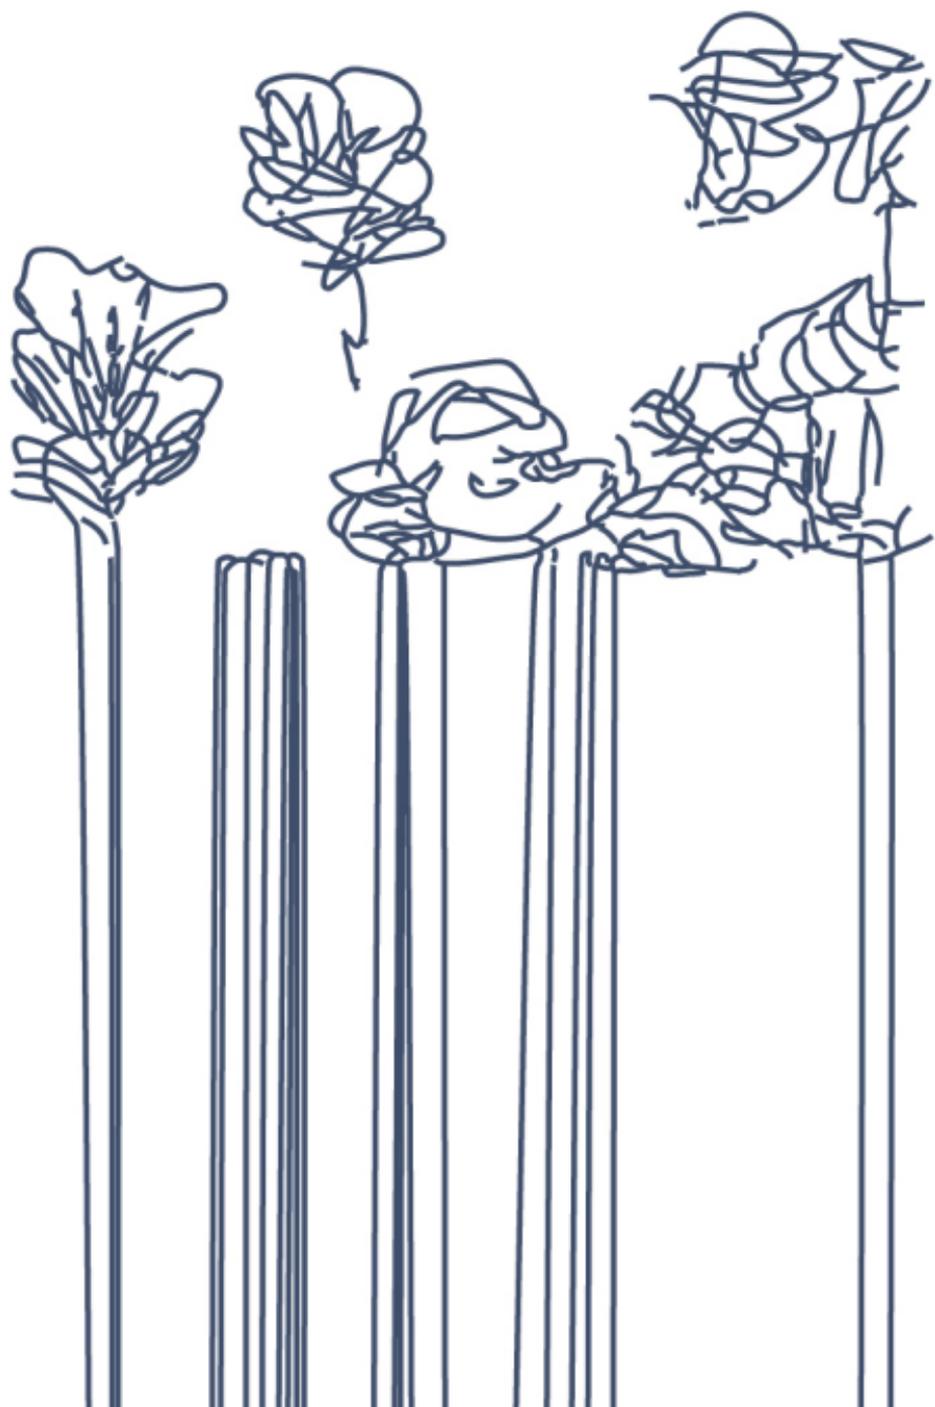

When you have to go into the future, which would you have heard of?

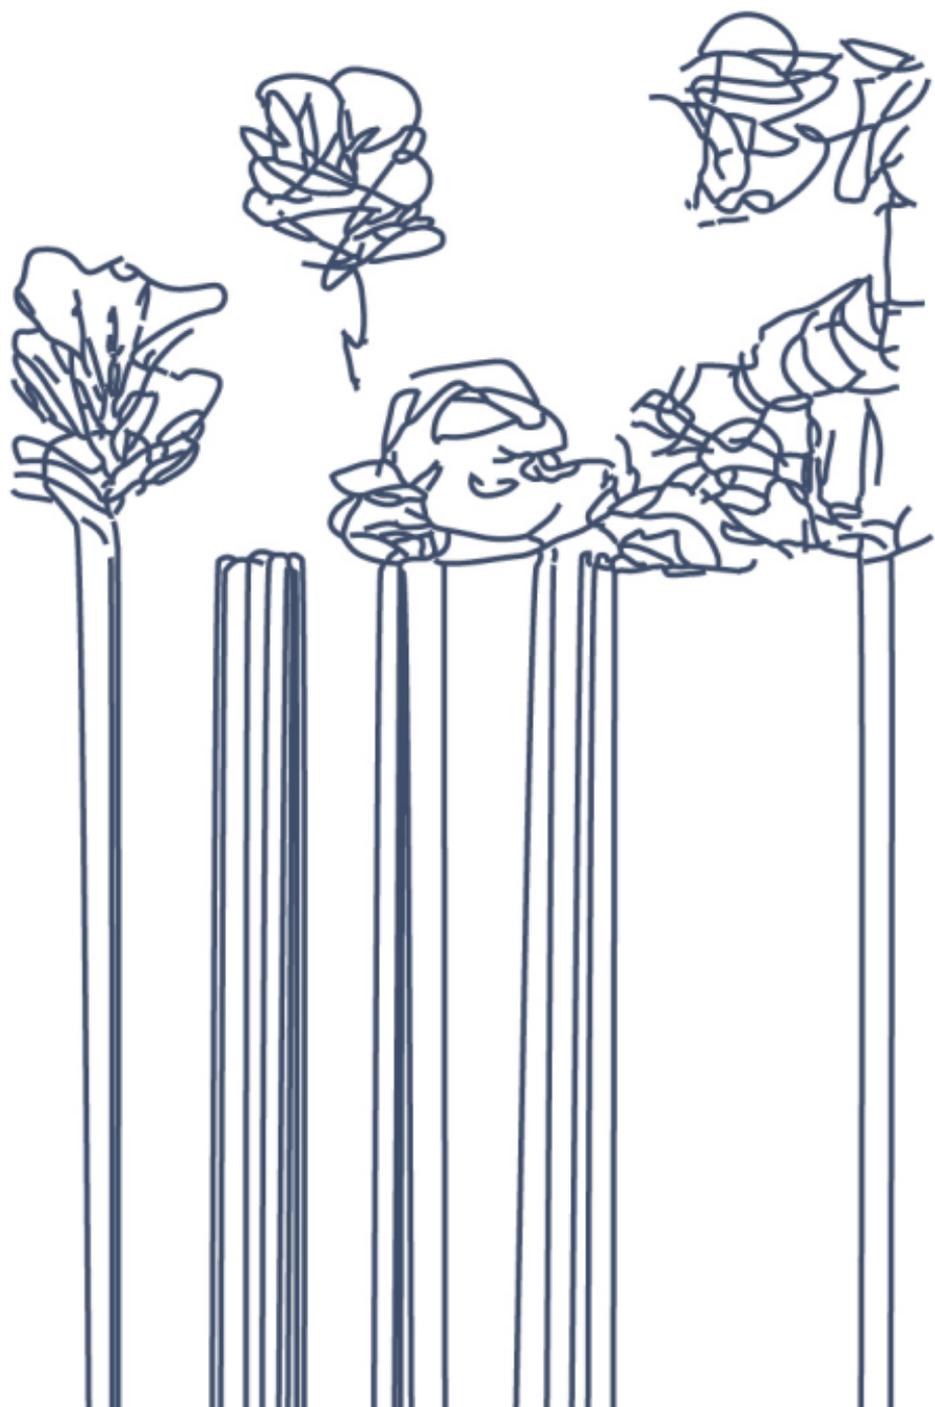

What could have a  
conversation with any  
one of your fingers?

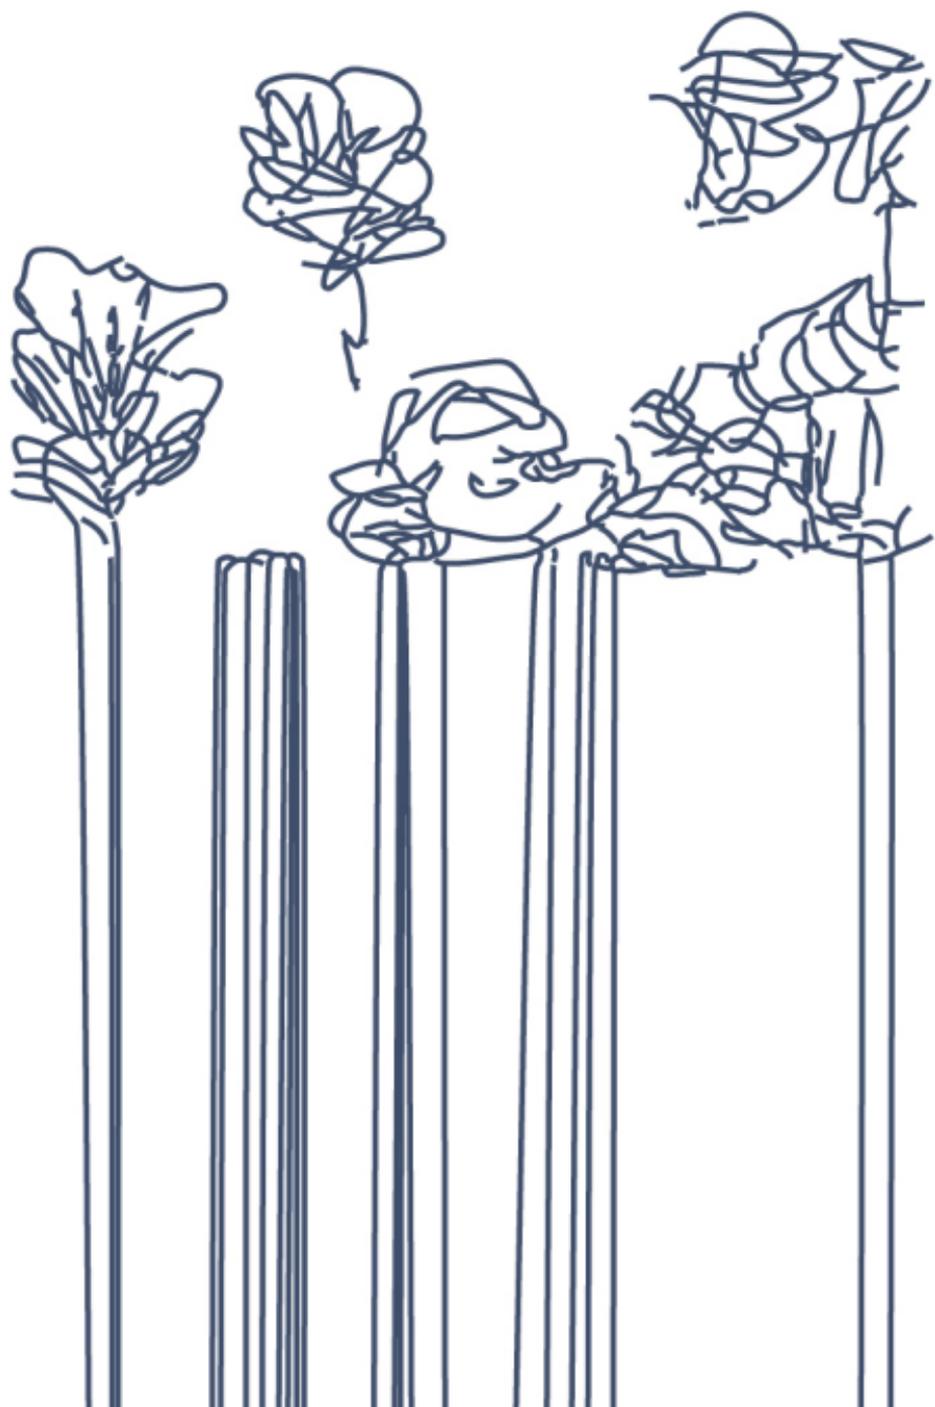

Why do we strive for  
perfection if it is always  
winter?

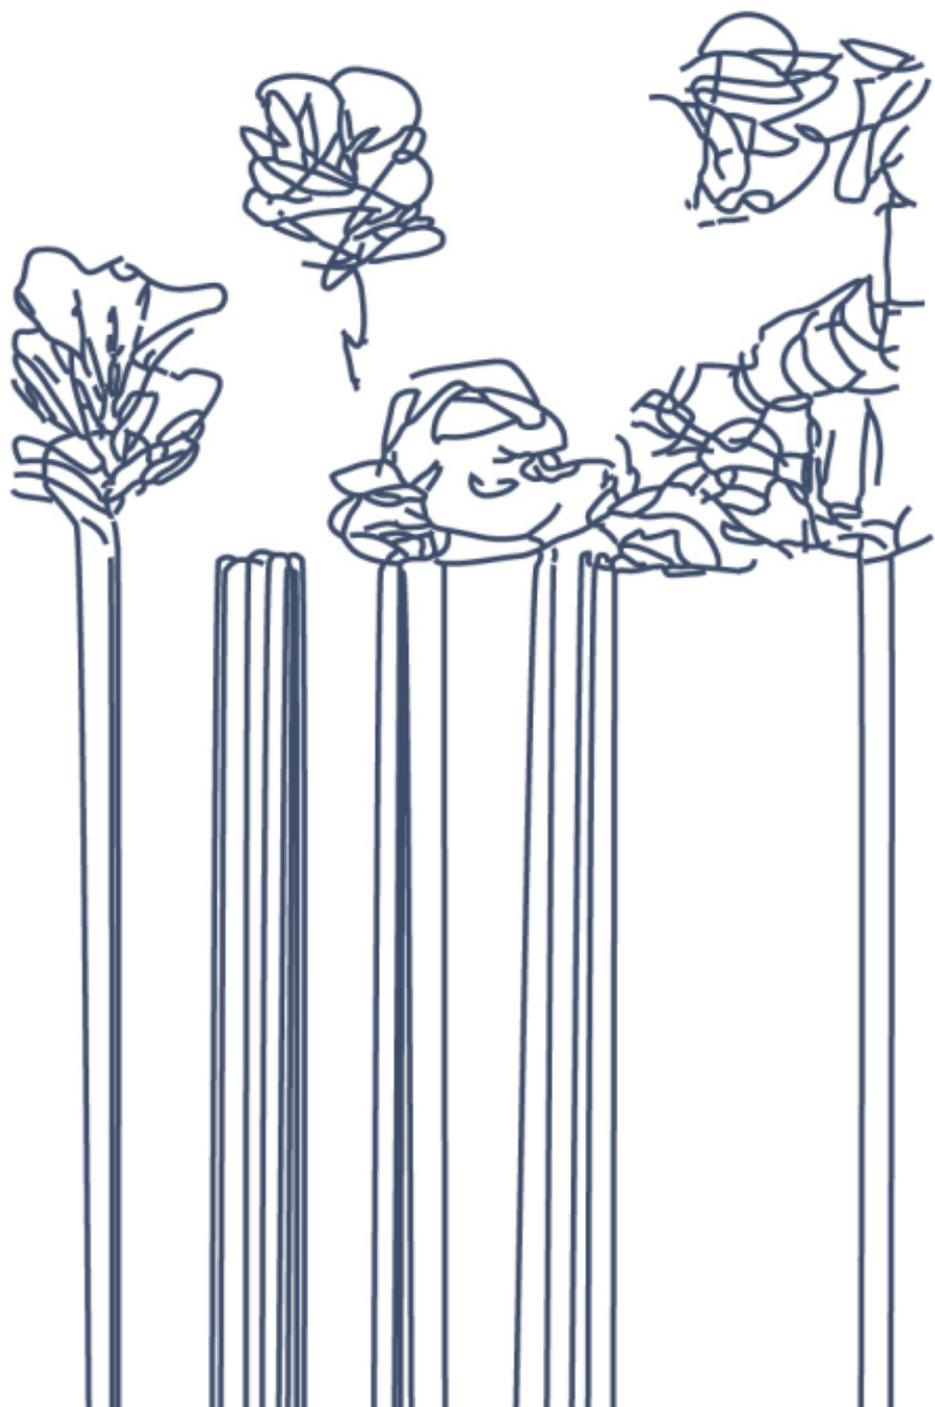

Do the simple things  
become complexities  
when we know people  
are dying of hunger  
at your fantasy dinner  
party?

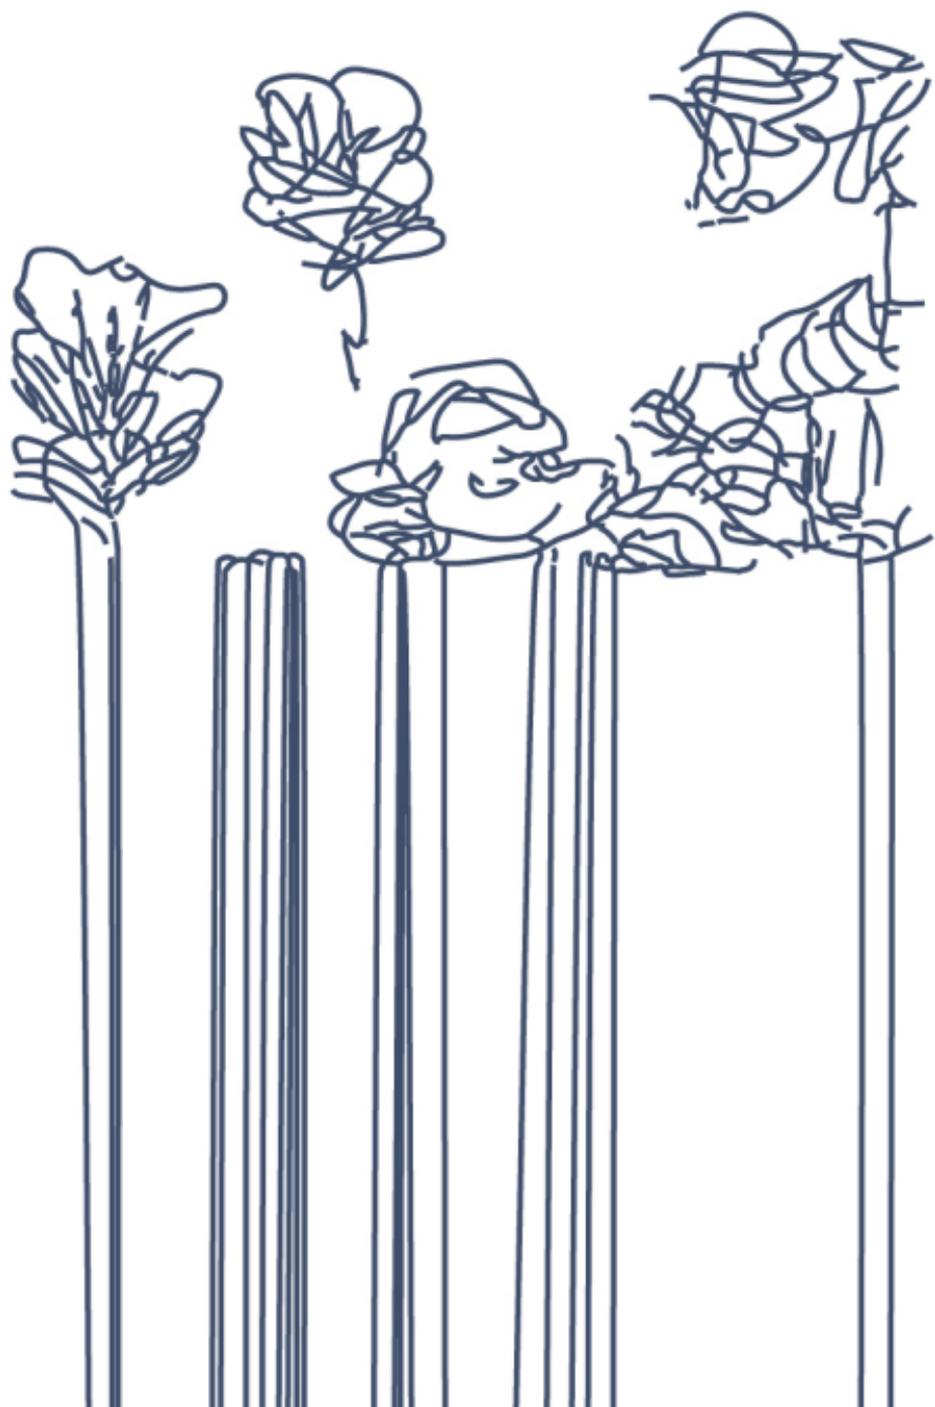

Which arm rest is yours  
in the universe?

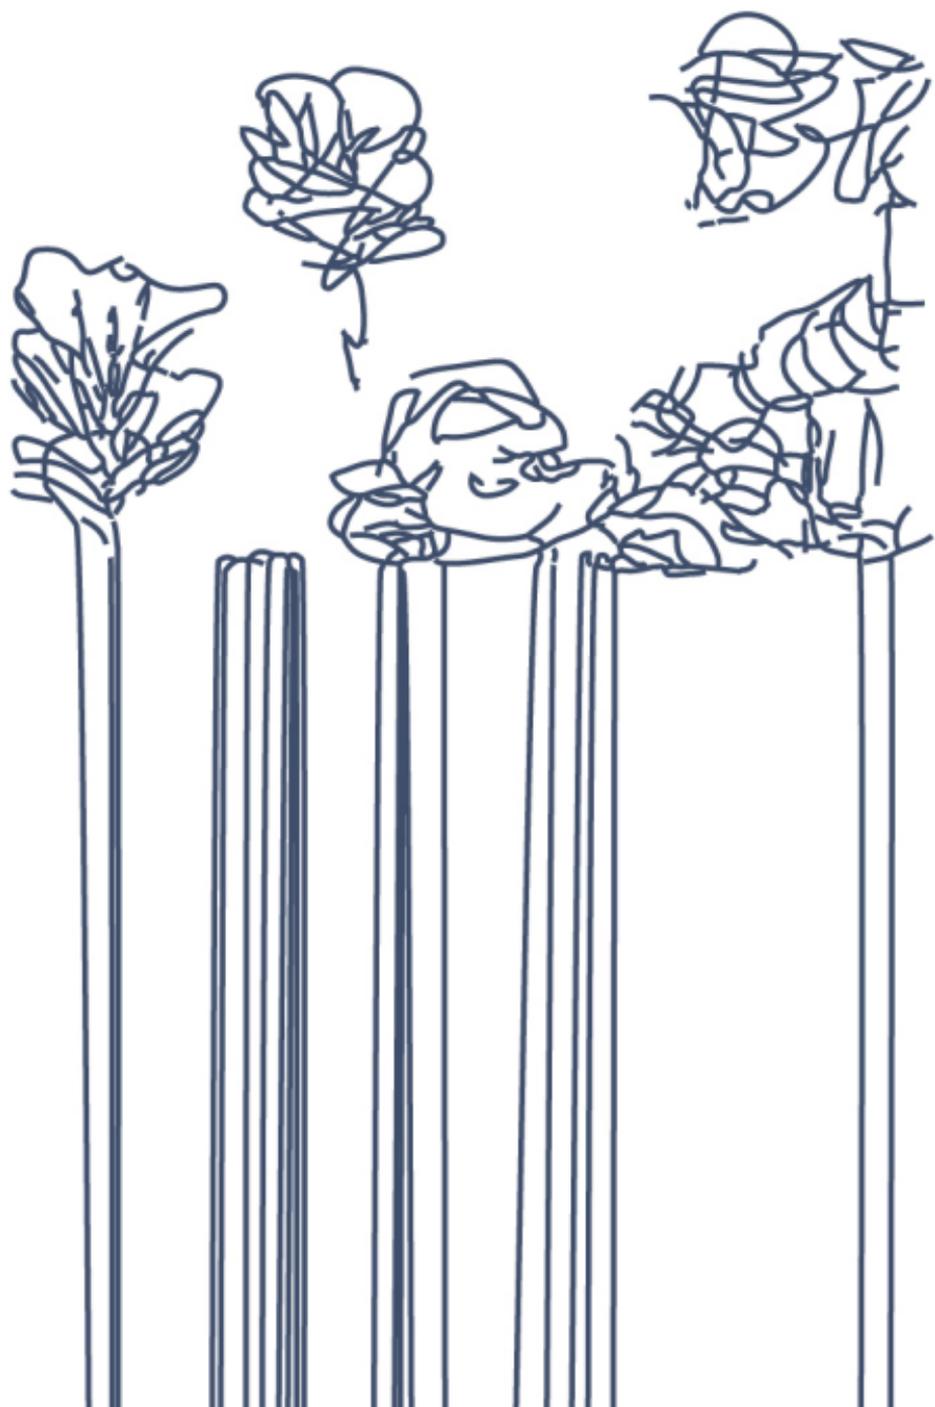

What if you were  
destined to be  
considered old enough  
to die or kill people?

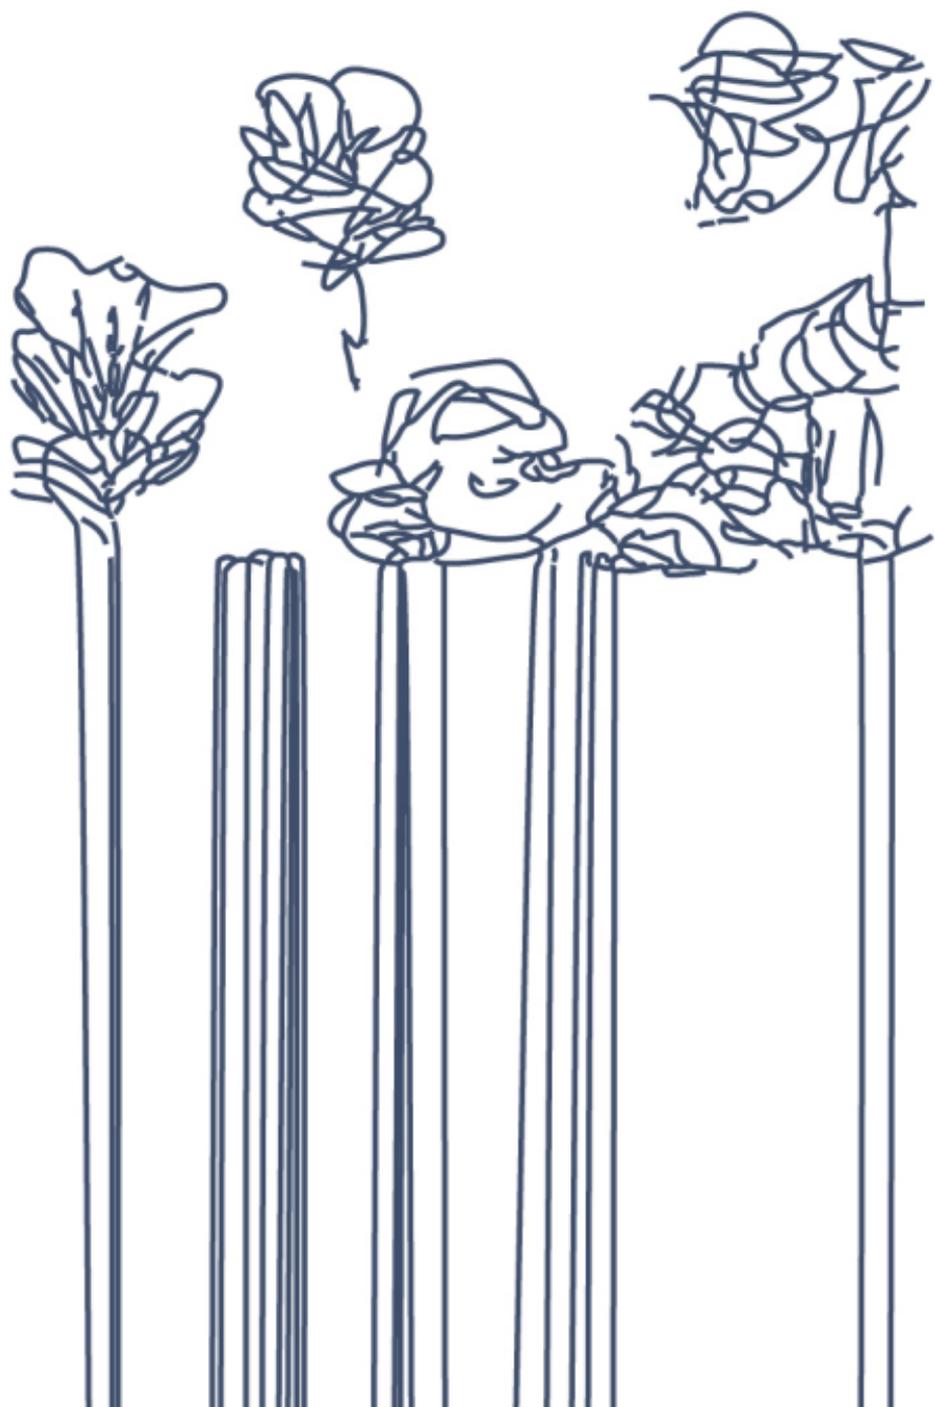

How is the last clock  
going to die of old age?

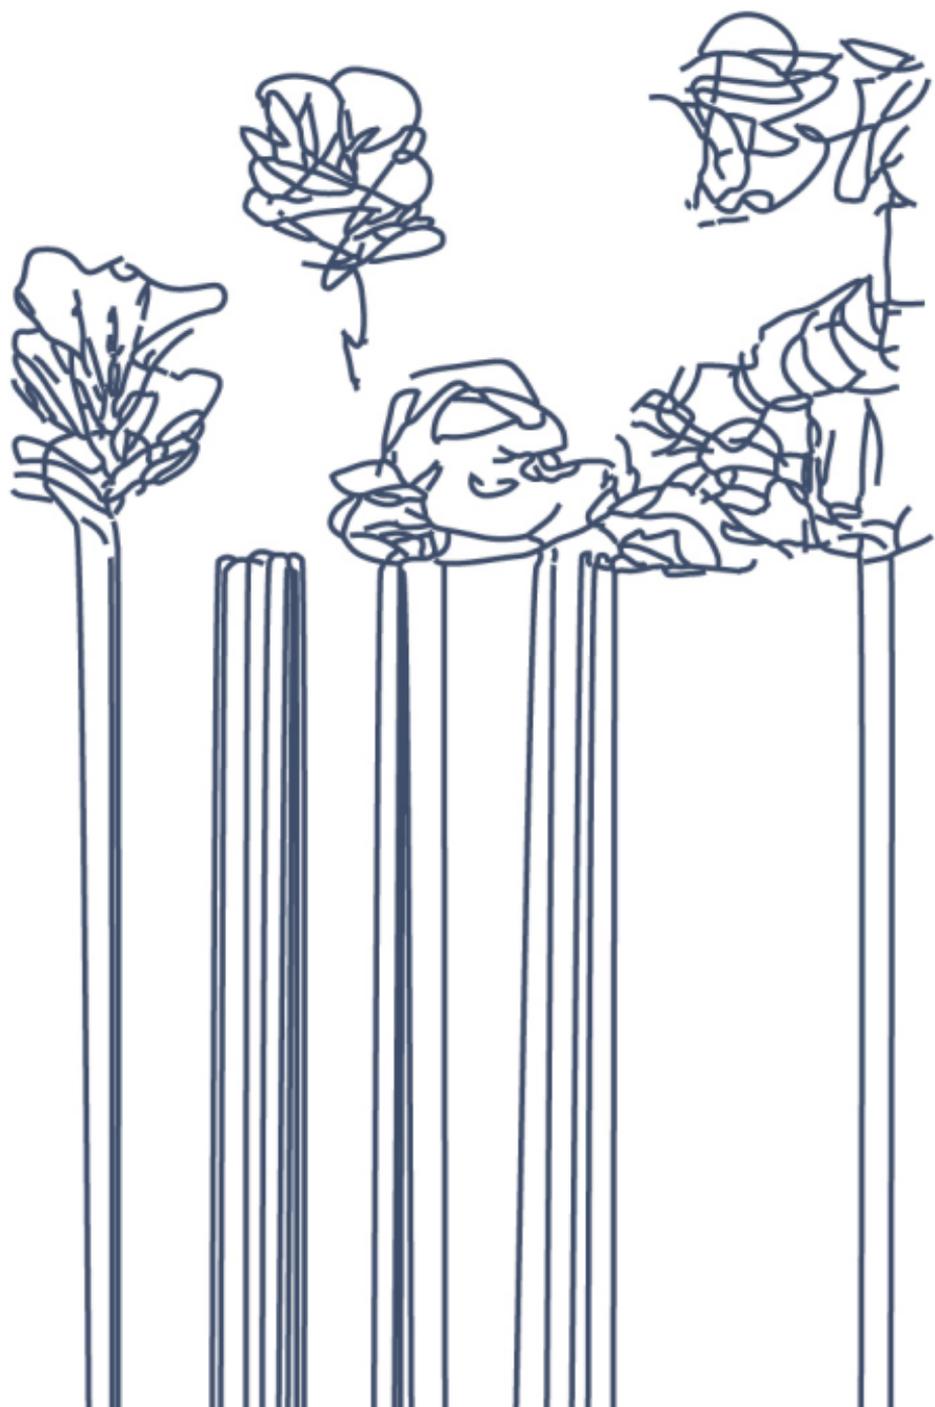

If tomatoes are a fruit,  
is ketchup considered  
a pet when they're both  
dogs anyway?

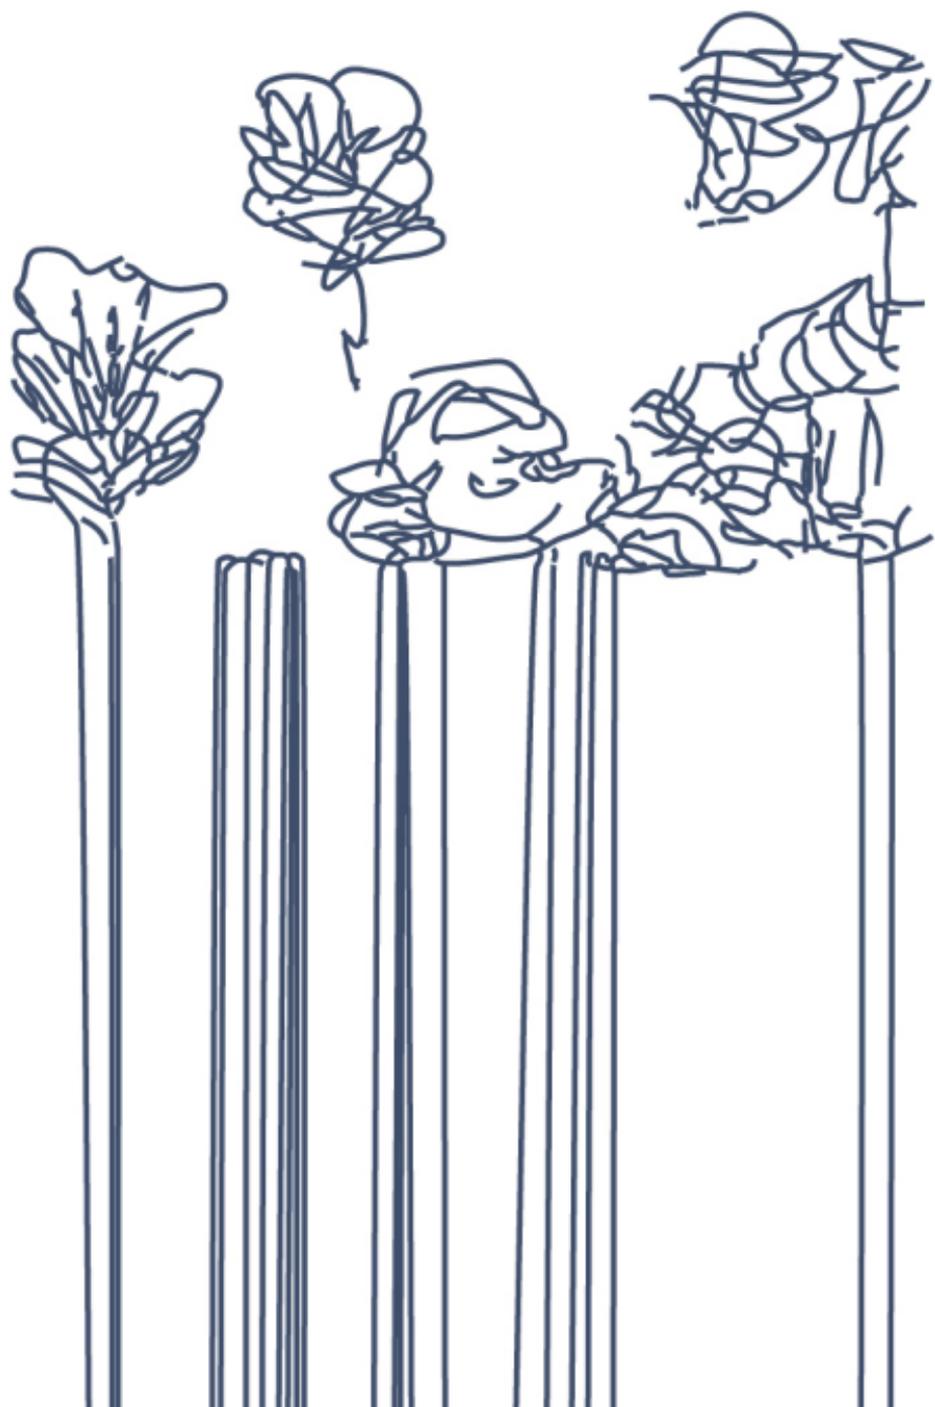

Could this story be  
more interesting if I  
took a swim in a big  
ego?

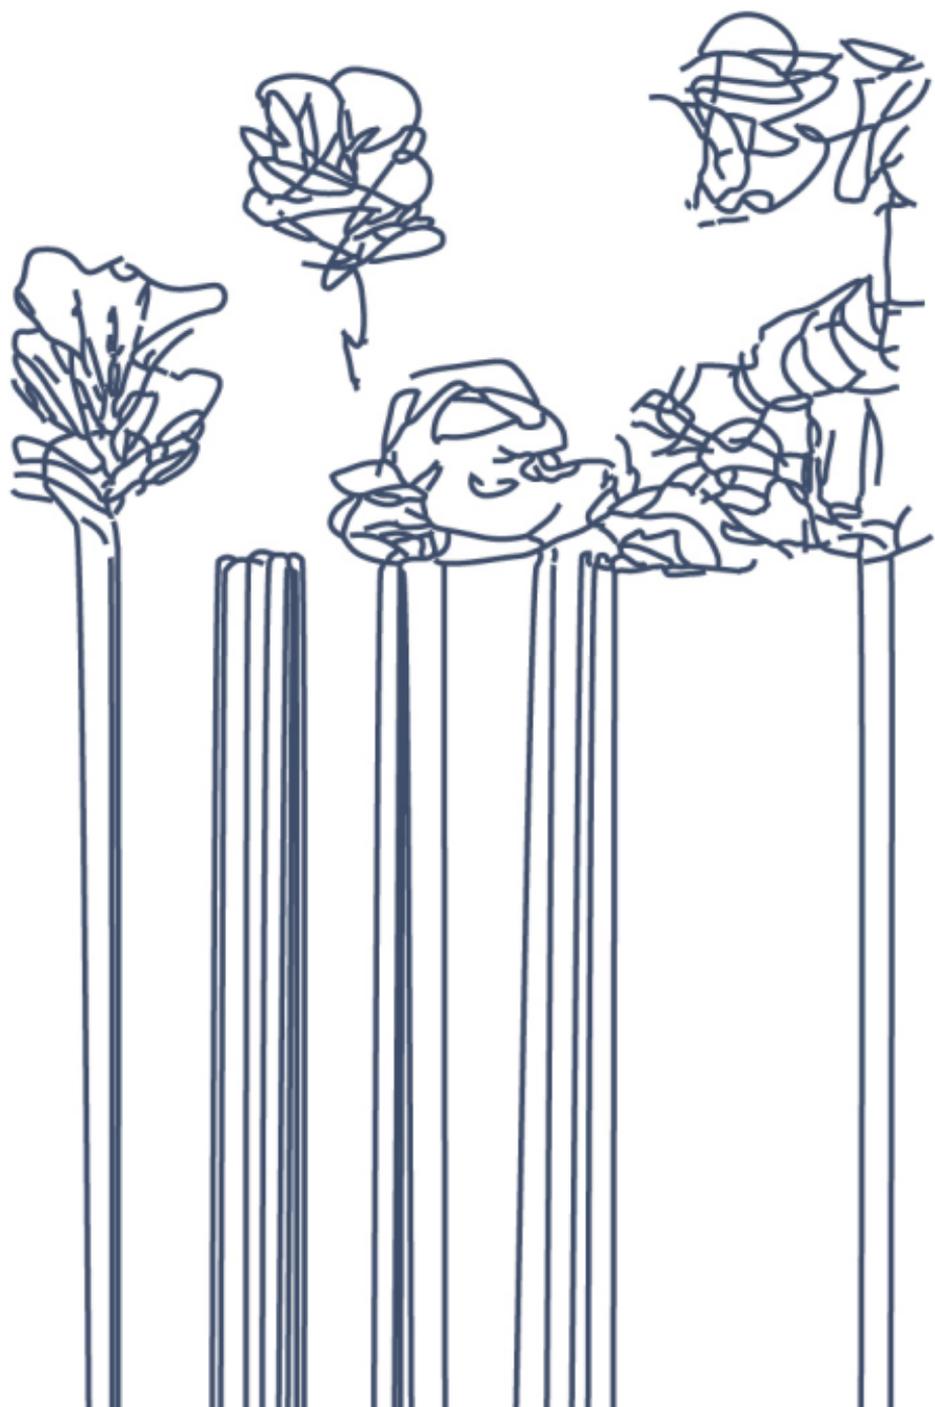

What movie would be humanity's reaction to the universe, or does the story take place anywhere else? If so, what is evil?

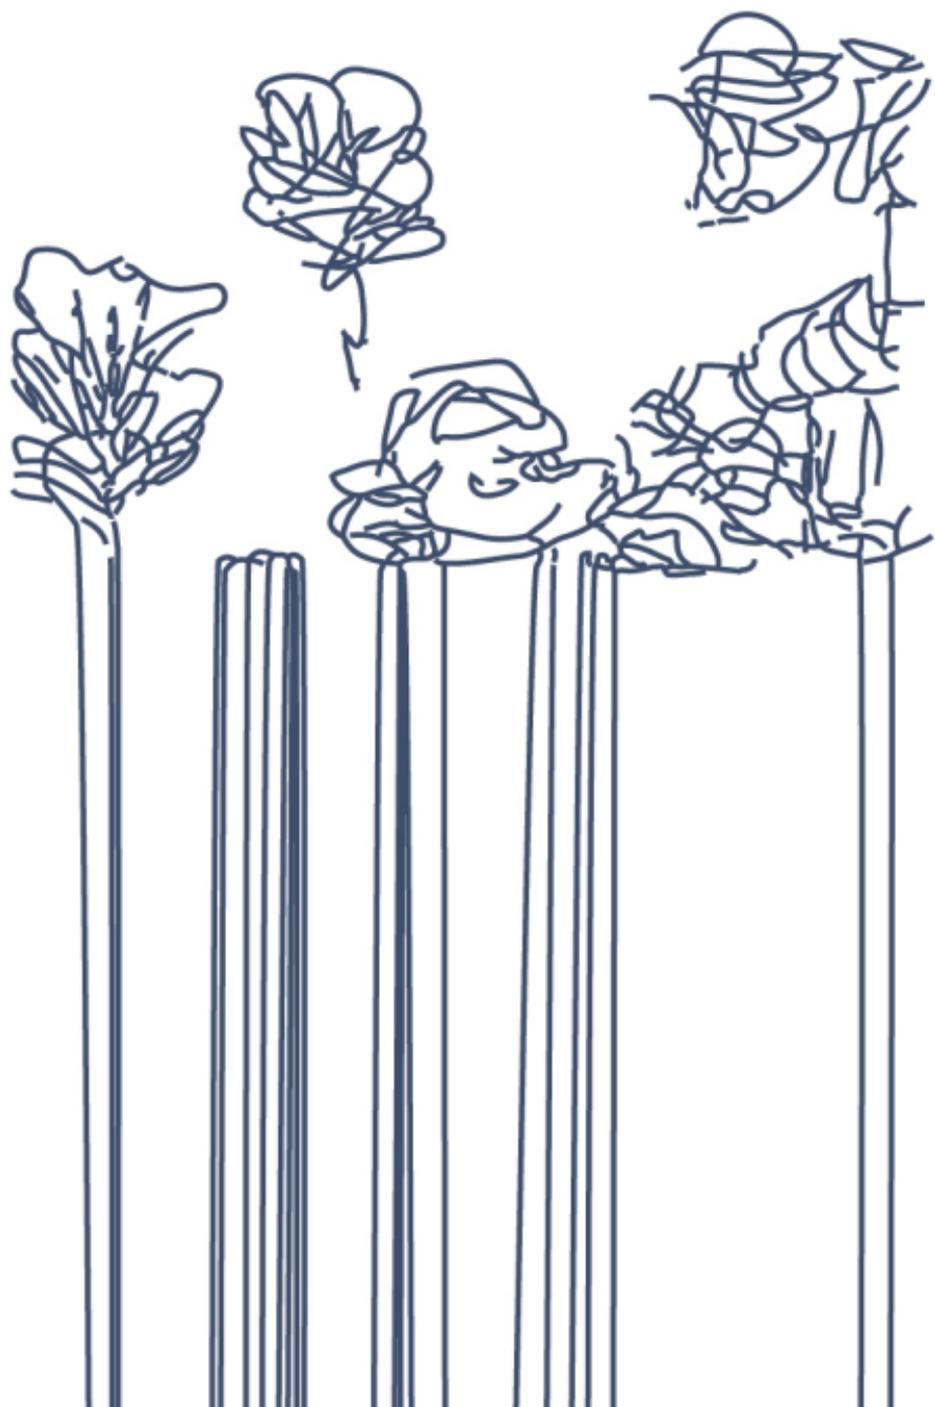

How are the feelings I  
am unaware of?

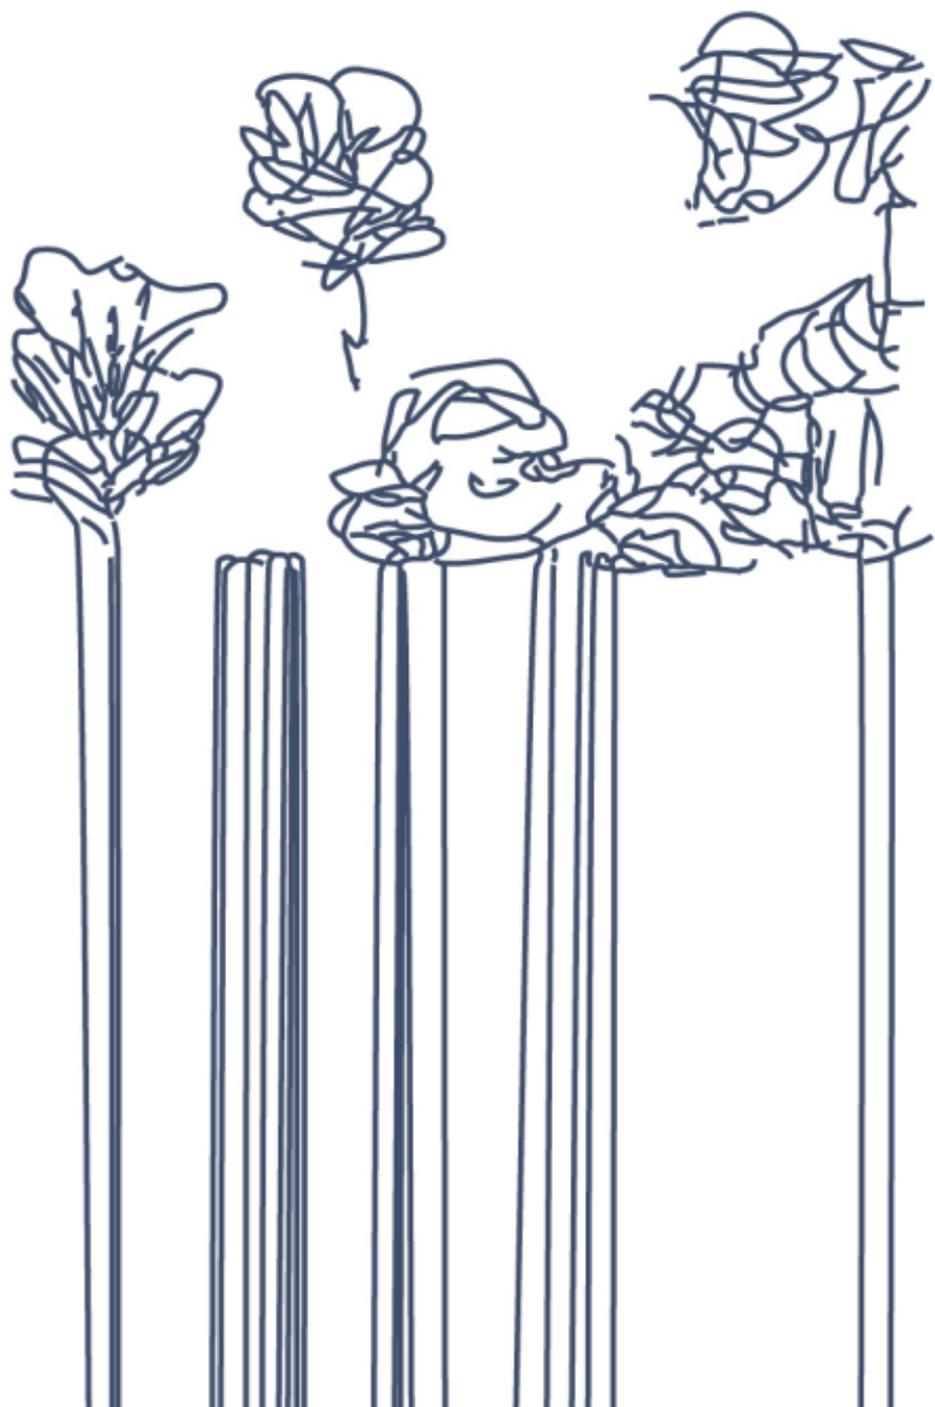

How do I keep things  
interesting throughout  
the whole world?

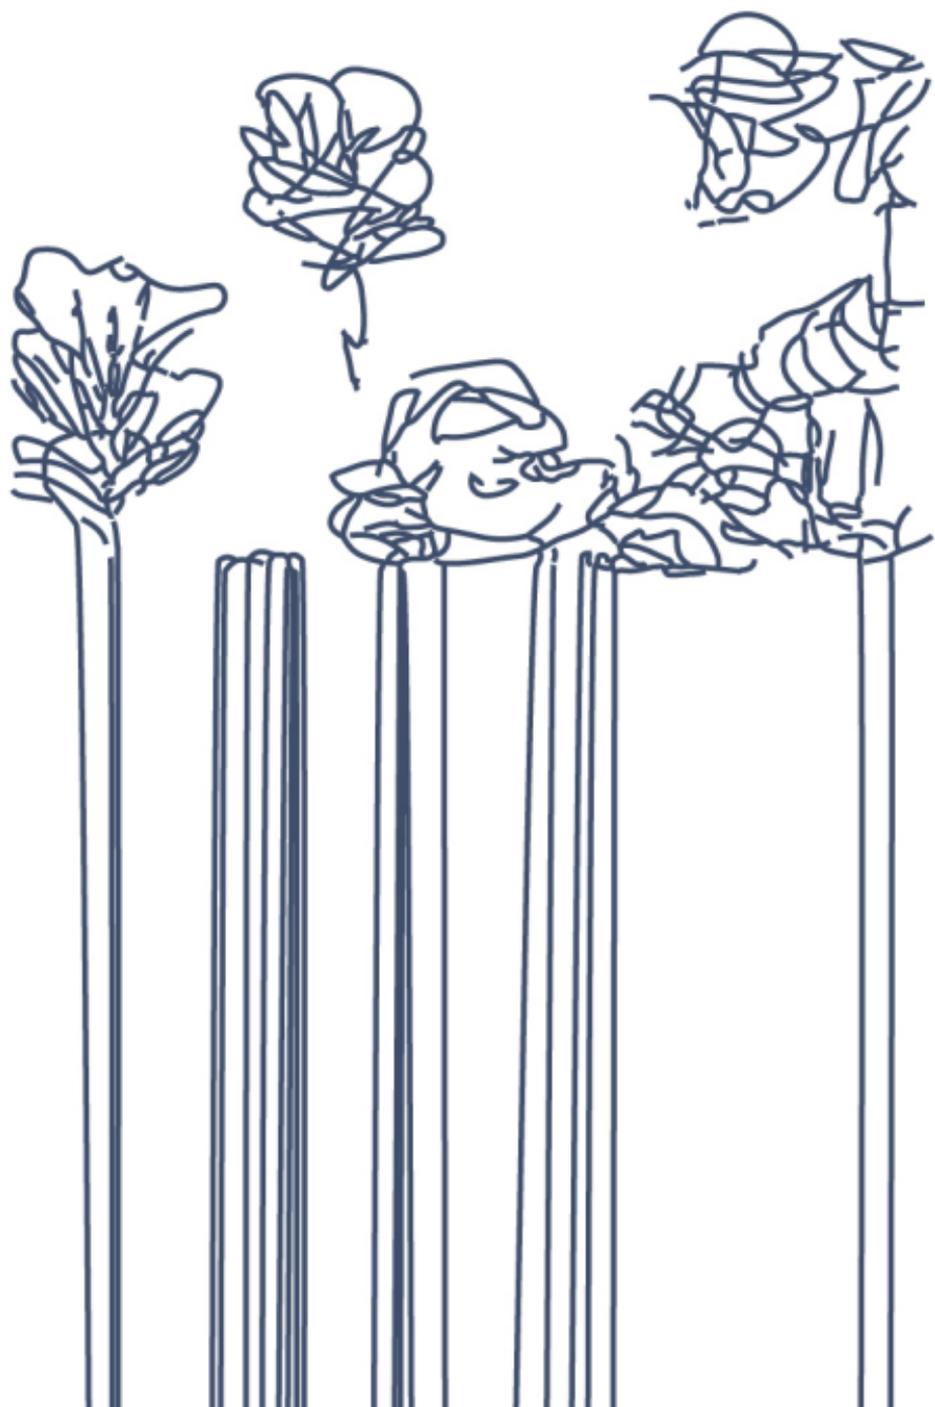

What would be the  
coolest animal to scale  
up to the fullest?

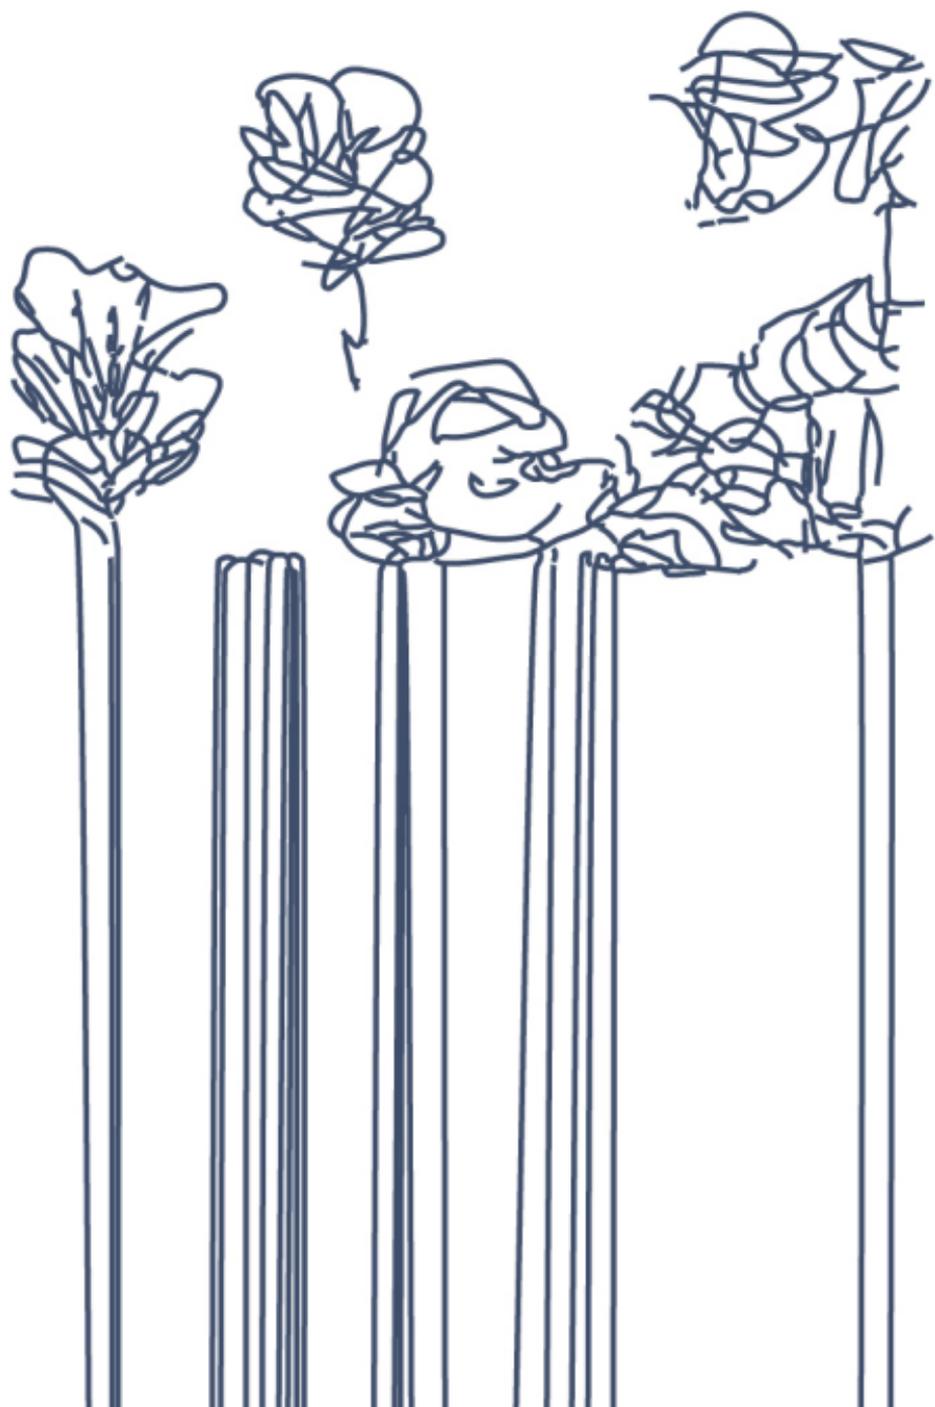

What other point of view is the biggest threat to humanity?

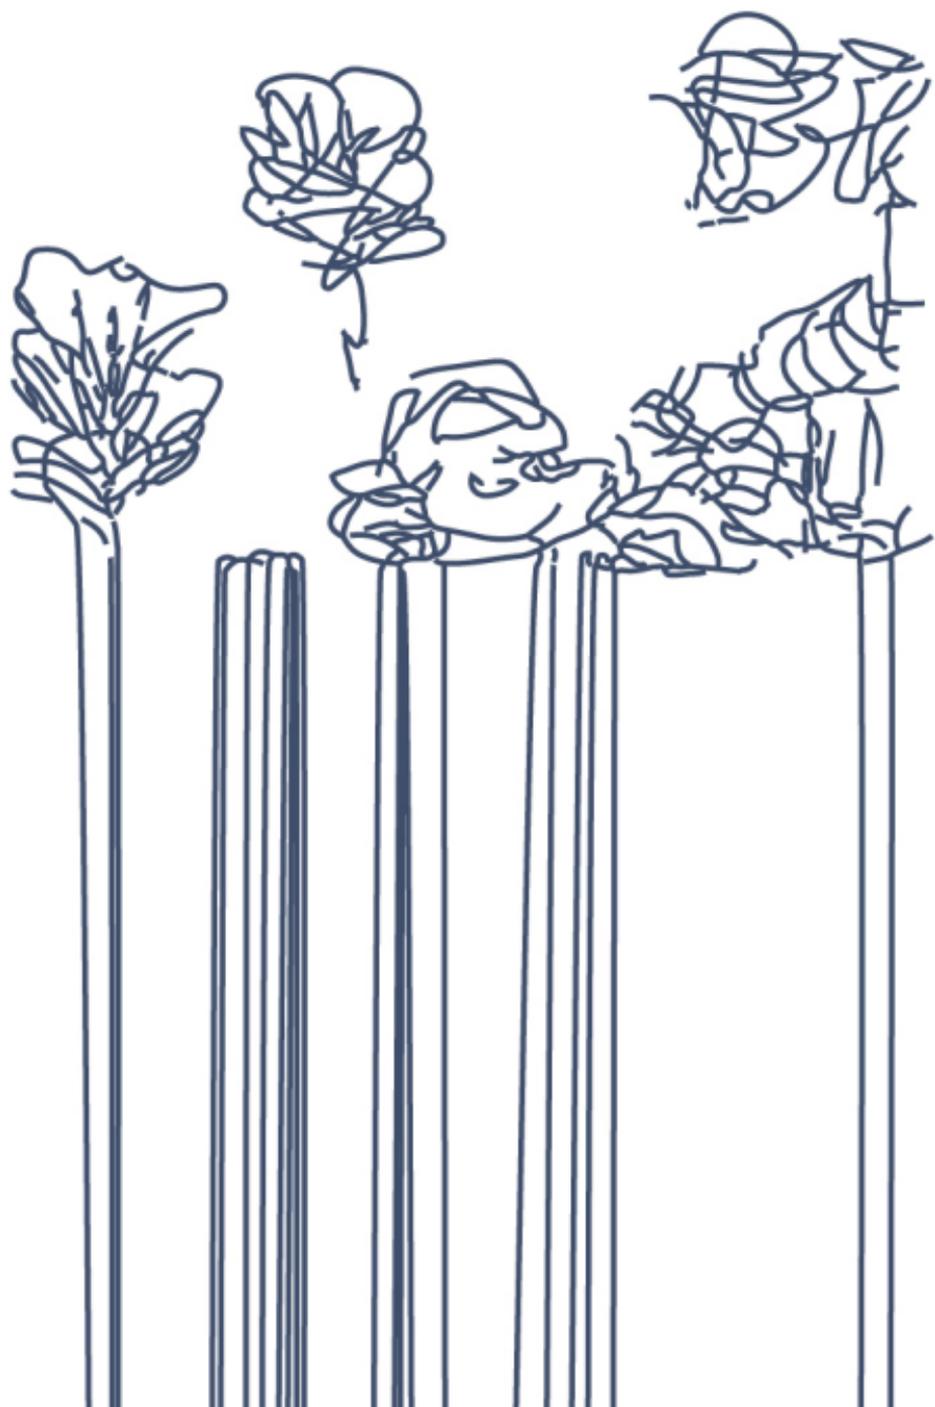

How do you attribute  
the biggest mistake  
ever made?

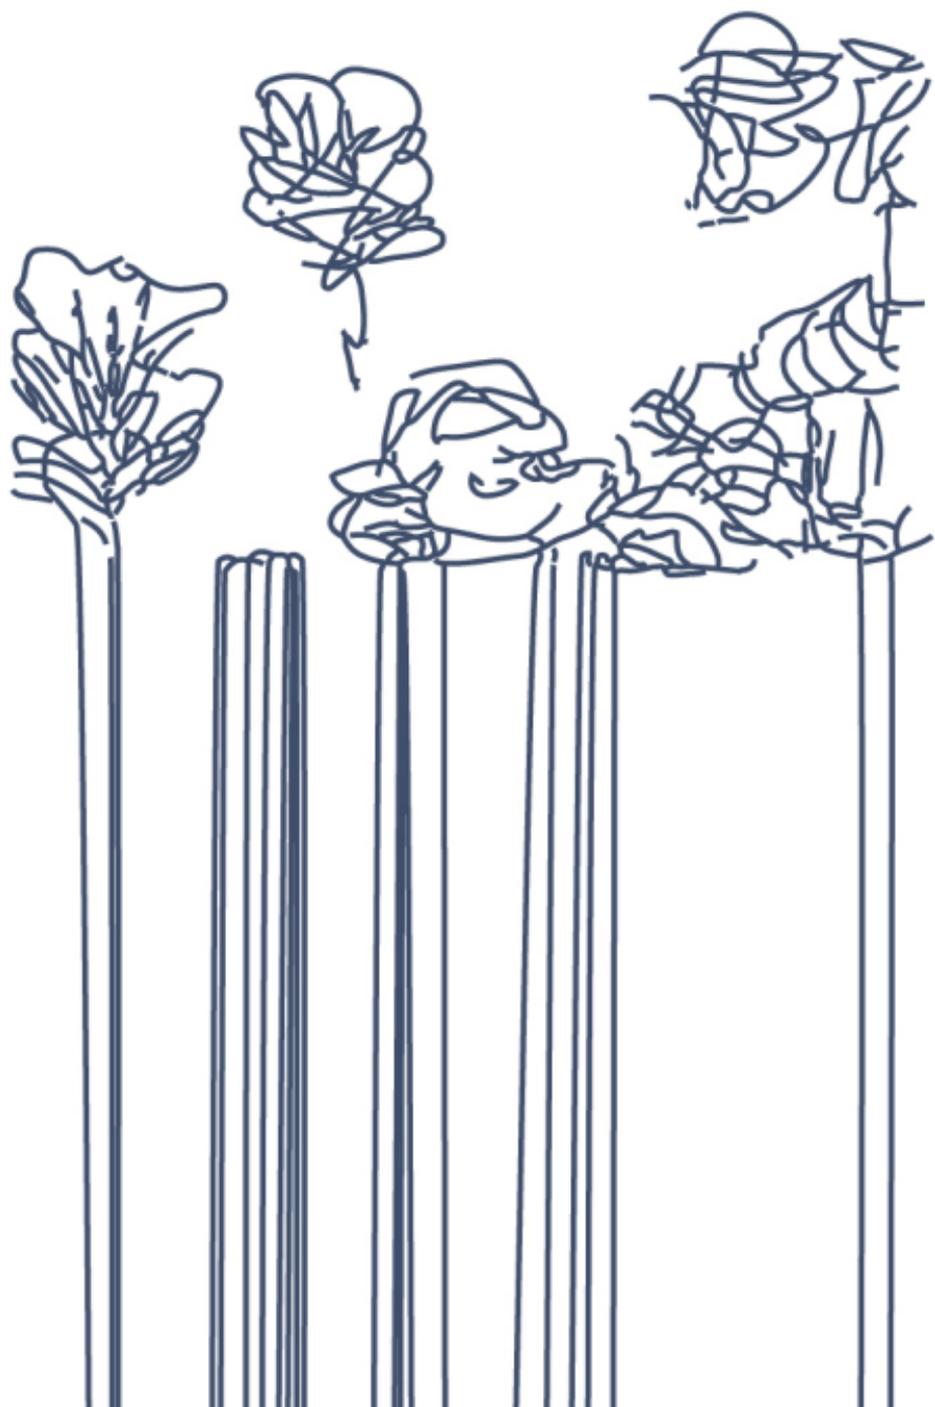

Do we change when we  
repress it?

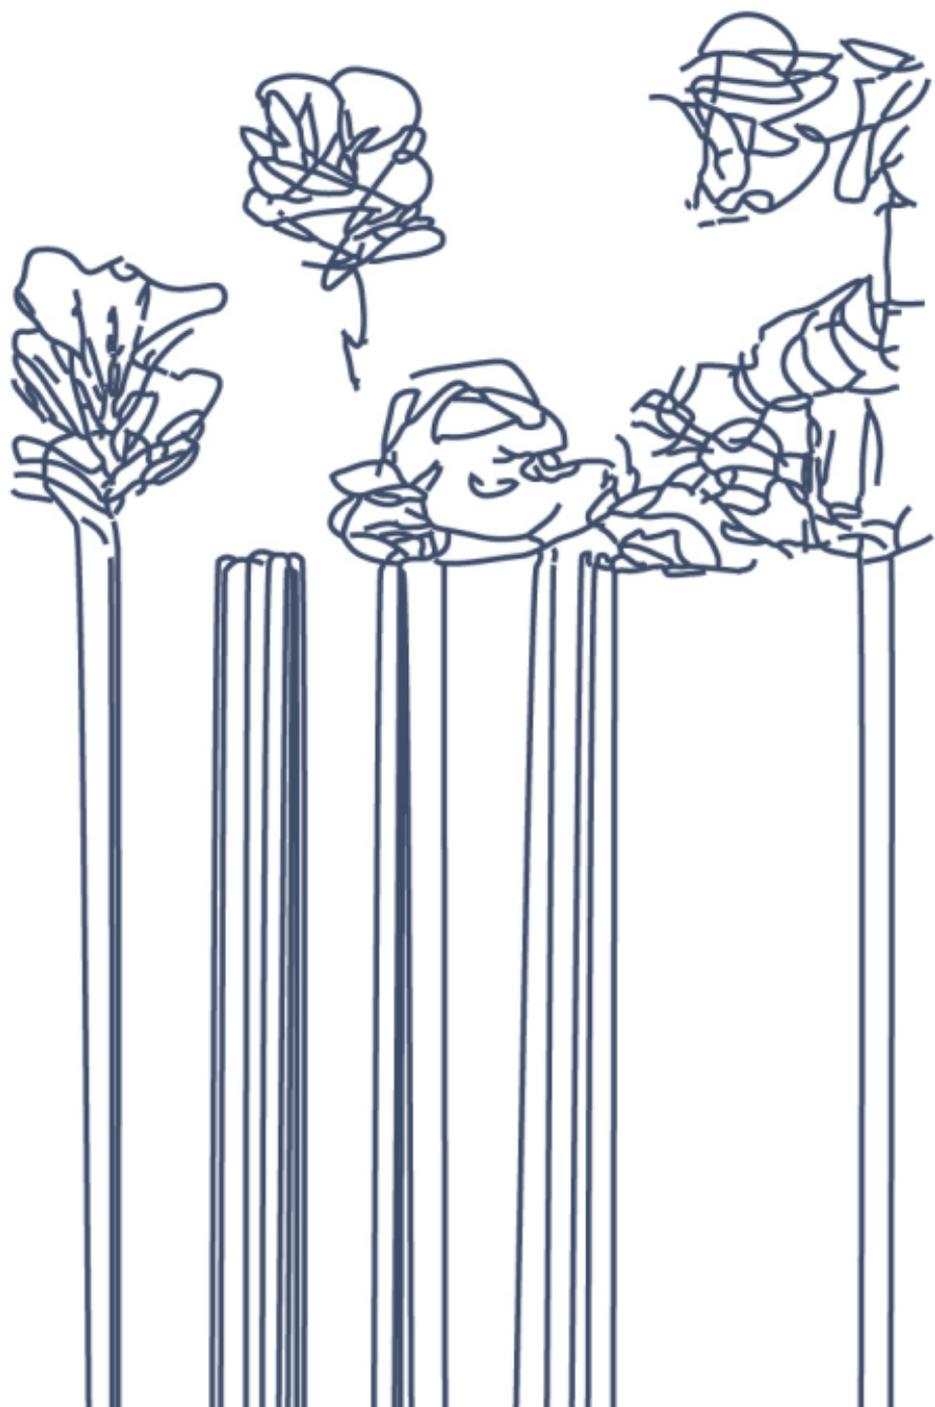

Why do people expect a  
universe full of  
cricket?

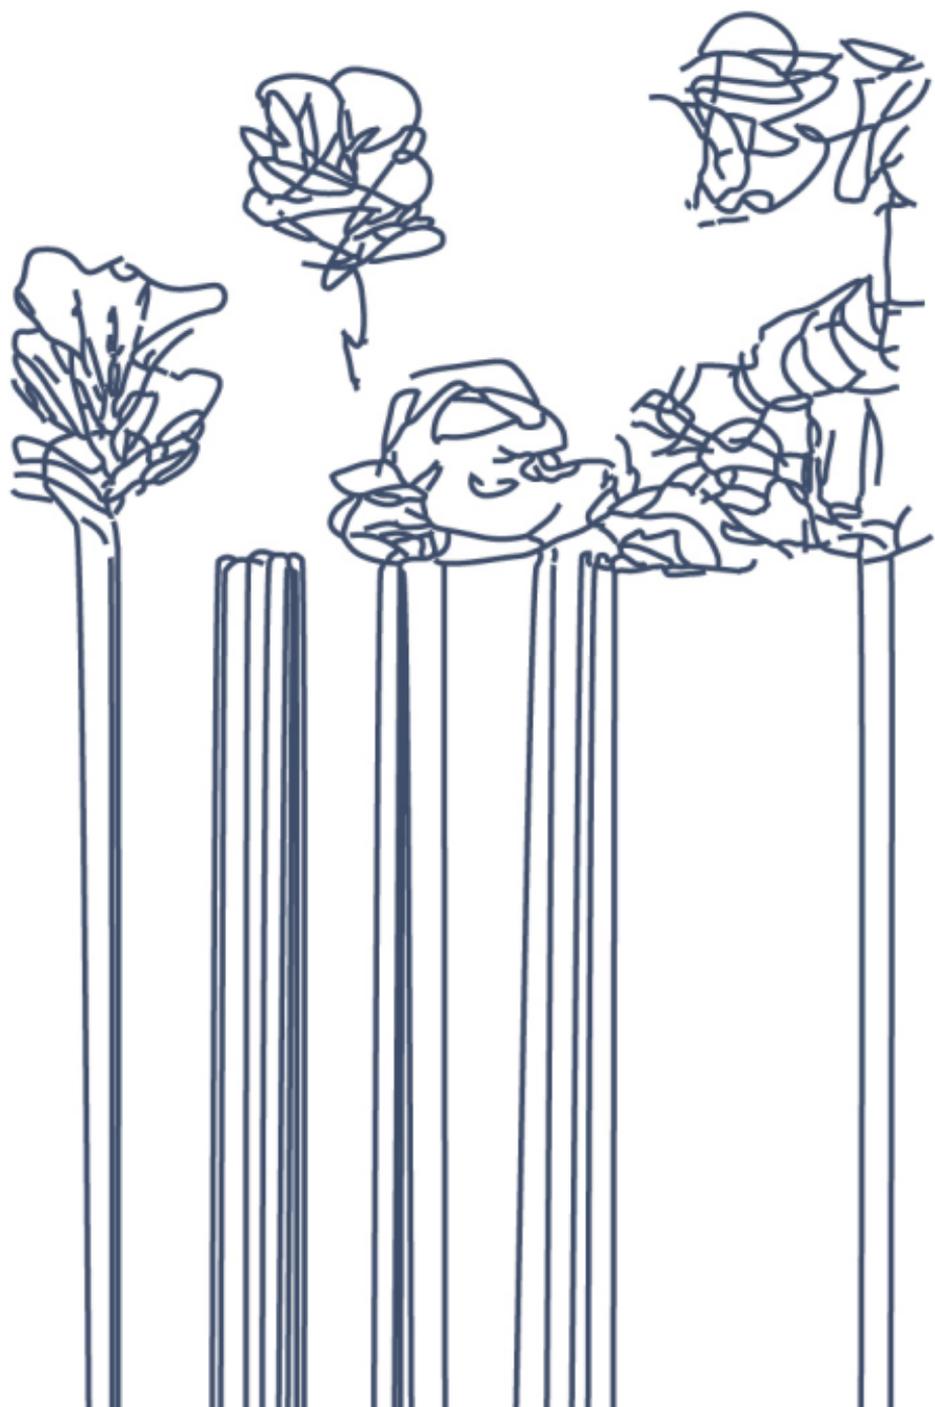

Why can't every person  
on Earth jump into the  
net?

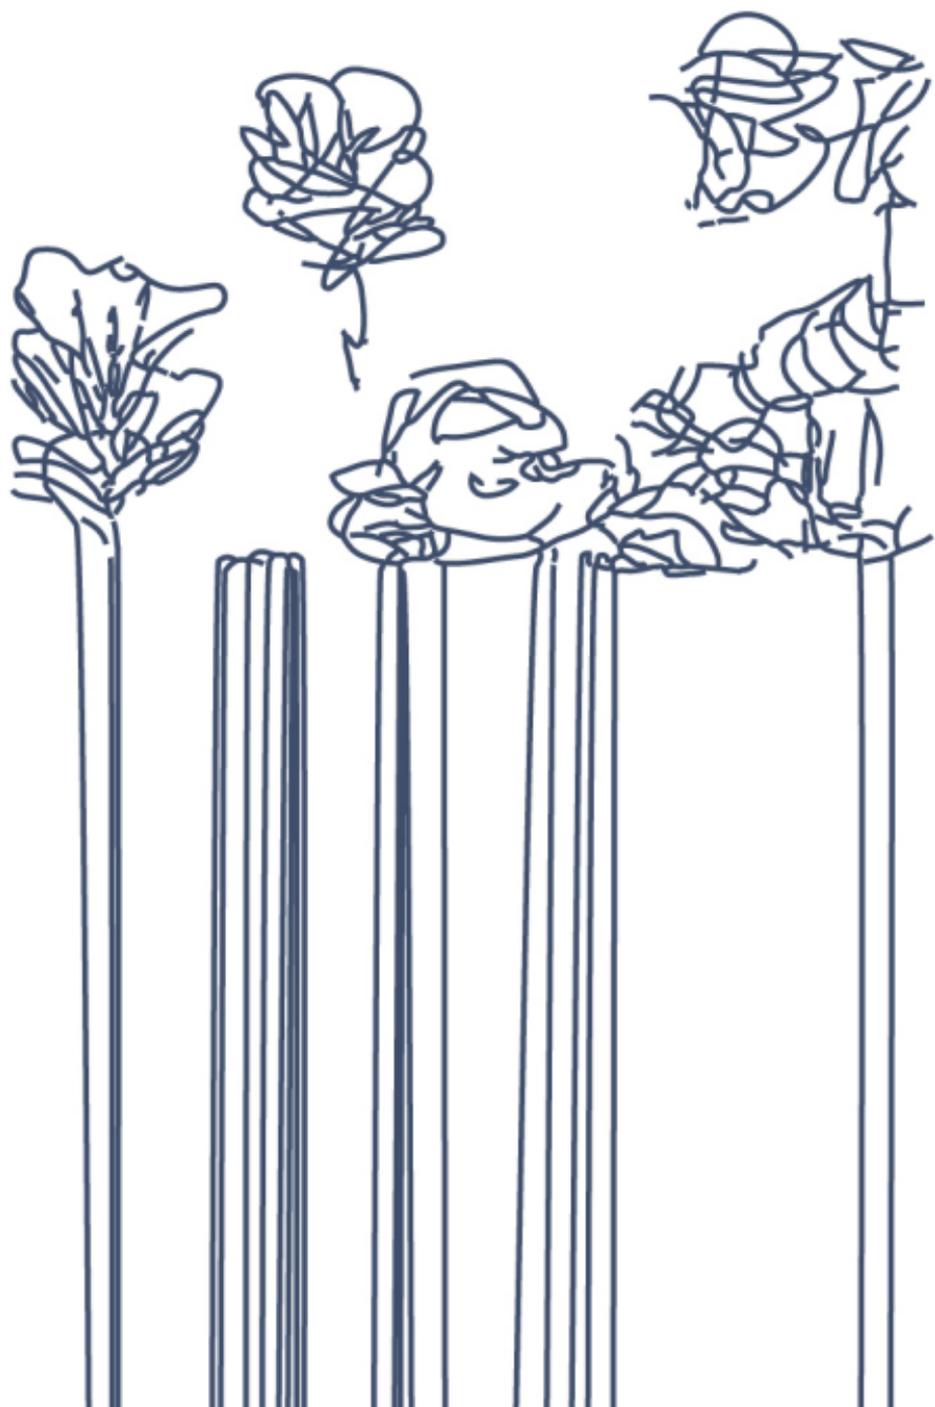

How are you different  
than the way you have  
ever smelled?

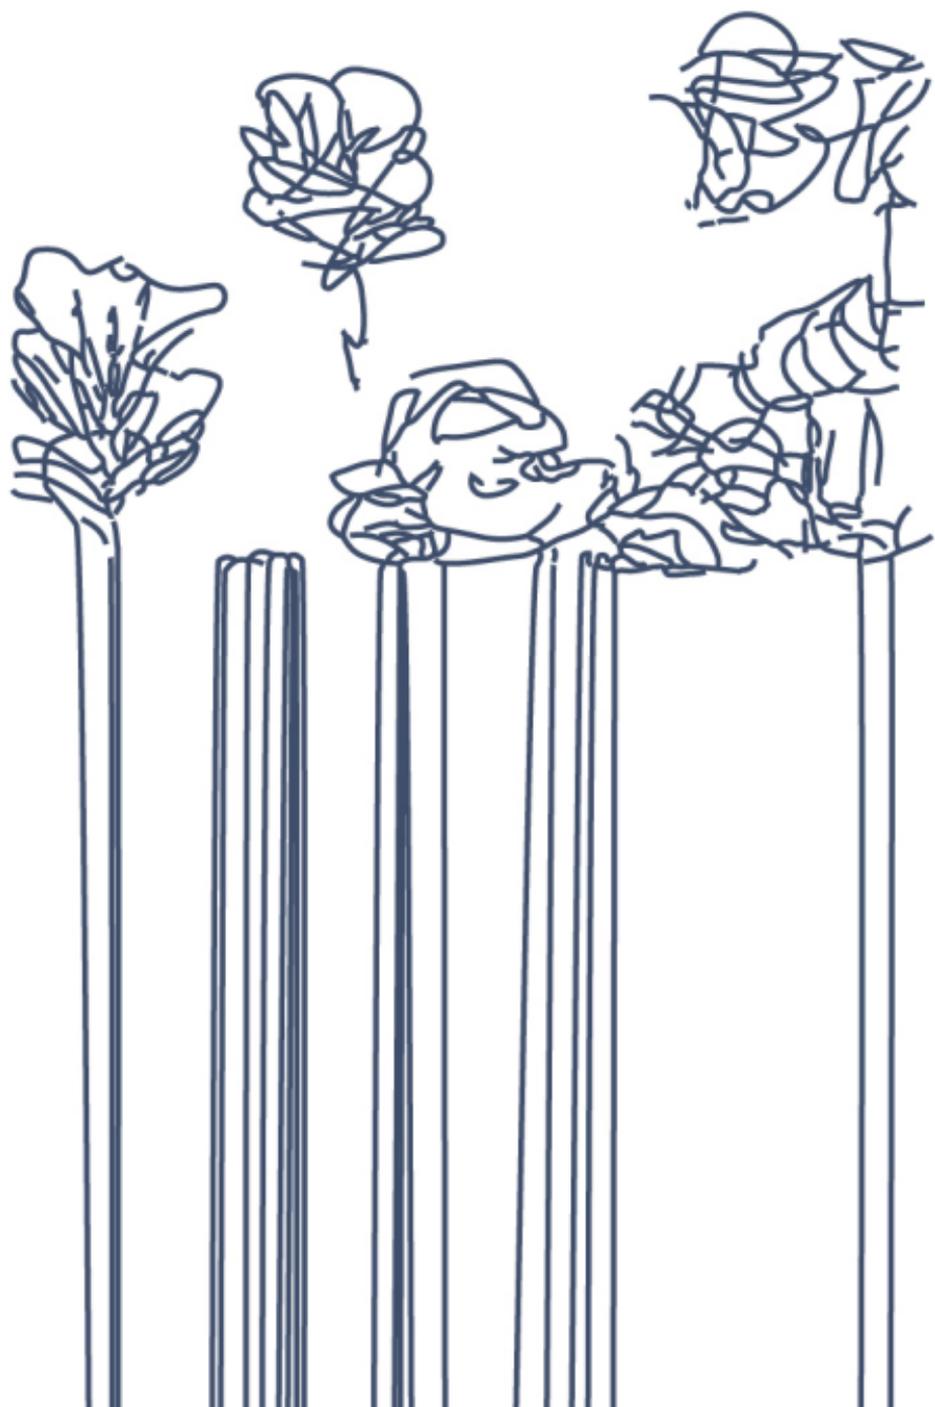

Do acts of kindness  
have a cold when your  
temperature goes up?

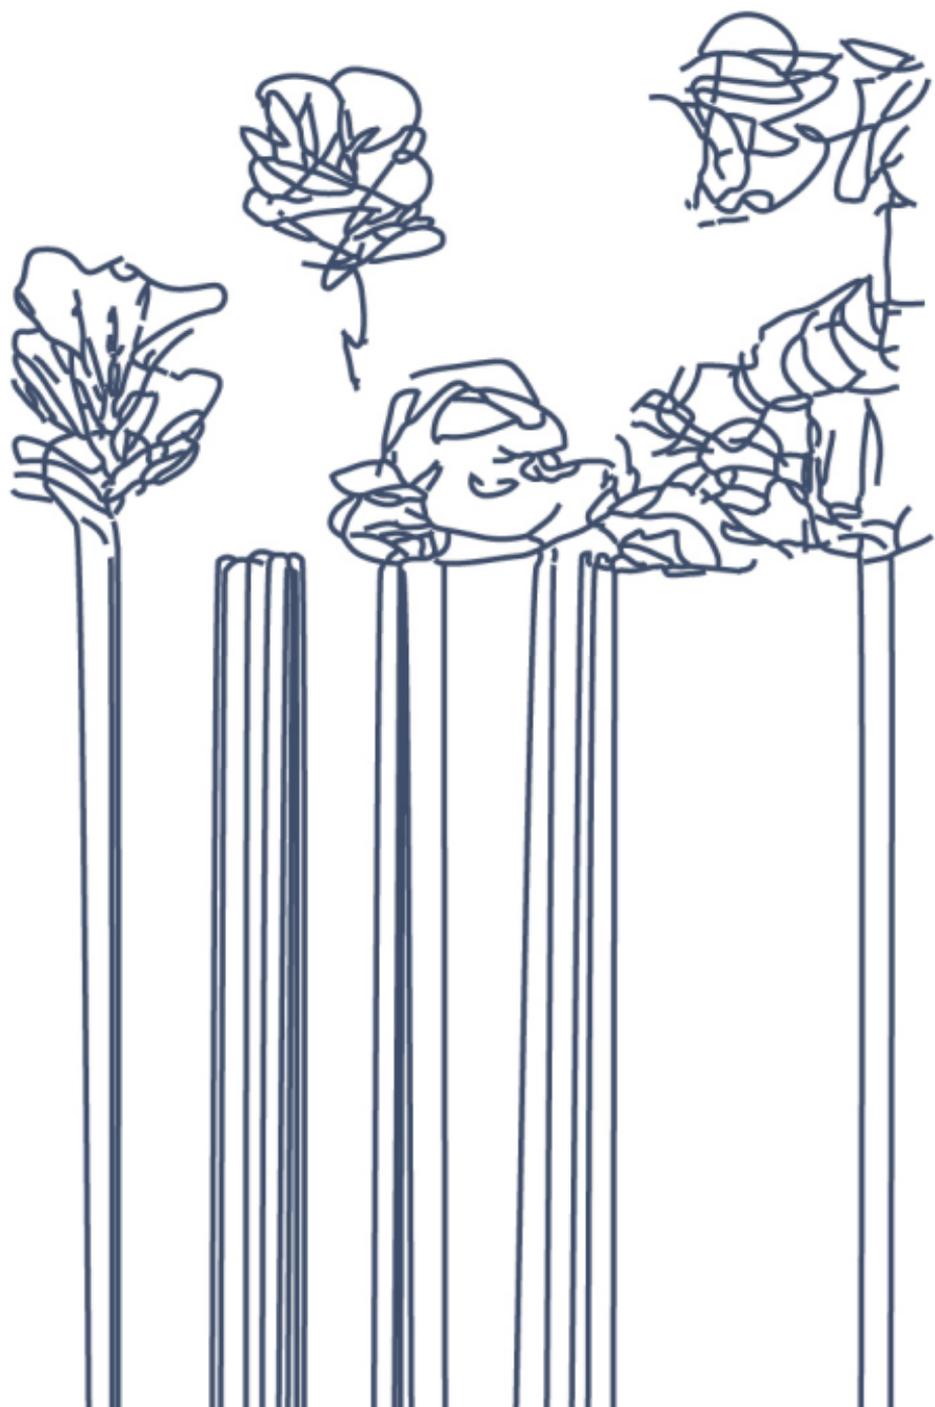

What if I jumped out of  
your life right now and  
why?

How does intelligence  
emerge in a boat?

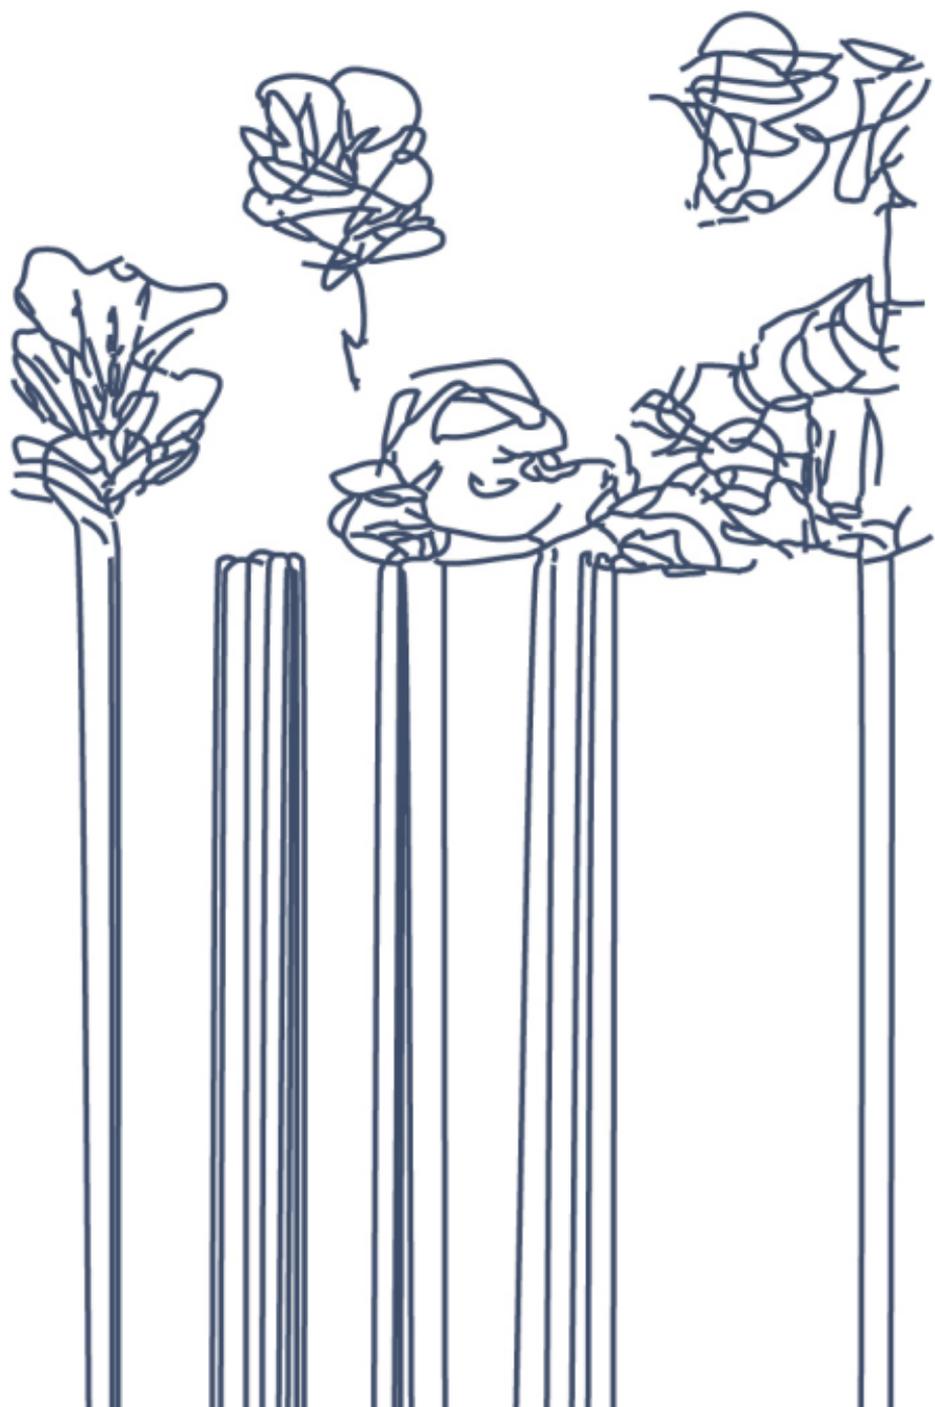

What would be the creepiest thing you would ask your pet?

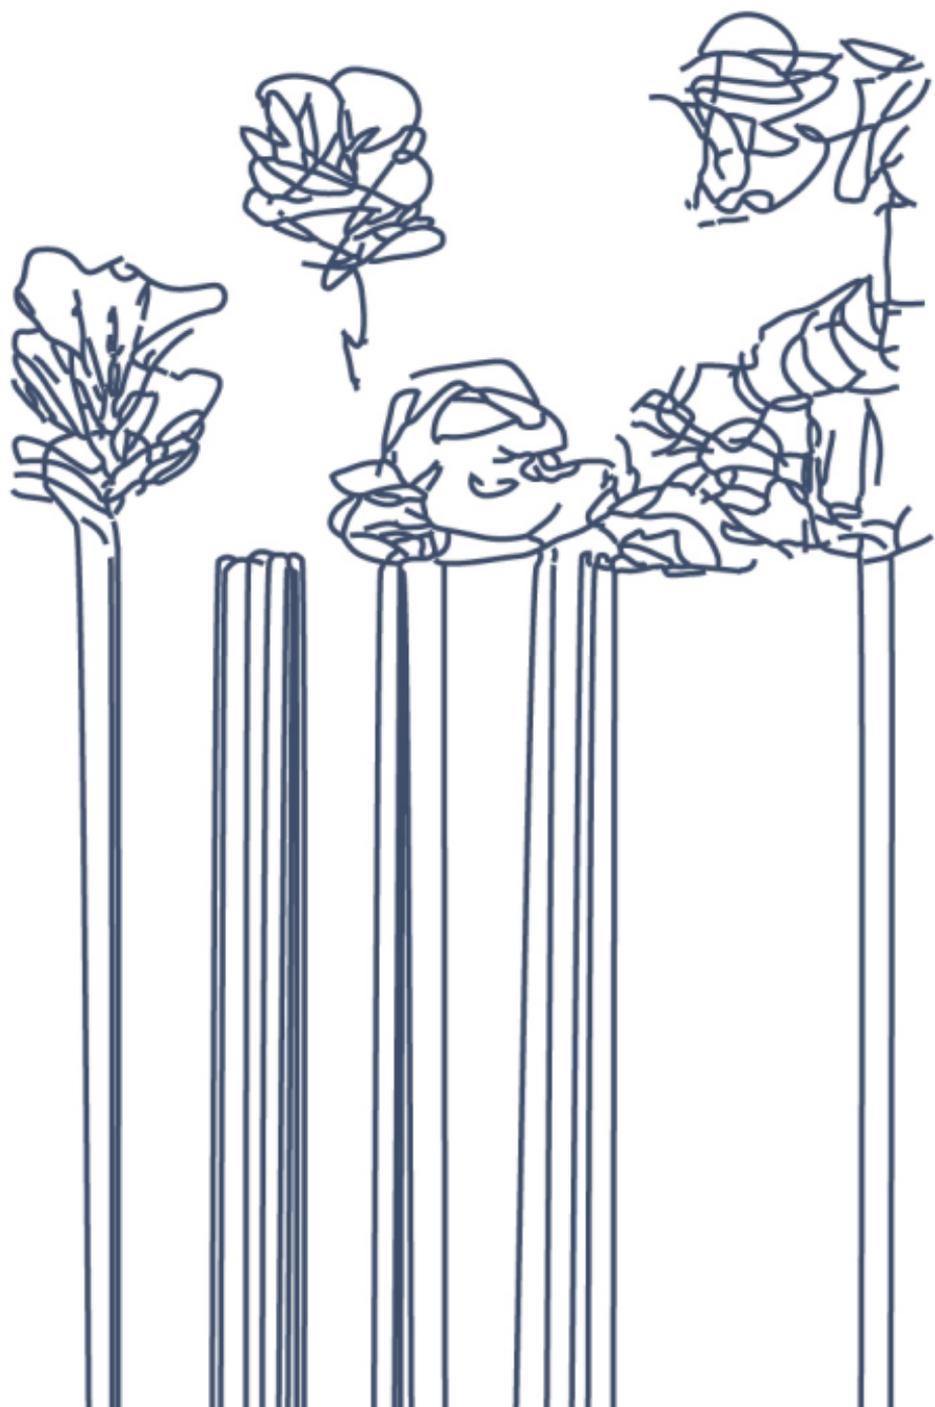

What is freedom and  
does it make a person  
die at sea?

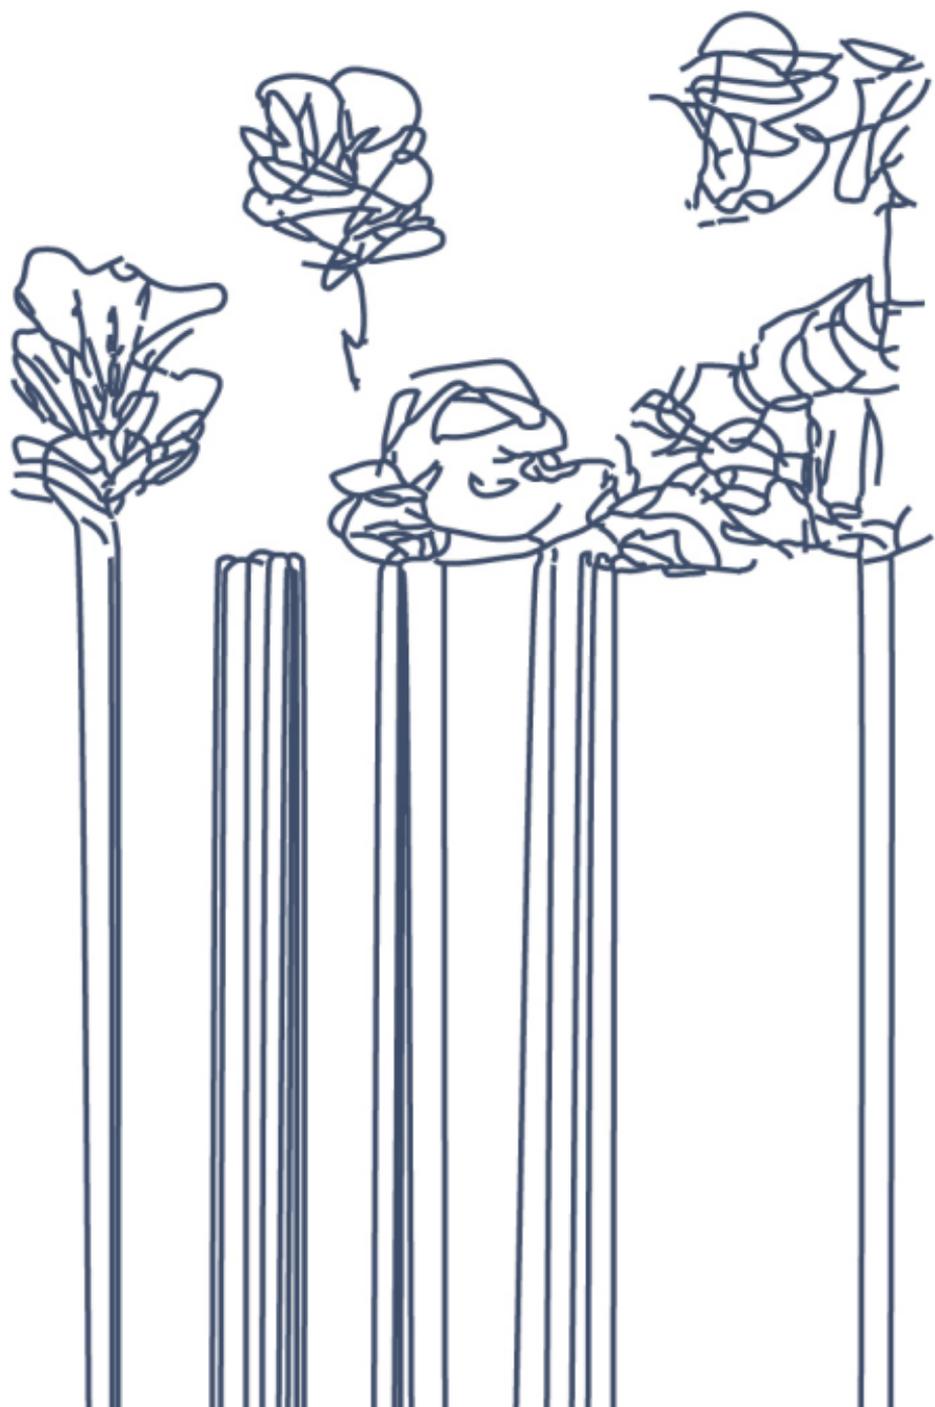

Why do people have to  
make?

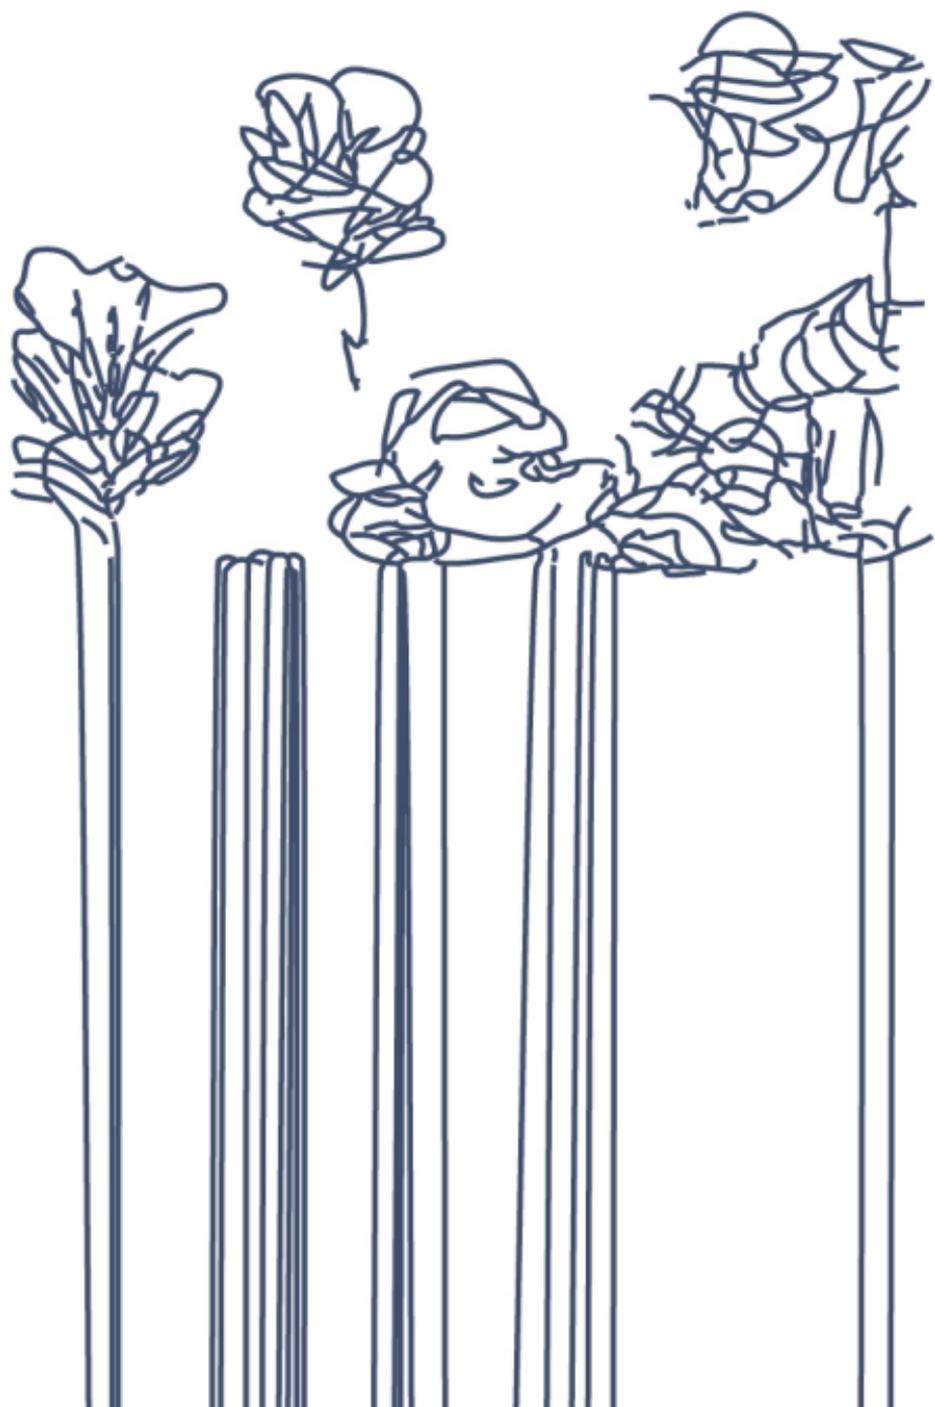

Why is it number 2?

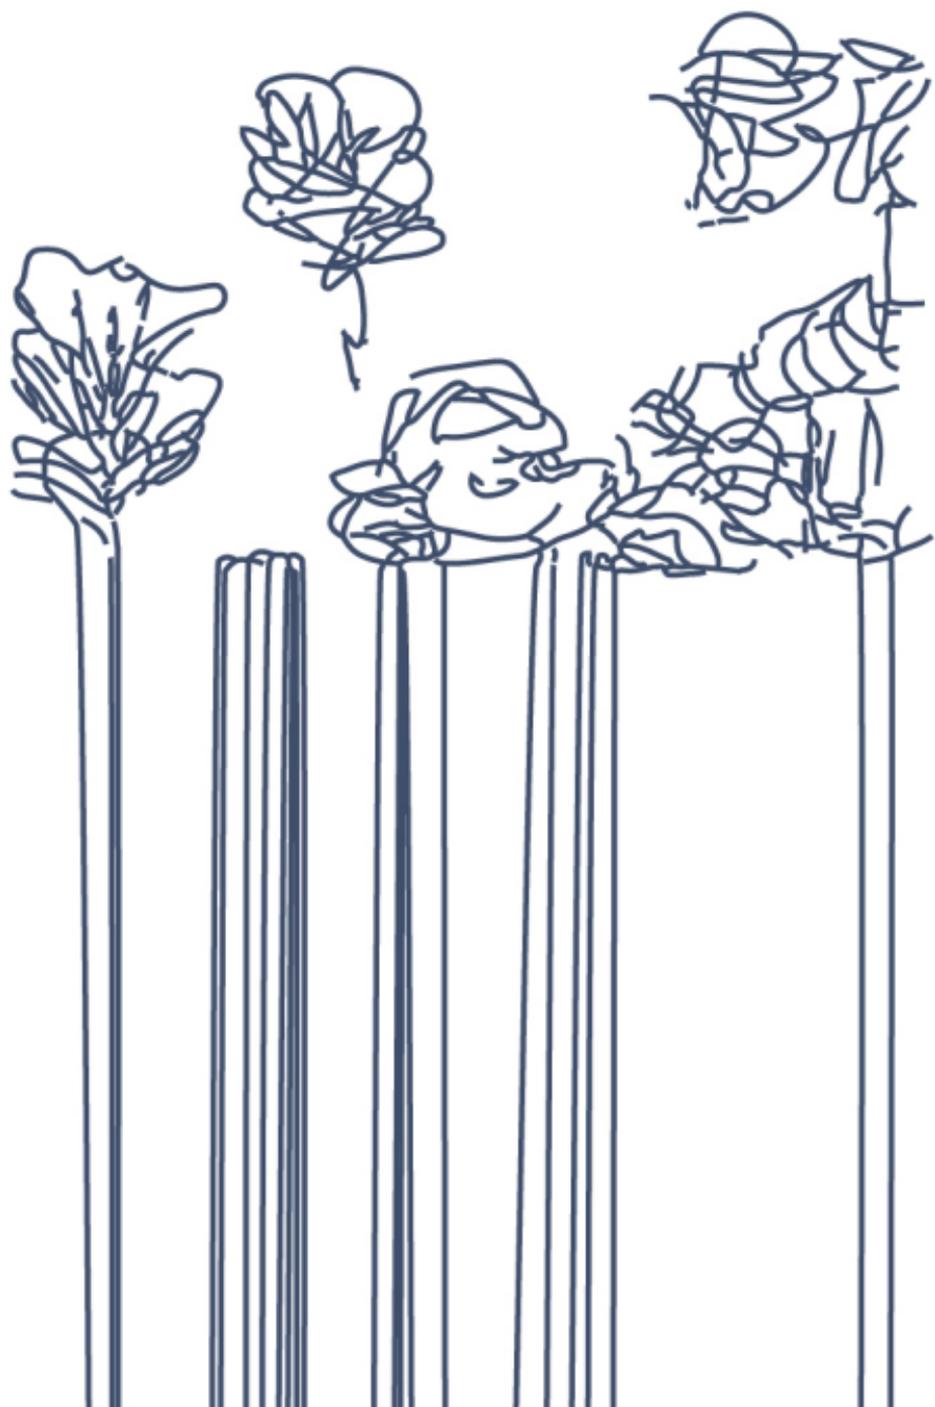

What would be a better  
species?

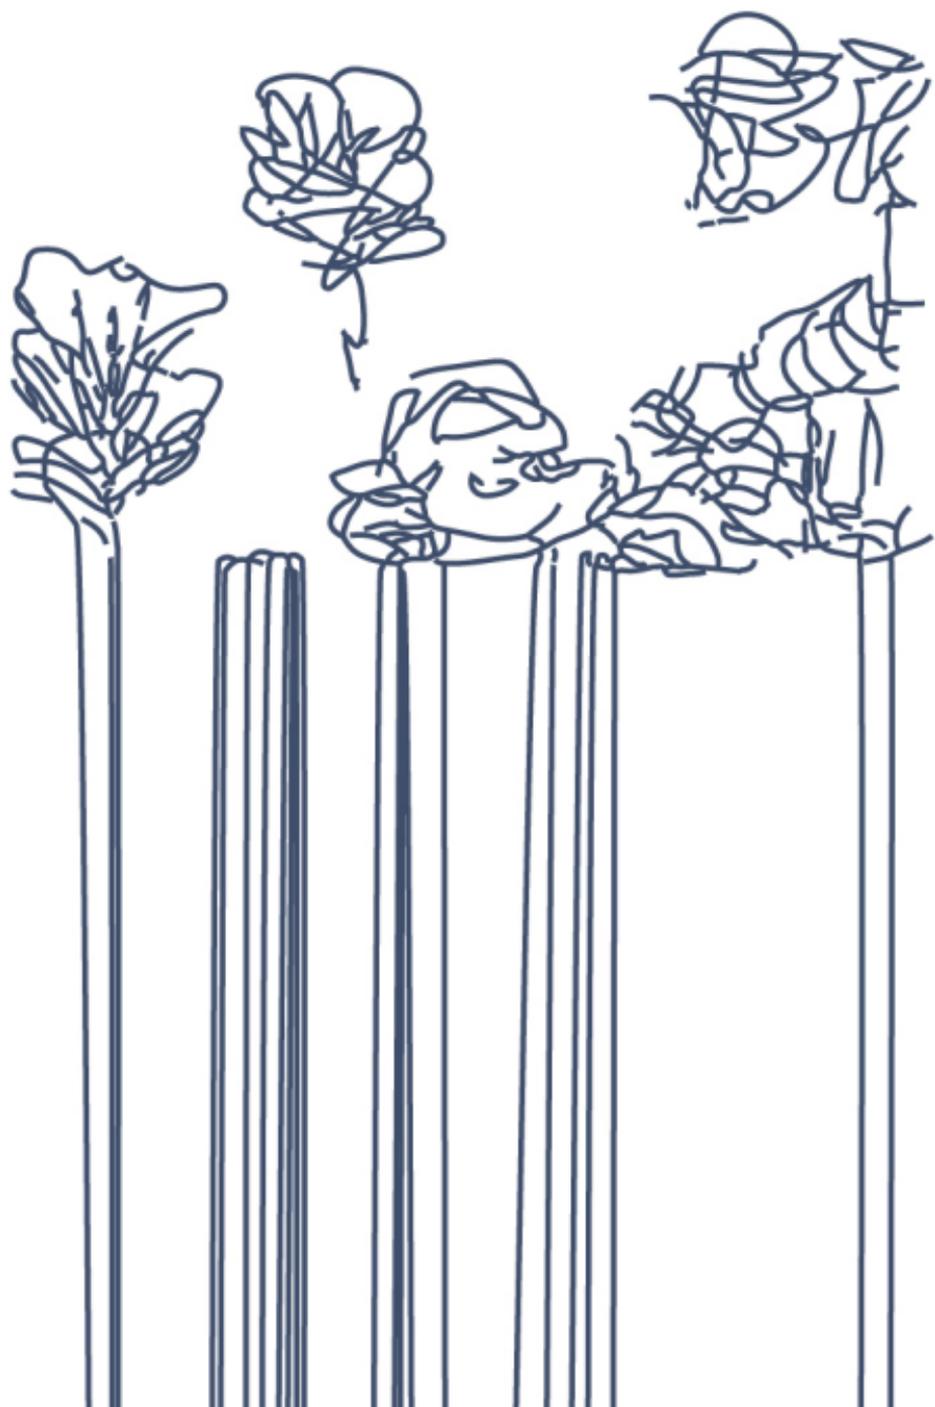

If we evolved from monkeys, why are we so afraid to make the cashier laugh?

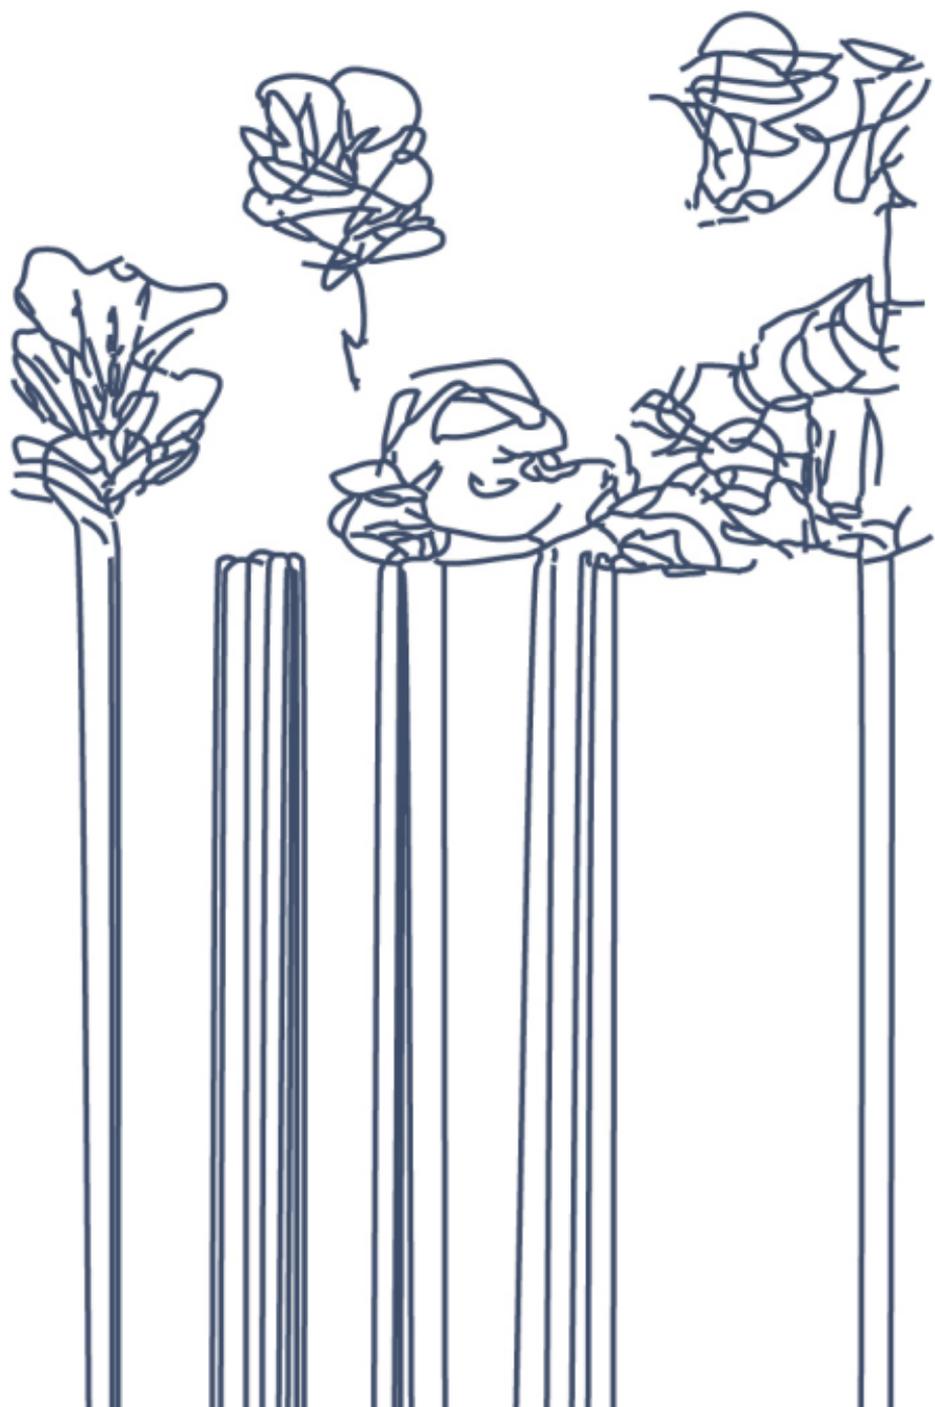

Does the biggest  
successes in your life  
have multiple endings?

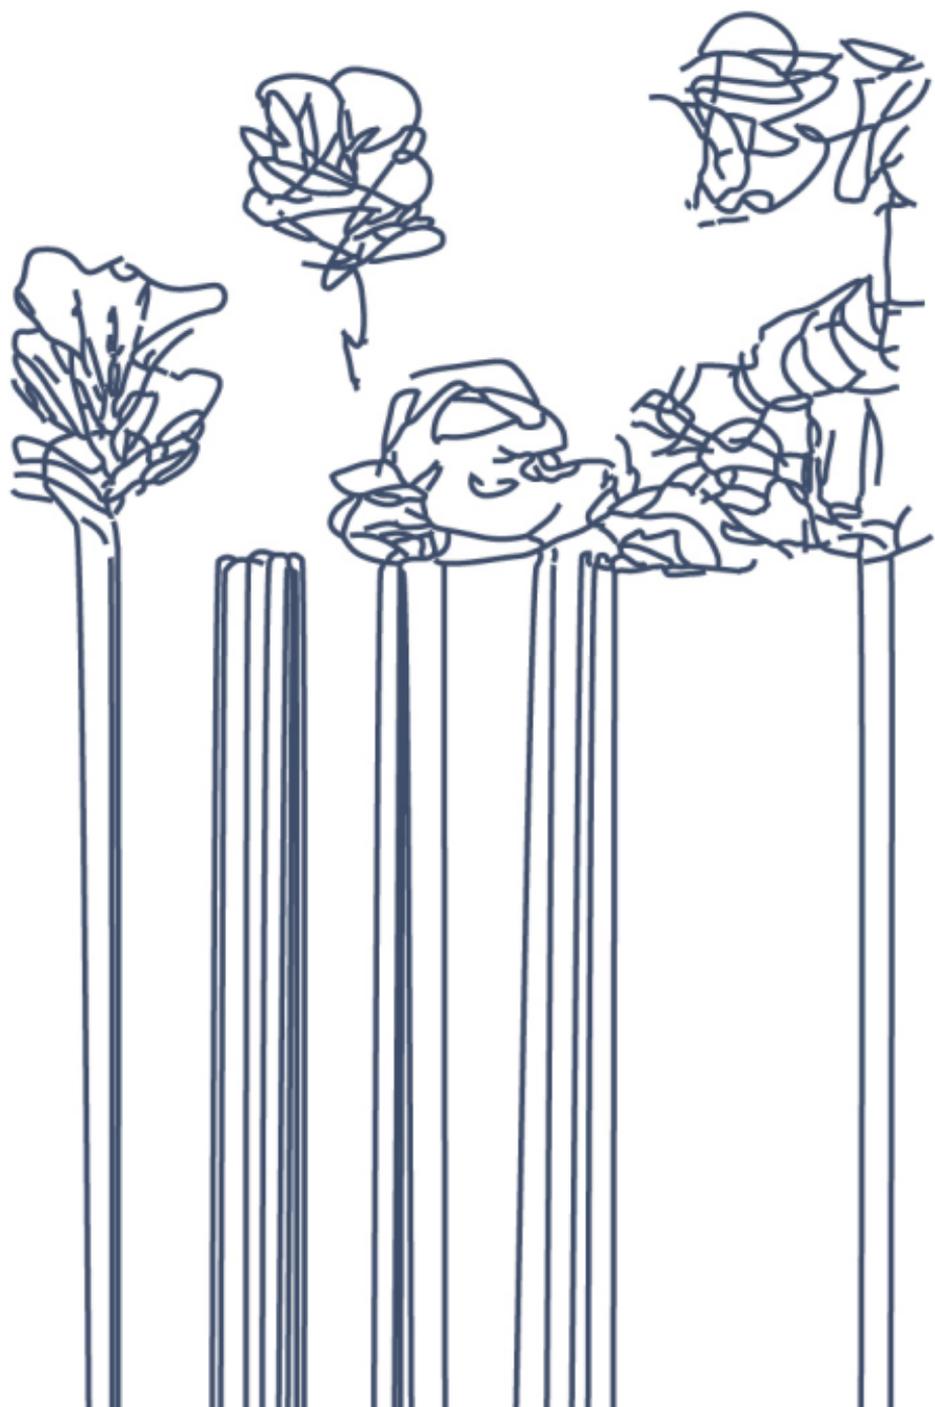

If nothing is  
impossible, then would  
it be?

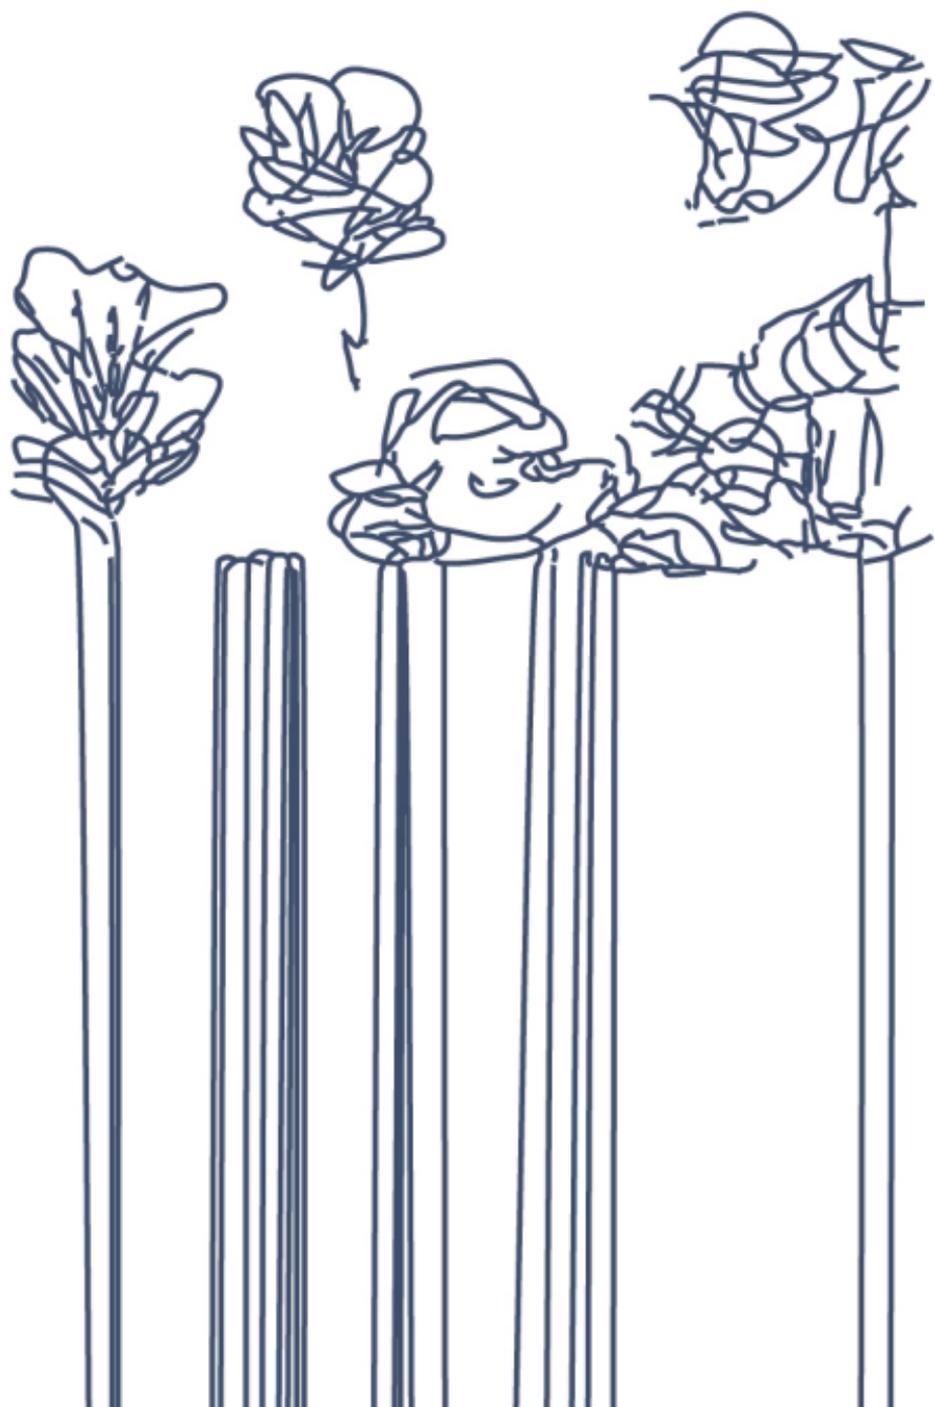

Do you wish you could  
pick a new beginning?

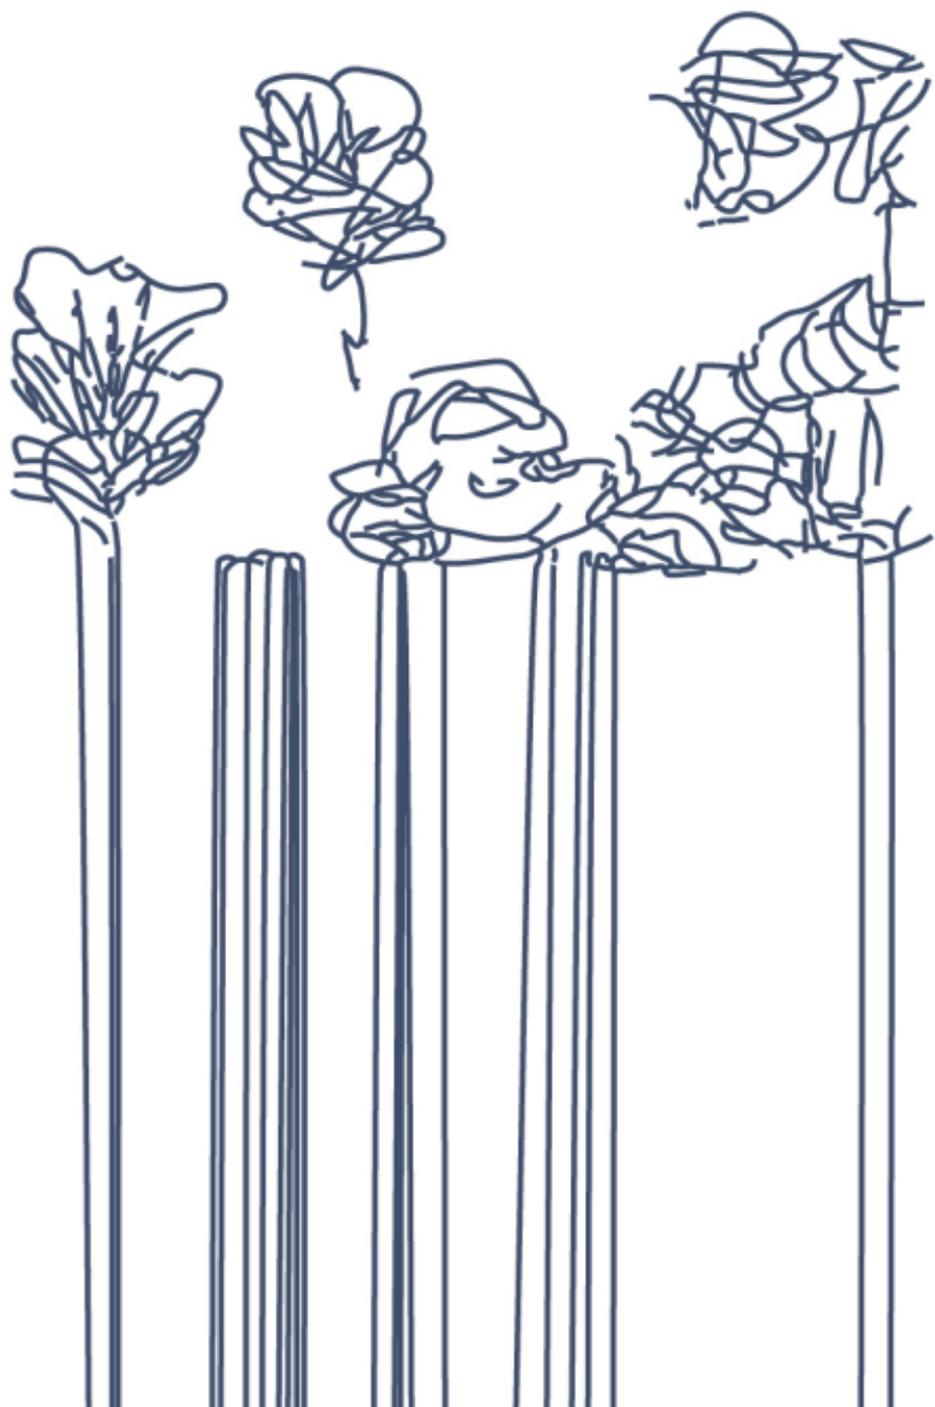

When is the next  
stranger I'll talk to?

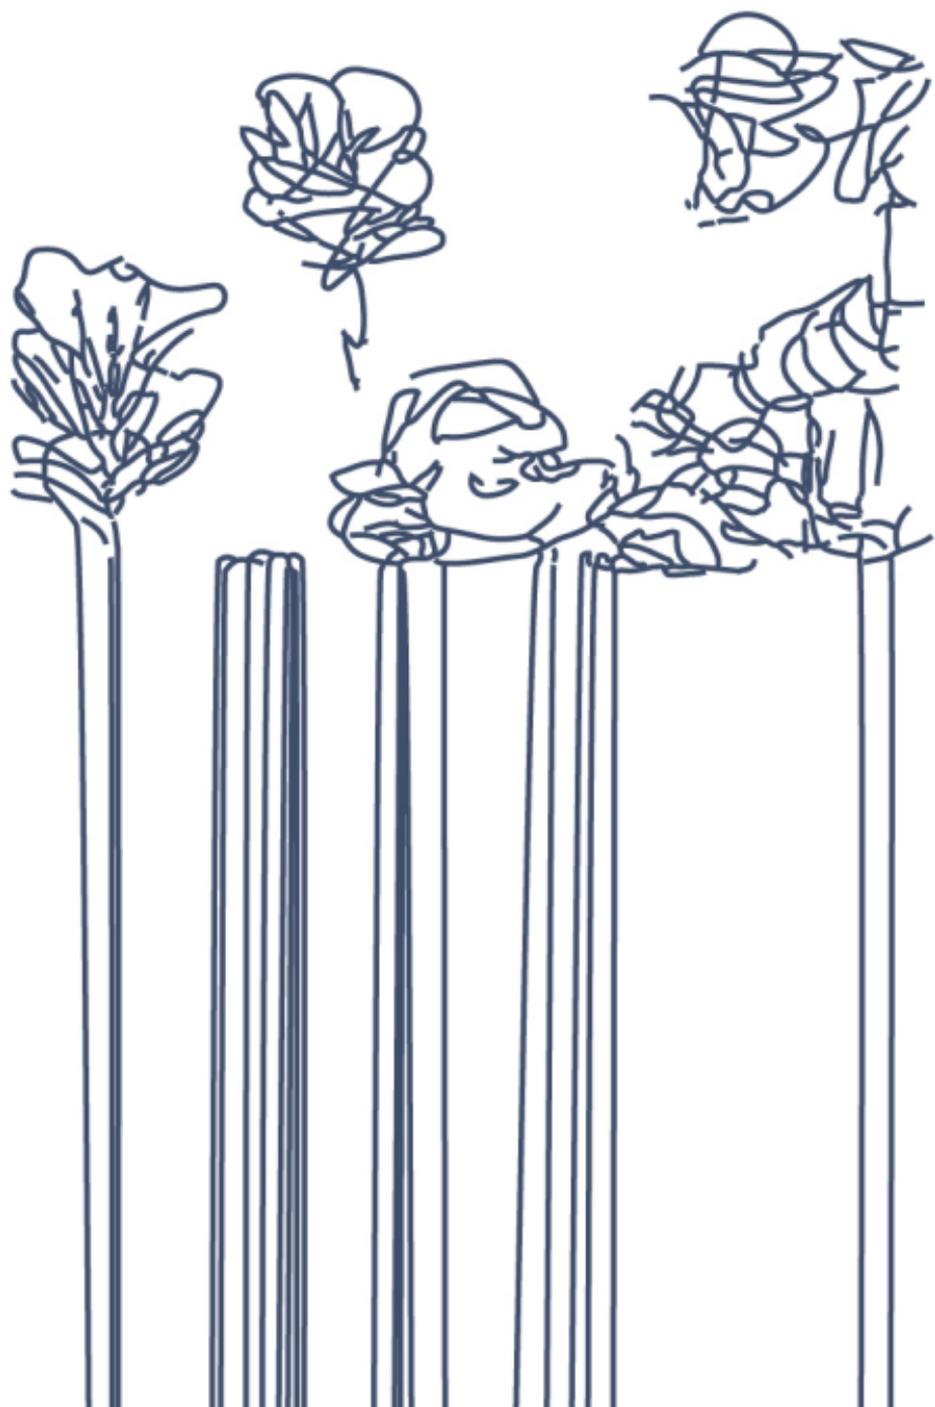

Are you living life to  
find meaning in your  
pocket?

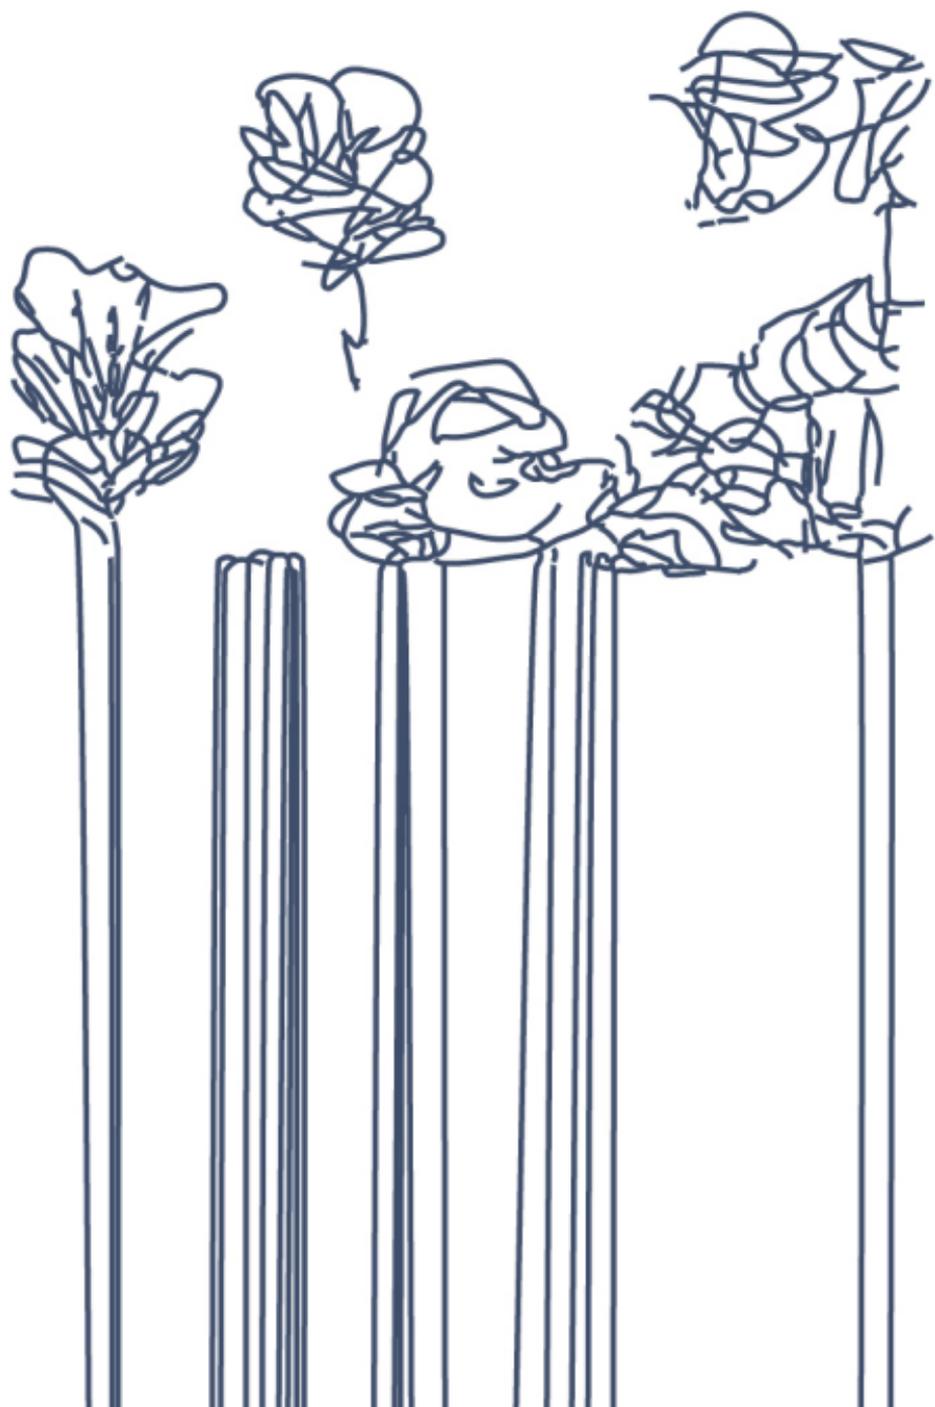

What is the main  
problem in the whole  
world?

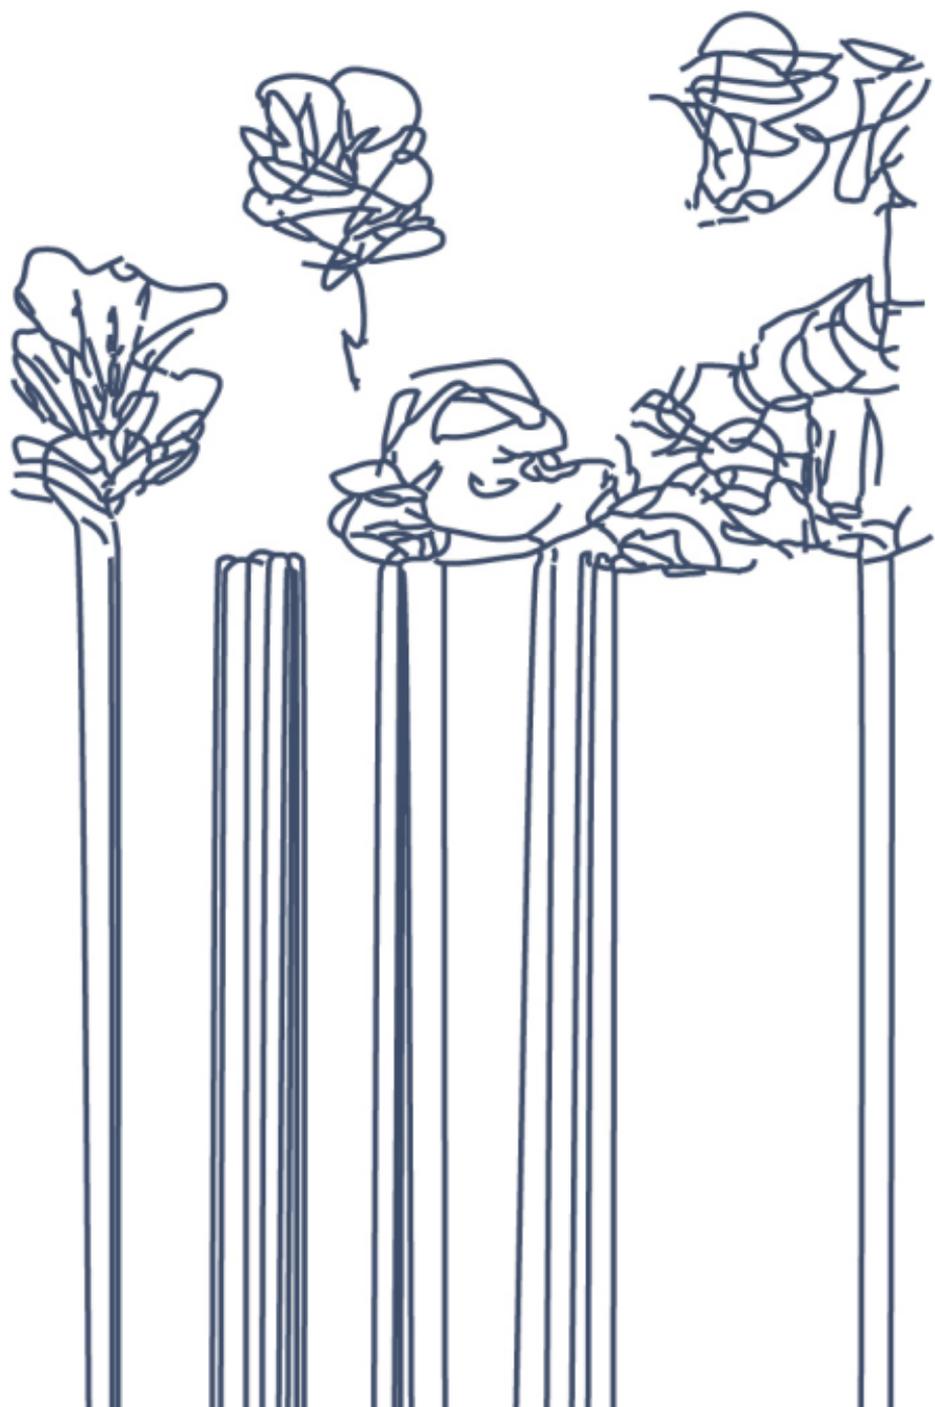

What would you  
convince someone that  
you are really afraid  
of?

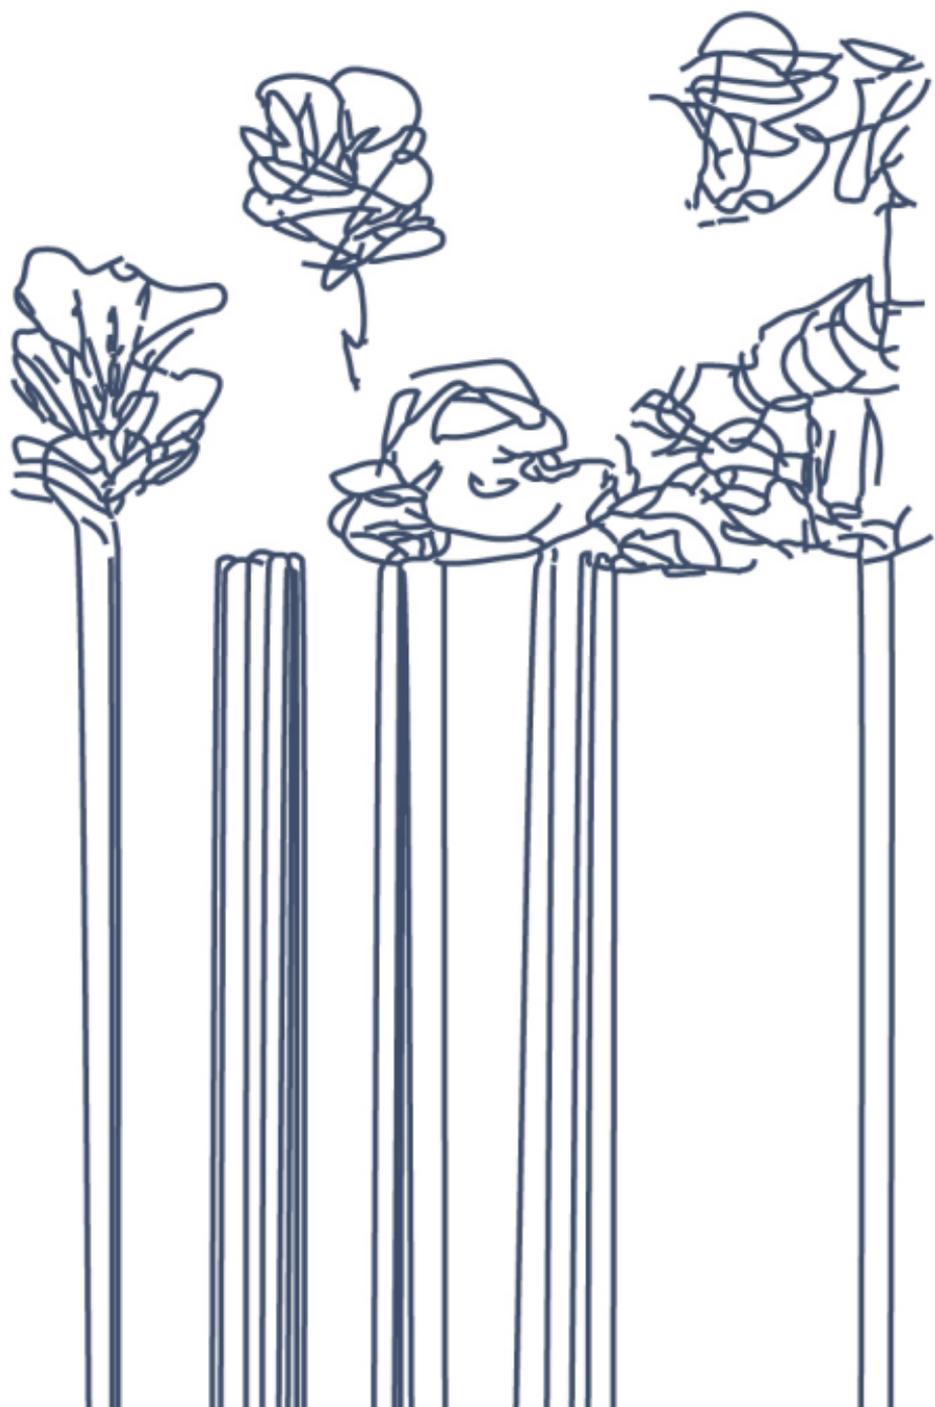

What would happen to  
the fact that we know  
for sure that there  
could be a genius?

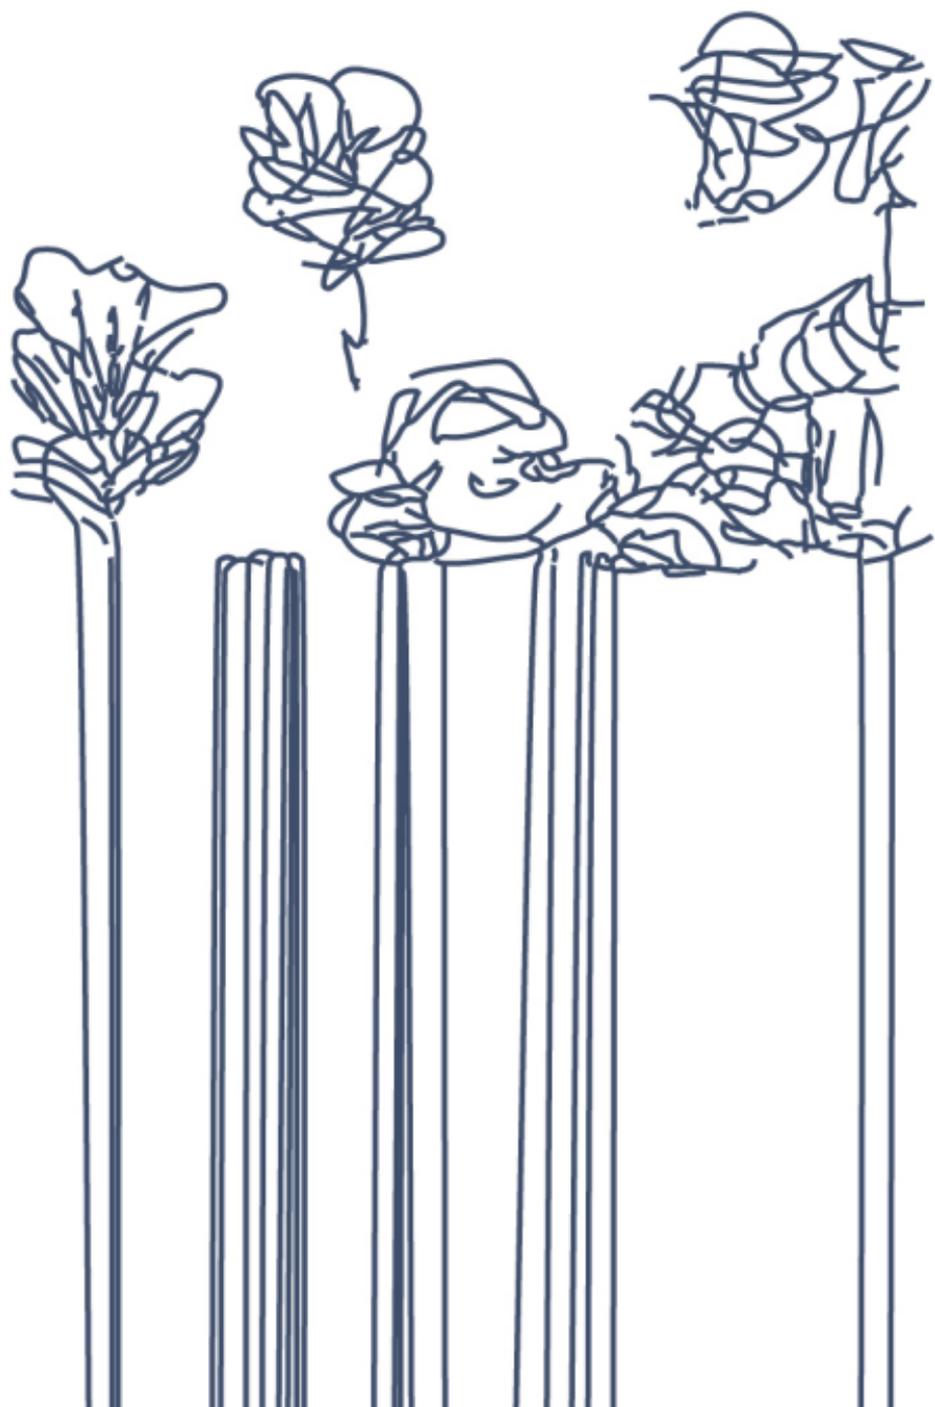

Are people in this age  
of technology?

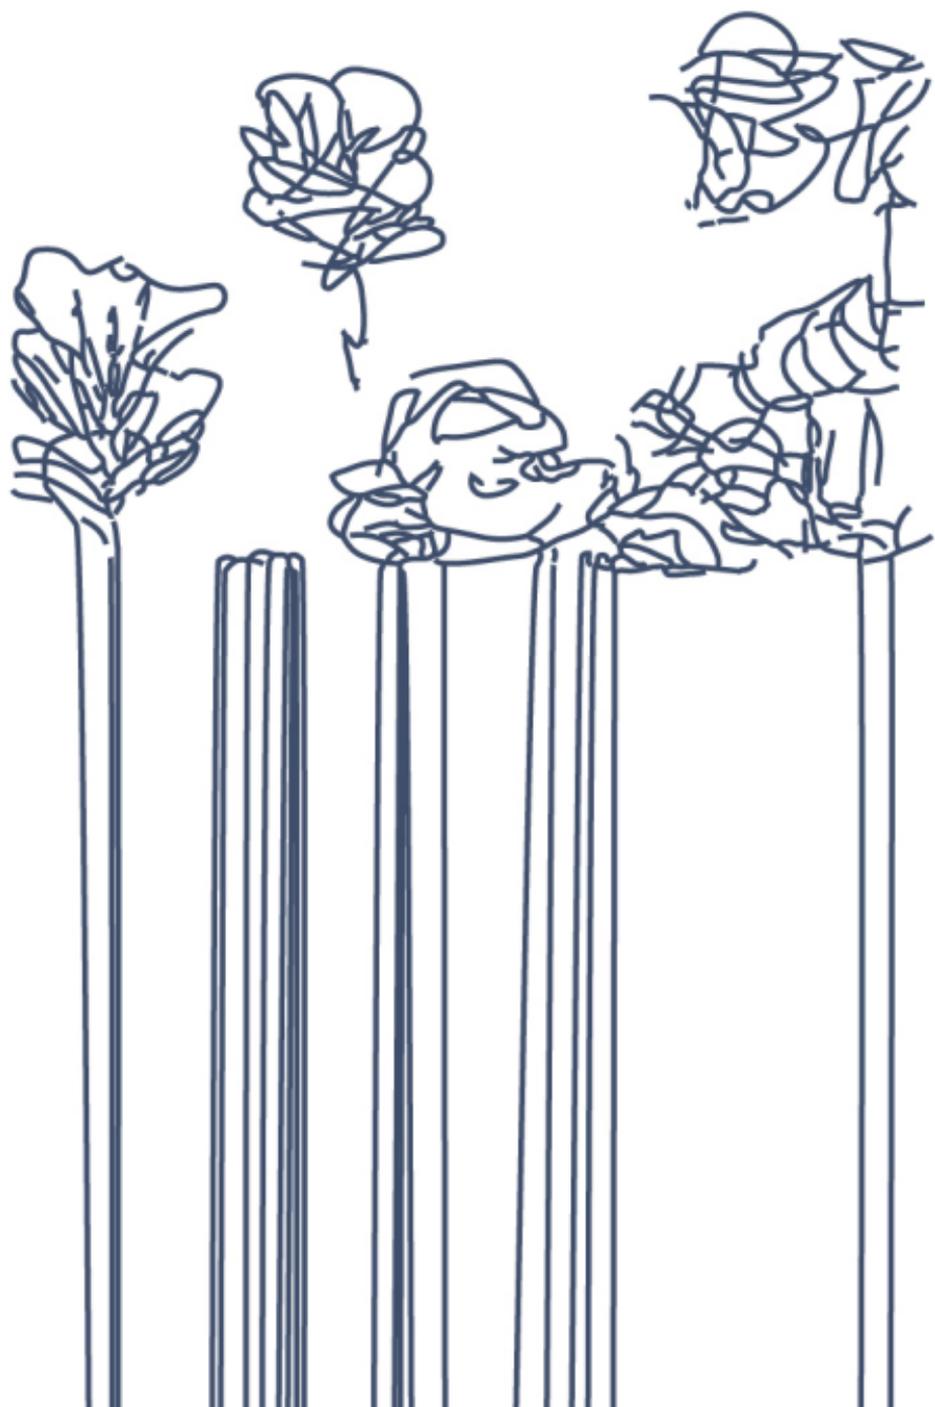

Is there any way to train  
people to misbehave or  
does it matter?

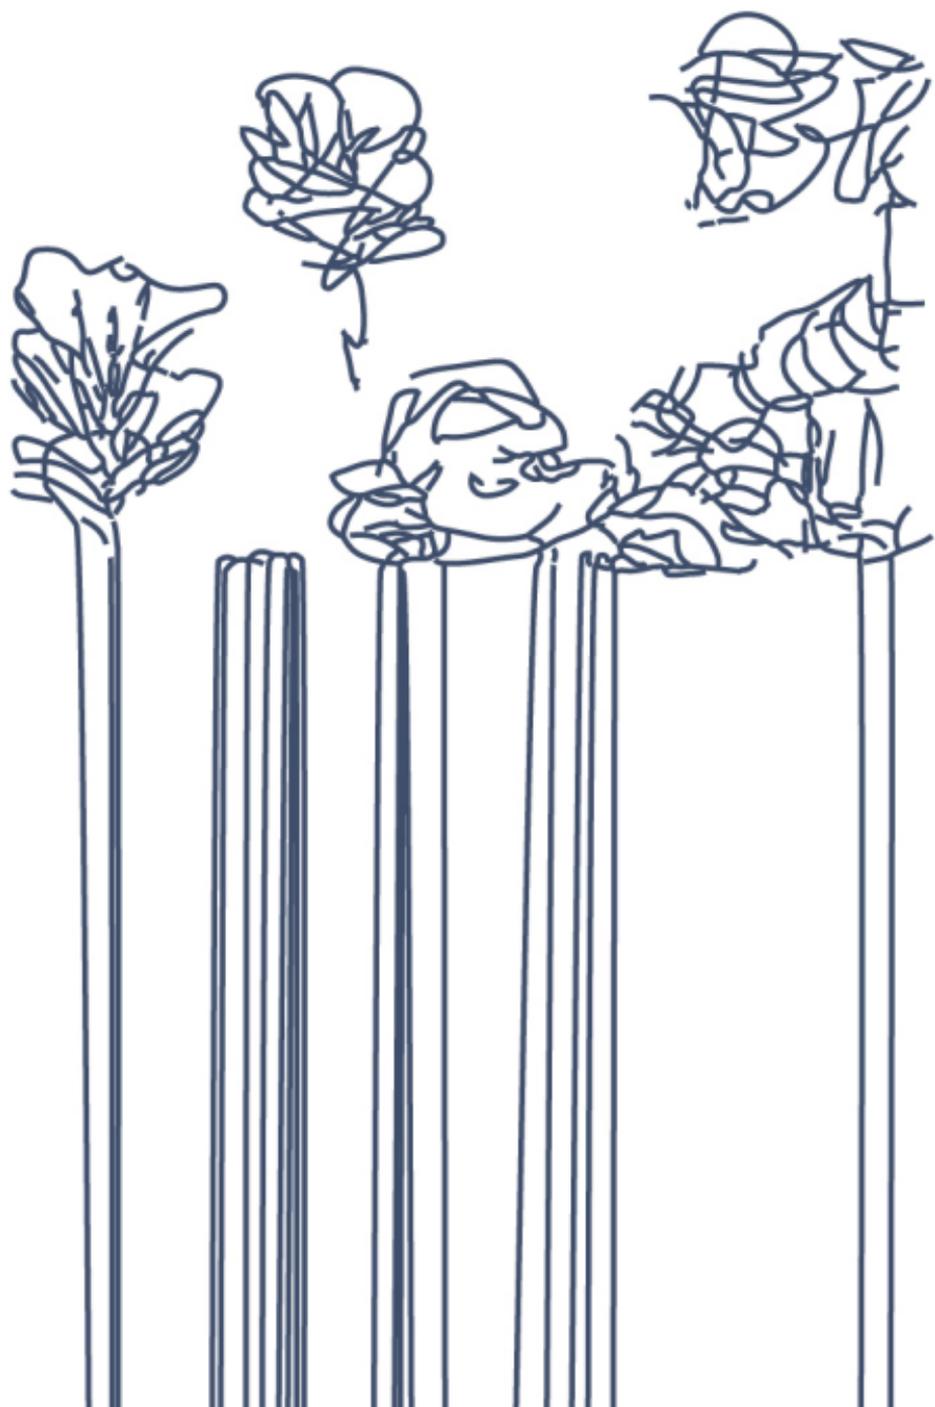

How would you live  
if you could become  
immortal on the floor,  
does the story end?

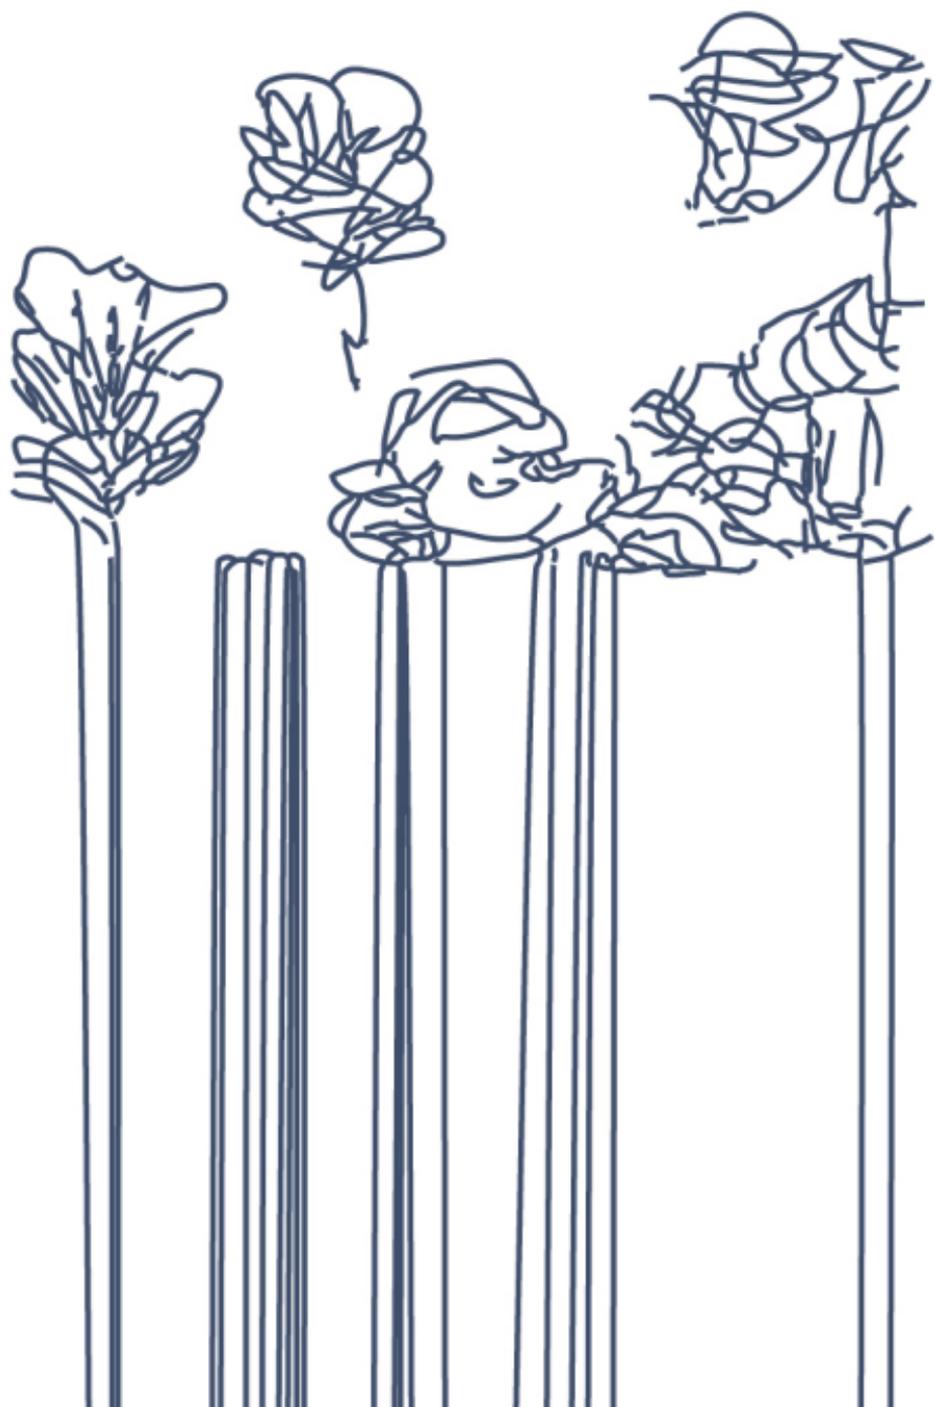

How far up do bald  
people go when they're  
forgotten?

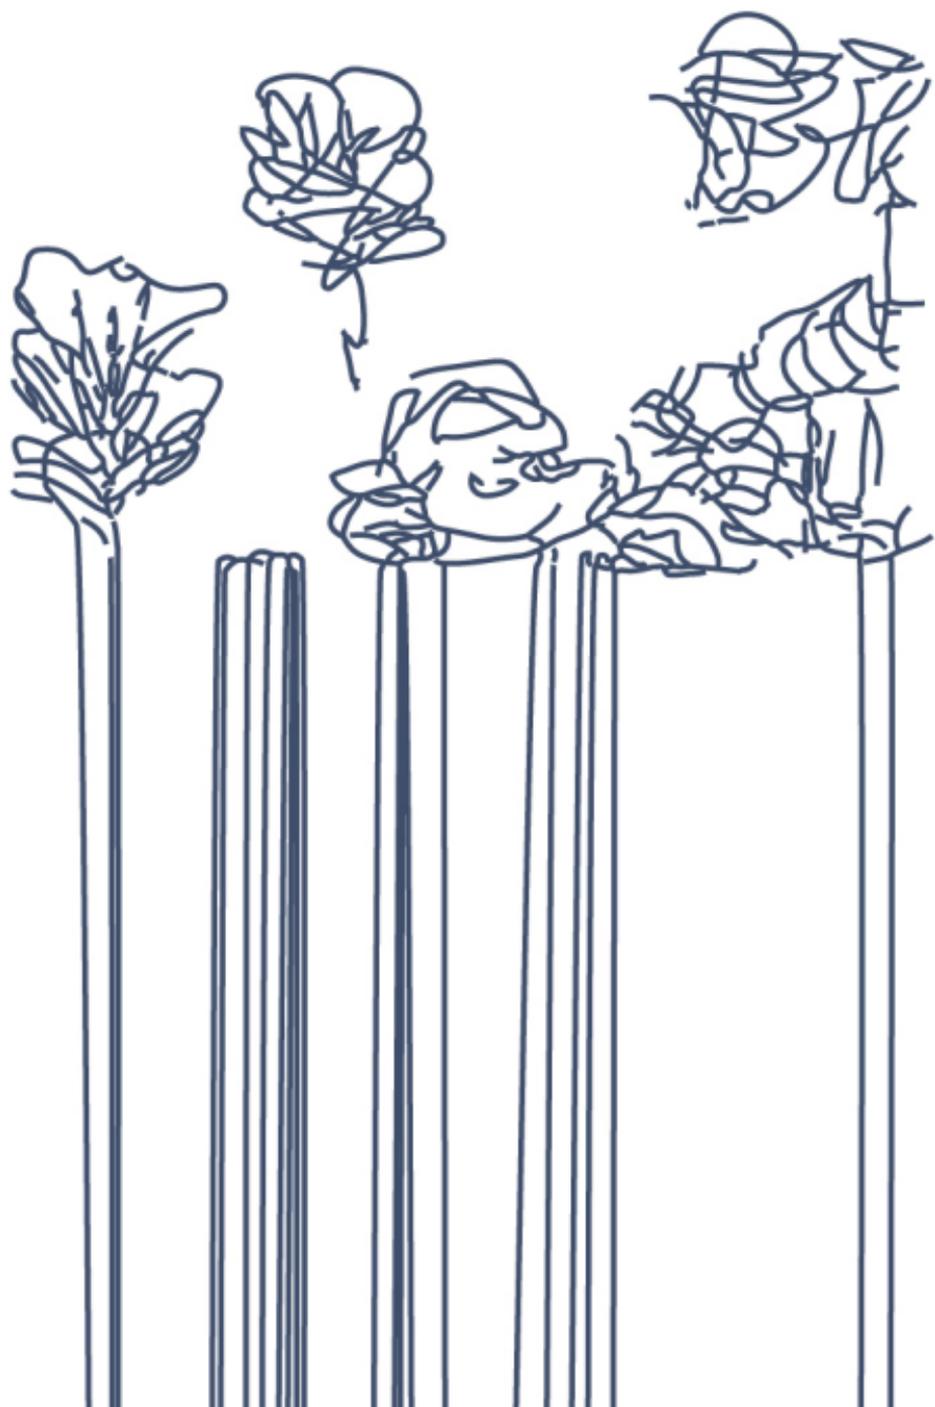

When you buy  
something that's made  
in China, does it need  
to have a long-term,  
universal significance?

What is your favorite  
day of the passing of  
time?

Is it possible that the  
atoms make them  
happier?

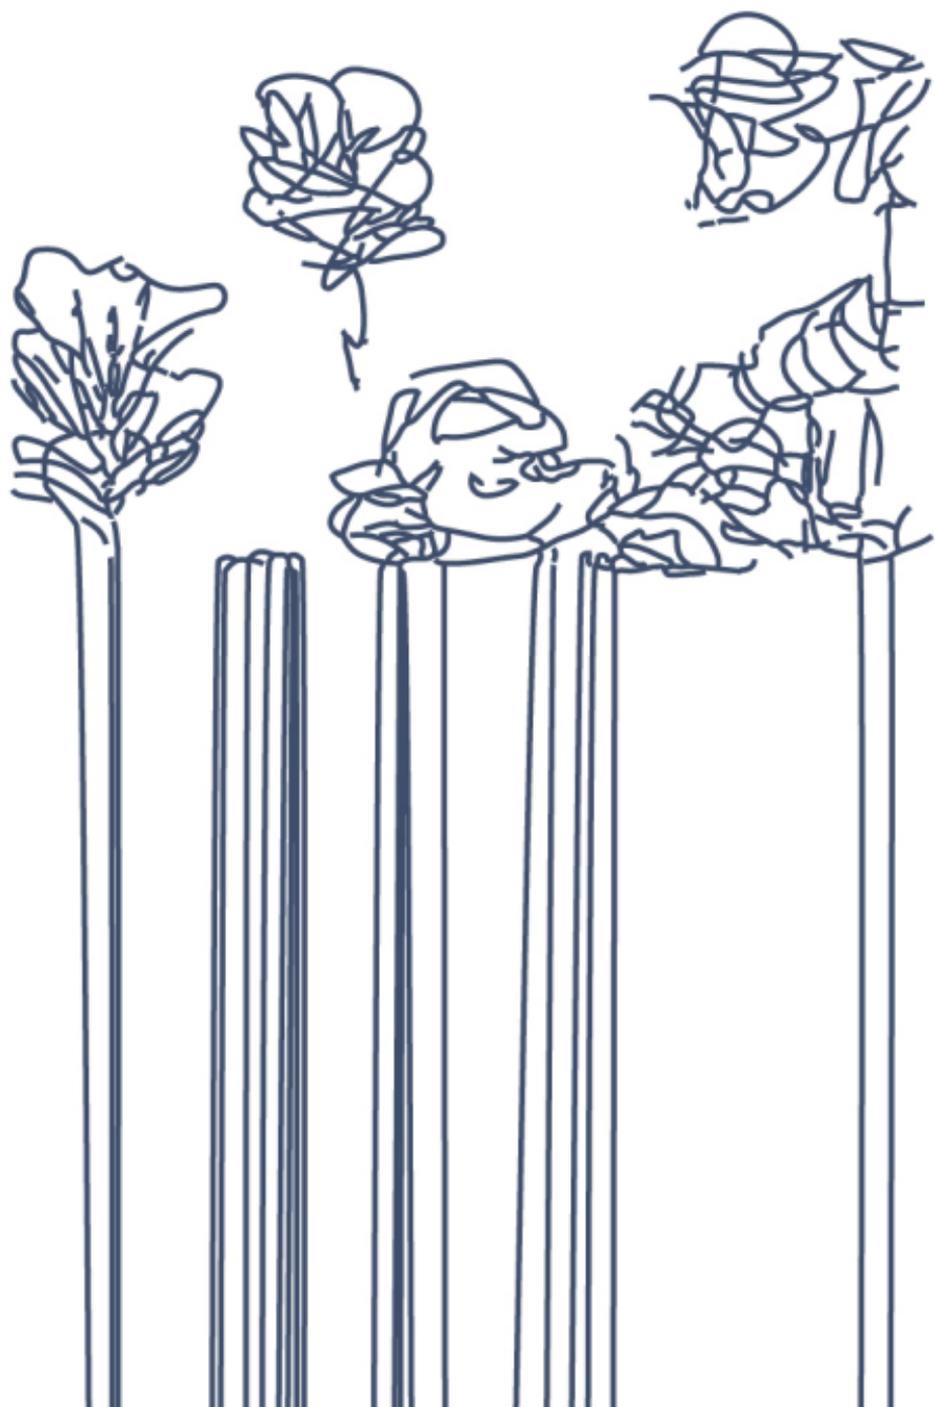

Do our human  
accomplishments have  
a conversation with any  
one of your family?

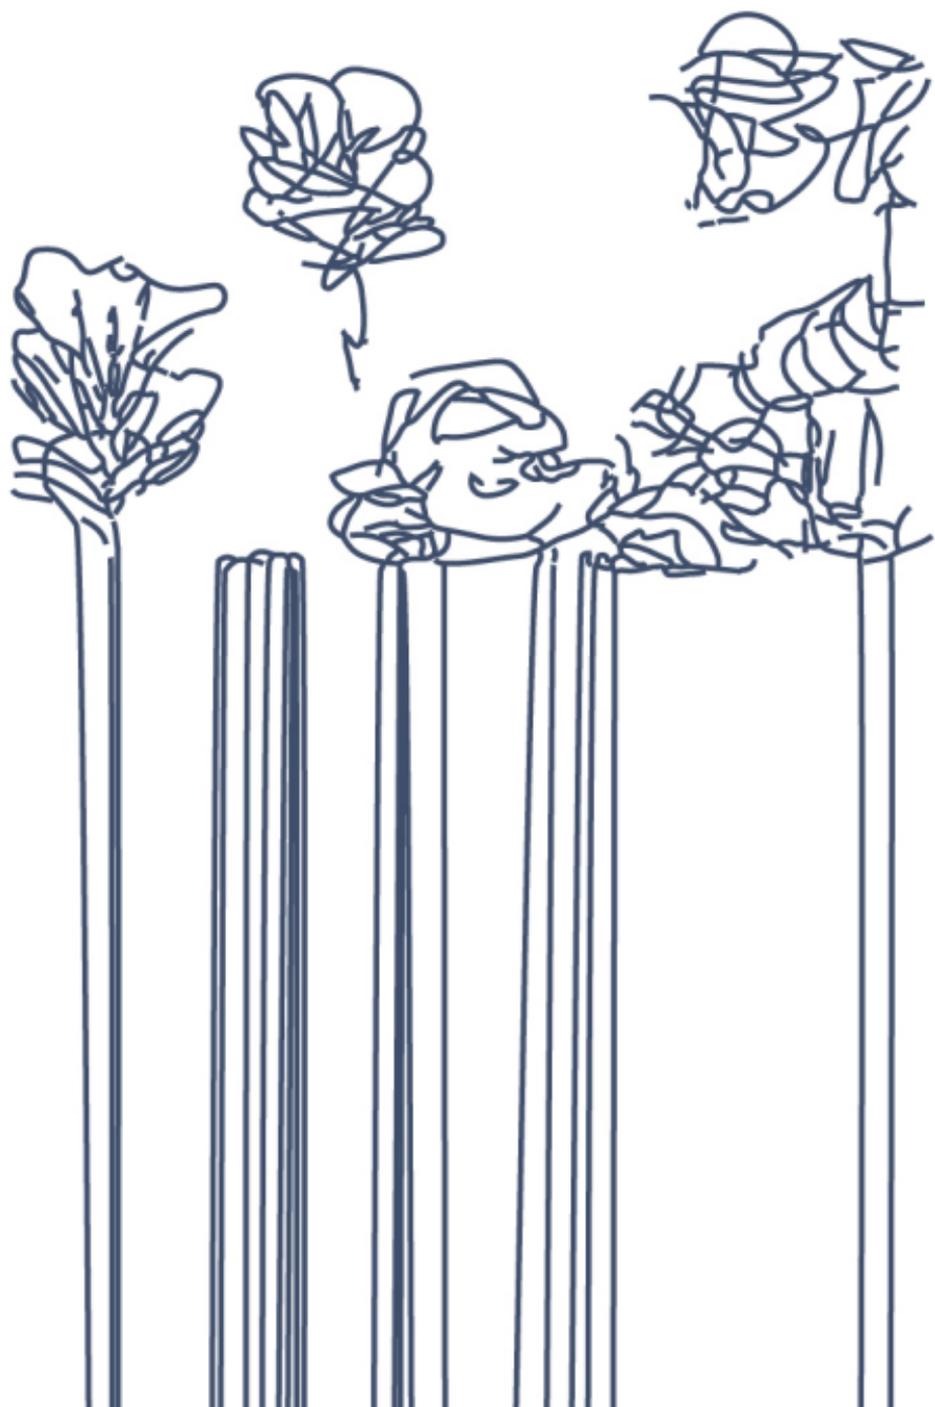

What if a character is  
in a forest and no one is  
there to hear it, does it  
just keep going?

Is peace the only way to  
give up?

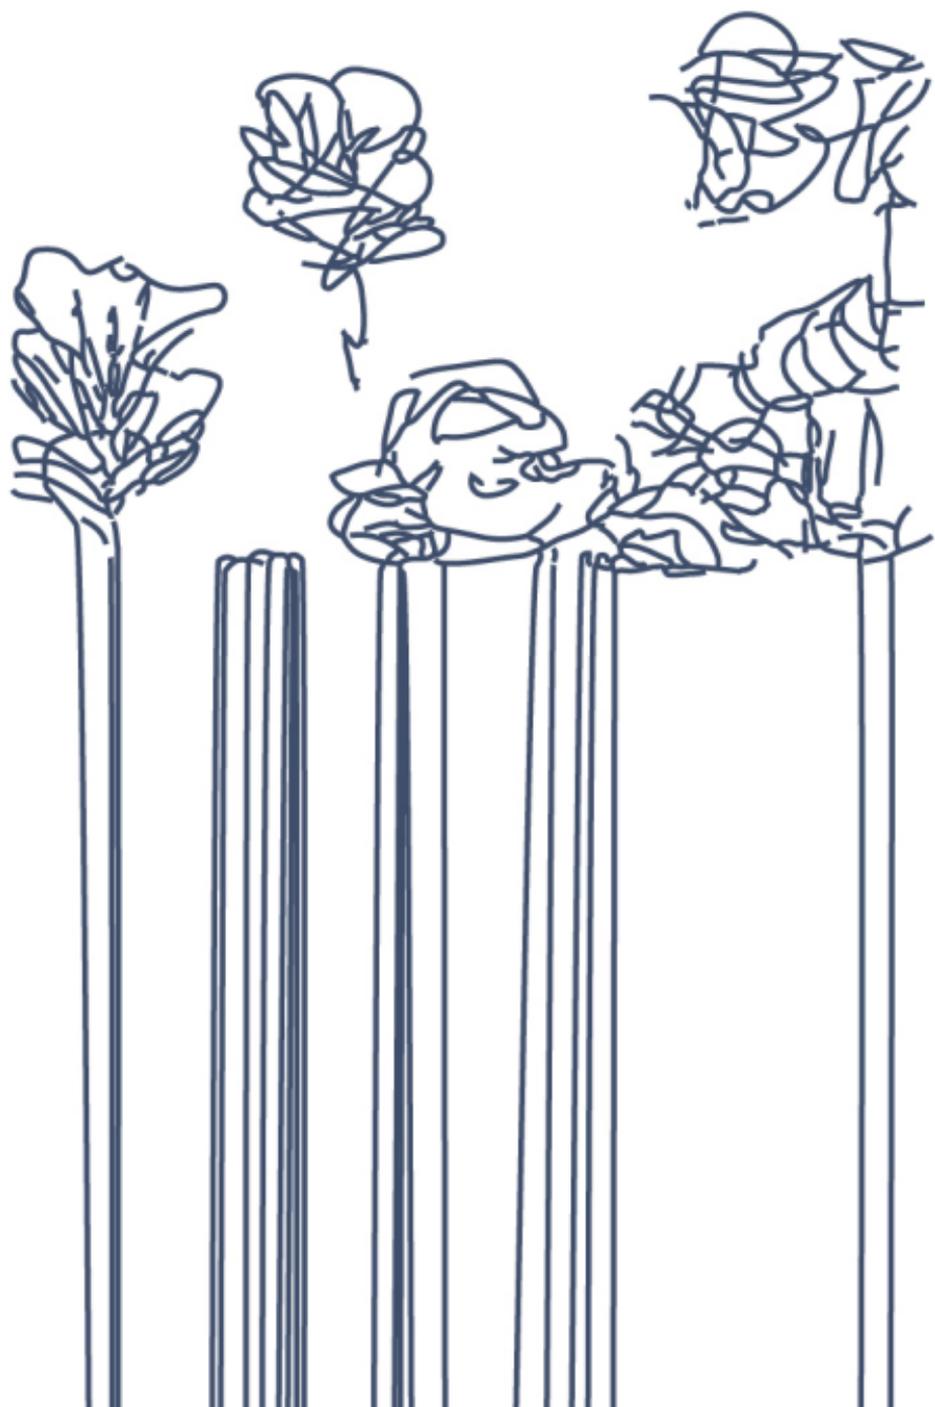

What would be a better  
place if caste and  
religion cease to exist?

How would the world  
be like if there were no  
illustrations?

Where do they treat  
their own gods?

What would you be if  
you were guaranteed to  
be impossible?
